PLAN ADMINISTRATOR
PENSION PLAN FOR EMPLOYEES OF BIJUR LUBRICATING CORPORATION
REPRESENTED BY LOCAL 295

Independent Auditors' Report

We have audited the accompanying statements of net assets available for benefits of the Pension Plan for Employees of Bijur Lubricating Corporation Represented by Local 295 (the Plan) as of December 31, 2009, and the related statement of changes in net assets available for benefits for the year then ended and the statement of accumulated benefits as of January 1, 2009, and the related statement of changes in accumulated benefits for the year then ended. These financial statements are the responsibility of the Plan's management. Our responsibility is to express an opinion on these financial statements based on our audit. The financial statements of the Plan as of and for the year ended December 31, 2008, were audited by other auditors whose report dated June 23, 2009, expressed an unqualified opinion on those statements.

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. These standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial presentation. We believe our audit provides a reasonable basis for our opinion.

In our opinion, the 2009 financial statements referred to above present fairly, in all material respects, information regarding the Plans' net assets available for benefits as of December 31, 2009, and changes therein for the year then ended and its financial status as of January 1, 2009 and changes therein for the year then ended in conformity with accounting principles generally accepted in the United States of America.

Our audit was conducted for the purpose of forming an opinion on the 2009 basic financial statements taken as a whole. The supplemental schedules of assets held for investment purposes at end of year and reportable transactions as of and for the year ended December 31, 2009, are presented for the purpose of additional analysis and are not a required part of the 2009 financial statements but are supplemental information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974. The supplemental schedules are the responsibility of the Plan's management. The supplemental schedules have been subjected to the auditing procedures applied in the audit of the 2009 basic financial statements and, in our opinion, are fairly stated in all material respects in relation to the 2009 basic financial statements taken as a whole.
