INDEPENDENT AUDITOR'S REPORT

To the Sierra Cascade Nursery
401(k) Profit Sharing Plan and Participants
Susanville, California

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the accompanying financial statements of the Sierra Cascade Nursery 401(k) Profit Sharing Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) [ERISA Section 103(a)(3)(C) audit]. The financial statements comprise the statement of net assets available for benefits as of December 31, 2025 and 2024, and the related statement of changes in net assets available for benefits for the year ended December 31, 2025, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Sierra Cascade Nursery 401(k) Profit Sharing Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2025 and 2024, and for the year ended December 31, 2025, stating that the certified investment information, as described in Note 6 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section—

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Sierra Cascade Nursery 401(k) Profit Sharing Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Sierra Cascade Nursery 401(k) Profit Sharing Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Sierra Cascade Nursery 401(k) Profit Sharing Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Sierra Cascade Nursery 401(k) Profit Sharing Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplemental Schedule Required by ERISA

The supplemental schedule of assets held for investment purposes at December 31, 2025 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion—

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

NOTE 1 - DESCRIPTION OF PLAN:

The Sierra Cascade Nursery 401(k) Profit Sharing Plan (the "Plan"), as amended, was established to be effective on January 1, 2013, with initial contributions starting on August 8, 2013. The Plan is an individual account profit sharing plan, which includes a 401(k) feature. The Plan operates on a calendar year basis.

General

The Plan covers substantially all eligible employees of Sierra Cascade Nursery (the "Company"). An eligible employee must be at least age 21 and complete twelve months of service and 1,000 work hours. For Company profit sharing, matching contributions, and elective contributions, participation begins on the January 1st or July 1st following the first anniversary of the employee's original date of hire.

The Plan also contains special eligibility provisions to ensure that all eligible employees enter the Plan by the latest participation date required under the applicable provisions of the Internal Revenue Code. Eligible employees may enter the Plan on either January 1st or July 1st. Employees have the option to elect a zero percent salary deferral or to change their salary deferral percentage at any time in accordance with the Plan.

Amendments to the Plan

The Plan was amended effective July 1, 2013 to provide a Special Participation Date that impacted seven employees and allowed immediate participation of all eligible employees employed on July 1, 2013. The Plan was amended and restated as of January 1, 2016 to conform to the provisions of the DC Basic Plan Document Form. The Plan was restated effective January 1, 2022 for the Cycle 3 IRS-required plan restatement.

Plan Contributions

Contributions to the Plan are made through employee 401(k) elective deferrals, Company 401(k) safe harbor matching contributions, and Company profit sharing contributions.

Employee 401(k) Contributions

Each year, eligible employees may elect to defer up to 100% percent of eligible annual compensation, as defined in the Plan, on a pre-tax basis, an after-tax (Roth) basis, or a combination of both, not to exceed the maximum statutory amount. Participants who are age 50 or older can elect to make catch-up contributions to the Plan, not to exceed the maximum statutory amount. Participants may also contribute amounts representing distributions from other qualified defined benefit or contribution plans.

Safe Harbor 401(k) Matching Contributions

The Company will contribute a matching contribution to each employee in an amount equal to 100% of an employee's elective deferral or Roth contributions that are not in excess of 4% of an employee's Plan compensation.

NOTE 1 - DESCRIPTION OF PLAN (Continued):

Company Profit Sharing Contributions

The Company's Board of Directors determines the Company profit sharing contribution, if any, each year. The Company's contribution for each Plan year is allocated among qualified participants based on their eligible compensation and years of service. There was no profit sharing contribution made during the year ended December 31, 2025.

Participant Accounts

Each participant's account is credited with the participant's contribution, the Company's matching and profit sharing contributions, and an allocation of plan earnings or losses. In addition, administrative expenses are charged to each participant's account. Allocations of Plan earnings and losses are credited or charged to participant accounts based on individual participant investment choices. All contributions/investments are participant directed. Participants are able to direct the investment of their accounts (including Company matching and profit sharing contributions) among any of the available funds. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting

Participants are vested immediately in their contributions and Company 401(k) matching contributions plus actual earnings thereon. Vesting in Company profit sharing contributions is 0% during the first year of service and then 20% per year thereafter.

Forfeitures

Forfeitures of unvested Company profit sharing contributions from terminated participant accounts can be used to reduce future Company matching contributions, allocate as an additional contribution, or used to pay administrative fees of the Plan. At December 31, 2025 and December 31, 2024, forfeited unvested accounts in the Plan totaled $1,141 and $0, respectively.

Benefits

On termination of service, a participant (or participant's beneficiary in the case of death) may elect to receive the value of the vested interest in his or her account as a lump-sum distribution or, if the vested account balance exceeds $5,000, elect to remain in the Plan, subject to required distributions under Section 401(a)(9) of the Internal Revenue Code. When an active participant reaches age 59.5 and continues to work for the Company, the participant is eligible to receive a partial or full distribution of his or her retirement benefits.

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES:

Basis of Accounting

The financial statements of the Plan are prepared under the accrual method of accounting.

Estimates

The preparation of financial statements in conformity with generally accepted accounting principles requires the plan administrator to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results may differ from those estimates.

Investment Valuation and Income Recognition

The Plan's investments are stated at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See note 5 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation (depreciation) includes the plan's gains and losses on investments bought and sold as well as held during the year.

Administrative Expenses

All Plan investment and trust management fees paid are charged against the Plan's assets. These fees are allocated to the participant's accounts in the same manner as the allocation of income and loss. Expenses related to specific participant transactions are charged to the respective participant's account.

Payment of Benefits

Benefits are recorded when paid.

Subsequent Events

The Plan has evaluated its December 31, 2025 financial statements for subsequent events through October 2, 2026, the date that these statements were available to be issued. No additional disclosures were considered necessary.

NOTE 3 - PLAN TERMINATION:

Although it has not expressed any intent to do so, the Company has the right under the Plan to terminate the Plan, subject to the provisions of ERISA. In the event of Plan termination, participants will become 100% vested in any employer contributions that have been allocated to their accounts.

NOTE 4 - TAX STATUS:

The Internal Revenue Service has determined and informed the Company by a letter dated March 31, 2014, that the plan and related trust are designed in accordance with applicable sections of the Internal Revenue Code (IRC). Although the Plan has been amended since receiving the original determination, the Plan administrator believes that the Plan is designed and is currently being operated in compliance with the applicable requirements of the IRC and, therefore, believe that the Plan is qualified, and the related trust is tax-exempt.

Accounting principles generally accepted in the United States of America require plan management to evaluate tax positions taken by the plan and recognize a tax liability (or asset) if the organization has taken an uncertain position that more likely than not would not be sustained upon examination by federal and state taxing authorities. The plan administrator has analyzed the tax positions taken by the plan, and has concluded that as of December 31, 2025, there are no uncertain positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements. The plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

NOTE 5 - FAIR VALUE MEASUREMENTS:

Accounting principles recognized in the United States of America establish a framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1 measurements) and the lowest priority to unobservable inputs (level 3 measurements). The three levels of the fair value hierarchy are described below:

Level 1 Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 Inputs to the valuation methodology include:

- Quoted prices for similar assets or liabilities in active markets;
- Quoted prices for identical or similar assets or liabilities in inactive markets;
- Inputs other than quoted prices that are observable for the asset or liability;
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value:

Mutual Funds: Valued at the daily closing price reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily net asset value and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded and are thus assigned input level 1.

NOTE 5 - FAIR VALUE MEASUREMENTS (Continued):

The methods described above may produce a fair value calculation that may or may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2025:

Investment Category	Fair Value	Level 1 Inputs	Level 2 Inputs	Level 3 Inputs
Mutual Funds	$ 17,052,011	$ 17,052,011	$ -	$ -
Total Assets at Fair Value	$ 17,052,011	$ 17,052,011	$ -	$ -

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2024:

Investment Category	Fair Value	Level 1 Inputs	Level 2 Inputs	Level 3 Inputs
Mutual Funds	$ 13,538,078	$ 13,538,078	$ -	$ -
Total Assets at Fair Value	$ 13,538,078	$ 13,538,078	$ -	$ -

NOTE 6 - SUMMARY OF INFORMATION CERTIFIED BY THE TRUSTEE - UNAUDITED:

The Plan's investments are held and administered by John Hancock Life Insurance Company, as trustee. The trustee of the Plan has provided a certification that the following information, which is contained in or used to develop the accompanying financial statements, is complete and accurate:

Investments as of December 31, 2025 and 2024.
Investment income for the year ended December 31, 2025.
Schedule of Assets Held for Investment Purposes as of December 31, 2025.

NOTE 7 - RISKS AND UNCERTAINTIES:

The plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits.

NOTE 8 - RELATED PARTY TRANSACTIONS:

Plan investments are managed by the custodian and are considered party-in-interest transactions under ERISA regulations. Such transactions are permitted under the provisions of the Plan and are specifically exempt from the prohibition of party-in-interest transactions under ERISA.
