Independent Auditor's Report

To the Plan Administrator and Those Charged with Governance of
SVA Certified Public Accountants, S.C. 401(k) Profit Sharing Plan
Madison, Wisconsin

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the accompanying financial statements of SVA Certified Public Accountants, S.C. 401(k) Profit Sharing Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) [ERISA Section 103(a)(3)(C) audit]. The financial statements comprise the statements of net assets available for benefits as of December 31, 2025 and 2024, and the related statement of changes in net assets available for benefits for the year ended December 31, 2025, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of SVA Certified Public Accountants, S.C. 401(k) Profit Sharing Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from qualified institutions as of December 31, 2025 and 2024, and for the year ended December 31, 2025, stating that the certified investment information, as described in Note 8 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section:

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of SVA Certified Public Accountants, S.C. 401(k) Profit Sharing Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about SVA Certified Public Accountants, S.C. 401(k) Profit Sharing Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of SVA Certified Public Accountants, S.C. 401(k) Profit Sharing Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about SVA Certified Public Accountants, S.C. 401(k) Profit Sharing Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certifications, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter – Supplemental Schedule Required by ERISA

The supplemental Schedule H, Line 4i – Schedule of Assets (Held at End of Year) as of December 31, 2025 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedule that

agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

401(k) Profit Sharing Plan

Notes to Financial Statements

December 31, 2025

Note 1 – Plan Description

The following description of the SVA Certified Public Accountants, S.C. 401(k) Profit Sharing Plan (the "Plan") provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

The Plan is a defined contribution plan covering substantially all employees of SVA Certified Public Accountants, S.C. and Diversified Services of Wisconsin, Inc. (the "Companies") and its subsidiaries, SVA Consulting, L.L.C.; SVA Financial Services, L.L.C.; SVA Technology Services, L.L.C.; and SVA Financial Group, L.L.C., who have attained twenty-one years of age and have completed thirty days of service. Employees are eligible to participate in the Plan on the first of the month following thirty days of service with deferral changes permitted each payroll period. The Plan allows prior service with acquired companies to count toward eligibility, vesting, and contribution allocations in the Plan. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

Effective April 28, 2025, the Plan was amended to provide that employees become eligible to participate upon completing one month of service.

Contributions

Participants may contribute pre-tax and/or Roth deferrals up to 75% of their annual compensation as defined in the Plan. In addition, the Plan permits catch-up contributions to be made by eligible participants. Participants may also contribute amounts representing distributions from other qualified defined benefit or defined contribution plans. Participants direct their contributions into various investments offered by the Plan. The Companies may elect to make a matching contribution. For 2025 and 2024, the Companies contributed 50% of the first 6% of compensation that a participant contributed to the Plan, with a maximum contribution of 3% of compensation. Additional amounts may be contributed at the option of the Companies' Board of Directors. The Board of Directors approved a profit-sharing contribution of $834,106, net of forfeitures, for 2025. Employees who have completed one year of service (475 hours) and are employed on the last day of the plan year are eligible for profit-sharing contributions. Contributions are subject to certain limitations.

Effective January 1, 2025, the Plan was amended to increase the service requirement for eligibility to receive employer profit-sharing contributions from 475 hours to 500 hours.

Participant Accounts

Each participant's account is credited with the participant's contributions, the Companies' matching and any additional contributions, and an allocation of Plan earnings and charged with an allocation of administrative expenses, net of revenue sharing credits. Allocations are based on participant earnings or account balances, as defined by the Plan. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting

Participants are immediately vested in their contributions and the Companies' matching contributions plus actual earnings thereon. Vesting in the Companies' discretionary contribution portion of their accounts plus actual earnings thereon is based on years of continuous service. A participant is 100% vested after six years of credited service.

Payment of Benefits

Upon termination of service for any reason, a participant may elect to receive a lump-sum amount equal to the value of the participant's vested interest in his or her account. Installment payments and partial distributions are available for participants, as defined. Terminated participant's accounts totaling $7,000 or less may be automatically rolled over to an IRA if no election is made by the participant, as defined.

Administrative Expenses

Plan fees and administrative expenses are paid by the Companies on a discretionary basis. A plan expense reimbursement agreement with the Plan's third-party administrator is in effect, providing for offset of Plan expenses by certain fund revenue. A portion of these fees and expenses was reduced through this agreement for the year ended December 31, 2025.

Forfeited Accounts

At December 31, 2025 and 2024, forfeited non-vested accounts totaled $5,719 and $13,029, respectively. This account will be used to reduce employer contributions. Forfeitures must be disposed of no later than the last day of the Plan year following the Plan year in which the forfeiture occurs. During 2025, $6,588 was used to reduce the employer profit sharing contribution.

Note 2 – Significant Accounting Policies

Basis of Accounting

The financial statements of the Plan are prepared using the accrual method of accounting.

Estimates

The preparation of financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results may differ from those estimates.

Investment Valuation and Income Recognition

The Plan's investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 3 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Dividends are recorded on the ex-dividend date. Net appreciation or depreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could

materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

Benefit Payments

Benefits are recorded when paid.

Subsequent Events

Subsequent events have been evaluated through August 10, 2026, the date the financial statements were available to be issued.

Note 3 – Fair Value Measurements

The Plan's mutual funds and collective investment trust investments are reported at fair value in the accompanying statements of net assets available for benefits. The methods used to measure fair value may produce an amount that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The fair value measurement accounting literature establishes a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. This hierarchy consists of three broad levels: Level 1 inputs consist of unadjusted quoted prices in active markets for identical assets and have the highest priority; Level 2 inputs consist of observable inputs other than quoted prices for identical assets; and Level 3 inputs are unobservable and have the lowest priority. The Plan uses appropriate valuation techniques based on the available inputs to measure the fair value of its investments. When available, the Plan measures fair value using Level 1 inputs because they generally provide the most reliable evidence of fair value. Level 3 inputs are used only when Level 1 or Level 2 inputs are not available.

The collective investment trust fund issued by Reliance Trust Company (the Stable Value Fund Collective Investment Trust) and owned at December 31, 2025 and 2024 is composed primarily of annuity contracts issued by MetLife and is valued at the net asset value of units of the collective investment trust fund. Net asset value is used as a practical expedient to estimate fair value. This practical expedient would not be used if it is determined to be probable that the fund will sell the investment for an amount different from the reported net asset value. Participant transactions (purchases and sales) may occur daily.

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2025 and 2024. Classification within the fair value hierarchy table is based on the lowest level of any input that is significant to the fair value measurement.

	Fair Value Measurements at Reporting Date Using:	
	Fair Value	Quoted Prices in Active Markets for Identical Assets (Level 1)
December 31, 2025		
Mutual funds	$ 116,233,434	$ 116,236,467
Total assets in fair value hierarchy	116,233,434	116,236,467
Investments measured at NAV[(a)]	2,116,881	-
Investments at fair value	**$ 118,350,315**	**$ 116,236,467**
December 31 2024		
Mutual funds	$ 107,012,688	$ 107,012,688
Total assets in fair value hierarchy	107,012,688	107,012,688
Investments measured at NAV[(a)]	2,275,069	-
Investments at fair value	**$ 109,287,757**	**$ 107,012,688**

(a) In accordance with Subtopic 820-10, certain investments that were measured at net asset value per share (or its equivalent) have not been classified in the fair value hierarchy. The fair value amounts presented in this table are intended to permit reconciliation of the fair value hierarchy to the line items presented in the statements of net assets available for benefits.

Level 1 Fair Value Measurements

The fair values of mutual funds are based on quoted net asset values of the shares held by the Plan at year end.

Investments Measured Using the Net Asset Value per Share Practical Expedient

The following table, which includes the Stable Value Fund Collective Investment Trust Series 25053 issued by Reliance Trust Company, summarizes investments for which fair value is measured using the net asset value per share practical expedient as of December 31, 2025 and 2024. There are no participant redemption restrictions for these investments; the redemption notice period is applicable only to the Plan.

	Fair Value	Unfunded Commitment	Redemption Frequency	Redemption Notice Period
December 31, 2025				
Stable Value Fund Collective Investment Trust Series 25053	$ 2,116,881	None	Daily	None

	Fair Value	Unfunded Commitment	Redemption Frequency	Redemption Notice Period
December 31, 2024				
Stable Value Fund Collective Investment Trust Series 25053	$ 2,275,069	None	Daily	None

Note 4 – Investment Contracts

At December 31, 2025 and 2024, the Plan has investments in the Reliance Trust Company Stable Value Fund Collective Investment Trust Series 25053. Included in this fund are guaranteed investment contracts and certain wrapper contracts. These contracts are considered to be benefit-responsive and are presented at fair value. The average yield for the Series 25053 fund was approximately 2.87% and 2.92% for 2025 and 2024, respectively. The objective of the fund is to provide stability of principal and high current income. This fund invests primarily in stable value products, including synthetic guaranteed investment contracts (GICs) issued by MetLife. The percentage of contributions allocated to this fund is determined by the participants.

Note 5 – Related Party and Party-In-Interest Transactions

Certain administrative functions are performed by officers or employees of the Companies. These employees are also Plan participants. No such officer or employee receives compensation from the Plan.

Plan participants may choose to invest in funds held by the Plan Custodian, Charles Schwab Bank. The collective investment trust fund and mutual funds are managed by Newport Trust Company and Ascensus, LLC. Wealth Enhancement Group is the investment advisor to the Plan. These transactions qualify as related party transactions. Fees paid by the Plan for investment management and trust services amounted to $38,267 for the year ended December 31, 2025, net of revenue sharing credits. Fees paid by the Plan for investment advisor services amounted to $32,627 for the year ended December 31, 2025, net of revenue sharing credits.

Newport Trust Company and Ascensus, LLC certified and were Trustees of the Plan while Charles Schwab Bank provides various custodial services, therefore, these transactions qualify as party in interest transactions. The Trustees provide certain administrative services to the Plan pursuant to a Service Agreement and receive revenue from mutual fund and collective investment fund service providers for services provided to the funds. This revenue is used to offset certain amounts owed to the Trustees for their services to the Plan. If these amounts exceed the amount owed under the Services Agreement, it is remitted to the Plan's trust on a quarterly basis. Such amounts are allocated to participant accounts. The Plan Sponsor may make a payment to the Trustees for expenses not reduced by revenue sharing. Total revenue sharing credits for the year ended December 31, 2025 were $42,128. Administrative expenses are presented net of revenue sharing credits.

Note 6 – Plan Termination

Although it has not expressed any intent to do so, the Companies have the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants will become 100% vested in their accounts.

Note 7 – Tax Status

The Plan adopted a Volume Submitter 401(k) Profit Sharing Plan sponsored by Newport Group Inc. (parent company of Newport Trust Company) which received an Internal Revenue Service opinion letter dated June 30, 2020, stating that the Volume Submitter Plan and related trust are designed in accordance with applicable sections of the *Internal Revenue Code (IRC)*. The Plan has been amended since receiving the opinion letter; however, the Plan Sponsor and Administrator believe that the Plan is designed and is currently being operated in compliance with the applicable requirements of the *IRC*.

Accounting principles generally accepted in the United States of America require plan management to evaluate tax positions taken by the plan and recognize a tax liability (or asset) if the plan has taken an uncertain position that more likely than not would not be sustained upon examination by the Internal Revenue Service. The Plan Administrator has analyzed the tax positions taken by the Plan, and has concluded that as of December 31, 2025, there are no uncertain positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements.

Note 8 – Trustee Certification

Certain information was certified as complete and accurate by the Plan's Trustees. Newport Trust Company certified information as of December 31, 2024, and for the period from January 1, 2025 through April 23, 2025. Ascensus, LLC certified information as of December 31, 2025 and for the period from April 24, 2025, through December 31, 2025.
