INDEPENDENT AUDITORS' REPORT

The Plan Trustees of the Control Associates Inc Profit Sharing and 401(k) Retirement Plan
Allendale, New Jersey

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the accompanying financial statements of the Control Associates Inc Profit Sharing and 401(k) Retirement Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2025 and 2024, and the related statement of changes in net assets available for benefits for the year ended December 31, 2025, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of the Control Associates Inc Profit Sharing and 401(k) Retirement Plan financial statements performed in accordance with ERISA Section 103(a)(3)(C), pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2025 and 2024, and for the year ended December 31, 2025, stating that the certified investment information, as described in Note 4 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section—

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the

information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Control Associates Inc Profit Sharing and 401(k) Retirement Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our qualified ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Control Associates Inc Profit Sharing and 401(k) Retirement Plan’s ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Control Associates Inc Profit Sharing and 401(k) Retirement Plan's internal control. Accordingly, no such opinion is expressed.

- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.

- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Control Associates Inc Profit Sharing and 401(k) Retirement Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplemental Schedules Required by ERISA

The supplemental schedule of Assets (Held at End of Year) at December 31, 2025 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the

supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- the form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

- the information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

NOTE 1—PLAN DESCRIPTION

The following information is presented for general information purposes only. Participants should refer to the plan agreement for more complete information.

General: The Control Associates Inc Profit Sharing and 401(k) Retirement Plan (the "Plan") is a defined contribution plan covering substantially all employees of Control Associates, Inc. (the "Sponsor") and its subsidiaries who have reached minimum age and length-of-service requirements. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 ("ERISA") as amended.

Contributions: The Plan provides for contributions from Plan participants in the form of salary deferrals; and matching and discretionary profit sharing contributions from the Sponsor. Rollover contributions received by the Plan during 2025 were not significant. Contributions determined to be made in excess of permitted amounts are distributed within 2½ months of the end of the respective plan year end; there were no such excess contributions for 2025.

Investments: Participants account balances are allocated among a selection of pooled separate accounts and unallocated contracts held by insurance companies.

Notes Receivable from Participants: The Plan allows active participants to request a loan. The loan amount is subject to statutory limitations based in part on the participant's vested account balance. Loans are generally payable through after-tax payroll deductions on at least a quarterly basis over a five year period and bear interest at prevailing interest rates for loans made under similar circumstances, accrued monthly.

An allowance for uncollectible loans is determined by regular review of each loan and is made based on a number of factors including payment history. No allowance was considered necessary for the year presented.

Participant Accounts: Each participant's account is credited with the participant's deferral contributions, and allocations of the Sponsor's contributions and plan earnings and losses. Allocation of plan earnings and losses is based on participant account balances as defined by the plan agreement. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting: Participants are immediately vested in their deferral contributions plus actual earnings thereon. Vesting in any Sponsor contributions plus actual earnings thereon begins upon the completion of the second year of continuous service, and then at 20% per year. A participant is 100% vested after six years of eligible service. Participants become immediately vested in all their balances upon death or disability.

Benefit Payments: Upon termination of service, retirement, disability or death, a participant or beneficiary shall receive payment of account by lump sum, installment distribution, or a combination of both.

Forfeitures: Forfeited balances of terminated participants' nonvested accounts are used to reduce Sponsor contributions or to offset plan expenses. For the plan year ended December 31, 2025, forfeitures were $12,233. Unallocated forfeitures at December 31, 2025 and 2024 were not significant in either period.

NOTE 2—SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Presentation: The accompanying financial statements have been prepared using the accrual basis of accounting.

Payment of Benefits: Benefit payments are recorded when paid.

Valuation of Investments and Income Recognition: The Plan's investments are stated at fair value based on quoted prices in active markets. The net appreciation or depreciation in the fair value of investments includes both realized and unrealized gains and losses on investments.

The Plan's investments in pooled separate accounts and insurance companies general accounts do not have a readily determinable fair value (ie quoted prices in active markets). The Financial Accounting Standards Board describes a practical expedient to estimate fair value using the Net Asset Value per share (or equivalent) of such investments, and the Plan uses this method to value such investments.

Notes receivable from participants are stated at the discounted present value of the expected future cash payments, at the stated interest rate of each note. Participant notes bear interest at rates approximating market rates, and therefore are carried at a value which approximates market value.

Use of Estimates: The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the dates of the financial statements and the reported amounts of revenues and expenses during the reporting periods. Actual results could differ from those estimates.

Subsequent Events: Management has evaluated subsequent events through August 17, 2026, the financial statement issuance date.

NOTE 3—RISKS AND UNCERTAINTIES

The Plan provides various investment options. Investment securities are exposed to various risks, such as interest rate, market, and credit risks. Due to the level of risks associated with investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits.

NOTE 4—INFORMATION CERTIFIED BY THE PLAN'S CUSTODIAN

The Plan administrator has elected the method of compliance permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974. Accordingly, Transamerica Life Insurance Company has certified the completeness and accuracy of all investments reflected on the statement of net assets available for benefits as of December 31, 2025 and 2024, as well as the supplementary schedule of assets held for investment at December 31, 2025, and has certified components of the related investment activity reflected in the statement of changes in net assets available for benefits for the year ended December 31, 2025.

Generally accepted accounting principles provide a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements).

Within this hierarchy, the Plan's investments are categorized as follows at December 31, 2025:

	Level 1	Level 2	Level 3	Total
Mutual funds	$ 27,580,472	$ -	$ -	$ 27,580,472
Insurance company general accounts	-	242,324	-	242,324
	$ 27,580,472	$ 242,324	$ -	$ 27,822,796

The Plan's investments are categorized as follows at December 31, 2024:

	Level 1	Level 2	Level 3	Total
Mutual funds	$ 24,212,590	$ -	$ -	$ 24,212,590
Insurance company general accounts	-	656,413	-	656,413
	$ 24,212,590	$ 656,413	$ -	$ 24,869,003

NOTE 5—INCOME TAX STATUS

The Plan obtained its latest determination letter dated June 30, 2020, in which the Internal Revenue Service stated that the Plan, as designed, was in compliance with the applicable requirements of the Internal Revenue Code. Although the Plan has been amended since receiving the determination letter, the Plan administrator and the Plan's tax counsel believes that the Plan is currently designed and being operated in compliance with the applicable requirements of the Internal Revenue Code. Therefore, no provision for income taxes has been included in the Plan's financial statements.

Accounting principles generally accepted in the United States require plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by taxing authorities. The Plan administrator has analyzed the tax positions taken by the Plan and has concluded that as of December 31, 2025 and 2024 there are no uncertain positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements. The Plan is subject to audits by taxing jurisdictions; however, there are currently no such audits in progress. The Plan administrator believes the Plan is no longer subject to income tax examinations for years prior to 2022.

NOTE 6—TRANSACTIONS WITH PARTIES IN INTEREST

Certain administrative expenses of the Plan are absorbed by the Sponsor and are therefore not reflected in the Plan's financial statements.

During 2025 the Plan paid UBS Financial Services Agency investment advisory fees of $52,295. The Plan also paid Transamerica Life Insurance Co. $120,255 in record-keeper fees.

NOTE 7—PLAN TERMINATION

Although it has not expressed any intent to do so, the Sponsor has the right to discontinue its contributions at any time and to terminate the Plan, subject to relevant provisions of ERISA. In the event of Plan termination, participants will become 100% vested in their accounts.
