Independent Auditor's Report

To the Trustees
Naifeh Companies 401(k) Plan

I was engaged to audit the accompanying statement of net assets available for benefits of the Naifeh Companies 401(k) Plan as of December 31, 2009 and 2008, and the related statement of changes in net assets available for benefits for the year then ended. These financial statements are the responsibility of the Plan's Management.

As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974, the plan administrator instructed us not to perform, and we did not perform, any auditing procedures with respect to the information summarized in Note 7, which was certified by John Hancock Financial Services, except for comparing the information with the related information included in the financial statements. We have been informed by the plan administrator that the trustee holds the Plan's investment assets and executes investment transactions. The plan administrator has obtained a certification from the trustee as of and for the years ended December 31, 2009 and 2008 that the information provided to the plan administrator by the trustee is complete and accurate.

Because of the significance of the information that we did not audit, we are unable to, and do not, express an opinion on the accompanying financial statements and schedules taken as a whole. The form and content of the information included in the financial statements and schedules, other than that derived from the information certified by the trustee, have been audited by us in accordance with auditing standards generally accepted in the United States of America and, in our opinion, are presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974.

Naifeh Companies
401(k) Plan
Notes To Financial Statements
December 31, 2009 and 2008

Note 1 – General

Naifeh Companies 401(k) Plan was established May 5, 2005, effective January 1, 2005, for the exclusive benefit of the employees, and their beneficiaries, of First Central Corporation, CSC Trucking, Inc., ZT Cigars, Inc., Naifco Oil & Gas, LLC, Majestic Wine & Spirits RZ, LLC, and Sooner Beer Company. First Central Corporation is the administrator of the plan.

Note 2 – Summary Of Accounting Policies

Basis of Accounting

The financial statements of the Plan are prepared on the accrual basis of accounting.

Valuation of Investments

All investments, other than loans to participants, are carried at market value. Loans to participants are carried at the original amount of the loan less repayments received which approximates market value. Investments in securities traded on national securities exchanges are valued at the last reported sales price or at the last reported bid quotation if not traded on that day. Investments in commingled equity and balanced funds are valued at their redemption value. Dividends are recorded on the ex-dividend date and

interest is accrued as earned. The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect the amounts reported in the statements of net assets available for Plan benefits.

Use of Estimates

The preparation of financial statements in conformity with U.S. generally accepted accounting principles requires management to make estimates and assumptions that affect the amounts reported in the financial statements and the accompanying notes. Actual results could differ from these estimates.

Note 3 - Contributions

Participants are not required to contribute to the plan but may elect to defer a percentage of compensation each year through the plan. Individual participant contributions to the plan for 2009 were limited to \$16,500. Participants attaining age 50 before the end of a plan year may elect to defer additional amounts up to \$5,500 for 2009. Employer discretionary contributions may also be made in the way of matching contributions.

Note 4 - Eligibility, Vesting, Withdrawals, and Terminations

Any employee, with the exception of leased employees, employees governed by a collective bargaining agreement unless agreement expressly provides for participation, and certain nonresident aliens, who has completed one year of service and has attained age 21 shall be eligible to participate in the Plan.

Plan participants contributions and employer contributions will always be 100% vested.

Notes To Financial Statements
December 31, 2009 and 2008

Note 4 - Eligibility, Vesting, Withdrawals, and Terminations (continued)

Payments of participants account balances are available upon death or retirement. Participants may elect to have their vested benefit distributed as soon as administratively feasible following termination of employment.

Withdrawals from accounts while working can be made by participants as long as certain conditions are satisfied related to financial hardship.

Note 5 – Tax Status

The plan qualifies under the Internal Revenue Code (IRC) and therefore the plan is not subject to tax under present income tax law. Employee contributions qualify as “cash or deferred” contributions under Section 401(k) of the IRC. Once qualified, the Plan is required to operate in conformity with the IRC to maintain its qualification. The Company believes the Plan continues to qualify under the IRC and is tax exempt.

Note 6 – Risks and Uncertainties

The Plan invests in various investments securities. Investment securities are exposed to various risks such as interest rate, market and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur on the near term and that such change could materially affect the amount reported in the statement of net assets available for benefits.

Note 7 – Information Prepared and Certified by Trustee

The information included in the accompanying financial statements was obtained from data that has been prepared and certified to as complete and accurate by the trustee.
