INDEPENDENT AUDITOR'S REPORT

October 9, 2026

To the Board of Trustees
St. Thomas Community Health Center Retirement Plan
New Orleans, Louisiana

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the accompanying financial statements of St. Thomas Community Health Center Retirement Plan, (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) [ERISA Section 103(a)(3)(C) audit]. The financial statements comprise the statements of net assets available for benefits as of December 31, 2025 and 2024, and the related statements of changes in net assets available for benefits for the years then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from qualified institutions as of December 31, 2025 and 2024, and for the years then ended, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section—

- The amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

- The information in the accompanying financial statements related to assets held by and certified to by qualified institutions agrees to, or is derived from, in all material respects, the information prepared and certified by institutions that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report

that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.

- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.

- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter - Supplemental Schedules Required by ERISA

The supplemental Schedule of Assets (Held at End of Year) is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by

the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedule that was agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion—

- The form and content of the supplemental schedule, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

- The information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

1. DESCRIPTION OF THE PLAN:

The following description of the St. Thomas Community Health Center Retirement Plan ("the Plan") provides only general information. Participants should refer to the Plan Description and the Adoption Agreement for a more complete description of the Plan's provisions.

General:

The Plan was originally effective on July 1, 2006, with subsequent amendments effective April 1, 2017, January 1, 2018, November 12, 2020, and November 1, 2024. On September 14, 2020, the Plan's assets were transferred to a new custodian. The November 12, 2020 amendment adopted provisions of the Coronavirus Aid, Relief, and Economic Security (CARES) Act, including Coronavirus-related distributions, increased loan limits, delayed loan repayments, and required minimum distribution relief. The November 1, 2024, amendment adopted certain provisions of the SECURE Act of 2019 and the SECURE 2.0 Act of 2022, including qualified birth and adoption distribution provisions and other administrative and compliance-related changes.

The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

Eligibility:

Generally, employees of the St. Thomas Community Health Center (the Center or Plan sponsor) become eligible after attaining age of 18, completing 90 days of service. Beginning January 1, 2021, long-term part-time employees are credited with a year of service for eligibility purposes upon attaining age 21 and completing more than 500 hours of service.

Contributions:

The Plan is a Profit Sharing Safe-Harbor Plan which requires employer contributions to be fully vested upon payment to the Plan. Under a safe-harbor plan, the employer must make either a matching contribution or a non-elective contribution. The Center makes a safe-harbor matching contribution to the Plan equal to 100% of the first 6% of elective contributions. In addition, the Board of Directors may authorize discretionary profit-sharing contributions. Contributions are subject to certain IRS limitations.

Participant Accounts:

Each participant’s account is credited with the participant’s contributions, the Center’s safe-harbor matching and discretionary profit-sharing contributions, and an allocation of Plan earnings. Participant accounts are charged for applicable administrative expenses in accordance with the Plan document and service arrangements with the Plan’s service providers. Allocations are based on participant earnings or account balances, as defined by the Plan. A participant is entitled to the benefit that can be provided from the participant’s vested account.

1. DESCRIPTION OF THE PLAN: (Continued)

Participant Directed Investments:

Participants direct the investment of their accounts among the investment options offered by the Plan. In the absence of participant investment elections, contributions are invested in age-appropriate Principal LifeTime Hybrid Collective Investment Trusts, which serve as the Plan's qualified default investment alternative.

Vesting:

Participants are immediately vested in their voluntary contributions and the Center's safe-harbor matching contributions, including earnings thereon. Vesting in the Center's discretionary profit-sharing contributions and any other employer contributions subject to graded vesting is based on years of vesting service. A participant receives a year of vesting service for each Plan year in which at least 1,000 hours of service are completed. Participants become 25% vested after one year of vesting service, 50% after two years, 75% after three years, and 100% after four years of vesting service. Participants also become fully vested upon death, total and permanent disability, or termination of the Plan.

Notes Receivable from Participants:

Participants may borrow from their fund accounts a minimum of $1,000 up to a maximum of $50,000, or 50% of their vested account balance, whichever is less. Participants may only have one outstanding loan at any time. The notes are secured by the balance in the participant’s account and bear interest at the “bank prime rate” as reported by the U.S. Federal Reserve on the last business day of a calendar quarter effective for notes made on and after the first day of the subsequent quarter.

Payments of Benefits:

On termination of service due to death, disability or retirement, a participant may elect to receive a lump-sum amount equal to the value of the participant's vested interest in his or her account or a life annuity or joint and survivor annuity. Hardship distributions are permitted from the participant’s elective deferral account. For termination of service due to other reasons, a participant may receive the value of the vested benefit in his or her account as a lump-sum distribution.

Forfeitures:

Forfeiture of employer matching contributions will be applied to reduce future employer contributions or to pay Plan expenses. For the years ended December 31, 2025 and 2024, forfeitures in the amounts of $-0- and $508, respectively, were used to reduce employer contributions. During the years ended December 31, 2025 and 2024, forfeitures used to pay plan expenses were $1,808 and $7,705, respectively. As of December 31, 2025 and 2024, there were $4 and $4, respectively, available in the forfeiture account.

1. DESCRIPTION OF THE PLAN: (Continued)

Plan Termination:

Although it has not expressed any intent to do so, the Center has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants will be 100% vested in their accounts.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES:

Basis of Accounting:

The financial statements of the Plan are prepared using the accrual method of accounting.

Plan Administration and Certification of Information:

The Plan is administered by the Center through a trustee arrangement with Principal Trust Company, which serves as trustee and custodian of Plan assets. Principal Trust Company maintains participant account records and processes participant and investment transactions for the Plan.

Investment information included in the accompanying financial statements is based on information certified by Principal Life Insurance Company, a qualified institution, as complete and accurate in accordance with 29 CFR 2520.103-5(c) of the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974. Principal Life Insurance Company also has authority through an agency agreement to certify the Plan's investments in collective investment trusts issued by Principal Global Investors Trust Company.

Investment Valuation and Income Recognition:

Investments are reported at fair value except for the guaranteed investment contract which is reported at contract value. Fair value is the price that would be received to sell an asset in an orderly transaction between market participants at the measurement date. The Trustee invests contributions within investment options directed by the participants.

Purchases and sales of investments are recorded on a trade-date basis. Interest income is accrued when earned. Dividend income is recorded on the ex-dividend date. Investment related expenses are included in net appreciation (depreciation) in fair value of investments.

Expenses:

Certain administrative expenses of the Plan are charged directly to participant accounts and are included in deductions from net assets available for benefits. Other operating expenses of the Plan are paid by the Center and are excluded from these financial statements.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES: (Continued)

Notes Receivable:

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are charged directly to the borrowing participant's account and are included in administrative expenses when incurred. As of December 31, 2025 and 2024, no allowance for credit losses has been recorded. If a participant does not make loan repayments and the Plan administrator considers the participant loan in default, the loan balance is reduced, and the delinquent participant note receivable is recorded as a benefit payment based on the terms of the Plan document. All participant notes are fully collateralized by the related participant's account balance.

Payments of Benefits:

Benefits are recorded when paid.

Estimates:

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires the Plan administrator to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results may differ from those estimates.

3. INFORMATION PREPARED AND CERTIFIED BY QUALIFIED INSTITUTION: (Unaudited)

The following information included in the accompanying financial statements, Note 4, Note 5, and the supplemental schedule of assets held at year end was obtained from data that has been prepared and certified to as complete and accurate by Principal Life Insurance Company, a qualified institution as of December 31, 2025 and 2024:

	2025	2024
Investments at Fair Value:		
Mutual funds	$ 3,209,965	$ 2,186,793
Collective investment trusts	9,465,003	7,728,285
Pooled separate accounts	22,975	19,657
Investments at Contract Value:		
Guaranteed investment contract	-	58,580
Net appreciation (depreciation) in fair value of investments	1,693,882	1,068,200
Interest from guaranteed investment contract	344	1,134
Participant loans	134,610	100,383
Interest on loans to participants	12,405	7,929

4. FAIR VALUE MEASUREMENTS: (Unaudited)

The Plan applies the provisions of FASB ASC 820, *Fair Value Measurement*. ASC 820 defines fair value, establishes a framework for measuring fair value in generally accepted accounting principles and expands disclosures regarding fair value measurements. ASC 820-10 also establishes a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. This hierarchy consists of three broad levels: Level 1 inputs consist of unadjusted quoted prices in active markets for identical assets and have the highest priority. Level 2 inputs are based on quoted prices in markets that are not active or for which all significant inputs are observable, either directly or indirectly. Level 3 inputs have the lowest priority and are based on inputs that are unobservable and significant to the fair value measurement. The Plan uses appropriate valuation techniques based on the available inputs to measure the fair value of its investments. When available, the Plan measures fair value using Level 1 inputs because they generally provide the most reliable evidence of fair value. Level 2 inputs are used for investments for which Level 1 inputs were not available. Level 3 inputs would only be used when Level 1 or Level 2 inputs were not available.

Level 1 Fair Value Measurements

Mutual funds: Mutual funds are valued at the daily closing price as reported by the Fund. Mutual funds held by the Fund are open-ended mutual funds that are registered with the SEC. These funds are required to publish their daily NAV and transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

Level 2 Fair Value Measurements

Pooled separate accounts (PSAs): PSAs are available through a group annuity contract with Principal Life Insurance Company. The underlying assets are composed of common stocks of companies listed in the S&P Small Cap 600 index and the S&P Mid Cap 400 index which are traded in active markets.

The following tables set forth, by level within the fair value hierarchy, the Plan's investments at fair value as of December 31, 2025 and 2024:

December 31, 2025	Total	Level 1	Level 2	Level 3
Investments at Fair Value Level:				
Mutual funds	$ 3,209,965	$ 3,209,965	$ -	$ -
Pooled separate accounts	22,975	-	22,975	-
Total Investments at Fair Value Level	$ 3,232,940	$ 3,209,965	$ 22,975	$ -
Investments at Net Asset Value:				
Collective investment trusts	9,465,003			
Total Investments at Fair Value	$ 12,697,943			

4. FAIR VALUE MEASUREMENTS: (Unaudited) (Continued)

December 31, 2024	Total	Level 1	Level 2	Level 3
Investments at Fair Value Level:				
Mutual funds	$ 2,186,793	$ 2,186,793	$ -	$ -
Pooled separate accounts	19,657	-	19,657	-
Total Investments at Fair Value Level	$ 2,206,450	$ 2,186,793	$ 19,657	$ -
Investments at Net Asset Value:				
Collective investment trusts	7,728,285			
Total Investments at Fair Value	$ 9,934,735			

The Plan's policy is to recognize transfers between Levels 1 and 2 and into and out of Level 3 as of the date of the event or change in circumstances that caused the transfer. For the years ended December 31, 2025 and 2024, there were no significant transfers between Levels 1 and 2 and no transfers into or out of Level 3.

For the years ended December 31, 2025 and 2024, the Plan's investments, including gains and losses on mutual funds and collective investment trusts bought and sold as well as held during the year, appreciated in value by $1,693,882 and $1,068,200 respectively.

The Plan's investments in collective investment trusts are measured at fair value using the net asset value (NAV) per share practical expedient and therefore are not categorized within the fair value hierarchy. These investments consist of target-date collective investment trusts designed to provide long-term growth of capital and current income through diversified investments in equity securities, fixed income securities, real estate investments, and cash equivalents. Units may be redeemed daily; however, units may not otherwise be transferred without the consent of the Trustee and there is no public market for the units. The Plan had no unfunded commitments or redemption period related to these investments as of December 31, 2025 and 2024.

Guaranteed Investment Contract

The Principal Guaranteed Option is a guaranteed general account-backed group annuity contract issued by Principal Life Insurance Company (PLIC) to Principal Life Trust Company as custodian. The assets in the general account are supported by the financial stability of PLIC. A rate of interest contractually guaranteed by PLIC is credited to the participant account balances. Benefit payments to participants are made without restriction for plan benefit events, including retirement, termination of employment, disability, plan termination, death, loans, and withdrawals, as allowed by the Plan. Participants can generally transfer assets into or out of the contract without early termination or surrender charges.

5. INVESTMENTS AT CONTRACT VALUE: (Unaudited) (Continued)

Guaranteed Investment Contract (Continued)

The Principal Guaranteed Option is reported at contract value, as these investment contracts are fully benefit responsive. Contract value represents contributions made under the contract, plus earnings, less participant withdrawals and administrative expenses.

As of December 31, 2025 and 2024, $-0- and $58,580, respectively, were reported at contract value. During the year ended December 31, 2025, all assets held under the Principal Guaranteed Option were transferred to other investment options. The Guaranteed Investment Option interest rate as of December 31, 2024 was 2.55%. Interest earned was $344 and $1,134 during the years ended December 31, 2025 and 2024, respectively.

6. TRANSACTIONS WITH PARTIES-IN-INTEREST:

Party-in-interest transactions include those with fiduciaries or employees of the Plan, any person who provides services to the Plan, or an employer whose employees are covered by the Plan. Certain Plan investments are managed by entities affiliated with Principal Trust Company and Principal Life Insurance Company; therefore, these transactions qualify as party-in-interest transactions. Transactions with parties-in-interest also include fees paid during the year for custodian/trustee, accounting, and other services, as well as contributions paid to the Plan by the Center and loans made to participants. These transactions are exempted from prohibited transaction rules under ERISA.

7. TAX STATUS:

The Center has adopted a pre-approved plan document sponsored by Retirement Strategies Group LLC that received an opinion letter from the Internal Revenue Service dated March 31, 2014, stating that the form of the prototype plan document was in compliance with the applicable requirements of the Internal Revenue Code (IRC). Although the Plan has been amended since adoption of the pre-approved plan document, the Plan administrator believes the Plan is designed and is currently being operated in compliance with the applicable requirements of the IRC and, therefore, believes that the Plan is qualified and the related trust is tax-exempt.

Accounting principles generally accepted in the United States of America require the Plan administrator to evaluate tax positions taken by the Plan and recognize a tax liability for any uncertain position that more likely than not would be sustained upon examination by the IRS. The Plan administrator has analyzed the tax positions taken by the Plan and has concluded that, as of December 31, 2025 and 2024, there were no uncertain tax positions requiring recognition of a liability or disclosure in the financial statements.

The Plan is subject to routine audits by tax authorities; however, there are currently no audits for any tax periods in progress. Generally, the Plan's Form 5500 filings remain open to examination by the Internal Revenue Service for three years after filing.

8. ADMINISTRATION OF PLAN ASSETS:

Administrative expenses in the amount of $1,808 and $7,705 were paid out of the Plan's forfeiture account during 2025 and 2024, respectively. Administrative fees totaling $63,859 and $47,681 for the years ended December 31, 2025 and 2024, respectively, were paid by participants.

9. TERMINATED EMPLOYEES:

As of December 31, 2025 and 2024, accounts of separated participants with deferred vested benefits for future payment totaled $2,260,281 and $2,013,243, respectively.

10. RISKS AND UNCERTAINTIES:

Investments in mutual funds and collective investment trusts represent a significant portion of net assets available for plan benefits. Such investments are subject to interest rate, market and credit risks. Due to the level of risk associated with these investments, it is at least reasonably possible that changes in the values will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for plan benefits.

11. SUBSEQUENT EVENTS:

Management of the Plan has evaluated subsequent events through October 9, 2026, the date the financial statements were available to be issued. No subsequent events were noted that would require adjustment to or disclosure in these financial statements.

(1) Name: **(2)** EIN:

d The opinion of an independent qualified public accountant is **not attached** because:

(1) ☐ This form is filed for a CCT, PSA, or MTIA. **(2)** ☐ It will be attached to the next Form 5500 pursuant to 29 CFR 2520.104-50.

Part IV Compliance Questions

4 CCTs and PSAs do not complete Part IV. MTIAs, 103-12 IEs, and GIAs do not complete lines 4a, 4e, 4f, 4g, 4h, 4k, 4m, 4n, or 5. 103-12 IEs also do not complete lines 4j and 4l. MTIAs also do not complete line 4l. DCGs do not complete lines 4e, 4f, 4k, 4l, and 5, and DCGs generally complete the rest of Part IV collectively for all plans in the DCG, except as otherwise provided (see instructions.)

During the plan year:

		Yes	No	Amount
a Was there a failure to transmit to the plan any participant contributions within the time period described in 29 CFR 2510.3-102? Continue to answer "Yes" for any prior year failures until fully corrected. (See instructions and DOL's Voluntary Fiduciary Correction Program.)	**4a**			
b Were any loans by the plan or fixed income obligations due the plan in default as of the close of the plan year or classified during the year as uncollectible? Disregard participant loans secured by participant's account balance. (Attach Schedule G (Form 5500) Part I if "Yes" is checked.)	**4b**			
c Were any leases to which the plan was a party in default or classified during the year as uncollectible? (Attach Schedule G (Form 5500) Part II if "Yes" is checked.)	**4c**			
d Were there any nonexempt transactions with any party-in-interest? (Do not include transactions reported on line 4a. Attach Schedule G (Form 5500) Part III if "Yes" is checked.)	**4d**			
e Was this plan covered by a fidelity bond?	**4e**			
f Did the plan have a loss, whether or not reimbursed by the plan's fidelity bond, that was caused by fraud or dishonesty?	**4f**			
g Did the plan hold any assets whose current value was neither readily determinable on an established market nor set by an independent third party appraiser?	**4g**			
h Did the plan receive any noncash contributions whose value was neither readily determinable on an established market nor set by an independent third party appraiser?	**4h**			
i Did the plan have assets held for investment? (Attach schedule(s) of assets if "Yes" is checked, and see instructions for format requirements.)	**4i**			
j Were any plan transactions or series of transactions in excess of 5% of the current value of plan assets? (Attach schedule of transactions if "Yes" is checked and see instructions for format requirements.)	**4j**			
k Were all the plan assets either distributed to participants or beneficiaries, transferred to another plan, or brought under the control of the PBGC?	**4k**			
l Has the plan failed to provide any benefit when due under the plan?	**4l**			
m If this is an individual account plan, was there a blackout period? (See instructions and 29 CFR 2520.101-3.)	**4m**			
n If 4m was answered "Yes," check the "Yes" box if you either provided the required notice or one of the exceptions to providing the notice applied under 29 CFR 2520.101-3	**4n**			

5a Has a resolution to terminate the plan been adopted during the plan year or any prior plan year? ☐ Yes ☐ No

If "Yes," enter the amount of any plan assets that reverted to the employer this year _____.

5b If, during this plan year, any assets or liabilities were transferred from this plan to another plan(s), identify the plan(s) to which assets or liabilities were transferred. (See instructions.)
