INDEPENDENT AUDITOR'S REPORT

Plan Administrator
Total Employee Leasing 401(k) Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the accompanying financial statements of the Total Employee Leasing 401(k) Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C). The financial statements comprise the statements of net assets available for benefits as of December 31, 2025 and 2024, and the related statement of changes in net assets available for benefits for the year ended December 31, 2025, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Total Employee Leasing 401(k) Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of December 31, 2025, and 2024, and for the year ended December 31, 2025, stating that the certified investment information, as described in Note 9 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section:

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Total Employee Leasing 401(k) Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Total Employee Leasing 401(k) Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audits.

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness the Total Employee Leasing 401(k) Plan's internal control. Accordingly, no such opinion is expressed.

- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.

- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Total Employee Leasing 401(k) Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matters - Supplemental Schedule Required by ERISA

The supplemental schedule of assets (held at end of year) as of December 31, 2025, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

Plan Administrator
Total Employee Leasing 401(k) Plan

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

TOTAL EMPLOYEE LEASING 401(K) PLAN
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2025 AND 2024

NOTE 1 - DESCRIPTION OF PLAN

The following brief description of the Total Employee Leasing 401(k) Plan (the "Plan") is provided for general information purposes only. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

General:

The Plan was established on January 1, 2005 and is administered by Total Employee Leasing (hereafter referred to as the "Company"). The Company provides payroll processing and human resource services to its clients. Each client of the Company has the option of adopting this plan for the benefit of its employees. A client who adopts this plan is known as a "Participating Employer". Any client adopting its own retirement plan is subject to its plan's regulations and not those of this Plan. Therefore, their plan information is not included in these financial statements.

The Plan is a multiple employer defined contribution plan covering eligible employees of the Participating Employers and is intended to qualify as a multiple employer plan, as described. Each Participating Employer elects their own provisions related to eligibility, contributions, notes receivable from participants, and payments of benefits. The Plan is subject to the applicable provisions of the Employee Retirement Income Security Act of 1974, as amended ("ERISA").

The Setting Every Community Up for Retirement Enhancement Act 2.0 of 2022 (the "SECURE 2.0 Act") includes both required and optional retirement provisions with varying effective dates through 2027. The Plan has implemented the required provisions and certain optional provisions of the SECURE 2.0 Act. Implementation of these provisions did not have a material effect on the Plan's financial statements. The remaining provisions continue to be evaluated by the Plan administrator. The Plan is required to be amended to comply with the applicable requirements of the SECURE 2.0 Act by December 31, 2026.

Eligibility:

Only those employees who are designated by the Participating Employer in its adoption agreement as eligible employees shall be eligible to participate in the Plan. Participating Employers may define eligibility requirements based on factors such as age, service, or employee type. Employees shall be eligible to make participant contributions and receive allocations of employer contributions if and to the extent specified in the applicable adoption agreement or otherwise provided by the Plan.

Contributions:

Participants are permitted to defer a percentage of their pay into an elective deferral account on a pre-tax and/or post-tax basis, subject to the limitations specified in the Internal Revenue Code ("IRC"). Participants may also contribute amounts representing distributions from other qualified defined benefit or contribution plans. Participants direct the investment of their contributions into various investment options offered by the Plan. The Participating Employers in the Plan may elect automatic enrollment and escalation features. Accordingly, the Participating Employer will automatically withhold a defined percentage of an eligible participant's compensation based on the Participating Employer's adoption agreement, unless the participant opts out. Each participating employer may determine the amount of matching contributions, safe harbor matching contributions, or profit sharing contributions, if any.

NOTE 1 - DESCRIPTION OF PLAN (Continued)

Participant Accounts:

Each participant's account is credited with the participant's contribution, an allocation of any participating employer contributions, and an allocation of Plan earnings. Participant accounts are charged with withdrawals, an allocation of administrative expenses, and investment losses. Allocations are based on the participant's account balances or earnings, as defined. Participants may choose to invest their accounts in one or more funds established by the Plan. Income is allocated daily based on the number of shares or units in the participant's account. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Administrative Expenses:

Administrative expenses consist primarily of amounts paid to the investment advisor, recordkeeper, and contract administrator. Fees charged directly to participant accounts are included in administrative expenses. Plan expenses paid directly by the Company are excluded from these financial statements.

Notes Receivable from Participants:

Participants may borrow from their fund accounts up to a maximum equal to the lesser of $50,000 or 50% of their vested account balance. The loans are secured by the balance in the participant's account and bear interest at rates commensurate with local prevailing rates as determined quarterly by the Plan administrator. Principal and interest are paid ratably through payroll deductions. Loan interest paid by a participant is credited to the account of the paying participant.

Forfeitures:

Any forfeiture of a non-vested account by an employee of a participating employer can be used to restore forfeitures, reduce employer contributions, or pay administrative expenses incurred by the Plan. At December 31, 2025 and 2024, forfeited non-vested accounts totaled $1,889 and $3,101 respectively. During the year ended December 31, 2025, forfeitures totaling $3,097 were used to reduce employer contributions.

Payment of Benefits:

Distributions to the participants or beneficiaries take place upon the employee's separation of service, retirement, permanent and total disability, death, or attainment of age 59½. Distributions equal to the value of the participant's vested interest in his or her account will be made in a lump sum amount or rolled over into another qualified retirement plan. A participant may also request a distribution from his/her elective deferral account (excluding earnings) in case of hardship as detailed in the Plan provisions.

NOTE 1 - DESCRIPTION OF PLAN (Continued)

Vesting:

Participants are immediately vested in their contributions and employer safe harbor matching contributions, plus actual earnings thereon. Vesting in the employer contribution portion of their accounts plus actual earnings thereon is based on years of continuous service. Each adopting employer may choose the vesting requirements, which range from immediate vesting to a maximum of 6 years or cliff vesting as elected by each Participating Employer or attaining the retirement age of 65, or upon death or disability.

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting:

The financial statements of the Plan are prepared on the accrual basis of accounting.

Investment Valuation and Income Recognition:

The Plan's investments are stated at fair value. See Note 3 for discussion of fair value measurements.

Purchases and sales of investments are accounted for on a trade-date basis. Investment income is recorded as earned. Dividends are recorded on the ex-dividend date. Net appreciation (depreciation) includes the Plan's gains and losses on investments bought and sold as well as held during the year. Investment related expenses are included in net appreciation (depreciation) of the fair value of investments.

Notes Receivable from Participants:

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Delinquent participant loans are reclassified as distributions based upon the terms of the Plan. Interest income on notes receivable from participants is recorded when it is earned.

Use of Estimates:

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires the Plan administrator to make estimates and assumptions that affect certain reported amounts and disclosures. Actual results could differ from those estimates.

Payment of Benefits:

Benefits are recorded when paid, except for material corrective distributions which are accrued during the year in which the originating contributions were made. The Plan does not accrue nondistributed benefits related to participants who have withdrawn from the Plan.

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

Subsequent Events:

The Plan has evaluated subsequent events through October 7, 2026, which is the date the financial statements were available to be issued.

NOTE 3 - FAIR VALUE MEASUREMENTS

Financial Accounting Standards Board Accounting Standards Codification ("ASC") 820, *Fair Value Measurements*, defines fair value, establishes a framework for measuring fair value, and requires disclosures about fair value measurements. The guidance establishes a fair value hierarchy about the assumptions used to measure fair value and clarifies assumptions about risk and the effect of a restriction on the sale or use of an asset.

ASC 820 defines fair value as the exchange price that would be received for an asset or paid to transfer a liability (an exit price) in the principal or most advantageous market for the asset or liability in an orderly transaction between market participants on the measurement date. ASC 820 also establishes a fair value hierarchy which requires an entity to maximize the use of observable inputs and minimize the use of unobservable inputs when measuring fair value.

Three levels of inputs may be used to measure fair value:

Level 1: Quoted prices (unadjusted) for identical assets or liabilities in active markets that the entity has the ability to access as of the measurement date.

Level 2: Significant other observable inputs other than Level 1 prices, such as quoted prices for similar assets or liabilities, quoted prices in markets that are not active, and other inputs that are observable or can be corroborated by observable market data.

Level 3: Significant unobservable inputs that reflect a plan's own assumptions about the assumptions that market participants would use in pricing an asset or liability.

The financial instrument's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for financial instruments measured at fair value:

Pooled separate accounts: Investments in pooled separate accounts are valued using the unadjusted NAV as of the reporting date, which is the basis for current transactions. The NAV is used as a practical expedient to estimate fair value.

NOTE 3 - FAIR VALUE MEASUREMENTS (Continued)

Pooled separate accounts are valued based on the underlying investments (i.e. common stock, mutual funds, and short-term securities) in the separate account as reported by Global Trust Company. While the majority of the underlying assets values are based on quoted prices, NAV of the pooled separate accounts are not publicly quoted.

John Hancock Stable Value Fund: A stable value fund that is composed primarily of fully benefit-responsive investment contracts that is valued at the net asset value of units of the bank collective trust. The net asset value is used as a practical expedient to estimate fair value. This practical expedient would not be used if it is determined to be probable that the fund will sell the investment for an amount different from the reported net asset value. Participant transactions (purchases and sales) may occur daily. If the Plan initiates a full redemption of the collective trust, the issuer reserves the right to require 12 months notification in order to ensure that securities liquidations will be carried out in an orderly business manner.

The following tables present the financial instruments carried at fair value as of December 31, 2025 and 2024:

	Level 1	Level 2	Level 3	Total
Pooled separate accounts	$ -	$ 6,578,127	$ -	$ 6,578,127
Investments measured at net asset value*	-	-	-	406,451
Total, December 31, 2025	$ -	$ 6,578,127	$ -	$ 6,984,578
Pooled separate accounts	$ -	$ 5,647,433	$ -	$ 5,647,433
Investments measured at net asset value*	-	-	-	448,987
Total, December 31, 2024	$ -	$ 5,647,433	$ -	$ 6,096,420

*The Plan uses NAV to determine the fair value of investments which (a) do not have readily determinable fair value and (b) prepare the financial statements consistent with the measurement principles of an investment company or have the attributes of an investment company. Investments that are measured at fair value using the NAV per share (or its equivalent) practical expedient have not been classified in the fair value hierarchy. The fair value amounts presented in this table are intended to permit reconciliation of the fair value hierarchy to the amounts presented in the statements of net assets available for benefits.

NOTE 3 - FAIR VALUE MEASUREMENTS (Continued)

The following table summarizes investments for which fair value is measured using the net asset value per share practical expedient as of December 31, 2025 and 2024:

	Fair Value	Unfunded Commitments	Redemption Frequency	Redemption Notice Period
December 31, 2025				
John Hancock Stable Value Fund	$ 406,451	N/A	Daily	N/A
December 31, 2024				
John Hancock Stable Value Fund	$ 448,987	N/A	Daily	N/A

There are no participant redemption restrictions for these investments; the redemption notice period is applicable only to the Plan.

NOTE 4 - INCOME TAX STATUS

The Plan has adopted a pre-approved plan document (formerly known as a volume submitter plan) provided by American Pension Services LLC, which received an opinion letter from the Internal Revenue Service ("IRS"), dated June 30, 2020, and which states that the pre-approved plan document satisfies the applicable provisions of the IRC. The pre-approved plan document has been amended since receiving the opinion letter; however, the Plan administrator believes that the Plan is currently designed and being operated in compliance with the applicable requirements of the IRC. Therefore, no provisions for income tax has been included in the Plan's financial statements.

NOTE 5 - PLAN TERMINATION

Although it has not expressed any intent to do so, participating employers have the right under the Plan to discontinue contributions at any time, and the Company has the right to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants will become 100% vested in their accounts.

NOTE 6 - RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits.

NOTE 7 - PARTIES-IN-INTEREST

During the year ended December 31, 2025, fees were paid to American Pension Services, Inc. and Raymond James Insurance Group, Inc. for their advisory and administrative services to the Plan. These fees included investment fees, third party administrative fees, and other professional service fees, and are based on customary charges as agreed upon by the Plan. These transactions qualify as party-in-interest transactions for which there is a statutory exemption. Certain administrative functions are performed by officers or employees of the Plan's sponsor. No such officer or employee receives compensation from the Plan.

The Plan's investments are pooled separate accounts managed by John Hancock Life Insurance Company (U.S.A) ("John Hancock"). John Hancock is the custodian as defined by the Plan and, therefore, these transactions qualify as party-in-interest transactions. The fair value of investments held by this party at December 31, 2025 and 2024, totaled $6,984,578 and $6,096,420 respectively.

NOTE 8 - RECONCILIATION TO FORM 5500

The following is a reconciliation of net assets available for benefits per the financial statements at December 31, 2025 and 2024, and change in net assets available for benefits for the year ended December 31, 2025, to Form 5500:

	2025	2024
Net assets available for benefits per the financial statements	$ 7,375,594	$ 6,433,645
Notes receivable from participants	3,143	-
Contributions receivable	(71,770)	(58,139)
Net assets available for benefits per Schedule H of Form 5500	$ 7,306,967	$ 6,375,506

Net increase in net assets available for benefits per the financial statements	$ 930,704
Change in notes receivable from participants	3,143
Change in contributions receivable	(13,631)
Net increase in net assets available for benefits per Schedule H of Form 5500	$ 920,216

NOTE 9 - CERTIFIED INVESTMENT INFORMATION

Certain information in the accompanying financial statements and ERISA-required supplemental schedule related to investments held as of December 31, 2025 and 2024, and for the year ended December 31, 2025, was obtained by management and agreed to or derived from information certified as complete and accurate by John Hancock, a qualified institution. This information is summarized below:

	2025	2024
Assets:		
Cash	$ 2,357	$ 3,569
Investments, at fair value:		
Pooled separate accounts	6,984,578	6,096,420
Notes receivable from participants	316,889	275,517
	$ 7,303,824	$ 6,375,506

Changes in Net Assets Available for Benefits:	
Net appreciation in fair value of investments	$ 911,398
Interest income on notes receivable from participants	27,241
	$ 938,639

NOTE 10 - ADMINISTRATIVE EXPENSES

A portion of administrative fees for the plan are charged directly to participant accounts. Fees charged directly to participant accounts are comprised of account service fees for participant loans and withdrawals. Fees allocated to all participants are comprised primarily of Raymond James investment advisory fees and John Hancock asset management fees. The following table summarizes administrative expenses for the year ended December 31, 2025.

Fees charged to individual participant accounts	$ 55,294
Fees allocated to all participant accounts	68,562
	$ 123,856
