INDEPENDENT AUDITOR'S REPORT

To the Plan Administrator of
Hirshleifers, Inc. 401(k) Profit Sharing Plan and Trust

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed an audit of the financial statements of Hirshleifers, Inc. 401(k) Profit Sharing Plan and Trust, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statement of net assets available for benefits as of December 31, 2025, the related statement of changes in net assets available for benefits for the year ended December 31, 2025, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of Hirshleifers, Inc. 401(k) Profit Sharing Plan and Trust's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of and for the year ended December 31, 2025 and 2024, and for the year ended December 31, 2025, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section—

- the amounts and disclosures in the 2025 audited financial statements described in Scope and Nature of the ERISA Section 103(a)(3)(C) Audit, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Hirshleifers, Inc. 401(k) Profit Sharing Plan and Trust and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Other Matter—Prior Period Financial Statements

The financial statements of Hirshleifers, Inc. 401(k) Profit Sharing Plan and Trust as of December 31, 2024, were audited by other auditors, Farber Blicht Eyerman & Herzog, whose report dated September 2, 2025, expressed an unmodified opinion on those financial statements.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Hirshleifers, Inc. 401(k) Profit Sharing Plan and Trust's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Hirshleifers, Inc. 401(k) Profit Sharing Plan and Trust's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Hirshleifers, Inc. 401(k) Profit Sharing Plan and Trust's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter - Supplemental Schedule Required by ERISA

The supplemental Schedule of Assets (Held at End of Year) at December 31, 2025 is presented for purposes of additional analysis and is not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule of assets held at end of year as of December 31, 2025, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion—

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 ("ERISA"), as amended. Participation Eligibility - Employees are auto enrolled in the Plan upone attaining age 21 and completing two months of service and are eligible for salary deferrals and employer matching contributions. Employees are eligible to participate in non-elective contributions after attaining age 21 and completing one year of service. Excluded employees include certain union employees covered by a collective bargaining agreement, unless the agreement requires inclusion, and certain nonresident aliens with no U.S.-source earned income.

Participant deferrals may be made as pretax contribtutions, Roth contributions, or a combination thereof. For each Plan year, participants may contribute up to 90% of annual compensation, as defined in the Plan and subject to IRS limitations. Catch up contributions are permitted for eligible participants including higher catch-up limits beginning in 2025 for eligible participants ages 60 through 63.

As of January 1, 2014, the Plan includes an automatic deferral provisions at 3% of compensation unless the employee elects otherwise. The Plan does not include automatic escalation. Permissible withdrawals are permitted within 90 days of first automatic deferral.

The Company may make discretionary matching and profit sharing contributions. Employer matching contributions are discretionary and equal a percentage of a participant's salary deferrals, as determined annually by the Company. Employer profit sharing contributions are discretionary and are allocated using the method specified in the Plan document. Catchup contributions are not eligible for matching contributions.

Participant Accounts - Each participant's account is credited with the participant's contributions, allocations of Company contributions, and Plan earnings or losses. Participant salary deferrals are allocated to accounts maintained on behalf of participants, and participants are always 100% vested in amounts they defer. Rollover contributions are accounted for in a rollover account, and participants are always 100% vested in the rollover account. Participants may direct the investment of their entire interest in the Plan, and participant accounts are segregated for purposes of determining earnings or losses.

SGAR

NOTE 1 -- DESCRIPTION OF PLAN (Continued)

Vesting - Participants are vested immediately in their contributions plus earnings thereon. The Company's contributions, matching and non-elective vest ratably over years of service. A participant is 100% vested after six years of service. Participants become fully vested in employer contributions upon employment on or after normal retirement age, death, or disability.

Notes Receivable from Participants - Participants may borrow from their accounts in accordance with Plan provisions. Participant loans are limited to the lesser of $50,000, reduced by certain prior outstanding loan balances, or 50% of the participant's vested account balance. Participant loans generally must be repaid through level amortization with payments no less frequently than quarterly, and the term generally may not exceed five years, except for loans used to purchase a principal residence. The maximum number of loans outstanding at any one time is one. Loans bear interest at rates ranging from 4.25% to 9.50%.

Payment Benefits - Upon termination, death, disability, or retirement, a participant may receive the vested portion of the participant's account balance in accordance with the Plan document. Benefits are generally paid in cash only.

Benefits paid to participants and deemed distributions for the year ended December 31, 2025 were $679,386.

Forfeited Accounts - Forfeitures represent the nonvested portion of a terminated participant's account balance that remains in the Plan. The Plan permits forfeitures to be used to pay Plan expenses or reduce employer contributions and, in certain circumstances, to be reallocated to participants as additional employer contributions.

At December 31, 2025 and 2024, the forfeited account totaled $16,030 and $0, respectively. Current year forfeitures in the amount of $16,030 were used to reduce the employer's matching contributions during the year ended December 31, 2025.

Plan Amendments - The Cycle 3 amendment was signed June 28, 2022. This amendment includes the True-up Election for employees eligible during the Plan year. There were no significant amendments to the Plan during the year ended December 31, 2025

NOTE 2 -- SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting - The accompanying financial statements are prepared on the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America ("U.S. GAAP"). Defined contribution plan financial reporting is subject to FASB ASC 962, Plan Accounting — Defined Contribution Pension Plans. ASC 962 requires disclosures including, as applicable, basis of accounting, use of estimates, notes receivable from participants, investment valuation and income recognition, payment of benefits, and risks and uncertainties

Notes Receivable from Participants - Notes receivable from participants are reported at unpaid principal balances plus accrued but unpaid interest. Delinquent participant loans are reclassified as distributions based on the terms of the Plan document and applicable regulations.

Contributions - Participant contributions are recorded in the period in which amounts are withheld from participants' compensation. Employer contributions are recorded in the period in which they are authorized and earned under the Plan provisions.

SGAR

NOTE 2 -- SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (continued)

Use of Estimates - The preparation of financial statements in conformity with U.S. GAAP requires management to make estimates and assumptions that affect reported amounts of net assets available for benefits and changes therein and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

Investment Valuation and Income Recognition - Investments are reported at fair value. Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded as earned. Dividend income is recorded on the ex-dividend date. Net appreciation or depreciation in fair value of investments includes realized gains and losses and unrealized appreciation or depreciation on investments bought, sold, and held during the year.

Fair value measurements are made in accordance with FASB ASC 820, *Fair Value Measurement*. ASC 962 requires a defined contribution plan's accounting policy disclosures to include a description of the valuation techniques and inputs used to measure fair value, as required by ASC 820.

Administrative Expenses - Certain administrative expenses are paid by the Plan and recorded when incurred. Certain administrative expenses are paid directly by the Company and are excluded from the accompanying financial statements. Certain services, including the audit, may be rendered at no cost to the Plan.

Payment of Benefits - Benefit payments to participants are recorded when paid.

NOTE 3 — RESTATEMENT OF PREVIOUSLY ISSUED FINANCIAL STATEMENTS

The Plan has restated its previously issued statement of net assets available for benefits as of December 31, 2024, to correct error relating to the recognition of employer contributions. The 2024 financial statements were audited by the predecessor auditor and were not audited by the current auditor. The restatement reflects management's correction of the previously issued 2024 financial statements and does not imply that the current auditor audited the 2024 financial statements as a whole.

Employer contributions for 2024 plan year were previously understated because the Plan did not record an employer contribution receivable and net assets available for benefits as of December 31, 2024, by $18,975.

The correction relates to 2024 employer contributions, including (i) $16,209 of 2023 employer contributions deposited into the Plan during 2024 and incorrectly reported as 2024 employer contributions and (ii) $18,975 of 2024 contributions deposited into the Plan after year-end and previously omitted. The net effect of these corrections was to increase employer contributions for the 2024 plan year by $2,766. However, because the statement of changes in net assets available for benefits for the year ended December 31, 2024 is not presented, the table below summarizes only the effects of the restatement on the statement of net assets available for benefits as of December 31, 2024.

SGAR

NOTE 3 — RESTATEMENT OF PREVIOUSLY ISSUED FINANCIAL STATEMENTS (Continued)

The effects of the restatement on the previously issued statement of net assets available for benefits as of December 31, 2024 are as follows:

Financial Statement Line Item	As Previously Reported	Adjustment	As Restated
Employer contribution receivable at December 31, 2024	$ -	$ 18,975	$ 18,975
Net assets available for benefits at December 31, 2024	$ 12,228,628	$ 18,975	$ 12,247,603

NOTE 4 -- INFORMATION CERTIFIED BY ADP RETIREMENT TRUST SERVICES, LLC

Management elected to have the audit of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C), as permitted by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Management determined that ADP Retirement Trust Services, LLC ("ADPRTS"), the Plan's trustee and custodian, is a qualified institution under the applicable Department of Labor Rules and Regulations.

Management obtained certifications from ADPRTS as of December 31, 2025 and 2024, and for the year ended December 31, 2025, stating that the certified investment information furnished to the Plan administrator is complete and accurate. The certified investment information includes investments at fair value, participant notes receivable, net appreciation in fair value of investments, dividend income, interest income, and interest income on participant notes receivable. Participant notes receivable and related interest income are included in the certified investment information because such amounts are included in the Form 5500 schedules and other documentation prepared by ADP Retirement Services on behalf of ADPRTS with respect to assets of the Plan held by ADPRTS.

The following information included in the accompanying financial statements and ERISA-required supplemental schedule was obtained by management and agreed to or derived from information certified as complete and accurate by ADPRTS:

	2025	2024
At December 31,		
Mutual funds	$ 14,034,394	$ 12,073,785
Common collective trusts	$ 532,097	$ 400,117
Notes receivable from participants	$ 156,254	$ 154,843
For the year ended December 31, 2025		
Net change in fair value of investments	$ 1,216,062	
Dividend income	$ 902,708	
Interest income	$ 21,432	
Interest from notes receivable from participants	$ 12,590	

NOTE 5 -- FAIR VALUE MEASUREMENTS

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1) and the lowest priority to unobservable inputs (level 3). The three levels of the fair value hierarchy under FASB ASC 820 are described as follows:

Level 1 - Inputs are quoted prices (unadjusted) in active markets for identical assets or liabilities that the reporting entity has the ability to access at the measurement date.

Level 2 - Inputs other than quoted prices included within Level 1 that are observable for the asset or liability, either directly or indirectly, such as quoted prices for similar assets or liabilities; quoted prices in markets that are not active; or other inputs that are observable or can be corroborated by observable market data for substantially the full term of the assets or liabilities

Level 3 - Valuations are unobservable inputs that are supported by little or no market activity and that are significant to the fair value of the assets or liabilities.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

The following is a description of the valuation methodologies used for assets measured at fair value:

Mutual funds - Valued at the daily closing price as reported by the fund.

Common collective trust measured at NAV (practical expedient) - The Plan's investments in common collective trusts are valued at the net asset value ("NAV") per unit, as provided by the trustee, which represents the Plan's ownership interest in the fair value of the underlying net assets of the trust. Participant transactions may occur daily. If the Plan initiates a full redemption of the collective trust, withdrawals may be temporarily delayed to allow for orderly liquidation of the underlying securities.

Investments measured at NAV using the practical expedient are not classified in the fair value hierarchy.

The following tables set forth, by level within the fair value hierarchy, the Plan's investments at the fair value as of:

	(Level 1)	(Level 2)	(Level 3)	Total
December 31, 2025				
Mutual Funds	$ 14,034,394	$ -	$ -	$ 14,034,394
Common Collective Trusts measured at net asset value[(a)]	-	-	-	532,097
Total investments	$ 14,034,394	$ -	$ -	$ 14,566,491

[(a)] In accordance with Subtopic 820-10, certain investments that were measured at net asset value per share (or its equivalent) have not been classified in the hierarchy. The fair value amounts presented in this table are intended to permit reconciliation of the fair value hierarchy to the line items presented in the statement of net assets available for benefits.

SGAR

NOTE 5 -- FAIR VALUE MEASUREMENTS (Continued)

	As presented by predecessor auditor			
	(Level 1)	(Level 2)	(Level 3)	Total
December 31, 2024				
Mutual Funds	$ 11,673,668	$ -	$ -	$ 11,673,668
Common Collective Trusts	-	400,117	-	400,117
Total investments	$ 11,673,668	$ 400,117	$ -	$ 12,073,785

Gains and losses included in the statement of changes in net assets available for benefits for the year ended December 31, 2025, are reported in net change in fair value of investments.

The Plan's policy is to recognize transfers between Levels 1 and 2 and into and out of Level 3 as of the date of the event or change in circumstances that caused the transfer. For the year ended December 31, 2025, there were no significant transfers between Levels 1 and 2 and no transfers into or out of Level 3.

NOTE 6 -- NOTES RECEIVABLE FROM PARTICIPANTS

Notes receivable from participants were $156,254 and $154,843 at December 31, 2025 and 2024, respectively. Interest income on notes receivable from participants was $12,590 for the year ended December 31, 2025.

NOTE 7 -- PLAN TERMINATION

Although it has not expressed an intent to do so, the Company has the right under the Plan to terminate the Plan at any time. Upon termination of the Plan, no further contributions will be made, and all amounts credited to participant accounts will become fully vested, subject to the provisions of ERISA and the Plan document.

NOTE 8 -- FEDERAL INCOME TAX STATUS

The Plan uses a preapproved plan document. The Internal Revenue Service informed ADP, LLC by opinion letter dated October 6, 2020 that the form of the Plan is acceptable under Section 401 of the Internal Revenue Code ("IRC"). The Plan administrator believes the Plan is currently operated in compliance with the IRC and that the Plan is qualified and the related trust is tax-exempt.

Accounting principles generally accepted in the United States of America require management to evaluate uncertain tax positions taken by the Plan. Management believes the Plan has maintained its tax-exempt status and has taken no uncertain tax positions that require recognition or disclosure in the financial statements.

SGAR

NOTE 9 -- RISKS AND UNCERTAINTIES

The Plan invests in various investment securities, including mutual funds, registered investment companies, and common collective trusts. Investment securities are exposed to risks such as interest rate risk, market risk, and credit risk. Due to the level of risk associated with certain investments and the level of uncertainty related to changes in the value of investments, it is reasonably possible that changes in investment values will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the financial statements.

NOTE 10 -- RECONCILIATION OF FINANCIAL STATEMENTS TO SCHEDULE H OF FORM 5500

The following is a reconciliation of net assets available for benefits per the financial statements to Schedule H of Form 5500. As of December 31, 2025, the financial statements include an employer contribution receivable of $17,748 that is not included in Schedule H of Form 5500. Additionally, as discussed in Note 3, the Plan restated its previously issued 2024 financial statements. The 2024 Form 5500 has not been amended for the restatement; accordingly, the reconciliation below includes a reconciling item of $2,766 for the 2024 restatement.

The following is a reconciliation of net assets available for benefits per the financial statements to Schedule H of Form 5500 as of December 31:

	2025	2024

The following is a reconciliation of the net change in plan assets per the financial statements for the year ended December 31, 2025 to Schedule H of Form 5500:
