To the Administrative Committee of the
Por La Mar Nursery 401(k) Employee Savings Plan

We were engaged to audit the financial statements of the Por La Mar Nursery (the "Company") 401(k) Employee Savings Plan (the "Plan") as of December 31, 2009 and 2008, and for the years then ended, as listed in the accompanying Table of Contents. These financial statements and supplemental schedules are the responsibility of the Plan's management.

As permitted by Section 2520.103-8 of the Department of Labor's *Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974*, the Plan Administrator instructed us not to perform, and we did not perform, any auditing procedures with respect to the information summarized in Note 4, which was certified by Principal Financial Group, the Trustee of the Plan, except for comparing the information with the related information included in the financial statements and supplemental schedules. We have been informed by the Plan Administrator that Principal Financial Group holds the Plan's investment assets and executed investment transactions. The Plan Administrator has obtained a certification from Principal Financial Group as of and for the years ended December 31, 2009 and 2008, that the information provided to the Plan Administrator by the Trustee is complete and accurate.

Because of the significance of the information that we did not audit, we are unable to express, and do not express an opinion on the accompanying financial statements and supplemental schedules taken as a whole. The form and content of the information included in the financial statements and supplemental schedules, other than that derived from the information certified by the Trustee, have been audited by us in accordance with U.S. generally accepted auditing standards and, in our opinion, are presented in compliance with the Department of Labor's *Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974*.

POR LA MAR NURSERY
401(k) EMPLOYEE SAVINGS PLAN
NOTES TO FINANCIAL STATMENTS
YEARS ENDED DECEMBER 31, AND 2009

NOTE 1 - DESCRIPTION OF PLAN

The following description of the Por La Mar Nursery (the "Company") 401(k) Employee Savings Plan (the "Plan") provides only general information. Participants should refer to the Plan Agreement for a more complete description of the Plan's Provision.

General

The Company adopted the Plan effective August 1, 2000, to provide deferred compensation benefits for its eligible employees. The Company is responsible for administering the Plan, and Principal Financial Group (the "Plan Administrator") is responsible for various administrative matters. Principal Financial Group (the "Trustee") is responsible for receiving plan contributions from the Company, investing and safeguarding the Plan's assets held for investment purposes, processing loans and maintaining the individual participant account balances. The Plan is a defined contribution plan and is subject to the provisions of the Employee Retirement Income Security Act of 1974 ("ERISA").

Contributions

Each year, participants may contribute up to 15% of their pretax annual compensation, as defined in the Plan. Participants may also contribute amounts representing distributions from other qualified defined benefit or contribution plans. Participants direct the investment of their contributions into various investments offered by the Plan. The Plan currently offers several groups of variable mutual fund categories as investment options for participants. The Plan provides that at the discretion of the Company, the Company may make matching contributions to the Plan. Matching contributions were not made by the Company during the years ended December 31, 2009 and 2008.

Participant Accounts

Each participant's account is increased by the participant's contributions, Plan earnings, and an allocation of the Company's contribution. Participant accounts are decreased by forfeitures of terminated participants' nonvested accounts and an allocation of administrative expenses. Allocations are based on participant earnings or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account balance.

Vesting

Participants are immediately vested in their contributions plus actual earnings thereon. Vesting in the Company's matching and discretionary contribution portion of their accounts plus actual earnings thereon is based on years of continuous service. A participant is 100% vested after six (6) years of credited service.

NOTE 1 - DESCRIPTION OF PLAN (continued)

Participant Loans

Participants may borrow from their fund accounts a minimum of $1,000 up to a maximum equal to the lesser of $50,000 or 50% of their vested account balance. Loan transactions are treated as a transfer to (from) the investment fund from (to) the Participant Notes fund. Loans shall provide for level amortization with payments to be made not less frequently than quarterly over a period not to exceed five years. However, loans used to acquire a principal residence of the participant shall provide for periodic repayment over a reasonable period of time that may exceed five years. The loans are secured by the balance in the participant's account and bear interest at a rate of prime, plus one percent (1%), as listed in the *Wall Street Journal* on the day funds are borrowed.

Payment of Benefits

On termination of service due to death, disability or retirement, a participant may elect to receive either a lump-sum amount equal to the value of the participant's vested interest in his or her account, or monthly, quarterly, semi-annual, or annual installments over a certain agreed-upon time. For termination of service due to other reasons, a participant may receive the value of the vested interest in his or her account as a lump-sum distribution.

NOTE 2—SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Accounting Standards Codification

The Financial Accounting Standards Board's (FASB) Accounting Standards Codification (ASC) became effective on July 1, 2009. At that date, the ASC became FASB's official source of authoritative U.S. generally accepted accounting principles (U.S. GAAP) applicable to all public and nonpublic nongovernmental entities, superseding existing guidance issued by the FASB, the American Institute of Certified Public Accountants (AICPA), the Emerging Issues Task Force (EITF) and other related literature.

Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, as well as disclosures of contingent assets and liabilities. Actual results may differ from those estimates.

NOTE 2—SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (continued)

Investment Valuation
The Plan's investments are stated at fair value except for its investment contract, which is valued at contract value (Note 3). Quoted market prices are used to value investments. Shares of mutual funds are valued at the net asset value of shares held by the Plan at year end. Purchases and sales of securities are recorded on a trade-date basis. Dividends are recorded on the ex-dividend date.

Fair Value Measurements
Financial Accounting Standards Board's ASC Section 820 establishes a framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices for identical assets or liabilities in active markets (level 1 measurements) and the lowest priority to unobservable inputs (level 3 measurements). For all periods presented, all investments held by the Plan were measured at fair value using inputs under level 1 of the hierarchy except for participant loans.

Administrative Expenses
All administrative expenses incident to the administration of the Plan, including fees for the administrative agent and independent public accountants may be paid by the Plan, unless paid by the Company. For the years ended December 31, 2009 and 2008, the Company paid the administrative expenses.

Risks and Uncertainties
The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market and credit risks. Due to the level of risk associated with certain investment securities, it is as least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the Statements of Net Assets Available for Benefits.

NOTE 3 - INVESTMENT CONTRACT

The investment contract is a group contract with Principal Financial Group ("Principal"). Principal maintains the contributions in pooled separate accounts. The accounts are credited with actual earnings and unrealized appreciation on the investments and charged for plan withdrawals and miscellaneous expenses. The contract is included in the financial statements contract value as reported to the Plan by Principal. Contract value represents contributions made under the contract, plus earnings, less participant withdrawals and administrative expenses.

NOTE 3 - INVESTMENT CONTRACT (continued)

Participants may ordinarily direct the withdrawal or transfer of all or a portion of their investment at contract value.

NOTE 4 - FINANCIAL DATA CERTIFIED BY THE TRUSTEE

The information included in the accompanying financial statements and supplemental schedules is certified by The Trustee in accordance with 29 CFR 2520.103-8 of the Department of Labor's *Rules and Regulations for Reporting and Disclosure Under ERISA*. The Trustee has certified that the information provided to the Plan Administrator is complete and accurate with regard to the Plan's investments as of December 31, 2009 and 2008, and the changes in the Plan's investments.

The following information included in the accompanying financial statements and supplemental schedules was obtained from the data that has been prepared and certified to as complete and accurate by the Trustee.

Investments	$ 1,022,695	$ 806,873
Participant loans receivable	72,676	81,944
Net appreciation (depreciation) in fair value	190,777	(362,343)

Principal Lifetm 2020 Sep Acct	95,378	60,402
Principal Lifetm 2010 Sep Acct	69,738	44,518

NOTE 6 - PLAN TERMINATION

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants will become 100% vested in their accounts.

NOTE 7 - TAX STATUS

The Plan has not obtained a letter of determination, in which the Internal Revenue Service stated that the Plan, as then designed, was in compliance with the applicable requirements of the Internal Revenue Code (the "IRC"). However, the Plan Administrator believes that the Plan is designed and is currently being operated in compliance with the applicable requirements of the IRC.

NOTE 8 – TRANSACTIONS WITH PARTIES IN INTEREST

The Plan invests in allocated insurance contracts and annuities sponsored by the plan's custodian, as defined by the Plan, and therefore, these transactions qualify as party-in-interest transactions. Administrative fees related to the administration of the Plan are paid by the Plan. Other administrative fees may be paid by the Plan sponsor on behalf of the Plan.

NOTE 9 – RECONCILIATION OF FINANCIAL STATEMENTS TO FORM 5500

The following is a reconciliation of net assets available for benefits according to the financial statements to Form 5500:

	2009	2008
Net assets available for benefits per the financial statements	$ 1,095,588	$ 889,211
