INDEPENDENT AUDITORS' REPORT

Plan Administrator
Bell & McCoy 401(k) Plan
Houston, Texas

We were engaged to audit the accompanying statements of net assets available for plan benefits of Bell & McCoy 401(k) Plan (the "Plan") as of December 31, 2009, the related statement of changes in net assets available for plan benefits, and the supplemental schedule of assets held at December 31, 2009. The 2008 statement of net assets available for plan benefits was compiled by us in accordance with the Statements on Standards for Accounting and Review Services issued by the American Institute of Certified Public Accountants. A compilation is limited to presenting in the form of financial statements information that is the representation of management. We have not audited or reviewed the 2008 statement of net assets available for plan benefits and, accordingly, do not express an opinion or any other form of assurance on it. These financial statements are the responsibility of the Plan's management.

As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974, the plan administrator instructed us not to perform, and we did not perform, any auditing procedures with respect to the investments and investment income of the Plan, which were certified by First Mercantile Trust Company (the "trustee"), except for comparing such information with the related information included in the financial statements and supplemental schedule. We have been informed by the plan administrator that the trustee holds the Plan's investment assets and executes investment transactions. The plan administrator has obtained a certification from the trustee that the information provided to the plan administrator by the trustee is complete and accurate.

As described in the summary of significant accounting policies, these financial statements are prepared using the modified-cash basis of accounting, which is a comprehensive basis of accounting other than accounting principles generally accepted in the United States of America.

BELL & MCCOY 401(k) PLAN
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2009

DESCRIPTION OF PLAN

The following description of the Bell & McCoy 401(k) Plan (the "Plan") provides only general information. Participants should refer to the Plan Document for a more complete description of the Plan's provisions.

General

The Plan is sponsored by Bell & McCoy, Inc. (the "Sponsor" or "Company") and is a single employer defined contribution 401(k) plan covering substantially all full-time employees of the Sponsor regardless of age or length of service.

The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 ("ERISA"). The Plan originally began on January 1, 2004.

Contributions

Participants may elect to contribute a percentage or dollar amount of their eligible compensation, including bonuses, subject to annual limitations established by the Internal Revenue Service (IRS). The Company made matching contributions equal to 15% of employee contributions for the year ended 2009. This matching percentage is subject to change.

Excess contributions above IRS limitations must be refunded. The amount to be returned to the respective employees and Company may be impacted by investment earnings and losses. The Company distributed $576 and $9,994 in excess contributions relating to the plan years ended December 31, 2009 and 2008, respectively.

The Company may also elect to make profit sharing contributions (non-elective contributions) equaling an amount established by management on an annual basis. No profit sharing contributions for the 2009 plan year will be made.

Participant Accounts

Each participant's account is credited with the participant's contribution and allocations of (a) the Company's matching contribution, if any, (b) the Company's profit sharing contribution, if any, and (c) Plan earnings or losses, and charged with an allocation of administration expenses. Allocations are based on participant earnings or account balances, as defined. The benefit to which a participant is entitled is the amount that can be provided from the participant's vested account balance.

Investment Options

Plan participants have the opportunity to direct the investment decisions relating to the assets in their individual account balance. Currently, the plan offers several investment choices including mutual funds and trust funds. Participants may change their investment options for future contributions at any time.

DESCRIPTION OF PLAN (Continued)

Vesting

Participants are immediately vested in their voluntary contributions plus actual earnings thereon. Participants are vested in the employer matching contributions, non-elective contributions, and related investment earnings based on years of continuous service. The Plan utilizes the following vesting schedule:

Years of service	Vested %
Less than 2	0
2	20
3	40
4	60
5	80
6 or more	100

Forfeitures

A non-vested amount remaining in a participant account of a terminated employee after distribution of his or her vested account balance is defined as a forfeiture. At December 31, 2009 and 2008, forfeited non-vested accounts totaled $25,308 and $19,323, respectively, and are included in investments on the accompanying statements of net assets available for plan benefits. These accounts will be used to reduce future employer profit sharing contributions.

Payment of Benefits

Distributions generally will be made in the event of retirement, death, disability, resignation, or dismissal. Vested account balances can be distributed by transferring the balance to a different trustee (i.e., rollover) or lump-sum distribution.

Participant Loans

Participants may borrow from their accounts a minimum of $1,000 up to a maximum equal to the lesser of 50% of their vested account balance or $50,000. Loans are repaid through payroll deduction including principal and interest. Loan terms range from 1-5 years or up to 15 years for the purchase of a primary residence. Any loan origination fees will be described in the loan application form, and will be paid from the participant's vested account balance in the Plan. Loan prepayments are allowed without penalty.

Hardship Withdrawals

Hardship withdrawals are allowed for immediate and heavy financial needs.

DESCRIPTION OF PLAN (Continued)

Administrative Fees

Substantially all administrative expenses are paid by the participants of the Plan. There was approximately $37,000 incurred in administrative services during 2009, of which approximately $3,600 was paid by the Company.

SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The financial statements of the Plan are prepared under the modified-cash basis of accounting, which is a basis of accounting other than accounting principles generally accepted in the United States of America.

Use of Estimates

The preparation of financial statements requires management to make estimates and assumptions that affect the reported amounts of assets, liabilities, and changes therein, and disclosures of contingent assets and liabilities. Actual results could differ from those estimates.

Investment Valuation and Income Recognition

The Plan's investments are stated at fair value. Realized and unrealized gains and losses are reported as increases or decreases in the statement of changes in net assets available for plan benefits.

Payment of Benefits and Receipt of Contributions

Benefits paid to participants are recorded upon the execution of a proper distribution request. Contributions are recorded when submitted to the plan.

Plan Termination

Although the Sponsor has not expressed any intent to do so, the Sponsor has the right under the Plan to discontinue its contributions, if any, at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants will automatically become 100% vested in their accounts.

SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

Risks and Uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participant's account balances and the amounts reported in the statement of net assets available for plan benefits.

INVESTMENTS

The Plan's investments are held in an administered trust fund. Listed below are investments that represent 5% or more of net assets available for Plan benefits at December 31, 2009:

Investments	Market Value
ABN AMRO	$ 301,674
Frontier Capital Management	143,451
Metropolitan West Capital Mgmt, LLC Large Cap Value	160,671
Growth Fund of America	228,433
Oppenheimer Gold and Special Minerals Fund	142,954
LifeStyle Income and Conservative Growth Strategy	435,568
LifeStyle Conservative Growth Strategy	146,956
LifeStyle Moderate Growth Strategy	398,494
Participant Loans	145,152

TAX STATUS

The IRS issued an opinion letter in 2008 in which the IRS stated that the plan document was acceptable for use by employers for the benefit of their employees and the employer may rely on the opinion letter with respect to the qualification of the plan. The Plan administrator believes that the Plan is currently designed and being operated in compliance with the applicable requirements of the Internal Revenue Code. Therefore, no provision for income taxes has been included in the Plan's financial statements.

SUBSEQUENT EVENTS

The Company evaluated events that occurred after the statement of net assets available for plan benefits date through September 30, 2010, which is prior to the date these financial statements were issued, and the following subsequent events that met recognition or disclosure criteria were identified.

Effective January 1, 2010, the Plan revised its adoption agreement in order to comply with the Economic Growth and Tax Relief Reconciliation Act restatements.
