REPORT OF INDEPENDENT AUDITOR

To the Administrative Committee of the
Clean Group, Inc. 401(k) Retirement Plan

We were engaged to audit the financial statements of the Clean Group, Inc. 401(k) Retirement Plan as of December 31, 2009 and 2008 and for the years then ended, and the supplemental schedules as of and for the year then ended December 31, 2009 as listed in the accompanying index. These financial statements and supplemental schedules are the responsibility of the Plan's management.

As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974, the Plan Administrator instructed us not to perform, and we did not perform, any auditing procedures with respect to the information summarized in Note 3, which was certified by MetLife Insurance Company of Connecticut (MetLife) and Principal Life Insurance Company (Principal), the trustees of the Plan, except for comparing the information with the related information included in the financial statements and supplemental schedules. We have been informed by the Plan Administrator that Principal held the Plan's investment assets and executed investment transactions from November 1, 2008 to December 31, 2009 and that MetLife held the Plan's investment assets and executed investment transactions for the period January 1, 2008 to October 31, 2008. The Plan Administrator has obtained a certification from the trustees as of and for the years ended December 31, 2009 and 2008, that the information provided to the Plan Administrator by the trustees is complete and accurate.

As described in Note 2, these financial statements and the supplemental schedule were prepared on a modified cash basis of accounting, which is a comprehensive basis of accounting other than accounting principles generally accepted in the United States of America.

Because of the significance of the information that we did not audit, we are unable to, and do not, express an opinion on the accompanying financial statements and schedules taken as a whole. The form and content of the information included in the financial statements and schedules, other than that derived from the information certified by the trustees, have been audited by us in accordance with auditing standards generally accepted in the United States of America and, in our opinion, are presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974.

CLEAN GROUP, INC.
401(K) RETIREMENT PLAN

NOTES TO FINANCIAL STATEMENTS

DECEMBER 31, 2009 AND 2008

1. Description of the Plan

The following description of the Clean Group, Inc. 401(k) Retirement Plan (the Plan) provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

General - The Plan is a defined contribution plan covering all employees of Clean Group, Inc. and Trash Away, Inc. (the Employer) who are resident of the United States, are not covered by a collective bargaining agreement, have attained age 21, and have completed one year of service. It is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

Contributions - Each year, participants may elect to defer from 1% to 92% of compensation, as defined by the Plan, subject to certain limitations. The amount by which compensation is reduced is allocated to each participant's elective account.

The Employer shall make a matching contribution for each participant who has elected to make elective deferral contributions. The Employer's contribution shall be an amount equal to 100% of the participant's elective deferral contribution which does not exceed 4% of the participant's compensation. The Employer may also contribute a discretionary amount to be allocated to eligible participants based on compensation. Any such Employer contributions are allocated to an account for each participant depending on the participant's allocation group.

Vesting - Participants are immediately vested in their contributions and Employer matching contributions plus actual earnings thereon. Vesting in the balance of Employer discretionary contributions is based on years of service. A participant is 100% vested after 4 years of service or attains the age of 65, die, or becomes disabled while employed by the Employer.

Directed Investment Accounts - The Plan Administrator may authorize participants to direct the Plan's trustees to invest their individual account assets in specific funds or other investments permitted under the Plan. A separate directed investment account is set up for each participant and is charged or credited, as appropriate, with the net earnings, gains, losses and expenses as well as any appreciation or depreciation in market value during the Plan year.

DECEMBER 31, 2009 AND 2008

1. Description of the Plan (continued)

Investment Options - Participants may direct the Plan trustees to invest account assets in certain investment alternatives. These investments include pooled investments offered by the trustee representing a broad range of investment strategies and holdings. Participants may allocate their assets among investment alternatives at their discretion.

Forfeited Accounts - Forfeitures are applied to reduce administrative expenses and employer's contributions. Forfeitures totaled \$290 and \$0 for the years ended December 31, 2009 and 2008, respectively. Forfeitures applied to reduce employer's contributions were \$284 and \$0 for the years ended December 31, 2009 and 2008, respectively.

Payment of Benefits - On termination of service due to reason other than death, a participant will receive a lump-sum payment equal to the vested interest in the participant's account at the election of the participant. Until the participant reaches the age of 65, no distribution may be made without written consent. Full distribution shall be made without consent as soon as practical when the participant attains the age of 65.

2. Summary of Significant Accounting Policies

Basis of Accounting - The financial statements of the Plan are prepared using the modified cash basis method of accounting.

Estimates - The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires the Plan Administrator to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results may differ from those estimates.

Payment of Benefits - Benefits are recorded when paid.

Contributions - Contributions from plan participants and the Employer are recorded when received by the Plan's trustee.

2. Summary of Significant Accounting Policies (continued)

Risks and Uncertainties - The Plan provides for various investment options in pooled investments that invests in stock funds, bond funds, fixed income securities and other investment securities. Investment securities are exposed to various risks, such as interest rate, market fluctuations and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in risks in the near term would materially affect participants' account balances and the amounts reported in the statement of net assets available for plan benefits and the statement of changes in net assets available for plan benefits.

Reclassifications - Certain amounts in 2008 have been reclassified to conform with the 2009 presentation.

3. Information Prepared and Certified by Trustees

The following information included in the accompanying financial statements and supplemental schedules was obtained from data that has been prepared and certified as complete by the MetLife Insurance Company of Connecticut (MetLife), the trustee of the Plan for the period January 1, 2008 to October 31, 2008, and Principal Life Insurance Company (Principal), the trustee for the period November 1, 2008 to December 31, 2009, in accordance with 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974.

CLEAN GROUP, INC. 401(K) RETIREMENT PLAN

NOTES TO FINANCIAL STATEMENTS (CONTINUED)

DECEMBER 31, 2009 AND 2008

5. Fair value measurement (continued)

In September 2006, the FASB issued Statement of Financial Accounting Standards (SFAS) No. 157 *Fair Value Measurements*, as codified by FASB ASC 820, in order to establish a single definition of fair value and a framework for measuring fair value in generally accepted accounting principles (GAAP) that is intended to result in increased consistency and comparability in fair value measurements. SFAS No. 157 also expands disclosures about fair value measurements. SFAS No. 157 applies whenever other authoritative literature requires (or permits) certain assets or liabilities to be measured at fair value, but does not expand the use of fair value.

SFAS No. 157 requires that assets and liabilities carried at fair value be classified and disclosed in one of the following three categories:

- Level 1: Quoted market prices in active markets for identical assets or liabilities.
- Level 2: Observable market based inputs or unobservable inputs that are corroborated by market data.
- Level 3: Unobservable inputs that are not corroborated by market data.

In determining the appropriate levels, the Plan performs a detail analysis of the assets and liabilities that are subject to SFAS No. 157. At each reporting period, all assets measured using quoted market prices of identical assets or liabilities are classified as Level 1, all assets and liabilities measured using observable inputs or unobservable inputs corroborated by market data are classified as Level 2, and all assets and liabilities for which the fair value measurement is based on significant unobservable inputs are classified as Level 3. There were no changes in valuation techniques and related inputs in 2009.

The following table presents the balances of assets measured at fair value on a recurring basis by level within the hierarchy. There were no liabilities that are being measured and reported on a fair value basis at December 31, 2009 and 2008, respectively.

Unrealized and realized gains and losses are included in the statement of changes in net assets available for benefits as net investment gain/(loss).

6. Related Party Transactions

The Plan invests in pooled investments which hold shares of mutual funds managed by the Principal; therefore, these transactions qualify as party-in-interest transactions. The Employer absorbs significant costs of plan administration. For the years ended December 31, 2009 and 2008, the Employer paid \$11,165 and \$8,440 in fees on behalf of the Plan, respectively.

NOTES TO FINANCIAL STATEMENTS (CONTINUED)

DECEMBER 31, 2009 AND 2008

7. Plan Termination

Although it has not expressed any intent to do so, the Employer has the right to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants will become 100% vested in their accounts.

8. Nonexempt Prohibited Transactions

During 2008, the Employer failed to remit employee deferral contributions totaling \$7,355 in a timely manner to the Plan's trustee as required by the Department of Labor's plan asset regulations (29 CFR 2510.3-102). During 2009, the Employer made a restoration payment totaling \$54 to the Plan as required by the Department of Labor's Voluntary Fiduciary Correction Program to correct the violations and make the Plan whole.

The prohibited transactions have been reported on the supporting schedule as nonexempt prohibited transactions in accordance with the Department of Labor Rules and Regulations for Reporting and Disclosure under ERISA.

9. Tax Status

The Plan is a prototype standardized profit-sharing/401(k) plan of Principal Life Insurance Company. The form of the Plan is designed in accordance with applicable sections of the Internal Revenue Code (IRC). The Plan Administrator and the Plan's tax counsel believe that the Plan is designed and is currently being operated in compliance with the applicable requirements of the IRC.

10. Subsequent Events

Effective January 1, 2010, the Plan will split into two plans to cover eligible employees of Clean Group, Inc. and Trash Away, Inc., respectively.

Management has evaluated subsequent events through August 5, 2010, the date which the financial statements were available to be issued.
