We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. We believe that our audits provide a reasonable basis for our opinion.

In our opinion, the financial statements referred to above present fairly, in all material respects, the net assets available for benefits of the Federal Cleaning Contractors, Inc. FEDERAL CLEANING CONTRACTORS, INC.
EMPLOYEES' 401(K) SAVINGS PLAN

NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2009 AND 2008

NOTE 1 - Description of plan

The following description of the Federal Cleaning Contractors, Inc. Employees' 401(K) Savings Plan (the Plan) provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

General

The Plan is a defined contribution plan covering all full-time employees of Federal Cleaning Contractors, Inc. and Federal Cleaning Contractors of Texas, Inc. (collectively referred to as "the Company") except for those employees covered by a collective bargaining agreement. To become eligible to participate, the Plan requires employees to attain the age of 21 and complete one year of service. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

Contributions

Each year, participants may elect to make salary deferral contributions not to exceed percentage and dollar limits set by law. Participants direct the investment of contributions. The Company may contribute employer non-elective contributions and safe harbor matching contributions. The Plan currently offers twelve mutual funds as investment options for participants. Participants may change their investment options daily.

Participants' accounts

Each participant's account is credited with the participant's contribution and allocations of (a) the Company's non-elective contributions and safe harbor matching contributions, if any, (b) Plan earnings, (c) forfeitures of terminated participants' nonvested accounts, if any, and is charged with an allocation of administrative expenses. Allocations of matching contributions are based on a percentage of participant contributions. Other allocations are based on participant earnings or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting

Participants are immediately vested in their Section 401(k) deferral contributions and Company Safe Harbor matching contributions, plus actual earnings thereon. Vesting in the Company's non-elective contribution portion of their accounts plus actual earnings thereon is based on years of service. A participant is 100% vested after six years of credited service.

FEDERAL CLEANING CONTRACTORS, INC.
EMPLOYEES' 401(K) SAVINGS PLAN

NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2009 AND 2008

NOTE 1 - Description of plan (continued)

Participants' notes receivable

Participants may borrow from their fund accounts a minimum of $1,000 up to a maximum equal to the lesser of $50,000 or 50% of their vested account balances. Loans are secured by the balance in the participant's account. Loans with a duration of one year or less are subject to an interest rate equal to the prime rate in effect at the time of the granting of the loan. Loan interest rates will increase by one-half percent for each additional year, not to exceed two percentage points over the prime rate. Principal and interest is paid through weekly payroll deductions.

Payment of benefits

Upon termination of service, a participant's vested benefits are generally paid either as a lump sum distribution or in installment payments.

NOTE 2 - Summary of significant accounting policies

Basis of accounting

The financial statements of the Plan are prepared under the accrual method of accounting.

Estimates

The preparation of financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

Valuation of investments

The Plan's investments are stated at fair value. Investments of the Plan are in mutual funds, which are valued at quoted market prices.

Plan administrative expenses

Certain administrative expenses of the Plan have been paid by the Plan sponsor.

Payment of benefits

Benefits are recorded when paid.

NOTE 3 - Fair value measurement

Fair Value Measurements Topic ASC 820 of the FASB Accounting Standards Codification establishes a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. This hierarchy consists of three broad levels: Level 3 inputs have the lowest priority. The Plan uses appropriate valuation techniques based on the available inputs to measure the fair value of its investments. When available, the Plan measures fair value using Level 1 inputs because they generally provide the most reliable evidence of fair value. Level 3 inputs were only used when Level 1 or Level 2 inputs were not available.

Level I – Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets.

Level II – Inputs to the valuation methodology includes:

- Quoted prices for similar assets or liabilities in active markets;
- Quoted prices for identical or similar assets or liabilities in inactive markets;
- Inputs other than quoted prices that are observable for the asset or liability;
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the level 2 input must be observable for substantially the full term of the asset or liability.

Level III – Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value:

Mutual funds – Valued at quoted market prices.

Participant loans – Valued at amortized cost, which approximates fair value.

The preceding methods described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

NOTE 3 - Fair value measurement (continued)

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2009 and December 31, 2008, respectively:

	Level 1	Level 2	Level 3	Total
December 31, 2009				
Mutual funds	$ 1,070,566	$ -	$ -	$ 1,070,566
Participant loans	-	-	81,372	81,372

	Level 1	Level 2	Level 3	Total
December 31, 2008				
Mutual funds	$ 878,626	$ -	$ -	$ 878,626
Participant loans	-	-	35,519	35,519
Total assets at fair value	$ 878,626	$ -	$ 35,519	$ 914,145

The following table sets forth a summary of changes in the fair value of the Plan's level 3 assets for the year ended December 31, 2009:

Realized gains (losses)	-
Unrealized gains (losses)	-
Purchases, sales, issuances and settlements (net)	45,853

NOTE 4 - Investments

All of the Plan's investments are held by a trust company. The following presents investments at December 31, 2009 and 2008, respectively, that represent 5% or more of the Plan's net assets:

NOTE 4 – Investments (continued)

	2009	2008

The Plan's investments in mutual funds (including gains and losses on funds bought and sold, as well as held during the year) appreciated in value by $207,620 during 2009, and depreciated in value $501,721 during 2008.

NOTE 5 - Tax status

Federal Cleaning Contractors, Inc. adopted the HPL&S, Inc. Defined Contribution Prototype Plan and Trust effective January 6, 2003, as an amendment and restatement in its entirety of its previously established qualified Plan and Trust.

Although the Plan has not requested determination from the Internal Revenue Service as to the Plan's tax-exempt status, the master prototype plan from which the Plan was drafted received a determination letter from the IRS dated November 27, 2001, in which the Internal Revenue Service stated that the Plan, as then designed, was in compliance with the applicable requirements of the Internal Revenue Code. The Plan has been amended by amending the adoption agreement since receiving the determination letter. However, the Plan administrator believes that the Plan is currently designed and being operated in compliance with the applicable requirements of the Internal Revenue Code. Therefore, the Plan administrator believes that the Plan is qualified and that the related trust is exempt from taxation under the Internal Revenue Code.

NOTE 6 - Plan termination

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants will become 100% vested in their accounts.

NOTE 7 - Subsequent events

Effective June 15, 2009, the Company adopted FASB ASC Topic 855, Subsequent Events. ASC 855 establishes general standards of accounting for and disclosure of events that occur after the balance sheet date but before financial statements are issued or are available to be issued. Specifically, it

Note 7 – Subsequent events (continued)

sets forth the period after the balance sheet date during which management of a reporting entity should evaluate events or transactions that may occur for potential recognition or disclosure in the financial statements, the circumstances under which an entity should recognize events or transactions occurring after the balance sheet date in its financial statements, and the disclosures that an entity should make about events or transactions that occurred after the balance sheet date. The adoption of ASC 855 had no impact on the Company's financial statements. In accordance with ASC 855, the Company evaluated subsequent events through October 8, 2010, the date these financial statements were available to be issued. There were no material subsequent events that required recognition or additional disclosure in these financial statements.
