HealthCare Partners Medical Group, Inc.
Profit Sharing Plan
19191 South Vermont Avenue, Suite 200
Torrance, California 90502-1018

We have audited the accompanying statements of net assets available for benefits of Healthcare Partners Medical Group, Inc. Profit Sharing Plan as of December 31, 2009 and 2008 and the related statement of changes in net assets available for benefits for the year ended December 31, 2009. These financial statements are the responsibility of the Plan's management. Our responsibility is to express an opinion on these financial statements based on our audits.

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. We believe that our audits provide a reasonable basis for our opinion.

NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2009 AND 2008

NOTE 1 - DESCRIPTION OF THE PLAN

The Healthcare Partners Medical Group, Inc. Profit Sharing Plan (the "Plan") is a defined contribution plan that provides retirement benefits to all eligible employees of HealthCare Partners Medical Group, Inc. (the Employer). The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA). The Plan was adopted and became effective on January 1, 2005.

The following description of the Plan provides only general information. Participants should refer to the Plan document for a more complete description of the Plan's provisions.

A. Eligibility

An employee, as defined in the Plan, who is at least 18 years of age and has completed one year of service with at least 1,000 hours of service is eligible to participate in the Plan.

B. Contributions

The Employer may make annual discretionary profit sharing contributions for each eligible participant up to the lesser of 100% of compensation or an annual amount determined by the Internal Revenue Code (the "Code") (\$49,000 for 2009). Any Employer contributions will be allocated to each eligible participant based on his or her eligible gross income as a percentage of eligible gross income for all eligible participants.

The Employer has made no contributions to the Plan since the Plan was adopted and became effective on January 1, 2005.

C. Participant Accounts

Each participant's account is credited with (a) Employer profit sharing contributions; (b) rollover contributions; and (c) investment earnings.

D. Forfeitures

Forfeited accounts represent terminated employees' unvested portion of the Employer's contributions plus actual earnings thereon. Forfeited balances of terminated participants' non-vested accounts may be used to reduce Employer contributions due, restore forfeitures of reemployed participants, pay Plan expenses, and to correct administrative errors that may have occurred.

E. Vesting

Benefits become vested after three years of service at 20% and increase 20% for each additional year of service, up to a maximum of 100%.

F. Payment of Benefits

Normal retirement age is 65. A participant's benefits will be distributed at retirement, death, total and permanent disability, or termination of employment. Upon termination of service, a participant may elect to receive either a lump-sum amount equal to the value of the vested account or payments over a period of time. Hardship withdrawals are not permitted.

A. Basis of Accounting

The financial statements of the Plan are prepared on the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America.

However, the company believes that the Plan, as designed, is in compliance with applicable requirements of the Code.
