To the Trustees Grays Harbor Paper, L.P. 401(k) Retirement Plan Hoquiam, Washington

#### **Independent Auditors' Report**

We were engaged to audit the accompanying statements of net assets available for benefits of Grays Harbor Paper, L.P. 401(k) Retirement Plan as of December 31, 2009, and the related statement of changes in net assets available for benefits for the year ended December 31, 2009, and the supplemental schedule of assets held as of December 31, 2009. These financial statements and schedule are the responsibility of the plan's management. The financial statements as of December 31, 2008 were audited by other auditors. As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974, the plan administrator instructed the other auditors not to perform, and they did not perform, any auditing procedures with respect to the information certified by Fidelity Management Trust Company, the trustee of the plan. Their report, dated September 30, 2009, indicated that (a) because of the significance of the information that they did not audit, they were unable to, and did not, express an opinion on the financial statements taken as a whole and (b) the form and content of the information included in the financial statements other than that derived from the information certified by the trustee, were presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974.

As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974, the plan administrator instructed us not to perform, and we did not perform, any auditing procedures with respect to the information summarized in Note 4, which was certified by Fidelity Management Trust Company, the trustee of the plan, except for comparing the information with the related information included in the financial statements and supplemental schedule. We have been informed by the plan administrator that the trustee holds the plan's investment assets and executes investment transactions. The plan administrator has obtained a certification from the trustee as of and for the year ended December 31, 2009, that the information provided to the plan administrator by the trustee is complete and accurate.

Because of the significance of the information that we did not audit, we are unable to, and do not, express an opinion on the accompanying financial statements and supplemental schedules taken as a whole. The form and content of the information included in the financial statements and supplemental schedules, other than that derived from the information certified by the trustee, have been audited by us in accordance with auditing standards generally accepted in the United States of America and, in our opinion, are presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974.

Grays Harbor Paper, L.P. 401(k) Retirement Plan Page 2

The accompanying financial statements and supplemental schedule have been prepared assuming that Grays Harbor Paper, LLC (plan sponsor), will continue as a going concern. Our independent auditors' report on the December 31, 2009 financial statements of the plan sponsor, which was issued under a date of June 2, 2010, stated that the plan sponsor's financial position raised substantial doubt about the ability of the plan sponsor to continue as a going concern. This uncertainty regarding the ability of the plan sponsor to continue as a going concern raises substantial doubt about the plan's continuation. Should the plan be terminated, the terms described in Note 5 would be applicable. The financial statements and supplemental schedule do not include any adjustments that may result from the outcome of this uncertainty.
