1. DESCRIPTION OF PLAN

The following description of the Woodsman Kitchens & Floors, Inc. 401(k) Profit Sharing Plan (the "Plan") provides only general information. Participants should refer to the Plan Agreement for a more complete description of the Plan's provisions.

General

Woodsman Kitchens & Floors, Inc. (the "Company"), established the Woodsman Kitchens & Floors, Inc. 401(k) Profit Sharing Plan effective as of January 1, 1988. The Plan operates as a defined contribution plan. It is subject to the applicable provisions of the Employee Retirement Income Security Act of 1974 (ERISA), as amended. The Plan is administered by Woodsman Kitchens & Floors, Inc. which absorbs all administrative costs incurred by the Plan. Richard S. Woods is the Plan's Trustee. Employees of the Company are generally eligible to participate in the Plan after attainment of age 18 and 6 months of employment.

The Custodian of the Plan is American Funds (the "Custodian"). As of November 3, 1998, the assets of the Plan are held by the Custodian who has been given the authority and power to, among other things, make investment decisions, borrow funds and take any other action it believes to be beneficial to the Plan. The third party administrator and record keeper is Pencor, Inc. (the "record keeper"). The record keeper is responsible for compiling the Form 5500, performing tax compliance testing, and maintaining annual records of plan transactions.

Contributions

The Plan allows employees to make contributions of up to 25% of their compensation, subject to the limits imposed by the Internal Revenue Code, pursuant to a salary reduction agreement.

The Plan allows the Company to make a discretionary matching contribution on behalf of each of its participants who made an elective contribution during the Plan year up to 6% of compensation. The Company may also contribute a discretionary profit sharing contribution equal to a percentage of each eligible individual's compensation including social security integration (the exact percentage, if any, to be determined each year by the Employer). During the years ended December 31, 2009 and 2008, the amount of Company contributions made to the Plan was $38,197 and $197,629, respectively.

1. **DESCRIPTION OF PLAN** - Continued

Participant Accounts

Each participant's account is credited with the participant's contributions, any allocation of Company profit sharing contribution, any matching contributions, an allocation of Plan earnings and forfeitures of terminated participants' non-vested accounts. Allocations are based on participants' earnings or account balances, as defined. The benefit to which a participant is entitled is limited to the vested balance of the participant's account. The Plan is designed to allow participants to exercise control over the investment of assets held in their accounts. Accordingly, contributions are invested as directed by the participant in one or more of a variety of investment funds. The selection of funds offered by the Plan is intended to comply with the requirements of ERISA 404(c).

Vesting

Participants are fully vested in their own contributions and related earnings. With respect to employer contributions and related earnings, participants are vested ratably and become fully vested after six years of service as follows:

Less than 1 years of service	0%
1 years, but less than 2 years	20%
2 years, but less than 3 years	40%
3 years, but less than 4 years	60%
4 years, but less than 5 years	80%
5 years or more of service	100%

Distributions

On termination of service, a participant is entitled to 100% of his/her vested balance.

Expenses and Fees

Expenses and fees associated with the Plan are paid with Plan assets. Such expenses and fees include the compensation of investment managers, brokers' fees, and costs related to Plan administration. In addition, Plan expenses of $4,500 and $4,000 were also paid by the Plan Sponsor during the years ending December 31, 2009 and 2008, respectively.

1. DESCRIPTION OF PLAN – Continued

Forfeitures

Participants who withdraw from the Plan forfeit the non-vested portion of their accounts. These forfeitures are used to reduce the amount of employer contributions. For the years ended December 31, 2009 and 2008, forfeitures were $12,975 and $13,247, respectively.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The Plan uses the accrual method of accounting. Under this method of accounting, contributions to the Plan are recognized when approved by the Employer. Revenues are recognized when earned, and expenses are recognized when incurred.

Use of Estimates

The preparation of financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect the reported amounts of asset and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of additions to and deductions from net assets during the reporting period. Actual results could differ from those estimates.

Investment Valuation

Investments are recorded at the fair value on the last business day of the Plan year. Quoted market prices are used to value investments. Shares of mutual funds are valued at quoted market prices. Increases and decreases in market value of the investments are reflected in the statement of changes in net assets available for benefits.

Risks and Uncertainties

The Plan provides for various investment options. Investment securities are exposed to various risks, such as interest rate fluctuations, market changes and credit risks. Due to the level of risk associated with certain investment securities and the level of uncertainty related to changes in the value of these investment securities, it is at least reasonably possible that changes in risks in the near term would materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits and the statement of changes in net assets available for benefits.

3. PLAN TERMINATION

The Company has the right under the Plan to discontinue contributions at any time and to terminate the Plan subject to the provision of ERISA. In the event of termination, participants become 100% vested in their account balances.

4. TAX STATUS

The Trustee believes that the Plan is designed and operating in accordance with the applicable sections of the Internal Revenue Code.

5. CONCENTRATION OF CREDIT RISK

Certain financial instruments potentially subject the Plan to concentrations of credit risk. These financial instruments consist of mutual funds. The Plan limits its credit risk by monitoring its accounts with what management believes to be high quality financial institutions.

6. INVESTMENTS

All of the Plan's investments are held by American Funds and invested according to the participants' directions. A schedule of investments that account for 5% or more of the total investment balance as of December 31 is as follows:

	2009	2008
Washington Mutual Investors Fund	$ 869,843	$ 865,433
American Mutual Funds	504,578	467,363
New Perspective Funds	392,019	336,835
New World Fund	469,999	316,201
AMCAP Funds	395,218	326,608
EuroPacific Growth Fund	397,474	284,806
Cash Management Funds of America	-	606,679
Money Market Funds	715,378	-
Growth Fund of America	285,238	262,125
Small Cap World Fund	281,430	184,538
	$ 4,311,177	$ 3,650,588

7. DEFERRED PAYMENTS

As of December 31, 2009 there are 109 participants that have separated from service and are not active Plan participants. These former participants have vested account balances totaling approximately $807,507. The Plan will pay out these amounts at the direction of the former participants. There were 108 participants whom were due $444,141 under the same circumstances at December 31, 2008.

8. RELATED PARTY TRANSACTIONS

During the years ended December 31, 2009 and 2008, certain Plan investment funds utilized by the Plan were managed by Capital Research and Management Company (CRMC). American Funds is a wholly owned subsidiary of Capital Research and Management Company. As American Funds is the custodian of the Plan, transactions involving the aforementioned funds by definition were party-in-interest transactions.

9. PROHIBITED TRANSACTIONS

The Plan sponsor inadvertently failed to deposit $137 and $-0- in 2009 and 2008, respectively, of participant deferrals within the required timeframe as stated by the United States Department of Labor (DOL). The DOL considers such late deposits to be prohibited transactions. The Plan sponsor is required to file Form 5330 and pay applicable excise taxes. The excise tax payments will be made from the Plan sponsor's assets rather than from assets of the Plan.

10. SUBSEQUENT EVENTS

The date to which events occurring after December 31, 2009, the date of the most recent balance sheet, have been evaluated for possible adjustment to the financial statements or disclosure is October 1, 2010, which is the date on which the financial statements were available to be issued.
