INDEPENDENT AUDITOR'S REPORT

To the Plan Administrator
Educational Enrichment Systems, Inc.
403(b) Plan

We were engaged to audit the financial statements and supplemental schedule of Educational Enrichment Systems, Inc. 403(b) Plan (the "Plan") as of December 31, 2009 and for the year ended December 31, 2009, as listed in the accompanying table of contents. These financial statements and supplemental schedule are the responsibility of the Plan's management.

As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974, the Plan administrator instructed us not to perform, and we did not perform, any auditing procedures with respect to the investment information summarized in Note 8, which was certified by ING Life Insurance and Annuity Company, the custodian of the Plan, except for comparing such information with the related information included in the financial statements. We have been informed by the Plan administrator that the custodian holds the Plan's investment assets and executes investment transactions. The Plan administrator has obtained a certification from the custodian as of December 31, 2009, and for year ended December 31, 2009, that the information provided to the Plan administrator by the custodian is complete and accurate.

Because of the significance of the information we did not audit, we are unable to, and do not, express an opinion on the accompanying financial statements as a whole. The form and content of the information included in the financial statements, other than that derived from information certified by ING Life Insurance and Annuity Company, have been audited by us in accordance with auditing standards generally accepted in the United States of America and, in our opinion, are presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974.

We have compiled the accompanying statement of net assets available for benefits of the Plan as of December 31, 2008 in accordance with the Statements on Standards for Accounting and Review Services issued by the American Institute of Certified Public Accountants. A compilation is limited to presenting, in the form of financial statements, information that is the representation of management. We have not audited or reviewed the accompanying December 31, 2008 statement of net assets available for benefits and, accordingly, do not express an opinion or any other form of assurance on it.

NOTES TO FINANCIAL STATEMENTS

Note 1 - Description of Plan

The following description of the Educational Enrichment Systems, Inc. 403(b) Plan (the "Plan") provides only general information. Participants should refer to the Plan Agreement, as amended, for a more complete description of Plan provisions.

General: The Plan is a defined contribution plan covering substantially all full-time employees of Educational Enrichment Systems, Inc. ("EES"), and is subject to provisions of the Employee Retirement Income Security Act of 1974, as amended ("ERISA"). EES is the Plan's sponsor and serves as plan administrator.

Eligibility: Employees of EES are eligible to participate in the Plan upon hire.

Contributions: All regular, full-time employees may elect to contribute any portion of eligible compensation to the Plan each year. Participants may also contribute amounts representing distributions from other qualified defined benefit or defined contribution plans. EES will contribute an amount equal to 2 percent of employee's compensation once becoming eligible. Employees become eligible for employee contributions after completing 1 year of service, 1,000 hours. These contributions are discretionary and EES has the right to discontinue them in future years.

Contributions are subject to regulatory limitations.

Participant Accounts: Each participant's account is credited with the participant's contribution and allocations of (a) EES' contribution and, (b) Plan earnings, and charged with an allocation of administrative expenses. Allocations are based on participant compensation or account balances, as defined. Participants may direct the investment of their account balances into various investment options offered by the Plan. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting: Participants are fully vested in all contributions and earnings thereon.

Participant Loans: Participants may borrow from their accounts a minimum of $1,000 up to a maximum equal to the lesser of $50,000 or 50 percent of their vested account balance. Loans are secured by the balance of the participant's account and bear fixed, reasonable rates of interest, as determined by the plan administrator. The maximum loan term is five years unless the loan term qualifies as a home loan for the principal residence of the participant, in which case the term of the loan is determined at the time the loan is made to be within a reasonable time. Principal and interest are paid ratably through payroll deductions. As of December 31, 2009, there are no outstanding loans.

Payment of Benefits: On termination of service due to death, disability, or retirement for any reason, a participant may elect to receive either a lump-sum amount equal to the value of the participant's account balance or a variety of annuity options including Cash Refund Annuity and Joint and Survivor Annuity.

NOTES TO FINANCIAL STATEMENTS

Note 2 - Summary of Significant Accounting Policies

Basis of Accounting: The financial statements have been prepared in accordance with accounting principles generally accepted in the United States of America, using the accrual method of accounting.

FASB Codification: On July 1, 2009, the Financial Accounting Standards Board ("FASB") Accounting Standards Codification ("ASC") became the single authoritative source for nongovernmental U.S. generally accepted accounting principles ("GAAP"). The ASC supersedes all previous authoritative GAAP applicable to the Plan and is effective for interim and annual periods ended after September 15, 2009.

Use of Estimates: The preparation of financial statements in conformity with generally accepted accounting principles requires the use of estimates and assumptions that may affect certain amounts and disclosures. Accordingly, actual results could differ from those estimates.

Investment Valuation: Investments are stated at fair value as certified by the Plan's custodian, ING Life Insurance and Annuity Company.

Income Recognition: Purchases and sales of securities are recorded on a trade-date basis. The net appreciation in fair value of investments consists of both the realized gains or losses and unrealized appreciation and depreciation of those investments.

Payment of Benefits: Benefits are recorded when paid.

Expenses: Most administrative expenses are paid by EES; others are paid by the Plan. Certain transaction fees are paid by the participant.

Note 3 - Investments

Investments: Investments representing 5 percent or more of net assets available for benefits consist of the following as of December 31:

	2009	2008
ING Growth and Income Port - I	* $ -	$ 36,917
ING Fixed Account	290,950	264,767
ING Fixed Plus Account II	376,874	318,741

** Balance was not in excess of the 5 percent threshold in 2009.*

Note 3 – Investments (Continued)

During 2009, the Plan's investments (including gains and losses on investments purchased, sold, as well as held during the year) appreciated in fair value as follows:

Pooled separate accounts	$ 35,649
Net appreciation in fair value	$ 35,649

Note 4 - Fair Value Measurements

In accordance with authoritative guidance, the Plan classifies its investments based upon an established fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurement) and the lowest priority to unobservable inputs (Level 3 measurements). The three levels of the fair value hierarchy are described below:

Level 1: Unadjusted quoted prices in active markets that are accessible at the measurement date for identical, assets or liabilities;

Level 2: Quoted prices in markets that are not considered to be active or financial instruments without quoted market prices, but for which all significant inputs are observable, either directly or indirectly;

Level 3: Prices or valuations that require inputs that are both significant to the fair value measurement and unobservable.

A financial instrument's level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement.

Following is a description of the valuation methodologies used for assets measured at fair value.

The Plan has investments in the ING Life Insurance and Annuity Company Separate Account C which is a pooled separate account. The Plan does not have any restrictions related to redemption of these funds. Units held in pooled separate accounts are valued using the accumulation unit value ("AUV") of the fund. The AUV is based on the fair value of the underlying assets owned by the fund, minus its liabilities, and then divided by the number of units outstanding. The accumulation unit value of a pooled separate account is calculated based on a compilation of primarily observable market information. The number of units of the fund that are outstanding on the calculation date is derived from observable purchase and redemption activity in the fund. Accordingly, the unit value for a pooled separate account is classified within Level 2 of the valuation hierarchy.

Note 4 - Fair Value Measurements (Continued)

The fair value for fixed annuity contracts is calculated using the present value of the contract's future cash flow values discounted by comparable duration DEF Published GIC index rates. (See Note 5).

NOTES TO FINANCIAL STATEMENTS

Note 5 – Fixed Annuity Contracts

The Plan's ING Fixed Account and ING Fixed Plus Account II are presented at fair value on the statements of net assets available for benefits. The contracts are fully benefit-responsive. For example, participants may ordinarily direct the withdrawal or transfer of all or a portion of their investment at contract value. At December 31, 2009 and 2008, fair value approximated contract value.

There are no reserves against contract value for credit risk or the contract issuer or otherwise. Crediting rates on the investment contracts are based on a formula agreed upon with the issuer, but may not be less than 4 percent and 3 percent for ING Fixed Account and ING Fixed Plus Account II, respectively.

Certain events, such as the premature termination of the contract by the Plan or the termination of the Plan, may limit the Plan's ability to transact at contract value with the issuer. The Plan administrator does not believe that the occurrence of such events, which would also limit the Plan's ability to transact at contract value with participants, is probable.

The Fixed Annuity Contracts are unsecured, general account obligations of the insurance company. The obligation is backed by the general account assets of the insurance company that writes the investment contract. The crediting rate on this product is typically fixed for the life of the investment.

Note 6 - Tax Status

The Plan administrator believes the Plan meets the qualification requirements under Section 401(a) and is tax exempt under provisions of the Internal Revenue Code ("IRC"). The Plan administrator believes the Plan is designed and is currently being operated in compliance with the applicable requirements of the IRC.

Note 7 - Risks and Uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks, such as interest rate, market volatility, and credit risks. It is reasonably possible, given the level of risk associated with investment securities, which changes in the near term could materially affect a participant's account balance and the amounts reported in the financial statements.

Note 8 - Information Certified by the Custodian

The Plan administrator has elected the method of compliance permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, ING Life Insurance and Annuity Company, the custodian of the Plan, has certified to the completeness and accuracy of:

- Investments reflected on the accompanying statement of net assets available for benefits as of December 31, 2009;

Note 8 - Information Certified by the Custodian (Continued)

- Net appreciation in fair value of investments reflected on the accompanying statement of changes in net assets available for benefits for the year ended December 31, 2009;
- Investments reflected on the supplemental schedule of assets (held at end of year); and,
- Fair value information included in Note 4

Note 9 - Party-In-Interest Transactions

Plan investments include shares in pooled separate accounts, including the fixed annuity contracts managed by ING Life Insurance and Annuity Company. ING Life Insurance and Annuity Company is the custodian of the Plan and, therefore, transactions with these entities qualify as exempt party-in-interest transactions. Expenses paid to ING totaled $1,613 for the year ended December 31, 2009.

Note 10 – Subsequent Events

Subsequent events are events or transactions that occur after the statement of net assets available for benefits date, but before the financial statements are issued. The Plan recognizes in the financial statements the effects of all subsequent events that provide additional evidence about conditions that existed at the date of the statement of net assets available for benefits, including the estimates inherent in the process of preparing the financial statements. The Plan's financial statements do not recognize subsequent events that provide evidence about conditions that did not exist at the date of the statement of net assets available for benefits, but arose after the statement of net assets available for benefits date and before the financial statements are issued.

At the May 21, 2010 Board meeting, EES' Board of Directors terminated the Plan effective June 30, 2010.
