As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974, the plan administrator instructed us not to perform, and we did not perform, any auditing procedures with respect to the information summarized in Note 2, which was certified by John Hancock USA, the trustee of the Plan, except for comparing the information with the related information included in the financial statements and supplemental schedule. We have been informed by the plan administrator that the trustee holds the Plan's investment assets and executes the investment transactions. The plan administrator has obtained a certification from the trustee as of and for the years ended December 31, 2009 and 2008, that the information provided to the plan administrator by the trustee is complete and accurate.

As described in Note 2, these financial statements and supplemental schedule were prepared on the modified cash basis of accounting, which is a comprehensive basis of accounting other than generally accepted accounting principles.

JEM RESTAURANT MANAGEMENT CORPORATION
401(K) PLAN

Notes to Financial Statements

December 31, 2009 and 2008

NOTE 1 - Description of Plan:

General

The JEM Restaurant Management Corporation 401(K) Plan covers all qualified employees of JEM Restaurant Management; Wendy's of Fresno, Inc.; Wendy's of Santa Clara, Inc.; Honcut Creek Farms; Lower Honcut Creek Farms; Kentucky Fried Chicken; Peninsula Foods, L.P.; Chandon Ranch; and JEM Farms (the Company). Qualified employees include employees who work over 1,000 hours per year, are twenty-one years of age or older, and have completed one year of service. The Plan does not cover union employees who are covered separately by a collective bargaining agreement.

Effective January 1, 1999, a 401(K) feature was added to the Plan. At this time, the Plan name was changed from JEM Restaurant Management Corporation Profit Sharing Plan to JEM Restaurant Management Corporation 401(K) Plan. No employee deferrals were made until January 2000.

The Plan is subject to the provisions of Sections 401(a) and 501(a) of the Internal Revenue Code of 1954, the Employee Retirement Income Security Act of 1974, the Tax Equity and Fiscal Responsibility Act of 1982, the 1986 Tax Reform Act, the Omnibus Reconciliation Acts of 1987 and 1988 and the Pension Protection Act of 2006.

Contributions

For each year JEM Restaurant Management Corporation participates in The Plan, the Company may, from its net profits or accumulated net profits, make a contribution of such amount as determined in accordance with a resolution of the Board of Directors. The amount of contribution may not obligate the Company to contribute, for any year, any sums which are estimated to be in excess of the amount which the Company would be permitted to deduct on its Federal income tax return for such year. In no event shall the annual addition to the account of each participant with respect to any given plan year exceed the lesser of $49,000 or 100% of each participant's compensation during such year. The $49,000 limitation shall be adjusted pursuant to Section 415(d) of the Internal Revenue Code as of January 1, of each year.

Participant accounts

Participant accounts are credited with a discretionary employer contribution allocated based on compensation, employer matching contribution based on employee deferrals up to 2% of compensation, plan earnings, and forfeitures of terminated participants' non-vested accounts. During 2009 and 2008, $-0- and $3,583 of the forfeited amounts became available to be utilized by the Plan to reduce Company contributions, respectively. No forfeitures were untilzed in 2009 or 2008. The amount of forfeitures available to fund future Company contributions included in Plan assets was $5,249 and $4,171 at December 31, 2009 and 2008, respectively, with the increase related to investment gains. No discretionary employer contribution was allocated to participants at December 31, 2009 and 2008. Participants may contribute to their own accounts.

Vesting

Upon attainment of normal retirement age (65), termination by death or total disability, or partial or complete termination of the Plan, participants become 100% vested in their accounts. The percentage of the Company contribution account of each participant is vested on the basis of the participant's years of service with the Company. Participants are 100% vested after three years of credited service. Employee contributions are always 100% vested.

Upon termination of employment, the non-vested portion of a participant's account will be forfeited and reallocated to continuing participants as additional employer nonelective contributions, or used to reduce the employer matching contribution.

(continued)

Investing options

Upon enrollment in the Plan, 401(k) participants may direct their contributions in various funds they choose through John Hancock, USA and may change their investment options at anytime.

Payment of benefits

Upon retirement or permanent disability, the participant shall receive his vested portion of the account by payment in a lump sum or installments for a specified time.

Termination of Plan

The Company shall have the right to amend the Plan by resolution of the Board of Directors and to amend or cancel any amendments, provided that no amendment shall attempt to cause any of the assets of the Plan to be used for or diverted to purposes other than for the exclusive benefit of participants or their beneficiaries.

In the event the Company elects to terminate the Plan or ceases or discontinues operation of its business, the entire interest of the participants shall vest 100% immediately and be nonforfeitable.

Concentration of risk

The Financial Accounting Standards Board requires disclosure in the financial statements relating to concentrations of risk and financial instruments with off-balance-sheet risk. Financial instruments that potentially subject the Plan to concentrations of risk consist principally of marketable securities and investments which are subject to market value fluctuations.

Operating and administrative expenses

Operating and administrative expenses of the Plan were absorbed by the Company during the years ending December 31, 2009 and 2008.

NOTE 2 - Summary of significant accounting policies:

Basis of presentation

The accompanying financial statements have been prepared on the modified cash basis of accounting which is a comprehensive basis of accounting other than generally accepted accounting principles. The modified cash basis of accounting includes the recording of investments at fair value and accrual of payroll taxes and benefits. Consequently, revenue, except for appreciation (depreciation), is recorded when received rather than when earned, and expenses, except for payroll taxes, and benefits, are recorded when paid rather than when the obligation is incurred. The financial statements present the net assets available for plan benefits and changes in those net assets at fair value. The difference between fair value and the cost of the investments is reflected in the statement of changes in net assets available for plan benefits as unrealized appreciation (depreciation) of investments.

The preparation of financial statements on the modified cash basis of accounting requires the trustees to make estimates and assumptions that affect the reported amounts of net assets and liabilities at the date of the financial statements and the reported amounts of additions to or deductions from net assets during the reporting period. Actual results could differ from those estimates.

Federal income taxes

JEM Restaurant Management Corporation 401(K) Plan files an annual information return (Form 5500) with the Internal Revenue Service under the tax exempt status allowed under the provisions of the Internal Revenue Code.

(continued)

Information certified by the Plan's Trustee

The Plan administrator has elected the method of annual reporting compliance permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, the Plan's Trustee has certified that the following data relating to the John Hancock mutual funds included in the accompanying financial statements is complete and accurate: (a) investments as shown in the statements of net assets available for plan benefits as of December 31, 2009 and 2008, and (b) investment income (loss) as shown in the statement of changes in net assets available for plan benefits for the years ended December 31, 2009 and 2008. The Plan's independent public accountants did not perform auditing procedures with respect to this information, except for comparing such information to the related information included in the financial statements.

Fair value of financial instruments

Unless otherwise indicated, the fair value of all reported assets and liabilities that represent financial instruments (none of which are held for trading purposes) approximates the carrying value of such amounts.

Related party transactions

Included in accounts payable at December 31, 2009 and 2008 is $5,287, due to the employer for reimbursement of certain expenses paid.

Subsequent events

Management has evaluated subsequent events through October 6, 2010, the date on which the financial statements were available to be issued.
