NOTE 1 - DESCRIPTION OF PLAN

The following description of **WCA Hospital Defined Contribution Retirement Plan** (Plan) is provided for general information purposes only. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

General

The Plan is a defined contribution plan that covers substantially all full-time employees of The Woman's Christian Association (WCA) of Jamestown, NY (Plan Sponsor). It was established effective January 1, 2005 and is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA), as amended.

Contributions

WCA may contribute annually to the Plan on a discretionary basis, as determined by the Board of Directors. An eligible participant is an employee who has worked at least 750 hours during the plan year, is over 21 years of age, and has at least one year of service with WCA. Contributions are subject to certain limitations.

Participant Accounts

Each participant's account is credited with an allocation of (a) WCA's contribution and (b) Plan earnings. Allocations are based on participant earnings or account balances, as defined. Forfeited balances of terminated participants' non-vested accounts are used to reduce current employer contributions. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting

Participants are immediately vested in their rollover contributions plus actual earnings thereon. Vesting in WCA's contribution portion of their accounts plus actual earnings thereon is based on years of service. Participants are credited with a vesting year of service for each plan year in which they complete at least 750 hours. Participants are fully vested after the completion of three years of services.

Investment Options

A participant may direct contributions into a variety of mutual fund and similar accounts offered by Wilmington Trust Company, a Trustee of the Plan.

NOTE 1 - DESCRIPTION OF PLAN (CONT'D)

Participant Loans

Participant loans are not permitted by the Plan.

Payment of Benefits

On termination of service due to death, disability, retirement or any other reason, a participant may receive the value of the vested interest in his or her account as a lump-sum distribution.

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The accompanying financial statements have been prepared on the accrual basis of accounting.

Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires the Plan Administrator to make estimates and assumptions that affect the reported amounts and disclosures. Accordingly, actual results may differ from those estimates.

Investment Valuation and Income Recognition

The Plan's investments are stated at fair value. Units of the mutual funds are valued at quoted prices in active markets.

Amounts held in the Lincoln Fixed Annuity Fund (the Portfolio) are stated at fair value, which approximates contract value.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Unrealized appreciation or depreciation on investments is charged or credited to the net assets of the Plan.

Payment of Benefits

Benefits are recorded when paid.

Subsequent Events

Subsequent events were evaluated through October 11, 2010, which is the date the financial statements were available to be issued.

NOTE 3 – MUTUAL FUND AND SIMILAR INVESTMENTS
(UNAUDITED) (CONT'D)

The portfolio has a fully benefit-responsive investment contract with Lincoln Financial Group (Lincoln). Lincoln maintains the contributions in a general account. The account is credited with earnings on the underlying investments and charged for participant withdrawals and administrative expenses. Lincoln is contractually obligated to repay the principle and a specified interest rate that is guaranteed to the Plan.

The portfolio is fully benefit-responsive, and contract value is the relevant measurement attribute for that portion of the net assets available for benefits attributable to it. Contract value, as reported by Lincoln, represents contributions made under the contract, plus earnings, less participant withdrawals and administrative expenses. Participants may ordinarily direct the withdrawal or transfer of all or a portion of their investment at contract value. The fair value is equal to contract value.

There are no reserves against contract value for credit risk of the contract issuer or otherwise. The crediting interest rate is based on a formula agreed upon with the issuer, but it may not be less than three percent. Such interest rates are reviewed on a quarterly basis for resetting.

Certain events limit the ability of the Plan to transact at contract value with the issuer. Such events include the following: (1) the Plan's failure to qualify under Section 401(a) of the Internal Revenue Code, (2) complete or partial termination of the Plan, (3) any change in law, regulation, or administrative ruling applicable to the Plan that could have a material adverse effect on a portfolio's cash flow, (4) and communication given to participants not to invest in a portfolio or to transfer assets out of a portfolio. The Plan administrator does not believe that the occurrence of any such value event, which would limit the Plan's ability to transact at contract value with participants, is probable.

NOTE 4 – PLAN TERMINATION

Although it has not expressed any intent to do so, WCA has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants will become 100% vested in their accounts.

NOTE 5 – ADMINISTRATIVE EXPENSES

Investment management fees and participant recordkeeping services are paid by plan participants. All other administrative expenses are paid by WCA.

NOTE 6 – INCOME TAX STATUS

The Plan is qualified in accordance with Section 401(a) of the Internal Revenue Code (IRC), and the related trust is exempt from federal income taxes under Section 501(a) of the IRC. The Internal Revenue Service has issued a favorable determination dated May 16, 2008. The Plan's management is not aware of any course of action or series of events that have occurred that might adversely affect the Plan's qualified status.

The Plan's Form 5500 is subject to examination by the Internal Revenue Service; plan years that remain open for examination include December 31, 2007 and later.

NOTE 7 - FAIR VALUE MEASUREMENTS

The Plan's investments are reported at fair value in the accompanying statement of net assets available for benefits. FASB ASC 820-10-50 (formerly SFAS No. 157), Fair Value Measurements, establishes a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. As presented in the table below, this hierarchy consists of three broad levels. Level 1 inputs on the hierarchy consist of unadjusted quoted prices in active markets and have the highest priority. Level 2 inputs consist of quoted prices in active markets for similar assets or liabilities or quoted prices in inactive markets for identical or similar assets or liabilities. Level 3 inputs to the valuation methodology are unobservable and significant to the fair value measurement, and have the lowest priority. The Company uses appropriate valuation techniques based on available inputs to measure the fair value of net assets available for benefits. When available, the Plan measures fair value using Level 1 inputs because they generally provide the most reliable evidence of fair value. Level 2 and Level 3 inputs are only used when Level 1 inputs are not available.

These financial statements and schedule are the responsibility of the Plan's management. The financial statements of the Plan as of December 31, 2008 were audited by other auditors. As permitted by 29CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974, the plan administrator instructed the other auditors not to perform, and they did not perform, any auditing procedures with respect to the information certified by Wilmington Trust Company, a trustee of the Plan. Their report, dated September 29, 2009, indicated that (a) because of the significance of the information that they did not audit, they were unable to, and did not, express an opinion on the financial statements taken as whole and (b) the form and content of the information included in the financial statements other than that derived from the information certified by the Trustee, were presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974.

As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974, the plan administrator instructed us not to perform, and we did not perform, any auditing procedures with respect to the information summarized in Note 3, which was certified by Wilmington Trust Company, a trustee of the Plan, except for comparing the information with the related information included in the 2009 financial statements and supplemental schedule. We have been informed by the plan administrator that the trustee holds the Plan's investment assets and executes investment transactions. The plan administrator has obtained a certification from the trustee as of and for the year ended December 31, 2009, that the information provided to the plan administrator by the trustee is complete and accurate.

Because of the significance of the information in the Plan's 2009 financial statements and schedule that we did not audit, we are unable to, and do not, express an opinion on the accompanying 2009 financial statements and schedules taken as a whole. The form and content of the information included in the 2009 financial statements and schedules, other than that derived from the information certified by the trustee, have been audited by us in accordance with auditing standards generally accepted in the United States of America and, in our opinion, are presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974.

NOTE 1 - DESCRIPTION OF PLAN

The following description of **WCA Hospital Defined Contribution Retirement Plan** (Plan) is provided for general information purposes only. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

General

The Plan is a defined contribution plan that covers substantially all full-time employees of The Woman's Christian Association (WCA) of Jamestown, NY (Plan Sponsor). It was established effective January 1, 2005 and is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA), as amended.

Contributions

WCA may contribute annually to the Plan on a discretionary basis, as determined by the Board of Directors. An eligible participant is an employee who has worked at least 750 hours during the plan year, is over 21 years of age, and has at least one year of service with WCA. Contributions are subject to certain limitations.

Participant Accounts

Each participant's account is credited with an allocation of (a) WCA's contribution and (b) Plan earnings. Allocations are based on participant earnings or account balances, as defined. Forfeited balances of terminated participants' non-vested accounts are used to reduce current employer contributions. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting

Participants are immediately vested in their rollover contributions plus actual earnings thereon. Vesting in WCA's contribution portion of their accounts plus actual earnings thereon is based on years of service. Participants are credited with a vesting year of service for each plan year in which they complete at least 750 hours. Participants are fully vested after the completion of three years of services.

Investment Options

A participant may direct contributions into a variety of mutual fund and similar accounts offered by Wilmington Trust Company, a Trustee of the Plan.

NOTE 1 - DESCRIPTION OF PLAN (CONT'D)

Participant Loans

Participant loans are not permitted by the Plan.

Payment of Benefits

On termination of service due to death, disability, retirement or any other reason, a participant may receive the value of the vested interest in his or her account as a lump-sum distribution.

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The accompanying financial statements have been prepared on the accrual basis of accounting.

Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires the Plan Administrator to make estimates and assumptions that affect the reported amounts and disclosures. Accordingly, actual results may differ from those estimates.

Investment Valuation and Income Recognition

The Plan's investments are stated at fair value. Units of the mutual funds are valued at quoted prices in active markets.

Amounts held in the Lincoln Fixed Annuity Fund (the Portfolio) are stated at fair value, which approximates contract value.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Unrealized appreciation or depreciation on investments is charged or credited to the net assets of the Plan.

Payment of Benefits

Benefits are recorded when paid.

Subsequent Events

Subsequent events were evaluated through October 11, 2010, which is the date the financial statements were available to be issued.
