INDEPENDENT AUDITORS' REPORT

The Plan Administrator of
Centel Retirement Savings Plan for Bargaining Unit Employees
Monroe, Louisiana

We were engaged to audit the statements of net assets available for benefits of the Centel Retirement Savings Plan for Bargaining Unit Employees (the "Plan") as of December 31, 2009 and 2008, and the statements of changes in net assets available for benefits for the years then ended and the supplemental schedule of assets (held at end of year) as of December 31, 2009. These financial statements and supplemental schedule are the responsibility of the Plan's management.

As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974, the plan administrator instructed us not to perform, and we did not perform, any auditing procedures with respect to the information summarized in Note 6, which was certified by Fidelity Management Trust Company, the trustee of the Plan, except for comparing the information with the related information included in the financial statements and supplemental schedule. We have been informed by the plan administrator that the trustee holds the Plan's investment assets and executes investment transactions. The plan administrator has obtained certifications from the trustee as of and for the years ended December 31, 2009 and 2008, that the information provided to the plan administrator by the trustee is complete and accurate.

Because of the significance of the information that we did not audit, we are unable to, and do not, express an opinion on the accompanying financial statements and supplemental schedule taken as a whole. The form and content of the information included in the financial statements and supplemental schedule, other than that derived from the information certified by the trustee, have been audited by us in accordance with U.S. generally accepted auditing standards and, in our opinion, are presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974.

CENTEL RETIREMENT SAVINGS PLAN FOR BARGAINING UNIT EMPLOYEES
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2009 AND 2008

1. DESCRIPTION OF THE PLAN

The following brief description of the Centel Retirement Savings Plan for Bargaining Unit Employees (the "Plan") provides only general information. For more complete information participants should refer to the Summary Plan Description, which can be obtained by accessing the Plan sponsor parent company's intranet site, the benefits internet site at www.CenturyLinkbenefits.com or by contacting the Employee Resource Center (ERC) toll-free at 888-722-4ERC (4372).

General

The Plan is a defined contribution plan established by Centel Corporation ("Centel") and adopted by substantially all of its subsidiaries. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974, as amended ("ERISA") and is a qualified cash or deferred arrangement as defined in Section 401(k) of the Internal Revenue Code, as amended ("Code").

On May 17, 2006, Sprint Nextel Corporation ("Sprint Nextel") spun off to its shareholders the local communications and product distribution operations known as Embarq Corporation ("Embarq"). In conjunction with the spin-off, Centel, which had been a subsidiary of Sprint Nextel, became a subsidiary of Embarq and remained the sponsor of the Plan.

On July 1, 2009, Embarq and CenturyLink, Inc. ("CenturyLink", formerly CenturyTel, Inc.), a Louisiana corporation, completed a merger transaction whereby a wholly owned subsidiary of CenturyLink merged with and into Embarq. As a result of the merger, Embarq became a wholly-owned subsidiary of CenturyLink. Centel continues to be a subsidiary of Embarq and remains the sponsor of the Plan. No changes to the Plan occurred in 2009 as a result of this merger.

Certain transfers between the Plan and other related plans may occur based on employment status changes of participants.

The following information pertains only to participants' 401(k) accounts:

Eligibility

Participation in the Plan is voluntary. Individuals employed by Centel or one of Centel's subsidiaries on a regular basis, who are scheduled to work 30 or more hours per week and who are represented by a collective bargaining agreement that has negotiated for benefits under the Plan, are eligible to participate upon date of hire. Individuals employed by Centel or one of Centel's subsidiaries, who are regularly scheduled to work less than 30 hours per week and who are represented by a collective bargaining agreement, become eligible to participate after completing six months of service.

Contributions

Participants may contribute up to 10% of their eligible pay to a pre-tax account, and subject to the provisions of the applicable collective bargaining agreement for certain groups, up to 80%. Participants may also make after-tax contributions of up to 16% of their eligible pay to the Plan, provided the sum of pre-tax and after-tax contributions does not exceed 80% of the participant's eligible pay. The first 6% of eligible pay contributed by a participant is referred to as the basic contribution. Contributions in excess of 6% are referred to as supplemental contributions and are not matched. Pre-tax participant contributions for each of the 2009 and 2008 plan years may not exceed the annual limitations of \$16,500 in 2009 and \$15,500 in 2008 as defined in the Code.

Subject to certain limitations and restrictions, the Plan permits participants to make rollover contributions from other plans qualified under Section 401 of the Code.

CENTEL RETIREMENT SAVINGS PLAN FOR BARGAINING UNIT EMPLOYEES
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2009 AND 2008

A matching contribution in cash is made to the Plan by its sponsor of at least 25%, but no higher than 50%, of each participant's basic contribution, as required under the applicable collective bargaining agreement. Participant contributions exceeding 6% of each participant's eligible pay are not matched. This matching contribution is made to the same investment options as the participant directs for their own contributions.

If provided in the applicable collective bargaining agreement, additional performance-based matching contributions may be made of up to 25% to the Plan. The amount of this additional contribution was based on an annual comparison of CenturyLink's common stock subsequent to the merger and Embarq common stock prior to the merger performance with the performance of members in a modified version of the S&P Integrated Telecom Index. The modified version of the S&P Integrated Telecom Index is based on a simple average of member company common stock performance without giving consideration to CenturyLink's common stock performance.

The total amount contributed under these performance-based contribution provisions is the sum of the basic and additional contribution percentage multiplied by the basic amount contributed by participants. Participant supplemental contributions are not included in this calculation. Based on these provisions, there were no additional contributions during the 2009 and 2008 plan years.

In 2002, pre-tax catch-up contributions were made available to collective bargaining units that negotiated for this benefit. To be eligible to make catch-up contributions, a participant must be age 50 by the end of the applicable plan year and must contribute the maximum elective contribution for that plan year. The catch-up contribution limit was \$5,500 in 2009 and \$5,000 in 2008.

Investment Funds

Prior to April 1, 2008, participants could direct their contributions into any of 28 actively or passively managed investment funds, which included a money market fund, five fixed income funds, three small capitalization stock funds, one mid-capitalization stock fund, eight large capitalization stock funds, five international and emerging market stock funds and five pre-mixed portfolio investment options. The pre-mixed portfolios ranged from the Conservative Growth Portfolio with a 20% mix of stocks to the Aggressive Growth Portfolio with 100% stocks.

Effective April 1, 2008, the Plan's investment option structure was modified as follows:

- The five pre-mixed portfolios were replaced with 11 passively-managed lifecycle funds.
- A small capitalization stock fund was replaced with an extended market stock fund.
- Three fixed income funds were consolidated into an existing fixed income fund.
- One large capitalization stock fund was removed.
- A mid capitalization stock fund was replaced with a new mid capitalization stock fund.
- Two international stock funds were consolidated into a new international stock fund with a broader investment mandate.

The net result of these modifications was an increase from 28 to 29 Plan investment options.

Effective April 1, 2008, the Plan's default investment option changed from the Balanced Growth Portfolio to one of the new 11 passively-managed lifecycle funds. The specific fund is determined based on the participant's age and an assumed retirement age of 65.

Participants may, at their discretion, alter the array in which their contributions are invested. Participants may also execute a transfer of funds between Plan investment options on any day the New York Stock Exchange is open. Limitations on transfers between funds apply in certain circumstances.

NOTES TO FINANCIAL STATEMENTS DECEMBER 31, 2009 AND 2008

Concentration of Risk

The Plan's investment options include a variety of stock funds, bond funds, and other related investment funds. Investment securities subject participants to various risks, such as interest rate, market and credit risks. Due to the level of risk associated with certain investment securities, it is likely that changes in the values of investment securities will occur in the near term and that such changes could affect participants' account balances and the amounts reported in the Statements of Net Assets Available for Benefits.

Vesting

Participants are 100% vested in the value of their employee and profit-sharing contributions.

The vesting of matching contributions is based on a graded vesting schedule which is: 20% vested after two years of service, 40% vested after three years of service, 60% vested after four years of service and 100% vested after five years of continuous service. If a participant's employment terminates, the participant has unvested amounts in the Plan and the participant is rehired as an employee within five years from the termination date, that participant can return to the same point in the vesting schedule as at the time of employment termination and any matching contributions the participant forfeited will be restored if the participant either:

- maintained their account balance in the Plan the entire time they were not employed; or
- after termination received a distribution of their vested amount which was less than the full amount, and after being rehired, repays to their account in the Plan the full amount of the previous distribution no later than five years after the date the distribution was made.

Earlier vesting may occur if, while an employee, a participant: (1) attains age 65, (2) incurs a permanent and total disability, or (3) dies.

Withdrawing participants who do not meet these vesting guidelines forfeit the non-vested portion of the matching contribution. At December 31, 2009 and 2008, forfeited non-vested accounts totaled approximately \$135,000 and \$169,000, respectively. These forfeited accounts can be used to reinstate forfeited balances for rehired employees, to pay reasonable and approved Plan expenses, or to reduce future matching contribution requirements. In 2009 and 2008, no forfeited non-vested amounts were used to reduce matching contributions.

Withdrawals

Participants may withdraw the vested value of their account when they retire, terminate employment, reach age 59 1/2, meet "hardship" requirements defined in the Code or become permanently and totally disabled. In-service withdrawals may also be made from the after-tax portion of their account and the vested portion of matching contributions that has been held by the Plan for at least two full calendar years following the year of contribution. These in-service withdrawals may be made up to twice per year. The minimum in-service withdrawal is the lesser of \$200 or 100% of the vested account balance.

Participant Loans

Participants may borrow up to the lesser of (1) one-half of the total value of their vested account balance; (2) \$50,000 reduced by the highest outstanding balance of the participant's loan from the Plan during the one year period ending on the date the loan is made; or (3) the total value of their pre-tax account. The minimum loan is \$1,000.

CENTEL RETIREMENT SAVINGS PLAN FOR BARGAINING UNIT EMPLOYEES
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2009 AND 2008

Participants may have no more than two loans outstanding from the Plan at a time. Amounts borrowed by participants must be repaid within 5 years and no sooner than 6 months. In the event the loan proceeds are used to acquire a participant's principal residence, the maximum repayment period may be as much as 10 years. Loans are secured by the participant's account balance. The rate of interest shall be a reasonable rate as determined by the CenturyLink Retirement Committee, which has deemed that the interest rate charged is the Citibank Prime Interest Rate. The interest rate for new loans is updated quarterly. During 2009, outstanding loans were being charged interest rates between 3.25% and 8.25%. During 2008, outstanding loans were being charged interest rates between 4.00% and 8.25%.

Participant Accounts

A separate account is maintained for each participant in the Plan. Each participant's account is adjusted for (a) matching contributions on behalf of the participant, (b) the participant's contributions to the Plan, including rollover contributions, (c) the participant's share of any investment income or loss, (d) withdrawals, (e) loans, and (f) forfeitures of non-vested matching contributions due to the participant's withdrawal.

The following information pertains to the CESOP accounts:

During the period January 1, 1975 through December 31, 1986, employees of Centel and its subsidiaries were eligible to participate in the Centel Employees' Stock Ownership Plan ("CESOP"). Centel made all contributions to the CESOP through December 31, 1986. Effective November 1, 2000, that part of CESOP relating to employees represented by a collective bargaining agreement was merged into the Plan and that part of CESOP relating to non-bargaining employees was merged into the Embarq Retirement Savings Plan.

Eligibility

Individuals employed by Centel or a participating subsidiary during 1975 through 1986 were eligible to receive contributions from Centel for such years, provided they had completed one year of continuous employment on or before the end of a plan year and they were still employed by Centel or a participating subsidiary at the end of such year.

Contributions

Effective January 1, 1987, concurrent with the effective date of the Tax Reform Act of 1986, contributions to the CESOP account were discontinued. No additional contributions will be made unless favorable tax incentives supporting such contributions become incorporated into future law.

Investment Fund

By regulation, CESOP balances must remain invested in CenturyLink's common stock while in the Plan.

Vesting

Participants are 100% vested in the value of their CESOP account.

Withdrawals

Participants may withdraw their entire CESOP account balance while an active employee and may also withdraw their entire CESOP account balance upon termination of employment, retirement, death, total and permanent disability, or upon termination of the Plan.

Participant Accounts

A CESOP account is separately maintained in each participant's 401(k) account. Each participant's account is adjusted for (a) the participant's share of any investment income or loss, and (b) withdrawals.

Dividends

Dividends on common stock are reinvested in the CESOP.

The following information pertains to 401(k) and CESOP accounts:

Administration and Plan Expenses

During 2009 and 2008, the Embarq Employee Benefits Committee was the named fiduciary of the Plan and has responsibility for the administrative and financial activities of the Plan.

Administrative and investment expenses of the Plan are paid out of the trust. Certain administrative charges for review of domestic relations orders are borne by the participant submitting the domestic relations order.

Termination

The Plan's sponsor has not expressed an intention to terminate, amend or modify the Plan but reserves the right to do so at any time. In the event the Plan is terminated, the accounts of all participants will become non-forfeitable as of the date of termination.

Reclassification

Certain prior-year amounts have been reclassified to conform to the current-year presentation. These reclassifications had no effect on net assets available for benefits.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

The following is a summary of the significant accounting policies of the Plan:

Basis of Accounting

The financial statements of the Plan are prepared under the accrual method of accounting.

Use of Estimates

The preparation of financial statements in conformity with United States generally accepted accounting principles requires management to make estimates and assumptions that affect the reported amounts in the financial statements. Actual results could differ from these estimates.

Valuation of Investments

Investments of the Plan are stated at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The fair value of the short term investments is estimated at cost plus accrued interest. Loans to participants are valued at their principal balance.

Interest and Dividend Income

Dividend income is recorded on the ex-dividend date. Interest income is recorded as earned on an accrual basis.

Income Tax Status

The Plan received a determination letter from the Internal Revenue Service dated June 12, 2003, stating that the Plan is qualified under Section 401(a) of the Code and, therefore, the related trust is exempt from taxation. Subsequent to the issuance of this determination letter, the Plan was amended. Once qualified, the Plan is required to operate in conformity with the Code to maintain its qualification. The Plan administrator believes the Plan is being operated in compliance with the applicable requirements of the Code and, therefore, believes that the Plan, as amended, is qualified and the related trust is tax exempt.

Withdrawals

Withdrawals are recorded at the fair value of the assets on the date of distribution.

5. FAIR VALUE MEASUREMENT

The following valuation techniques were used to measure fair value for assets. There were no changes to these methodologies in 2009 or 2008:

Level 1 - Assets were valued using the closing price reported in the active market in which the individual security was traded.

Level 2 - Assets were valued using quoted prices in markets that are not active, broker dealer quotations, net asset value of shares held by the Plan and other methods by which all significant input were observable at the measurement date.

Level 3 - Assets were valued using valuation reports from the respective institutions at the measurement date.

The following table presents the levels for the Plan's investments as of December 31, 2009:

6. INFORMATION PREPARED AND CERTIFIED BY THE TRUSTEE

The Plan administrator has elected the method of annual reporting compliance permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, Fidelity Management Trust Company, the trustee of the Plan, has certified that the following data included in the accompanying financial statements and supplemental schedule is complete and accurate with respect to investments:

- Investments at fair value
- Net appreciation (depreciation) in fair value of investments
- Interest and dividends
- Schedule of assets (held at end of year)

Accordingly, the Plan administrator instructed the Plan's independent auditor not to perform any auditing procedures with respect to the investment information certified by the trustee of the Plan as complete and accurate, except for comparing such information certified by the trustee to information included in the Plan's financial statements and supplemental schedule.

7. RELATED PARTY TRANSACTIONS

Certain administrative functions are performed by employees of CenturyLink and its subsidiaries, none of whom receive compensation from the Plan.

Certain Plan investments are shares of mutual funds managed by an affiliate of the Plan's trustee. A portion of the expense ratio associated with these mutual funds may be used to offset the Plan's general administrative expenses. Fees paid by the Plan for administrative and recordkeeping services were approximately \$6,000 and \$10,000 for the years ended December 31, 2009 and 2008.

8. SUBSEQUENT EVENTS

Subsequent events were evaluated from December 31, 2009 until October 15, 2010, the date the consolidated financial statements were available to be issued. Based on the events noted through that period, the following disclosure was deemed necessary:

Administrative and Plan Expenses

Effective January 1, 2010, the CenturyLink Retirement Committee is the named fiduciary of the Plan and has responsibility for the administrative and financial activities of the Plan.
