INDEPENDENT AUDITORS' REPORT

To the Participants and Plan Administrator of
Centrica U.S. Holdings, Inc. Retirement Plan and Trust

We were engaged to audit the accompanying statement of net assets available for benefits of Centrica U.S. Holdings, Inc. Retirement Plan and Trust as of September 2, 2009 and December 31, 2008, and the related statement of changes in net assets available for benefits for the period from January 1, 2009 to September 2, 2009 and the supplemental schedule as of September 2, 2009 as listed in the accompanying index. These financial statements and schedule are the responsibility of the Plan's management.

As permitted by 29 CFR 2520.103-8 of the Department of Labor's *Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974*, the plan administrator instructed us not to perform, and we did not perform, any auditing procedures with respect to the information summarized in Note 6, which was certified by Charles Schwab Trust Company, custodian of the Plan, except for comparing the information with the related information included in the financial statements and supplemental schedule. We have been informed by the plan administrator that the custodian holds the Plan's investment assets and executes investment transactions. The plan administrator has obtained a certification from the custodian as of September 2, 2009 and December 31, 2008, and for the period ended September 2, 2009 that the information provided to the plan administrator by the custodian is complete and accurate.

As further discussed in Notes 1 and 7 to the financial statements, the Board of Directors voted to terminate the Plan. In accordance with accounting principles generally accepted in the United States of America, the Plan has changed its basis of accounting from the ongoing plan basis used in presenting 2008 financial statements to the liquidation basis used in presenting the 2009 financial statements.

Because of the significance of the information that we did not audit, we are unable to, and do not, express an opinion on the accompanying financial statements and schedule taken as a whole. The form and content of the information included in the financial statements and schedule, other than that derived from the information certified by the custodian, have been audited by us in accordance with auditing standards generally accepted in the United States of America and, in our opinion, are presented in compliance with the Department of Labor's *Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974*.

Note 1. Plan Description

The following description of the Centrica U.S. Holdings, Inc. Retirement Plan and Trust (the Plan) provides only general information. Centrica U.S. Holdings, Inc. (Company) is the sponsor of the Plan. The Company is also the Plan Administrator of the Plan. The assets of the Plan are held by Charles Schwab Investment Trust Company (Schwab). Participants should refer to the Plan Adoption Agreement for a more complete description of the Plan's provisions.

General

The Plan was established January 1, 2001, and later amended, effective January 1, 2002, to comply with the provisions of EGTRRA. The Plan is subject to the provisions of the *Employee Retirement Income Security Act of 1974*, as amended ("ERISA") and Section 401(a) of the Internal Revenue Code of 1986, as amended (the "Code").

Participants in the Plan have the option of investing their contributions to the Plan in the funds held by Schwab as shown in the supplemental schedule. The Plan was merged into the Direct Energy US 401(k) Plan ("Direct Energy Plan") effective September 2, 2009.

Elective Deferral

The Plan is a defined contribution plan wherein participants elect to reduce their compensation and have such reductions contributed to the Plan on their behalf. The Plan covers all employees of the Company (except non-resident aliens and employees whose employment is governed by a collective bargaining agreement) that are age 21 or older. The Plan also allows for rollovers from other plans.

Participants may contribute up to the maximum amount allowable by the Internal Revenue Service (the "IRS").

Employer Contributions

The Plan has a safe harbor provision, whereby the Company contributes 3% of each eligible participant's compensation up to the maximum eligible salary limit set by the IRS.

Participant Accounts

Schwab maintains separate accounts for each participant. Schwab invests the contribution amounts, as directed by the participants, in one or more of the separate investment funds established by the Plan Administrator. Each participant's account is credited with (a) the amount of the participant's elected contributions; (b) the participant's allocable portion of the Company's contribution; (c) the amount of any investment earnings (losses) and market appreciation or depreciation; (d) an allocation of operating expenses. Allocations are based on participant earnings or account balances as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting

Participants are immediately vested in their elective deferrals, employer contributions, rollovers and any income or loss thereon.

Note 1. Plan Description (Continued)

Termination

The Company elected to merge the Plan into the Direct Energy Plan. Accordingly, Plan participant accounts were directly transferred to the Direct Energy Plan participant accounts established in their name as of the date of the merger.

Distributions

Upon termination of service, participants may elect to have their account balance distributed either as a direct rollover or paid directly to them. If the participant does not elect a rollover distribution the participant will receive either a lump-sum equal to the value of his or her account or installment payments available under the Plan.

Forfeitures

There are no forfeited accounts as employees are automatically 100% vested in the Company's safe harbor contributions.

Loans

Participants may borrow from their fund accounts a minimum of \$1,000 up to a maximum of \$50,000 or 50% of their account balance, whichever is less. The loans are secured by the balance in the participant's account and bear interest rates that range from 4.25% to 9.25%, which are determined by prevailing rates as determined by the Trustee. Principal and interest are paid ratably through payroll deductions.

Administrative Expenses

Administrative expenses of the Plan are paid by either the Plan or the Company. For the period ended September 2, 2009, the Plan paid \$100,719 in expenses.

Note 2. Summary of Significant Accounting Policies

This summary of significant accounting policies of the Plan is presented to assist in understanding the financial statements. The financial statements and notes are representations of the Plan Administrator, who is responsible for their integrity and objectivity. Accounting policies conform to accounting principles generally accepted in the United States of America and have been consistently applied in the preparation of the financial statements.

Basis of Accounting

The accompanying financial statements have been prepared on the liquidation basis of accounting. This basis did not significantly change the presentation of the plan assets from the ongoing basis of accounting.

Note 2. Summary of Significant Accounting Policies (Continued)

Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires the Plan Administrator to make estimates and assumptions that affect certain reported amounts and disclosures, such as fair value. Accordingly, actual results may differ from those estimates.

Investment Valuation and Income Recognition

The Plan's investments are stated at fair value per unit/share, as stated by quoted market prices. Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis and dividends are recorded on the ex-dividend date.

The Plan presents, in the Statement of Changes in Net Assets Available for Benefits, the net appreciation or depreciation in the fair value of its investments which consists of the realized gains and losses and the unrealized appreciation or depreciation on those investments.

Payment of Benefits

Benefit payments are recorded when paid.

Subsequent Events

The Plan has evaluated subsequent events through October 7, 2010, the date the financial statements were available to be issued.

Note 3. Investments

The Plan did not hold investments at September 2, 2009.

Note 4. Income Tax Status

The Plan adopted the VLP Corporate Services, LLC Prototype Non-Standardized Cash or Deferred Profit Sharing Plan. VLP Corporate Services, LLC ("VLP") is the Plan's record-keeper and SJP Advisors, LLC ("SJP"), an entity affiliated with VLP, provided investment advisory services to the Plan. The IRS has determined that the Plan is designed in accordance with the applicable sections of the Code. Therefore, no provision for income taxes has been included in the Plan's financial statements.

Note 5. Party-in-Interest

Certain Plan investments are shares of mutual funds held by Schwab, who acts as custodian and trustee as defined by the Plan. These transactions qualify as party-in-interest transactions. However, they are exempt from the prohibited transaction rules.

Note 6. Information Prepared and Certified by Custodian

Under the Department of Labor's regulations, certain assets and related information held by a bank, trust company, or similar institution or an insurance company that is regulated and subject to periodic examination by a state or federal agency does not have to be audited, provided the plan administrator exercises this option and the institution holding the assets certifies the required information. Schwab has provided certification as to the completeness and accuracy of the investments presented in the accompanying statement of net assets available for plan benefits as of September 2, 2009 and December 31, 2008. The accompanying supplemental schedule also includes information certified by Schwab as being complete and accurate.

Note 7. Transfers to Successor Plan and Plan Sponsor

The Plan was terminated on September 2, 2009 due to a merger into the Direct Energy Plan. The Direct Energy Plan uses Fidelity Management Trust Company as its trustee and custodian. The Direct Energy Plan adopted the Fidelity Advisor Retirement Connection Premium Service Retirement prototype non-standardized profit sharing/401(k) plan. Additionally, new investment options became available to Plan participants in conjunction with the change to the Fidelity platform.

Transfers totaling \$22,010,449 were sent to the successor plan. These transfers included \$419,876 in plan loans and the Wells Fargo Stable Value Fund in the amount of \$1,193,269. The Plan ceased to exist in September 2009.

The Plan transferred \$175,203 to the Company on January 14, 2009. This transfer to the Company was a refund of a duplicate deposit made in error by the Company to the Plan.

Note 8. Fair Value Measurements

In September 2006, a statement was issued under U.S. GAAP for fair value measurements. This statement provides a new definition for fair value establishes a framework for measuring fair value and expands disclosures about fair value measurements. The Plan adopted the provisions of this statement as of January 1, 2008. The adoption of this statement did not have a material impact on the Plan financial statements.

The statement establishes a three-tier fair value hierarchy, which prioritizes the inputs used in measuring fair values. These tiers include:

- Level 1 Quoted prices for identical instruments in active markets;
- Level 2 Quoted prices for similar instruments in active markets; quoted prices for identical or similar instruments in markets that are not active; and model-derived valuations whose significant inputs are observable; and
- Level 3 Instruments whose significant inputs are unobservable.

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

The Plan did not hold any assets at September 2, 2009 that were subject to fair value reporting.

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2008:

Investments	<u>Assets at Fair Value as of December 31, 2008</u>			
	Level 1	Level 2	Level 3	Total
Money market accounts	\$ 2,263,526	\$ -	\$ -	\$ 2,263,526
Mutual funds	13,243,438	-	-	13,243,438
Collective investment trust	-	1,035,191	-	1,035,191
Total assets at fair value	<u>\$ 15,506,964</u>	<u>\$ 1,035,191</u>	<u>\$ -</u>	<u>\$16,542,155</u>

Note 9. Termination Fees

Pursuant to their contracts with the Company, VLP and SJP sought termination fees of \$1,007,093 ("Termination Fee") from the Plan when the Plan terminated their services as record-keeper and financial advisor, respectively. The Company actually paid a termination fee of approximately \$400,000 to VLP and \$50,000 to SJP outside of Plan assets.

Notwithstanding the above, and unbeknownst to the Company at the time, at the direction of VLP, Schwab liquidated the Termination Fee from Plan participant accounts on or about July 1, 2009. However, the Termination Fee was not paid to VLP by Schwab; rather the Termination Fee remained in the Plan and was placed into a non-interest bearing Schwab money market fund by Schwab. Ultimately (and again unbeknownst to the Company at the time), VLP directed Schwab to reinvest \$980,503 of the Termination Fee back into Plan participant accounts on July 29, 2009 (VLP retained approximately \$26,000 of the Termination fee as an ongoing Plan expense).

The Plan's investments generally experienced appreciation during the time period between July 1, 2009 and July 29, 2009. As a result, Plan participants owned fewer units in elected investment vehicles as a result of the liquidation/repurchase of those investments held in their Plan accounts. The Company discovered the shortfall and reimbursed Plan participants for the value lost from these transactions as an earned interest adjustment into the Direct Energy Plan.

Note 10. Subsequent Events - Voluntary Compliance Program

A review by the Company of the Plan documents identified that some historical Plan documents were not timely executed, and some amendments to the Plan text were required to comply with ERISA legislation. The updated Plan documents and amendments were filed with the IRS for approval in January 2010 under the voluntary compliance program.
