UNITED REGIONAL MEDICAL CENTER 401(k) RETIREMENT PLAN

Notes to Financial Statements

December 31, 2009

NOTE 1 DESCRIPTION OF PLAN

The following description of the United Regional Medical Center (hereafter “URMC”) 401(k) Retirement Plan (the “Plan”) is provided for general information purposes only. Participants should refer to the Plan agreement for a more complete description of the Plan’s provisions.

General

The Plan is a defined contribution plan covering all full-time employees of URMC who have completed six (6) months of service and are age 18 or older. Actual participation takes place on the first day of the seventh month or on the first day of the Plan year after both requirements are met. The Plan is subject to the provisions of the Employment Retirement Income Security Act of 1974 (“ERISA”).

Participant Accounts

Participant contributions to the Plan are made through pre-tax salary reduction agreements with URMC. Participants may choose to contribute up to the maximum allowed by law.

Participants’ compensation is calculated as total compensation subject to income tax. Each participant’s account is credited with the participant’s and employer’s contributions and allocations of (a) Plan earnings, and (b) forfeited employer contributions and earnings. Allocations are based on participant earnings or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant’s vested account.

Contributions

Each pay period, URMC may contribute, on behalf of each participant, an amount equal to a uniform percentage of each participant’s salary deferrals. Additional amounts may be contributed at the option of URMC’s management. The amount of URMC’s contribution can be reduced by the forfeitures for the period. Participants may also contribute amounts representing distributions from other qualified defined benefit or contribution plans.

Payment of Benefits

Retirement benefits are paid in lump-sum distributions or under certain conditions in installments as defined in the Plan. Hardship distributions are paid based on the participant’s situation, in accordance with the Plan’s provisions.

NOTE 1 DESCRIPTION OF PLAN (CONTINUED)

Vesting

Participants are immediately vested in their contributions plus actual earnings thereon. Vesting in URMIC's matching and discretionary contribution portion of their accounts plus actual earnings thereon is based on years of continuous service. The Plan provides for vesting based on the following schedule:

<u>Completed Years of Service</u>	<u>Vesting Percentage</u>
1	20%
2	50%
3	100%

Forfeiture Account

During the year ended December 31, 2009, the Plan did not have any forfeited nonvested accounts. Forfeited nonvested accounts totaled \$4,187, on December 31, 2008. This amount can be used to reduce employer contributions and reduce administrative expenses paid by the Plan sponsor.

Administrative Expenses

All administrative expenses incurred by the plan are paid by URMIC, the sponsor of the plan.

NOTE 2 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

General

The accounting records of the Plan are maintained on the accrual basis.

Investments

Investments in bonds traded on national securities exchanges or over-the-counter markets are valued either on closing prices or, when closing prices are not available, bid prices obtained from a broker-dealer regularly making a market in the security. Investments in common stocks traded on national securities exchanges are valued based on closing prices. Investments in common stocks traded on the over-the-counter markets are valued at the mean of closing bid and ask prices. Investments in short-term securities are valued at amortized cost, which approximates market value. All investments are comprised of contributions deposited therein, plus earnings credited to each fund and transfers from other separate funds, less withdrawals, investment fees and transfers to other separate funds.

NOTE 2 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Income Taxes

On July 1, 2003, URMCM adopted the Taylor/Webster, Inc. prototype non-standardized profit sharing plan and trust, as amended. According to the opinion letter, "an employer that adopts this plan may rely on...the qualification of its plan under Code section 401(a)."

Benefits

Benefits are recorded when paid.

Estimates

The preparation of financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results could differ from those estimates.

NOTE 3 PLAN TERMINATION

Although it has not expressed any intent to do so, URMCM has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants will immediately become 100% vested in their accounts.
