INDEPENDENT AUDITOR'S REPORT

October 14, 2010

To the Trustees of
Marton Roofing Industries 401(K) Plan

I was engaged to audit statements of net assets available for benefits of Marton Roofing Industries 401(K) Plan as of December 31, 2009 and 2008, and the related statement of changes in net assets available for benefits for the year ended December 31, 2009. These financial statements are the responsibility of the Plan's management.

As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974, the plan administrator instructed me not to perform, and I did not perform, any auditing procedures with respect to the information summarized in Note 2, which was certified by ING Life Insurance and Annuity Company, the trustee of the Plan, except for comparing such information with the related information included in the financial statements and supplemental schedules. I have been informed by the plan administrator that the trustee holds the Plan's investment assets and executes investment transactions. The plan administrator has obtained a certification from the trustee as of and for the years ended December 31, 2009 and 2008, that the information provided to the plan administrator by the trustee is complete and accurate.

Because of the significance of the information that I did not audit, I am unable to, and do not, express an opinion on the accompanying financial statements and supplemental schedules taken as a whole. The form and content of the information included in the financial statements and supplemental schedules, other than that derived from the information certified by the trustee, have been audited by me in accordance with auditing standards generally accepted in the United States of America and, in my opinion, are presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974.

NOTE 1 – DESCRIPTION OF PLAN

The following description of Marton Roofing Industries ("Company"), 401(K) Plan ("Plan") provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

General. The Plan is a defined contribution plan covering all full-time employees of the Company who have six months of service. It is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

Contributions. Each year, participants may contribute up to the maximum allow by law pretax annual compensation, as defined in the Plan. Participants may also contribute amounts representing distributions from other qualified defined benefit or contribution plans. The Company may contribute such percentage of the Participant's contributions as determined by the Employer in its discretion for each Plan Year. Additional amounts may be contributed at the option of the Company's board of directors. Contributions are subject to certain limitations.

Participant Accounts. Each participant's account is credited with the participant's contribution and allocations of (a) the Company's contribution and, (b) Plan earnings, and charged with an allocation of administrative expenses. Allocations are based on participant earnings or account balances, as defined. Forfeited balances of terminated participants' non-vested accounts are used to reduce future Company contributions. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting. Participants are immediately vested in their contributions plus actual earnings thereon. Vesting in the Company's matching and discretionary thereon is based on years of continuous service.

Years of Service	Vested Percentage
1	20%
2	40%
3	60%
4	80%
5	100%

Forfeitures. Forfeitures of non-vested Company contribution are used to reduce future Company contributions.

Administrative Expenses. The cost of the audit fee is paid by the Company each year.

Payment of Benefits. On termination of service due to death, disability or retirement, a participant shall receive a lump-sum amount equal to the value of the participant's vested interest in his or her account. For termination of service due to other reasons, a participant may receive the value of the vested interest in his or her account as a lump-sum distribution, as soon as administratively feasible.

NOTE 2 – SIGNIFICANT ACCOUNTING POLICIES

A summary of the significant accounting policies consistently applied in the preparation of the accompanying financial statements follows:

Basis of Accounting

The financial statements of the Plan are prepared under the accrual basis of accounting.

Cash Equivalents

Cash equivalents consist of cash on hand, amounts due from bank, and all highly liquid instruments purchased with a maturity of three months or less to be cash equivalent.

Use of Estimates

The preparation of financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results could differ from those estimates.

Investment Valuation and Income Recognition

The Plan's investments are stated at fair value. Shares of registered investment companies are valued at quoted market prices which represent the net asset value of shares held by the Plan at year end. Participant notes receivable are valued at cost which approximates fair value.

Payment of Benefits

Benefits are recorded when paid.

Unaudited Information Certified by the Plan Trustee

The December 31, 2009 and 2008 Statements of Net Assets Available for Benefits, the investment activities included on the Statement of Changes in Net Assets Available for Benefits for the years ending December 31, 2009 and 2008, and the accompanying notes to the financial statements were prepared in part or entirely from information certified by the Trustee in accordance with 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974. The information certified includes total investments of $578,961 and $177,421 as of December 31, 2009 and 2008, respectively, and related increased in assets available for benefits of $97,531 for the year ended December 31, 2009.

Undisclosed information

Reporting guidelines require that realized and unrealized gains from investments be reported separately on the Statement of Changes in Net Assets Available for Benefits. The Trustee, ING Life Insurance and Annuity Company, recorded all the gains in one account, but did not allocate between realized and unrealized gains. The administrator does not believe that this omission is material.

NOTE 3 – RELATED PARTY TRANSACTIONS

The Employer has elected to pay some administrative fees for the plan.

NOTE 4 – ADMINISTRATIVE EXPENSES

ING Life Insurance and Annuity Company is a sponsor as defined by the Plan, and charges a fee to the Plan. Fees paid by the Plan for the investment management services amounted to $2,933 for the year ended December 31, 2009. Marton Roofing Industries, Ltd. absorbs the cost of the audit of the plan.
