NOTES TO FINANCIAL STATEMENTS

Universal Sprinkler Corporation 401(k) Plan

January 6, 2009 and December 31, 2008

1. Summary of Significant Accounting Policies

A summary of the major accounting policies followed by the Universal Sprinkler Corporation ("Company") 401(k) Plan ("Plan") in the preparation of the accompanying financial statements is presented below:

The Plan's investments in pooled separate accounts are reported at fair value as determined by John Hancock Life Insurance Co., the issuer, and is calculated based upon the quoted net asset values of the underlying funds. Purchases and sales of securities are recorded on a trade-date basis. Participant loans receivable are valued at cost, which approximates fair value, and are stated at net of allowance for doubtful accounts of \$-0- at December 31, 2008.

The financial statements of the Plan are prepared using the accrual method of accounting.

The Retirement Savings Plan is qualified under Section 401(k) of the Internal Revenue Code and is exempt from Federal Income Taxes under 501(a) of the Internal Revenue Code.

The Internal Revenue Service has determined and informed the Company by a letter dated October 7, 2001, that the Plan and related trust are designed in accordance with applicable sections of the Internal Revenue Code (IRC). Although the Plan has been amended since receiving the determination letter, the Plan administrator and the Plan's tax counsel believe that the Plan is designed and is currently being operated in compliance with the applicable requirements of the IRC.

The presentation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

2. Contributions Receivable & Investments

Contributions receivable are contributions that are in the process of being transferred to the Fund Service Company by the Fund Trustee. After December 31, 2008, the Plan was no longer funded due to a plan merger as described in Note 12. Therefore, no contribution receivable income is recorded for the six day period ended January 6, 2009.

The Plan's investments are held by a retirement plan service company and are composed of cash, general and pooled funds. Cash balances are funds received but not yet allocated to the participants' accounts for investment.

Pooled separate accounts are comprised of a diversification of underlying funds that invest in stocks, bonds, commodities, exchange-traded funds, and real estate. Participating plans share in the change in market value of the pooled funds.

3. Plan Participants' Equity

The net assets available for Plan benefits are composed of the trust fund established by the Plan's Trustee for the benefit of the Plan participants.

4. Description of Plan

The following description of the Universal Sprinkler Corporation 401(k) Plan provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

General

The Plan, effective January 1, 1999, is a defined contribution plan covering all full-time employees of the company who have 1,000 hours of service and are age twenty-one or older. It is subject to the provisions of the Employee Retirement Security Act of 1974 (ERISA).

The trustee of the Plan is the plan administrator, who is an officer of the plan sponsor/Company. Among other duties, the trustee is responsible for overseeing the Plan and evaluating plan management and service providers. Mass Mutual Life Insurance Company served as the custodian of the Plan Assets until June 4, 2007, when the Plan transferred to John Hancock Life Insurance Company. The custodian's duties include receiving contributions, holding and investing the fund assets in accordance with the directions of the participants, and making distributions as directed by the plan administrator.

Mass Mutual Retirement Services served as third party administrator until June 4, 2007. After that date, John Hancock Retirement Plan Services has performed that function and is responsible for plan administration, recordkeeping, and transaction processing, including maintaining complete and accurate account records for all plan participants, allocating contributions and earnings, posting distributions and forfeiture information to participant accounts, and preparing participant statements and reports. Malcolm Thompson and Associates, Inc. serves as a third party administrator, responsible for consultation services, plan administration, and coordination with other professionals.

Contributions

Each year, the Company contributes to the Plan 10% of the participants contributions up to 5% of the participants annual wages. Additional amounts may be contributed at the option of the Company's Board of Directors. Participants may elect to make pre-tax contributions to the Plan based on a percentage of their annual wages subject to IRS limitations.

Participant Accounts

Each participant's account is credited with the participant's contribution and an allocation of (a) the Company's contribution, (b) plan earnings, and (c) forfeitures of terminated participant's nonvested accounts as determined by the plan. Allocations are based on participant earnings or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

January 6, 2009 and December 31, 2008

4. Description of Plan (Continued)

Forfeitures

The non-vested portion of a terminated participant's account balance remains in the Plan. Forfeitures will be added to any Employer discretionary profit sharing contributions. Forfeited non-vested accounts total \$-0- and \$1,526 for the periods ended January 6, 2009 and December 31, 2008.

Payment of Benefits

On termination of service due to death, disability or retirement, a participant will be entitled to receive 100% of their account balance in either a lump sum amount or in annual installments over a specified period of time.

On termination of service for reasons other than death, disability or retirement, a participant will be entitled to receive only the "vested percentage" of their account balance and the remainder of their account will be forfeited. Only contributions made by the Employer are subject to forfeiture.

Loans

Participants are able to borrow up to 50% of their vested balances provided they have at least \$1,000 vested. All loans bear a reasonable interest rate based on current market rates and all loans have a definite repayment period not to exceed five years. Loan repayments at a minimum are made on a quarterly basis. At January 6, 2009 and December 31, 2008, the outstanding loan balance was \$132,822 and \$132,644, with interest rates ranging from 6.25% to 10.25% and payback periods from six months to five years.

Administrative Charges

All administrative expenses of the Plan, except amounts paid for certain investments, advisory services and bank charges, are paid by the Company.

Vesting

Participants are 100% vested in amounts contributed from their salary deferrals. Participants will always be vested if they are employed on or after their normal retirement age. The vesting percentage in the participant's account generated from discretionary profit sharing and matching contributions is determined under the following schedule and is based on vesting years of service.

<u>Years of Service</u>	<u>Percentage</u>
Less than 2	0%
2	20%
3	40%
4	60%
5	80%
6	100%

5. Continuation of the Plan

The Company plans to continue the Plan indefinitely, but has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of plan termination, participants will become 100 percent vested in their accounts. Effective January 6, 2009, the Plan was terminated and the assets were transferred into the new Plan.

6. Participant Directed Investments

Investments held by the Plan represent participant-directed accounts. That is, individual participants decide how funds held in trust for them are allocated among various pooled account choices.

7. Party-in-Interest Transactions

Certain Plan investments are shares of pooled separate accounts which are managed by John Hancock Life Insurance Company, an entity that is a party-in-interest with respect to the Plan. These transactions are exempt and covered by the Prohibited Transaction Exemption provisions of ERISA and the Code.

8. Certification Information

As permitted by 29 CFR2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, information prepared and certified by a bank or insurance company, which is regulated, supervised and subject to periodic examination by a state or federal agency, need not be audited. The plan administrator has obtained certifications from the John Hancock Life Insurance Company (custodian) that all information provided by them is complete and accurate. Information included in the accompanying financial statements and notes to financial statements as to investments, net appreciation (depreciation) in fair value of investments, interest income and all information in the Supplemental Schedule H, line 4i, Schedule of Assets (held at year end), is presented solely upon reliance on those certifications. The independent auditors did not perform auditing procedures with respect to this information except for comparing such information to the related information in the financial statements, notes to financial statements, and supplemental schedules.

9. Investments Requiring Disclosure

The following presents investments that represent 5 percent or more of the Plan's net assets at December 31, 2008:

LC 2025	\$ 81,957
LC 2030	126,062
LC 2040	357,957
STBL VALUE	208,658
Participant Loans	132,644

As of January 6, 2009, the net assets of the Plan were transferred into the New Plan as discussed in Note 12.

NOTES TO FINANCIAL STATEMENTS

Universal Sprinkler Corporation 401(k) Plan

January 6, 2009 and December 31, 2008

10. ERISA Bonding Requirements

ERISA, Title I, Section 412 requires that every person who handles funds or other property of a plan be bonded in an amount at least equal to the lesser of 10% of the funds handled or \$500,000, unless the U.S. Secretary of Labor has prescribed a specific bond amount. The Plan is also required to be named insured of the bond. For the period ended January 6, 2009 and the year ended December 31, 2008, the Company maintained a \$50,000 bond that was below the required minimum.

11. Risks and Uncertainties

The Plan may invest in various types of investment securities which are not insured by the the federal government. Investment securities are exposed to various risks, such as interest rate, market and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of the investment securities will occur in the near term and that such changes could materially affect the amounts reported in the statement of net assets available for plan benefits.

12. Plan Merger

On October 1, 2008, Southwest Fire Protection, LLC, (the "Buyer") a Delaware limited liability company, purchased all outstanding common shares of Universal Sprinkler Corporation, Inc. (the Plan sponsor) for \$12,250,000, assuming all identifiable assets and liabilities. As a result, in December 2008, the Employee Benefits Committee of the Buyer amended the East Coast Fire Protection, Inc. 401(k) Plan (the "New Plan") to accept the transfer of the net assets of the Plan into the New Plan and to make participants in the Plan eligible to participate in the New Plan effective January 1, 2010. The net assets of the Plan were transferred to the New Plan on January 6, 2009.
