RETIREMENT PLAN
NOTES TO FINANCIAL STATEMENTS
December 16, 2009 and December 31, 2008

Note 1 Description of Plan

The Heritage Family Funeral Services, Inc. Retirement Plan (Plan) transferred all its assets into the 401(k) Advantage, LLC 401(k) Retirement Plan (MEP) on December 16, 2009. See Note 6.

The following description of the Heritage Family Funeral Services, Inc. Retirement Plan provides only general information prior to transfer of its assets. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

1. General: The Plan is a defined contribution plan covering all employees of the Employer who have one year of service and are age 21 or older. An employee must complete 1,000 hours of service in an eligibility period to be credited with a year of service and thereby eligible to enter the Plan. It is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA). The Employer is a "controlled group" and is considered a single employer for retirement plan purposes. The "Employer" consists of the following entities: (1) Heritage Family Funeral Services, Inc., (2) TWT, LLC, (3) Heritage Family Management, LLC, (4) Heritage Preened Funeral Sales, Inc., (5) Tom M. Wages Funeral Service, LLC and (6) Heritage Family Cemetery, Inc.
2. Contributions: Each year, participants may contribute an amount of their pretax annual compensation, as defined in the Plan, that does not exceed a dollar limit that is set by law. The dollar limit may change annually based upon cost of living adjustments. Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions. Participants may also contribute amounts representing distributions from other qualified defined benefit or contribution plans and certain IRA's. Participants direct the investment of their contributions into various investment options offered by the Plan. In 2009 and 2008, the Plan offered eleven mutual funds and one collective trust as investment options for participants. The Employer contributes a discretionary percentage of the salary deferrals that a participant contributes to the Plan each year. This percentage is determined each year. In applying this matching contribution, only salary deferrals up to 3% of compensation paid will be considered. The Employer may also make a discretionary profit sharing contribution annually. Contributions are subject to certain limitations. A participant who receives a distribution of elective deferrals on account of hardship shall be prohibited from making elective deferrals for six months after receipt of the distribution.
3. Participant Accounts: Each participant's account is credited with the participant's contribution and allocation of (a) the Employer's contribution and (b) Plan earnings, and charged with an allocation of administrative expenses. Allocations are based on participant earnings or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.
4. Participant Loans: The Plan does not permit participant loans.
5. Vesting: Participants are immediately vested in their contributions plus actual earnings thereon. Vesting in the Employer's contribution portion of their account is based on years of continuous service. A participant is 100 percent vested after six years of credited service.
6. Payment of Benefits: On termination from service other than by death, the balance of vested Plan accounts becomes distributable to the participant in a single lump sum payment. If the payments are eligible rollover distributions, the participant may elect to have the distribution paid in a direct rollover to a traditional IRA or another qualifying employer plan or paid to the participant. If an account balance exceeds \$1,000 at the time of separation, a participant must consent to the distribution before it can be made. Balances less than \$1,000 can automatically be paid without the participant's consent.

The value of a participant's vested individual account shall be determined by including that portion of the individual account that is attributable to rollover contributions.

NOTES TO FINANCIAL STATEMENTS
December 16, 2009 and December 31, 2008

On termination due to death, if the account balance is no more than \$1,000, benefits will be paid in the form of a single lump-sum payment. If the beneficiary is the participant's spouse, an election may generally be made at any time and in any form the Plan would permit a participant to elect upon separation of service. If the account balance is greater than \$1,000, the beneficiary can elect to be paid under the five year rule as explained in the Plan document.

7. Forfeited Accounts: At December 16, 2009 and December 31, 2008, forfeited nonvested accounts totaled \$545 and \$2,982, respectively. These accounts will be used to first pay Plan expenses. Any remainder will be used to reduce employer contributions. Also, in 2009, Plan expenses of \$1,375 were paid from forfeited nonvested accounts. Terminated and deceased employees had vested balances of \$229,136 and \$173,441 which had not been distributed for the years ended December 16, 2009 and December 31, 2008, respectively.

Note 2 Summary of Significant Accounting Policies

Basis of Accounting: The financial statements have been prepared on the modified cash basis of accounting; consequently, certain revenues are recognized when received rather than when earned and certain expenses and purchases of assets are recognized when cash is disbursed rather than when the obligation is incurred.

Estimates: The preparation of financial statements in conformity with the modified cash basis of accounting requires the Plan administrator to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results may differ from those estimates.

Payment of Benefits: Benefits are recorded when paid.

Investment Valuation and Income Recognition: Shares of mutual funds and collective investment trusts held at December 16, 2009 and December 31, 2008 are valued at quoted market prices, which represent the net asset value of shares held by the Plan at December 16, 2009 and December 31, 2008. Income and expenses are recognized on a cash basis.

Operating Expenses: For the Plan years ended December 16, 2009 and December 31, 2008, administrative expenses of \$54,751 and \$47,220, respectively, were paid from the assets of the funds, and therefore reduced the overall return offered by the funds. All other significant administrative expenses of the Plan were paid directly by Heritage Family Funeral Services, Inc.

Note 3 Investments

At December 16, 2009 prior to transfer of its assets and December 31, 2008, all investments were held in trust by Charles Schwab Trust Company. Investments that represent 5% or more of the Plan's assets are separately identified. All investments are shown at fair value. The Plan held no nonparticipant-directed investments.

During 2009, the Plan's investments (including gains and losses on investments bought and sold, as well as held during the year) appreciated in value by \$730,196 as follows:

Mutual Funds	711,265
Collective Investment Trusts	<u>18,931</u>

Unaudited Information Certified by the Plan Trustee

The December 16, 2009 and December 31, 2008 Statements of Net Assets Available for Benefits - Modified Cash Basis, the investment activities included on the Statement of Changes in Net Assets Available for Benefits - Modified Cash Basis for the year ended December 16, 2009, and the accompanying notes to the financial statements were prepared in part or entirely from information certified by the Trustee in accordance with 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974. The information certified includes total investments of \$-0- and \$3,139,269 at December 16, 2009 and December 31, 2008, respectively, and related gains of \$730,196 for the year ended December 16, 2009.

Note 4 Fair Value Measurements

The Plan's investments are reported at fair value in the accompanying statements of net assets available for benefit - modified cash basis. The methods used to measure fair value may produce an amount that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

Financial Accounting Standards Board (FASB) Accounting Standards Codification, (ASC) 820, *Fair Value Measurements and Disclosures*, establishes a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. This hierarchy consists of three broad levels: Level 1 inputs consist of unadjusted quoted prices in active markets for identical assets and have the highest priority, and Level 3 inputs have the lowest priority. The Plan uses appropriate valuation techniques based on the available inputs to measure the fair value of its investments. When available, the Plan measures fair value using Level 1 inputs because they generally provide the most reliable evidence of fair value. Level 3 inputs are only used when Level 1 or Level 2 inputs are not available.

Gains and losses (realized and unrealized) included in changes in net assets available for benefits - modified cash basis for the year ended December 16, 2009 are reported in net appreciation in fair value of investments.

The following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 16, 2009 and December 31, 2008.

HERITAGE FAMILY FUNERAL SERVICES, INC.
RETIREMENT PLAN
NOTES TO FINANCIAL STATEMENTS
December 16, 2009 and December 31, 2008

Level 1 Fair Value Measurements

The fair value of mutual funds and collective investment trusts are based on quoted net asset values of the shares held by the Plan at year-end.

Note 5 Related Party Transactions

Certain Plan investments are shares of mutual funds and collective investment trusts managed by Charles Schwab Trust Company. Charles Schwab Trust Company is a trustee as defined by the Plan and, therefore, these transactions qualify as party-in-interest transactions. Fees paid by the Plan for investment advisory and management services and other administrative expenses amounted to \$54,751 for the year ended December 16, 2009.

The Plan sponsor and employer, as defined in Note 1, paid administrative expenses of \$5,143 for the year ended December 16, 2009.

Note 6 Plan Transfers/Termination

On October 17, 2008, the trustees of Heritage Family Funeral Services, Inc. Retirement Plan and Heritage Family Cemetery Retirement Plan approved the transfer of the assets and liabilities of the Heritage Family Cemetery Retirement Plan into the Heritage Family Funeral Services, Inc. Retirement Plan. The merger was effective as of December 31, 2008. All assets transferred were mutual funds and collective investment trusts. The total amount of assets transferred at December 31, 2008 was \$43,048. Any liabilities were assumed and were immaterial in amount.

Effective December 1, 2009, the Plan Sponsor signed a contract to participate in the 401(k) Advantage, LLC 401(k) Retirement Plan (MEP). All contributions beginning December 1, 2009 were contributed to the new plan. Plan assets from the old Plan totaling \$4,110,821 were transferred to the new Plan on December 16, 2009. Any liabilities were assumed by the new plan including certain corrective distributions required to meet prior year testing requirements. See Note 10.

Although it has not expressed any intent to do so, the Employer has the right under the new Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of the Employee Retirement Income Security Act of 1974. In the event of Plan termination, participants will become 100% vested in their employer contributions.

Note 7 Tax Status

The Internal Revenue Service has determined and informed the Employer by a letter dated March 31, 2008, that the Plan and related trust are designed in accordance with applicable sections of the Internal Revenue Code (IRC). Although the Plan has been amended since receiving the determination letter, the Plan administrator and the plan's tax counsel believe that the Plan is designed and is currently being operated in compliance with the applicable requirements of the IRC.

Note 8 Risks and Uncertainties

At December 16, 2009 before transfer of its assets and December 31, 2008, all investments were deposited in mutual funds and collective investment trusts held by Charles Schwab Trust Company.

Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits. Amounts reported as cash are in noninterest-bearing funds held by Charles Schwab Trust Company. The cash funds are not federally insured.

Note 9 Plan Amendments

The Plan was amended and restated on January 1, 2009 in order to bring the Plan into compliance with the Economic Growth and Tax Relief Reconciliation Act of 2001 (EGTRRA) and other legislative and regulatory changes. The Plan was also amended on September 18, 2009 to reflect certain Qualified Domestic Relations Order (QDRA) procedures.

Any amendments supersede any provisions of the Plan to the extent those provisions were inconsistent with the provisions of the amendments. Participants should refer to the Plan agreement for a more complete description of Plan amendments and provisions.

Note 10 Excess Contributions

Discrimination testing errors made for Plan years 2006, 2007, and 2008 have resulted in insufficient corrective distributions for those years. Retesting has been performed for 2006, 2007, and 2008 resulting in additional corrective distributions of \$11,496, \$6,176, and \$2,866, respectively. The distributions will be paid out of the affected participants' accounts held by the new plan.

In addition to the corrective distributions above, a one-to-one contribution equal to the additional corrective distributions will be made in the form of a fully vested qualified nonelective contribution (QNEC) allocated pro rata to participants. The QNEC will total \$20,538 and will be contributed into the participants' accounts by the employer.

Forms 5330 for the Plan years 2006, 2007, and 2008 have been prepared resulting in penalties owed of \$730, \$468, and \$466, respectively. The employer will file the Forms 5330 and pay the related penalties. In addition, a Form 5330 will be filed for Plan year 2009 with the corrective distributions being paid by December 31, 2010.

Note 11 Other Matters

In instances where required, amounts reported in prior year's financial statements included herein have been reclassified to put them on a comparable basis to the amounts reported in the December 16, 2009 financial statements.

Note 12 Reconciliation of Financial Statements to Schedule H of Form 5500

There are no differences between the 2009 and 2008 assets, liabilities, and net assets per the Form 5500, Schedule H, and the 2009 and 2008 Statements of Net Assets Available for Benefits - Modified Cash Basis. There are also no differences between the 2009 income and expense statement per the Form 5500, Schedule H, and the 2009 Statements of Changes in Net Assets Available for Benefits - Modified Cash Basis.

Note 13 Subsequent Events

Management has evaluated subsequent events through October 13, 2010, the date on which the financial statements were available to be issued.
