NOTE 1 - DESCRIPTION OF PLAN

The following description of **Robinson Mills & Williams Profit Sharing 401(k) Plan** (the Plan) provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

General
The Plan is a defined contribution plan covering all of the employees of Robinson Mills & Williams (the Plan Sponsor) who have completed at least three months of service. Participants may begin deferring a portion of their compensation into the Plan following eligibility. Leased employees are specifically excluded from participating in the Plan. It is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

Contributions
Participants may defer a portion of their compensation to the Plan subject to certain anti-discrimination tests and to a maximum contribution of $16,500 per year ($22,000 for employees age 50 or older). The plan sponsor has the option under the Plan to make discretionary profit sharing contributions. Employees are eligible for an allocation of these profit sharing contributions providing they are employed by the employer on the last day of the Plan year and have completed at least 3 months of service during the plan year. Profit sharing contributions are allocated based on the participant's compensation as compared to total compensation for all eligible participants.

Participant Accounts
All of the Plan's assets are invested, as directed by the participant, as pooled funds. A participant's account balance is derived through an allocation of these funds. Each participant's account is credited with the participant's contribution, plan sponsor profit sharing contributions, and related investment earnings and losses pursuant to the participant's investment allocations. Allocations of income are based strictly on the participant's selection of investments and timing of purchase.

Vesting
Participants are immediately vested in their voluntary contributions plus actual earnings thereon. Vesting in the Plan's contributions portion of their accounts plus earnings thereon is based on years of continuous service. A participant vests in the Plan's contributions at the rate of 20% per year after the second year of service.

NOTE 1 - DESCRIPTION OF PLAN - *continued*

Payment of Benefits
The Plan provides for the payment of benefits to the participant (or, if applicable, the beneficiary) at retirement, disability, death, financial hardship, or termination of employment. In-service distribution from the participant's deferral portion of their account balance is permitted providing the participant has attained age 59½ and completed five years of service in the Plan. Participants who qualify for benefits and withdrawals may elect to receive their benefits in the form of a joint survivor annuity, installment payments or a lump sum in cash. The benefit to which a participant is entitled is the benefit that can be provided directly from the participant's account. Participants who separate from service during the year and have vested account balances of $1,000 or less are subject to an administrative distribution at the discretion of the plan administrator.

Forfeited Accounts
Forfeitures are first used to reduce administrative expenses of the Plan and then applied to reduce the plan sponsor's current contribution. During 2009, participants forfeited $23,612 of their account balances.

Loans to Participants
The Plan permits loans to its participants based upon their vested account balance. Loans are limited to the lesser of 50% of the participant's vested account balance or $50,000, and the minimum loan amount is $1,000. Loans bear a fixed rate of interest determined on the date of advance by the plan administrator. All borrowings are payable through regular payroll deductions. Loans are generally due within 5 years unless they are used to acquire a principle residence. All loans are immediately offset against the participant's account balance.

NOTE 2 - SUMMARY OF ACCOUNTING POLICIES

Basis of Accounting
The financial statements of the Plan are prepared under the accrual method of accounting.

Use of Estimates
The preparation of financial statements in conformity with generally accepted accounting principles requires the plan administrator to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results may differ from those estimates.

Investment Valuation and Income Recognition
The Plan's investments are stated at fair value. Participant loans are stated at cost, which approximate fair value. Increases or decreases in fair value are recognized currently. All of the Plan's assets are invested in the market, which is subject to volatility.

NOTE 2 - SUMMARY OF ACCOUNTING POLICIES - *continued*

Payment of Benefits
Benefits are recorded when paid.

NOTE 3 - INVESTMENTS

NOTE 4 - RELATED PARTY TRANSACTIONS

Since the inception of the Plan, the plan sponsor has absorbed some of the administrative expenses of operating the Plan.

All of the Plan's assets are invested with Fidelity Management Trust Company in funds that they manage. Accordingly, all transactions with Fidelity Management Trust Company qualify as party-in-interest transactions. During 2009, Fidelity Management Trust Company was paid $15,913 in recordkeeping fees.

NOTE 5 - PLAN TERMINATION

Although it has not expressed any intent to do so, the Plan Trustees have the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, all non-vested account balances would become 100% vested.

NOTE 6 - TAX STATUS

The Internal Revenue Service has determined and informed the Plan by letter dated October 1, 1999, that the Plan and related trust are designed in accordance with applicable sections of the Internal Revenue Code (IRC). The Plan has been amended since then; however, the Plan administrator and the Plan's ERISA counsel believe that the Plan as designed and currently operated is in compliance with the applicable requirements of the IRC and DOL.
