These financial statements and supplemental schedule are the responsibility of the Plan's management. The financial statements of the Plan as of December 31, 2008 were audited by other auditors. As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974 ("ERISA"), the plan administrator instructed the other auditors not to perform and they did not perform, any auditing procedures with respect to the information certified by the Trustee. Their report dated October 12, 2009, indicated that (a) because of the significance of the information that they did not audit, they were unable to, and did not express an opinion on the financial statements taken as a whole and (b) the form and content of the information included in the financial statements other than that derived from the information certified by the Trustee, were presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974 ("ERISA"), the plan administrator instructed us not to perform, and we did not perform, any auditing procedures with respect to the information which was certified by FASCore LLC, the Trustee of the Plan, except for comparing such information with the related information included in the 2009 financial statements and supplemental schedule. We have been informed by the plan administrator that the Trustee holds the Plan's investment assets and executes investment transactions. The plan administrator has obtained a certification from the Trustee as of and the year ended December 31, 2009, that the information provided to the plan administrator by the Trustee is complete and accurate.

Because of the significance of the information that we did not audit, we are unable to, and do not, express an opinion on the accompanying 2009 financial statements and supplemental schedule taken as a whole. The form and content of the information included in the financial statements and supplemental schedule, other than that derived from the investment information certified by the Trustee, have been audited by us in accordance with auditing standards generally accepted in the United States of America and, in our opinion, are presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974.

NOTES TO FINANCIAL STATEMENTS

Note 1 - Description of Plan:

The following description of the E Com Ventures, Inc. Employee's 401(k) Savings and Investment Plan (the "Plan") provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

General:

The Plan is a 401(k) defined contribution Plan covering substantially all employees excluding highly compensated employees of E Com Ventures, Inc. (the "Employer") who have completed ninety days of service and are age twenty-one or older. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 ("ERISA").

Effective January 1, 2010, the Plan name was changed from E Com Ventures, Inc. Employees' 401(k) Savings and Investment Plan to Perfumania Holdings, Inc. 401(k) Savings Plan. Also, effective January 1, 2010, the Plan Sponsor changed the trustee of the Plan from FASCore LLC to Principal Financial Group.

Contributions:

The participants and the Employer make contributions to the Plan. Participants may elect to defer the receipt of a portion of their compensation on a pre-tax basis, subject to certain limitations (from a minimum of $20 per payroll period or 1%, whichever is greater, up to a maximum of 100% or the maximum allowed by the Internal Revenue Code ($16,500 for 2009), and direct the Employer to contribute this deferral to the Plan on their behalf (salary savings agreement contribution).

The Employer contributes and allocates to each eligible participant's account, an amount equal to a percentage of the participant's salary savings agreement contribution (matching contribution). The Employer has elected not to make any matching contributions during the years ended December 31, 2009 and 2008.

A participant may make a rollover contribution to the Plan of any portion or all of the property received from another qualified plan.

Participant accounts:

Each participant has a separate account to receive each type of contribution. These accounts include, if applicable, a matching contribution account, a rollover account, and a salary savings agreement account. Each participant's account is credited with the participant's contribution, an allocation of the Employer's contribution, if any, and the Plan's earnings and charged with an allocation of administrative expenses not paid by the Ernployer. Allocations of earnings are based on participant account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

NOTES TO FINANCIAL STATEMENTS

Note 1 - Description of Plan (continued):

Investment options:

The Plan currently offers fourteen investment options for participants. Employer contributions are discretionary and may be changed from year to year. Participants direct the investment of their contributions into various investment options offered by the Plan.

Vesting:

Participants are vested immediately in their contributions plus actual earnings thereon. Vesting in the employer contributions is based on years of service in accordance with the following:

Years of Service	Vested Percentage
1	15%
2	25%
3	50%
4	100%

Notwithstanding the above, participants shall become fully vested upon their normal retirement date, upon date of death or upon the date of total or permanent disability.

Payment of benefits:

Participants are entitled to receive benefits in a single lump sum upon the attainment of normal retirement age of 65 or 5 years of service, if later, or the termination of service with the Employer. The Plan allows for the full value of the participant's account balance to be payable at age 70½ even if the participant continues to work, or the participant may defer payment until the end of the year in which he or she reaches the age of 70½.

The Plan permits early retirement at age 59½ provided that the participant is 100% vested. The balance in a participant's salary savings agreement account may not be distributed prior to the earliest of the participant's attainment of age 59½, separation from service with the Employer, or financial hardship, as defined.

Participant loans:

Participants may borrow from the balance of their individual elective contribution accounts a minimum of $1,000 up to a maximum of $50,000 or 50% of their vested interest in the Plan, whichever is less. The loans are secured by the balance in the participant's account and bear interest at rates ranging from 4.25% to 9.25%, which are commensurate with local prevailing

NOTES TO FINANCIAL STATEMENTS

Note 1 - Description of Plan (concluded):

Participant loans (concluded):

rates as determined quarterly by the plan administrator. Principal and interest are paid ratably through bi-weekly payroll deductions. Participant loans outstanding as of December 31, 2009 and 2008 were $89,736 and $143,988 respectively.

Administrative expenses:

The Plan agreement allows for the Employer to absorb a significant amount of the plan's administrative expenses. Administrative expenses incurred by the Plan are loan processing fees. During the year ended December 31, 2009 administrative expenses incurred by the Plan totaled $1,170.

Note 2 - Summary of significant accounting policies:

Basis of accounting:

The financial statements of the Plan are prepared on the accrual basis of accounting.

Use of estimates:

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results could differ from those estimates.

Investment valuation and income recognition:

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 4 for a discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Dividends are recorded on the ex-dividend date. The Plan presents the net appreciation in the fair value of its investments bought and sold as well as held during the year in the statement of changes in net assets available for benefits, which consists of realized and unrealized gains or losses on those investments.
