NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2009**

1. DESCRIPTION OF PLAN

The following description of the NAV Elko-RLIC, LLC 401(k) Plan (the "Plan") provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

General Information

The Plan, adopted October 1, 2006, is a defined contribution 401(k) plan sponsored by NAV Elko-RLIC, LLC (the Company). The plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

Amendments to the Plan effective March 1, 2007 are as follows:

- a) Name of adopting employer was changed from NAV Elko Red Lion Hotel & Casino to NAV Elko-RLIC, LLC.
- b) Name of Plan was changed from NAV Elko Red Lion Hotel & Casino 401(k) Plan to NAV Elko-RLIC, LLC 401(k) Plan.
- c) Employees of Gold Spike Hotel & Casino, LLC, Las Vegas Club Hotel & Casino, LLC, Navegante Group, Inc., Navegante Retail, Inc., Nav Reno-GS, LLC, Plaza Hotel & Casino, LLC, PlayLV Gaming Operations, LLC, and Western Hotel & Casino, LLC were given credit to the Plan for hours of service for eligibility and vesting purposes.
- d) Any employee of Navegante Group, Inc. or Navegante Retail, Inc. previously participating in the Navegante Group, Inc. 401(k) plan as of January 1, 2007 shall be 100% vested in their total account balance from that plan and any employer profit sharing contributions and matching contributions made to this plan shall be subject to the vesting schedule.

In October, 2008, the account balances of the employees of Gold Spike Hotel & Casino, LLC, Las Vegas Club Hotel & Casino, LLC, Plaza Hotel & Casino, LLC, PlayLV Gaming Operations, LLC, and Western Hotel & Casino, LLC were transferred to PlayLV Gaming Operations, LLC 401(k) Plan as a result of a change in ownership (membership interests) in PlayLV Gaming Operations, LLC. The account balances of the employees of Nav Elko-GCI, LLC, Nav Elko-HDI, LLC, Nav Elko-RLIC, LLC, Nav Thunderbird, LLC, Navegante Group, Inc. and Navegante Retail, Inc. remain with Nav Elko-RLIC, LLC 401(k) Plan.

On May 1, 2009, the Plan was amended for provisions of the Pension Protection Act of 2006 and other legislation, including the Worker, Retiree, and Employer Recovery Act of 2008.

Eligibility

The Plan covers all eligible employees of the Company, who are at least 18 years of age and have completed six months of eligibility service.

**NAV ELKO-RLIC, LLC 401(K) PLAN
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2009**

1. DESCRIPTION OF PLAN (continued)

Contributions

Participants may elect to defer a portion of their pretax annual compensation from 1% to 50%, as specified in the Plan or up to a maximum of \$16,500 in 2009, under the Internal Revenue Code Section 401(k). In addition, eligible participants who were at least age 50 by the end of 2009 may make an additional "catch-up" elective deferral contribution up to \$5,500 in 2009. For years after 2009, the maximum contribution is subject to change each year for cost of living changes. Participants may also contribute amounts representing distributions from other qualified plans, as defined in the Plan's provisions as Rollover contributions.

The Company at the discretion of its board of members may elect to make discretionary matching contributions based on a percentage of each participant's deferral contributions to be determined each year by the Company. The Company may also elect to make discretionary profit sharing contributions based on a pro rata allocation of each participant's compensation in relation to the compensation of all participants entitled to profit sharing contributions. These contributions, if any, are vested in accordance with the vesting schedule. Discretionary matching contributions and discretionary profit sharing contributions are subject to certain Internal Revenue Code (IRC) limitations. The Company elected not to make any discretionary matching contributions and discretionary profit sharing contributions in 2009.

Participant Accounts

Each participant's account is credited with the participant's salary deferral contribution, allocation of the Company's discretionary matching contribution, if any, and Plan earnings, and charged with withdrawals and an allocation of Plan losses and administrative expenses. Allocations are based on participant earnings (losses) or account balances, as defined in the Plan agreement. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting

Participants are vested immediately in their rollover and salary deferral contributions plus actual earnings thereon. Vesting in the employer discretionary matching contribution and profit sharing contribution portions of their accounts plus actual earnings thereon is based upon continuous service as follows:

<u>Years of Service</u>	<u>Vesting %</u>
1	0%
2	20%
3	40%
4	60%
5	80%
6	100%

**NAV ELKO-RLIC, LLC 401(K) PLAN
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2009**

1. DESCRIPTION OF PLAN (continued)

Vesting (continued)

The Plan requires 1,000 hours of service to constitute a year of vesting service. Regardless of the vesting schedule, a participant becomes 100% vested in the participant's combined account balance when the participant (1) dies, (2) incurs a disability, or (3) qualifies for early retirement. A participant is eligible for early retirement on the later of the participant reaching the age of 55 or completion of 6 years of vesting service.

If a participant terminates prior to being 100% vested, the participant forfeits the balance of his/her combined account that is non-vested at the year-end after he/she received a cash-out distribution or deemed cash-out distribution.

Forfeitures

Forfeitures of non-vested contributions are retained in the Plan and will first be used to pay administrative expenses. Any remaining amounts will be used to reduce employer contributions payable under the Plan. At December 31, 2009, the Plan had no forfeitures.

Investments

Participants direct the investment of their contributions and all employer contributions into various investment options offered by the Plan. The Plan currently offers 14 different investment options for participants.

Payment of Benefits

On termination of service, or upon death, disability, or retirement, a participant with a vested interest of \$1,000 or less will receive a lump-sum amount equal to the value of his or her account. A participant with a vested benefit of more than \$1,000 may elect to take a lump sum payout or complete a rollover into another qualified retirement account. A terminated participant who is eligible for a rollover distribution and whose balance exceeds \$1,000 but does not exceed \$5,000 will be paid in a single lump sum payment as an Involuntary Cash Out.

Participant Loans

Participants may borrow from their account a minimum of \$1,000 up to a maximum of \$50,000 or 50% of their account balance, whichever is lower. Only one loan may be made to an individual in any one-year period, and only one loan may be outstanding at a time. Loan terms range from one to five years. All loans are secured by the participant's vested account balance and bear interest at prime rate plus one percentage point. Principal and interest are collected ratably through payroll deductions. Participant loans outstanding at December 31, 2009, had interest rates ranging from 4.25% to 9.25%, with maturities through September 2013.

NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2009**

1. DESCRIPTION OF PLAN (continued)

Hardship Withdrawals

In the case of financial hardship, a participant may withdraw any part of his vested account resulting from elective deferral contributions and employer matching contributions. Participants are not prohibited from making contributions after receipt of a hardship distribution. Hardship withdrawals are subject to the 10% nonperiodic income tax withholding rate unless the participant elects out of the withholding.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Date of Management's Review

Subsequent events were evaluated through September 23, 2010, which is the date the financial statements were available to be issued.

Basis of Accounting

The financial statements of the Plan are prepared using the accrual method of accounting, except for the cash basis recording of benefits paid.

Investment Valuation and Income Recognition

The Plan's investments are stated at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 4 for discussion of fair value measurements.

Shares of mutual funds are valued at quoted market prices, which represent the net asset value of shares held by the Plan at year-end. Participant loans are valued at the outstanding loan balances, which approximates fair value. Cash and cash equivalents are valued at cost, which approximates fair value. There have been no changes in the methodologies used at December 31, 2009 and 2008.

Purchases and sales of securities are recorded on the trade dates. Dividends are recorded on the ex-dividend date. Interest income is recorded on the accrual basis. Net appreciation (depreciation) includes the plan's gains and losses on investments bought and sold as well as held during the year.

Payment of Benefits

Benefits are recorded when paid. There were no amounts allocated to the accounts of persons who had elected to withdraw from the Plan but had not yet been paid at December 31, 2009.

**NAV ELKO-RLIC, LLC 401(K) PLAN
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2009**

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (continued)

Administrative Expenses

Administrative expenses of the Plan are either paid by the Plan or the Company, as provided in the Plan document. The Company has elected to absorb the administrative expenses of the Plan. Loan fees are charged against the borrowers' accounts.

Risks and Uncertainties

The Plan invests in various investment securities. Investment securities are subject to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect the amounts reported in the accompanying statements of net assets available for benefits, statements of changes in net assets available for benefits and participants' account balances.

Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results may differ from those estimates.

3. INVESTMENT INFORMATION PREPARED AND CERTIFIED BY THE TRUSTEE

The Plan Administrator has elected the method of compliance permitted by 29 CFR 2520.103-8 of the Department of Labor Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, as permitted under such election, the Plan Administrator instructed the Plan's independent auditors not to perform any auditing procedures with respect to the information certified by MG Trust Company, LLC, the Trustee of the Plan as of December 31, 2009 and 2008, except for comparing such information certified by the trustee to the related information included in the Plan's financial statements and schedules. The plan administrator has obtained a certification from the trustee that the information provided to the plan administrator is complete and accurate.

4. FAIR VALUE MEASUREMENTS

Effective January 1, 2008, the Plan adopted Accounting Standards Codification Topic 820, "Fair Value Measurements and Disclosures," (ASC Topic 820). The Plan's investments are reported at fair value in the accompanying statement of net assets available for benefits. The methods used to measure fair value may produce an amount that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

ASC Topic 820 establishes a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. This hierarchy consists of three broad levels of inputs that may be used to measure fair value:

Level 1: Unadjusted quoted prices in active markets for identical assets or liabilities at the measurement date. Level 1 has the highest priority in the hierarchy.

4. FAIR VALUE MEASUREMENTS (continued)

Level 2: Observable inputs other than quoted prices included within Level 1 for the assets or liabilities, either directly or indirectly observable. This include (a) quoted prices for similar assets or liabilities in active markets; (b) quoted prices for identical or similar assets or liabilities in markets that are not active; (c) inputs other than quoted prices that are observable for the asset or liability; and (d) inputs that are derived principally from or corroborated by observable market data by correlation or other means.

Level 3: Unobservable inputs that are supported by little or no market activity and that are significant to the fair value of the assets or liabilities. This reflects the plan's own assumptions about the assumptions market participants would use to price an asset based on the best information available in the circumstances. Level 3 has the lowest priority in the hierarchy.

The following table provides information by level on the fair value of the Plan's investments:

As of December 31, 2009

	Fair Value	Level 1	Level 2	Level 3

The Plan Sponsor believes that the Plan continues to qualify and to operate as designed.
