Plan administrator
Air Transport International LLC, 401(k) Plan
Little Rock, Arkansas

We have completed a DOL limited-scope audit of the financial statements of Air Transport International LLC, 401(k) Plan for the year ended December 31, 2009 and have issued our report thereon dated September 7, 2010. As permitted by 29 CR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974, the Plan administrator instructed us not to perform, and we did not perform, any auditing procedures with respect to the information summarized in Note 3 to those financial statements. Because of the significance of the information that we did not audit, we are unable to, and have not, expressed an opinion on those financial statements and schedules taken as a whole.

Our responsibility under U.S. Generally Accepted Auditing Standards

As stated in our engagement letter dated March 5, 2010, our responsibility, as described by professional standards and except as discussed in the first paragraph, is to express an opinion about whether the financial statements prepared by management with your oversight are presented in compliance with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Our audit of the financial statements does not relieve you or management of your responsibilities.

1. Our responsibility is to plan and perform the audit to obtain reasonable, but not absolute, assurance that the financial statements are free of material misstatement.
2. As part of our audit and except that we did not, as part of the scope limitation discussed in the first paragraph, include a consideration of internal control relating to the information summarized in Note 3 to those financial statements, we considered the internal control of Air Transport International LLC, 401(k) Plan. Such considerations were solely for the purpose of determining our audit procedures and not to provide any assurance concerning such internal control.
3. We are responsible for communicating significant matters related to the audit that are, in our professional judgment, relevant to your responsibilities in overseeing the financial reporting process. However, we are not required to design procedures specifically to identify such matters.
4. We are also responsible for communicating any material errors that come to our attention, and we will inform you of any fraudulent financial reporting or misappropriation of assets that comes to our attention. We will also inform you of any violations of laws or governmental regulations that come to our attention, unless clearly inconsequential and will include prohibited transactions in the supplemental schedule of nonexempt transactions as required by the instructions to Form 5500. Our responsibility as auditors is limited to the period covered by our audit and does not extend to any later periods for which we are not engaged as auditors.

An independent member of Nexia International

Other information in documents containing audited financial statements

Our audit opinion, the audited financial statements, and the notes to financial statements should only be used in their entirety. Inclusion of the audited financial statements in a client prepared document, such as an annual report, should be done only with our prior approval and review of the document. Our responsibility for other information in documents containing the entity's financial statements and report does not extend beyond the financial information identified in the report. We do not have an obligation to perform any procedures to corroborate other information contained in such documents.

Planned scope and timing of the audit

We performed the audit according to the planned scope and timing previously communicated to management.

Significant audit findings

Qualitative aspects of accounting practices

Management is responsible for the selection and use of appropriate accounting policies. The significant accounting policies used by of Air Transport International LLC, 401(k) Plan are described in Note 2 to the financial statements. No new significant accounting policies were adopted.

We noted no transactions entered into by the Plan during the year for which there is a lack of authoritative guidance or consensus. There are no significant transactions that have been recognized in the financial statements in a different period than when the transaction occurred.

Accounting estimates are an integral part of the financial statements prepared by management and are based on management's knowledge and experience about past and current events and assumptions about future events. Certain accounting estimates are particularly sensitive because of their significance to the financial statements and because of the possibility that future events affecting them may differ significantly from those expected. The disclosures in the financial statements are neutral, consistent, and clear. Certain financial statement disclosures are particularly sensitive because of their significance to financial statement users.

In the of Air Transport International LLC, 401(k) Plan, the most sensitive estimate and disclosure affecting the financial statements is the measurement of fair market value of investments, which is described in Note 2 to the financial statements. We evaluated the key factors and assumptions used to develop the fair market value of investments in determining that it is reasonable in relation to the financial statements taken as a whole.

Difficulties encountered in performing the audit

We encountered no significant difficulties in dealing with management in performing and completing our audit.

Corrected and uncorrected misstatements

Professional standards require us to accumulate all known and likely misstatements identified during the audit, other than those that are trivial, and communicate them to the appropriate level of management. Management has corrected all such misstatements. In addition, none of the misstatements detected as a result of audit procedures and corrected by management were material, either individually or in the aggregate, to the financial statements taken as a whole.

Disagreements with management

For purposes of this letter, professional standards define a disagreement with management as a financial accounting, reporting, or auditing matter, whether or not resolved to our satisfaction, that could be significant to the financial statements or the auditors' report. We are pleased to report that no such disagreements arose during the course of our audit.

Management representations

We have requested certain representations from management that are included in the management representation letter dated September 7, 2010.

Management consultations with other independent accountants

In some cases, management may decide to consult with other accountants about auditing and accounting matters, similar to obtaining a "second opinion" on certain situations. If a consultation involves application of an accounting principle to the Plan's financial statements or a determination of the type of auditors' opinion that may be expressed on those statements, our professional standards require the consulting accountant to check with us to determine that the consultant has all the relevant facts. To our knowledge, there were no such consultations with other accountants.

Other audit findings or issues

We generally discuss a variety of matters, including the application of accounting principles and auditing standards, with management each year prior to retention as the Plan's auditors. However, these discussions occurred in the normal course of our professional relationship and our responses were not a condition to our retention.

INDEPENDENT AUDITORS' REPORT

Plan Management and Participants
Air Transport International LLC 401(k) Plan
Orlando, Florida

We were engaged to audit the financial statements and supplemental schedule of Air Transport International LLC 401(k) Plan as of December 31, 2009 and 2008, and for the years then ended, as listed in the accompanying table of contents. These financial statements and supplemental schedule are the responsibility of the Plan's management.

As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974, the Plan administrator instructed us not to perform, and we did not perform, any auditing procedures with respect to the information cited in Note 3, which was certified by JP Morgan Chase Bank and DWS Trust Company, the trustees of the Plan, except for comparing such information with the related information included in the financial statements and supplemental schedule. We have been informed by the Plan administrator that JP Morgan Chase Bank held the Plan's investment assets and executed investment transactions as of December 31, 2008, and from January 1, 2008, to July 31, 2009, and that DWS Trust Company held the Plan's investment assets and executed investment transactions as of December 31, 2009, and for the period August 1, 2009, to December 31, 2009. The Plan administrator has obtained certifications from the trustees as of and for the years ended December 31, 2009 and 2008, that the information provided to the Plan administrator by the trustees is complete and accurate.

Because of the significance of the information that we did not audit, we are unable to, and do not, express an opinion on the accompanying financial statements and supplemental schedule taken as a whole. The form and content of the information included in the financial statements and supplemental schedule, other than that derived from the information certified by the trustees, have been audited by us in accordance with auditing standards generally accepted in the United States of America and, in our opinion, are presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974.

401(K) PLAN
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2009 AND 2008**

NOTE 1 DESCRIPTION OF PLAN

The following description of the Air Transport International LLC 401(k) Plan (the Plan) provides only general information. Participants should refer to the Plan document for a more complete description of the Plan's provisions.

General

The Plan is a defined contribution plan originally effective March 1, 2006. The Plan has been amended throughout the years to comply with tax legislation and was most recently amended effective August 1, 2009. All non-crew employees of Air Transport International Limited Liability Company (Employer) are eligible to participate in the Plan after one month of service. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974, as amended (ERISA).

Contributions

The Plan includes a salary deferral arrangement allowed under Section 401(k) of the Internal Revenue Code. Eligible participants are permitted to elect to have a percentage, limited by Plan provisions, of their compensation contributed as pre-tax 401(k) contributions to the Plan. Participants age 50 or older are allowed to make catch-up contributions.

Participants may also contribute amounts representing distributions from other qualified defined benefit or contribution plans or conduit IRA's.

The Employer matching contribution was 75% of the eligible participant's deferrals up to 5% of the participant's eligible compensation.

Participants may also contribute amounts representing distributions from other qualified defined benefit or contribution plans or conduit IRA's.

Participant Accounts

Each participant's account is credited with the participant's salary deferral, the Employer's matching contribution, and an allocation of Plan earnings or losses. Allocations are based on participant earnings or account balances as defined. Income is allocated daily based on the shares in the participant's account.

Vesting

Participants are immediately vested in their contributions plus actual earnings thereon. Vesting in the Employer's matching contributions, plus actual earnings thereon, is based on years of continuous service. A participant is 100 percent vested after five years of credited service. A participant is fully vested upon reaching normal retirement age, death, or permanent disability.

NOTE 1 DESCRIPTION OF PLAN (CONTINUED)

Payment of Benefits

Upon retirement, death, disability, or resignation of a participant, or upon termination of the Plan, a participant or beneficiary may elect to receive a distribution under one of the following methods: (a) lump sum or (b) periodic installment payments. In-service withdrawals of employee contributions for reasons of hardship (as defined in the Plan agreement) or attaining age 59½ are allowed. A hardship withdrawal results in a suspension of employee contributions to the Plan for six months. If a participant terminates employment and the participant's account balance does not exceed \$1,000, the Plan Administrator will authorize the benefit payment without the participant's consent.

Forfeitures

Forfeited non-vested accounts are used to reduce future Employer contributions. Forfeited non-vested accounts as of December 31, 2009 and 2008, were \$18,434 and \$5,410, respectively. There were \$1,776 and \$3,206 of forfeitures used to reduce Employer contributions for the years ended December 31, 2009 and 2008, respectively.

Participant Loans

Participants may borrow from their accounts up to the lesser of \$50,000, as reduced by the participant's highest outstanding Plan loan balances during the year proceeding the date of the loan, or 50% of their vested account balance. Loan terms range from one to five years for general purpose loans and a maximum of 15 years for the purchase of a primary residence. The loans are secured by the participant's account and bear interest at rates ranging from 4.25% to 10.50%. Principal and interest are paid primarily through payroll deductions on at least a quarterly basis. Interest paid by the participant is credited to the participant's account.

NOTE 2 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The financial statements of the Plan are prepared under the accrual basis of accounting.

Estimates

The preparation of financial statements in conformity with U.S. generally accepted accounting principles requires the Plan Administrator to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements. Estimates also affect the reported amounts of changes in net assets during the reporting period. Actual results could differ from those estimates.

NOTE 2 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Fair Value of Financial Instruments

Financial Accounting Standards Board (FASB) *Accounting Standards Codification* (ASC) 820, *Fair Value Measurements and Disclosures*, provides the framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1 measurements) and the lowest priority to unobservable inputs (level 3 measurements). The three levels of the fair value hierarchy are described as follows:

Level 1: Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2: Inputs to the valuation methodology include:

- quoted prices for similar assets or liabilities in active markets;
- quoted prices for identical or similar assets or liabilities in inactive markets;
- inputs other than quoted prices that are observable for the asset or liability;
- inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the level 2 input must be observable for substantially the full term of the asset or liability.

Level 3: Inputs to the valuation methodology are unobservable and significant to the fair market value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs. There have been no changes in the valuation methodologies used at December 31, 2009 and 2008.

Investment Valuation and Income Recognition

The Plan's investments are stated at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. Following is a description of the valuation methodologies used for assets measured at fair value.

**AIR TRANSPORT INTERNATIONAL LLC
401(K) PLAN
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2009 AND 2008**

NOTE 2 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Investment Valuation and Income Recognition (Continued)

Mutual funds represent investments with various investment managers. The fair values of mutual funds are determined by reference to the fund's underlying assets, which are principally marketable equity and fixed income securities. Shares held in mutual funds traded on national securities exchanges are valued at the net asset value. The collective trust fund represents investments with various investment managers. The respective fair values of these investments are determined by reference to the fund's underlying assets, which are principally marketable equity and fixed income securities. Units held in the collective trust fund are valued based on the market prices of the underlying investments in the funds at year-end. Participant loans and the money market fund are valued at cost, which approximates fair value.

The preceding methods described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

Purchases and sales of securities are recorded on a trade-date basis. Interest and dividend income is recorded on the accrual basis. Net appreciation (depreciation) includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Payment of Benefits

Benefits are recorded when paid.

Administrative Expenses

For the years ended December 31, 2009 and 2008, substantially all administrative expenses of the Plan were paid by the Employer on behalf of the Plan.

Subsequent Events

In preparing these financial statements, the Plan has evaluated events and transactions for potential recognition or disclosure through September 7, 2010, the date the financial statements were issued.

NOTE 3 CERTIFICATION OF INVESTMENT INFORMATION

DWS Trust Company, the trustee of the Plan, has supplied the Plan Administrator with a certification as to the completeness and accuracy of all investment information reflected on the accompanying statement of net assets available for benefits as of December 31, 2009, the statement of changes in net assets available for benefits for the period August 1, 2009, to December 31, 2009, and the supplemental schedule of assets (held at end of year) as of December 31, 2009.

During 2009 and 2008, the Plan's investments (including investments bought, sold and held during the year) appreciated (depreciated) by \$1,162,502 and (\$2,657,495), respectively.

NOTE 5 PARTY-IN-INTEREST

Plan investments are managed by DWS Trust Company and JP Morgan Chase Bank, the Trustees for the Plan, therefore, these transactions qualify as party-in-interest. Fees paid to the trustees during 2009 and 2008 were \$6,389 and \$3,923, respectively.

**AIR TRANSPORT INTERNATIONAL LLC
401(K) PLAN
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2009 AND 2008**

NOTE 6 TAX STATUS

The Plan is operating under a prototype plan designed by the Trustee. The Trustee has received a determination letter from the Internal Revenue Service dated November 6, 2001, which indicates that the Plan and related trust are designed in accordance with applicable sections of the Internal Revenue Code (IRC). Although the Plan has been amended since the Trustee received the determination letter, the Plan administrator believes that the Plan is designed and is currently being operated in compliance with applicable requirements of the IRC.

NOTE 7 RISKS AND UNCERTAINTIES

The Plan provides for investment in a variety of investment funds. In general, investments are exposed to various risks, such as interest rate, credit and overall market volatility risk. Due to the level of risk associated with certain investments, it is reasonably possible that changes in the values of the investments will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits.

NOTE 8 RECONCILIATION OF FINANCIAL STATEMENTS TO FORM 5500

The following is a reconciliation of net assets available for benefits per the financial statements at December 31, 2009 and 2008, to Form 5500:

Benefits Paid to Participants per the Financial Statements	\$	270,174
Add: Current Year Deemed Distributions		11,907
Less: Prior Year Deemed Distributions		(12,924)
Benefits Paid to Participants per Form 5500	\$	<u>269,157</u>

Financial statements are prepared on the accrual basis and Form 5500 is prepared on the cash basis.

NOTE 9 PLAN TERMINATION

Although it has not expressed any intent to do so, the Employer has the right under the Plan to discontinue contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, the participants will become 100 percent vested in their accounts.

NOTE 10 EXCESS CONTRIBUTIONS PAYABLE

For the year ended December 31, 2009, the Plan failed to comply with the Actual Deferral Percentage discrimination test under section 401(k) of the Internal Revenue Code. This test is to determine whether contributions are discriminating in favor of the highly compensated group of employees as compared to the non-highly compensated group of employees. A corrective measure to be taken, in order to continue as a qualified plan under section 401(a) of the Internal Revenue Code, is to refund the excess contributions and any corresponding employer matching contributions to the highly compensated employees (the "corrective disbursement"). Corrective disbursements of \$7,231 were necessary for contributions made in 2009, respectively, and are included in excess contributions payable.
