I have audited the accompanying statements of net assets available for benefits of Beyel Brothers, Inc. 401(k) Plan as of December 31, 2009, and the related statement of changes in net assets available for benefits for the year then ended. These financial statements are the responsibility of the Plan's management. My responsibility is to express an opinion on these financial statements based on the audit.

As permitted by 29 CFR 2520.-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974, the plan administrator instructed us not to perform, and I did not perform, any auditing procedures with respect to the information summarized in Note C, which was certified by Hartford Life Insurance Company, the trustee of the Plan, except for comparing the information with the related information included in the financial statements and supplemental schedules. The plan administrator has informed me that the trustee holds the Plan's investment assets and executes investment transactions. The plan administrator has obtained a certification from the trustee as of and for the year ended December 31, 2009, that the information provided to the plan administrator by the trustee is complete and accurate.

Because of the significance of the information that I did not audit, I am unable to, and do not, express an opinion on the accompanying financial statements and schedules taken as a whole. The form and content of the information included in the financial statements and schedules, other than that derived from the information certified by the trustee, have been audited me us in accordance with auditing standards generally accepted in the United States of America and, in my opinion, are presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974.

Beyel Brothers, Inc. 401((k) Plan
NOTES TO FINANCIAL STATEMENTS
December 31, 2009

NOTE A – DESCRIPTION OF PLAN

The following description of the Beyel Brothers, Inc. 401(k) Plan ("Company") provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

General. The plan is a defined contribution plan covering employees of the company who have one year of service and are age twenty-one or older. It is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

Contributions. Each year, participants may contribute up to 15% of pretax annual compensation, as defined in the Plan. Participants may also contribute amounts representing distributions from other qualified defined benefit or contribution plans. Participants direct the investment of their contributions into various investment options offered by the Plan. The Plan currently offers mutual funds for participants. The company's matching contribution equals 50% of the first 4% of the Participant's Elective Deferral. Additional discretionary contributions may be contributed at the option of the Company's board of directors. Contributions are subject to certain limitations.

Participant's Accounts. Each participant's account is credited with the participant's contribution and an allocation of (a) the Company's contribution, and (b) Plan earnings, and charged with an allocation of administrative expenses. Allocations are based on participant earnings or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting. Participants are immediately vested in their contributions plus actual earnings thereon. Vesting the Company's contribution portion of their accounts plus earnings thereon is based on years on continuous service. A participant is 100% after six years of credited service.

Participant Loans. Participants may borrow from their fund accounts a minimum of $1,000 up to a maximum of 50% of their vested account balance. The loans are secured by the balance in the participant's account and bear interest at rates ranging from 6.0% to 8.75%, which are commensurate with local prevailing rates as determined quarterly by the Plan administrator. Principal and interest is paid ratably through monthly payroll deductions.

Payment of Benefits. On termination of service due to death, disability or retirement, a participant may elect to receive an amount equal to the value of the participant's vested interest in their account in a lump-sum amount. Termination of service due to other reasons, a participant may receive the value of the vested interest in his or her account as a lump-sum distribution.

Forfeited Accounts. At December 31, 2009, forfeited non-vested accounts totaled $1,367.
