MONEY PURCHASE PLAN

NOTES TO FINANCIAL STATEMENTS

DECEMBER 31, 2009 AND 2008

A. DESCRIPTION OF PLAN

The following description of T Square Logistics Services Money Purchase Plan (the Plan) is provided for general information only. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

1. General. The Plan is a money purchase pension plan covering all eligible employees of T Square Logistics Services, Inc. (the Company). It is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

2. Participation. All eligible employees participate in this Plan immediately upon employment with the Company. Eligible employees are employees performing services for the employer under a public contract subject to the Davis-Bacon Act or any other federal, state, or municipal Prevailing Wage Law.

3. Contributions. All contributions to the Plan are made by the employer pursuant to a salary reduction agreement under Code Sections 125, 402(e)(3), 402(h), 403(b) or 457. Employee contributions described in Code Section 414(h)(2) are treated as employer contributions. The contribution for each eligible employee is the hourly contribution rate designated for that eligible employee's classification on the contribution schedule for the project on which the work was performed.

4. Participant Accounts. Accounting records for individual participant accounts are maintained by a third-party administrator. Each participant account is credited with a portion of the Company's matching contribution. Plan earnings and losses, including realized and unrealized gains and losses, are also allocated to the individual participant accounts.

5. Administrative Expenses. All reasonable expenses of administration including, but not limited to, those involved in retaining necessary professional assistance may be paid from the assets of the Plan. The Company may also elect to pay some or all of the administrative expenses. Effective for plan year 2009, the Plan is required to report the service provider administrative and investment fees that are withdrawn directly form plan investments. These fees are reported on the Statement of Net Assets Available for Benefits. For the year ended December 31, 2008, the service provider administrative and investment fees were reported as an offset to investment income.

6. Vesting. Under this Plan, participant accounts are 100% vested at all times.

7. Payments of Benefits. The plan administrator establishes and maintains an account in the name of each participant. Upon termination of service, a participant may elect to receive a lump-sum payment, installment payments or a non-transferable, third-party annuity.

B. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

1. Basis of Accounting. The financial statements for the Plan are prepared using the accrual method of accounting.

2. Estimates. The preparation of financial statements in conformity with generally accepted accounting principles requires the plan administrator to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results may differ from those estimates.

3. Investment Valuation. The Plan's investments are held and maintained by Nationwide Life Insurance Company (Investment Custodian) in registered investment companies which are regulated, supervised and subject to periodic examination by Federal agencies. The Plan investments are valued at the net asset value per share computed for each fund. In the computation of net asset values, securities held by the various funds are valued at prices which equal or approximate market value. Cash equivalents are stated at cost which approximates market value.
