Plan administrator
Hospice of the Comforter 401(k) Retirement Plan
Orlando, FL

We have completed a DOL limited-scope audit of the financial statements of Hospice of the Comforter 401(k) Retirement Plan for the year ended December 31, 2009 and have issued our report thereon dated October 11, 2010. As permitted by 29 CR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974, the Plan administrator instructed us not to perform, and we did not perform, any auditing procedures with respect to the information summarized in Note 3 to those financial statements. Because of the significance of the information that we did not audit, we are unable to, and have not, expressed an opinion on those financial statements and schedules taken as a whole.

Our responsibility under U.S. Generally Accepted Auditing Standards

As stated in our engagement letter dated March 5, 2010, our responsibility, as described by professional standards and except as discussed in the first paragraph, is to express an opinion about whether the financial statements prepared by management with your oversight are presented in compliance with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Our audit of the financial statements does not relieve you or management of your responsibilities.

1. Our responsibility is to plan and perform the audit to obtain reasonable, but not absolute, assurance that the financial statements are free of material misstatement.
2. As part of our audit and except that we did not, as part of the scope limitation discussed in the first paragraph, include a consideration of internal control relating to the information summarized in Note 3 to those financial statements, we considered the internal control of Hospice of the Comforter 401(k) Retirement Plan. Such considerations were solely for the purpose of determining our audit procedures and not to provide any assurance concerning such internal control.
3. We are responsible for communicating significant matters related to the audit that are, in our professional judgment, relevant to your responsibilities in overseeing the financial reporting process. However, we are not required to design procedures specifically to identify such matters.
4. We are also responsible for communicating any material errors that come to our attention, and we will inform you of any fraudulent financial reporting or misappropriation of assets that comes to our attention. We will also inform you of any violations of laws or governmental regulations that come to our attention, unless clearly inconsequential and will include prohibited transactions in the supplemental schedule of nonexempt transactions as required by the instructions to Form 5500. Our responsibility as auditors is limited to the period covered by our audit and does not extend to any later periods for which we are not engaged as auditors.

Other information in documents containing audited financial statements

Our audit opinion, the audited financial statements, and the notes to financial statements should only be used in their entirety. Inclusion of the audited financial statements in a client prepared document, such as an annual report, should be done only with our prior approval and review of the document. Our responsibility for other information in documents containing the entity's financial statements and report does not extend beyond the financial information identified in the report. We do not have an obligation to perform any procedures to corroborate other information contained in such documents.

Planned scope and timing of the audit

We performed the audit according to the planned scope and timing previously communicated to management during our planning meeting.

Significant audit findings

Qualitative aspects of accounting practices

Management is responsible for the selection and use of appropriate accounting policies. The significant accounting policies used by Hospice of the Comforter 401(k) Retirement Plan are described in Note 2 to the financial statements. As described in Note 2 to the financial statements, no new significant accounting policies were adopted, however the Plan has applied guidance provided by FASB for entities that calculate net asset value per share or its equivalent during 2009.

We noted no transactions entered into by the Plan during the year for which there is a lack of authoritative guidance or consensus. There are no significant transactions that have been recognized in the financial statements in a different period than when the transaction occurred.

Accounting estimates are an integral part of the financial statements prepared by management and are based on management's knowledge and experience about past and current events and assumptions about future events. Certain accounting estimates are particularly sensitive because of their significance to the financial statements and because of the possibility that future events affecting them may differ significantly from those expected. The disclosures in the financial statements are neutral, consistent, and clear. Certain financial statement disclosures are particularly sensitive because of their significance to financial statement users.

In the Hospice of the Comforter 401(k) Retirement Plan, the most sensitive estimate and disclosure affecting the financial statements is the measurement of fair market value of investments, which is described in Note 2 to the financial statements. We evaluated the key factors and assumptions used to develop the fair market value of investments in determining that it is reasonable in relation to the financial statements taken as a whole.

Difficulties encountered in performing the audit

We encountered no significant difficulties in dealing with management in performing and completing our audit.

Corrected and uncorrected misstatements

Professional standards require us to accumulate all known and likely misstatements identified during the audit, other than those that are trivial, and communicate them to the appropriate level of management. There were no misstatements noted during our audit procedures.

Disagreements with management

For purposes of this letter, professional standards define a disagreement with management as a financial accounting, reporting, or auditing matter, whether or not resolved to our satisfaction, that could be significant to the financial statements or the auditors' report. We are pleased to report that no such disagreements arose during the course of our audit.

Management representations

We have requested certain representations from management that are included in the management representation letter dated October 11, 2010.

Management consultations with other independent accountants

In some cases, management may decide to consult with other accountants about auditing and accounting matters, similar to obtaining a "second opinion" on certain situations. If a consultation involves application of an accounting principle to the Plan's financial statements or a determination of the type of auditors' opinion that may be expressed on those statements, our professional standards require the consulting accountant to check with us to determine that the consultant has all the relevant facts. To our knowledge, there were no such consultations with other accountants.

Other audit findings or issues

We generally discuss a variety of matters, including the application of accounting principles and auditing standards, with management each year prior to retention as the Plan's auditors. However, these discussions occurred in the normal course of our professional relationship and our responses were not a condition to our retention.
