INDEPENDENT AUDITOR'S REPORT

Board of Trustees
NRG Systems, Inc. Profit Sharing Plan
110 Riggs Road
Hinesburg, VT 05461

We have audited the accompanying statements of net assets available for benefits of NRG Systems, Inc. Profit Sharing Plan (The "Plan") as of December 31, 2009 and 2008, and the related statement of changes in net assets available for benefits for the year ended December 31, 2009. These financial statements are the responsibility of the Plan's management. Our responsibility is to express an opinion on these financial statements based on our audits.

Except as discussed in the following paragraph, we conducted our audits in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. We believe that our audits provide a reasonable basis for our opinion.

We were unable to perform auditing procedures with respect to individual participant account balances accumulated from inception of the Plan or to satisfy ourselves as to the basis on which participants' equity is stated as of December 31, 2009 and 2008, or the propriety of the distributions to participants who terminated during the years then ended.

In our opinion, except for the effects of such adjustments, if any, as might have been determined to be necessary had we been able to perform procedures with respect to the individual participant account balances, the financial statements referred to above present fairly, in all material respects, the net assets available for benefits of NRG Systems, Inc. Profit Sharing Plan as of December 31, 2009 and 2008, and the changes in net assets available for benefits for the year ended December 31, 2009 in conformity with accounting principles generally accepted in the United States of America.

Our audits were conducted for the purpose of forming an opinion on the basic financial statements taken as a whole. The supplemental schedules of (1) Schedule H, line 4i - Schedule of Assets (Held at End of Year) and (2) Schedule H, line 4j - Schedule of Reportable Transactions, together referred to as "supplemental information", are presented for the purpose of additional analysis and are not a required

NOTES TO FINANCIAL STATEMENTS

Note 1. Description of Plan

The following description of the NRG Systems, Inc. Profit Sharing Plan (The "Plan") provides only general information. Participants should refer to the Plan Document for a more complete description of the Plan's provisions.

General

The Plan is a defined contribution plan covering substantially all employees of NRG Systems, Inc. (referred to as the "Employer") who have three months of service with a minimum of 250 hours worked and are age twenty-one or older. It is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA). On October 30, 2009, the Plan spun-off the portion of NRG Systems, Inc. Profit Sharing Plan covering employees of AllEarth Renewables, Inc. (formerly Earth Turbines Inc.) into the AllEarth Renewables, Inc. 401(k) Plan (formerly Earth Turbines, Inc. 401(k) Plan).

Administration

The Plan Administrator is the Employer and the Plan Sponsor for the NRG Systems, Inc. Profit Sharing Plan is NRG Systems, Inc. The Plan Administrator makes decisions about the operation of the Plan including selecting and reviewing the investment options available for the Plan participants, reviewing applications for benefits, keeping records, preparing reports and handling other matters concerning the Plan. The Custodian of the Plan is TD Ameritrade. The Custodian is appointed by the Plan Administrator to receive, hold, invest, administer and distribute the Plan's assets in accordance with the terms of the Plan and the directions of the Plan Administrator and participants. Future Planning Associates, Inc., an employee benefit specialist, provides third party administrative and consulting services for the Plan Administrator.

Contributions

Employees direct that their contributions be invested in one or more of the investment funds maintained by the Plan's Custodian. Each eligible employee can contribute up to the maximum annual compensation as Basic Contributions that will not cause the Plan to violate its provisions or the provisions of ERISA. Employee contributions can be made on a before-tax basis or after-tax basis. Before-tax and after-tax contributions are subject to certain limitations. Participants may also contribute amounts representing distributions from other qualified defined benefit or contribution plans. The employer matches employee contributions to the Plan in an amount determined by resolution of the Employer on an annual basis. In addition, the employer can also make a profit-sharing contribution in an amount as determined by resolution of the Employer. Any profit sharing contribution is allocated to employees of the respective company based on compensation.

Note 1. Description of Plan (Continued)

Participant accounts

Each participant's account is credited with the participant's contribution and allocations of (a) the Employer's contribution, and (b) Plan earnings. Allocations are based on participant earnings, participant contributions or account balances, as defined in the Plan Document. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting

Participants are at all times fully vested in their participant accounts with respect to their contributions. Participants become vested in their employer account upon 2 years of service, at which point they are 20 percent vested. The percentage vested increases 20 percent per year through the next four years of service at which point the participant becomes fully vested. The forfeitable part can be used toward any employer discretionary contribution. Upon normal retirement age, 65 years, death or disability, a participant becomes fully vested.

Investment options

Upon enrollment in the plan, a participant may direct employee contributions in 1 percent increments in any of the fourteen investment options.

Participants may change their investment options daily.

Payment of benefits

Participants are entitled to a distribution when they retire, die, or terminate employment. Upon termination, participants may elect to remain in the Plan until they are eligible for benefits.

Participant loans

Effective January 1, 2008, the Plan does not allow participants to borrow funds from their account.

Forfeited Accounts

In 2009, \$5,033 in forfeited non-vested amounts were applied toward the Employer's discretionary profit-sharing contribution.

Note 2. Summary of Significant Accounting Policies

Basis of accounting

The financial statements of the Plan are prepared using the accrual method of accounting.

Note 2. Summary of Significant Accounting Policies (Continued)

Use of estimates

The preparation of financial statements in conformity with U.S. generally accepted accounting principles requires the plan administrator to make estimates and assumptions that affect certain reported amounts of assets and liabilities and changes therein, and disclosures of contingent assets and liabilities. Actual results could differ from those estimates.

Investment valuation and income recognition

The Plan's investments are stated at fair value (Level 1).

Purchases and sales of investments are recorded on a trade-date basis. Dividends are recorded on the ex-dividend date.

Plan Amendment

The Plan was amended effective January 1, 2008 to eliminate the option to take a loan from the plan.

Benefit distributions

Benefit distributions are recorded when paid.

Note 3. Fair Value Measurements

The Plan's investments are reported at fair value in the accompanying statement of net assets available for benefits. U.S. generally accepted accounting principles establishes a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. This hierarchy consists of three broad levels: Level 1 inputs consist of unadjusted quoted prices in active markets for identical assets and have the highest priority, Level 2 inputs consist of observable inputs other than quoted prices for identical assets, and Level 3 inputs have the lowest priority. The Plan uses appropriate valuation techniques based on the available inputs to measure the fair value of its investments. The Plan measures fair value using Level 1 inputs because they generally provide the most reliable evidence of fair value. The fair values of investments are based on quoted market prices. Shares of mutual funds are valued at quoted market prices that represent the net asset value of shares held by the Plan at year-end.

Note 4. Investments

The Plan's investments are held in mutual funds and managed by a trust company. The following presents investments that represent five percent or more of the Plan's net assets at December 31, 2009 and 2008:

	2009		2008	
	Number of Shares	Fair Value	Number of Shares	Fair Value
American Funds - Bond Fund of America	29,308	\$ 345,831	28,468	\$ 306,319
American Funds - Growth Fund of America	27,911	762,806	27,407	561,304
American Funds - Income Fund of America	26,012	402,919	23,734	310,684
American Funds - New Perspective	24,531	628,964	46,665	881,044
American Funds - Washington Mutual Investors	25,108	618,651	26,401	565,251
American Funds - Capital World Growth	24,154	823,163	23,172	615,686
American Funds - New World Fund	11,339	535,208	8,969	281,550
Calvert Aggressive Allocation Fund	44,347	594,688	57,283	612,354

During 2009, the Plan's investments (including gains and losses on investments bought and sold, as well as held during the year) consisted solely of mutual funds and appreciated in value by \$1,398,206.

Note 5. Related-Party Transactions

The Plan Sponsor and Employer paid all fees and administrative expenses during 2009.

Note 6. Plan Termination

Although it has not expressed any intent to do so, the Employer has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA.

Note 7. Tax Status

The Plan operates under a Prototype Non-standardized Profit Sharing Plan with CODA. The plan obtained its latest opinion letter on March 31, 2008, in which the Internal Revenue Service stated that the plan, as then designed, is acceptable under section 401 of the Internal Revenue Code for use by employers for the benefit of their employees. The plan has been amended since receiving this opinion letter. However, the plan administrator and the plan's tax counsel believe that the plan is currently designed and being operated in compliance with the applicable requirements of the Internal Revenue Code.

Note 8. Risks and Uncertainties

The Plan invests in various investment securities and mutual funds and are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of some investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits.

Note 9. Date of Management's Review

Management has evaluated subsequent events through October 14, 2010, the date on which the financial statements were available to be issued.

Subsequent to year end, the Plan was amended and restated effective January 1, 2010 to conform to new tax laws.
