Hunter Douglas Inc. Employee Savings 401(k) Plan

Notes to Financial Statements

December 31, 2007

1. Description of Plan

General

The following brief description of the Hunter Douglas Inc. Employee Savings 401(k) Plan (the "Plan") provides only general information. Participants should refer to the Plan Document for a more complete description of the Plan's provisions.

The Plan is a defined contribution plan covering substantially all salaried employees of Hunter Douglas Inc. (the "Company" and "Plan Sponsor"). The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 ("ERISA").

Participant Contributions

Participant contributions are made on a pre-tax basis. Participants may elect to contribute from 1% to 25% of their compensation through pre-tax contributions, subject to Plan limits and the dollar deferral and non-discrimination limitations as prescribed by the Internal Revenue Code. Participants are also allowed to make rollover contributions of amounts received from other tax-qualified retirement plans. Participants must complete 1,000 hours of service in a Plan year or six months after the date of hire.

Employer Contributions

The Plan Sponsor will make a matching contribution equal to 50% on the first 6% that participants contribute to the Plan. Elective deferrals are required to receive any matching contributions. The Company may make discretionary nonelective contributions to the Plan, and any that are made will be allocated to all eligible employees who participate in the Plan.

Effective April 1, 2009, the Company amended the Plan to suspend employer matching contributions.

Participants' Accounts

Each participant's account is credited with the participant's contributions and allocations of the Company's contributions and plan earnings. Allocations are based on participant earnings or account balances, as defined. Forfeited balances of terminated participants' nonvested accounts are used to reduce future Company contributions. The benefit to which a participant is entitled is the benefit that can be provided from the participant's account.

1. Description of Plan (continued)

Vesting

Participants are always 100% vested in their pre-tax contributions and any investment earnings on those contributions, as well as funds rolled into this Plan from another employer's Plan.

Participants become vested in the Plan Sponsor's matching contributions and nonelective contributions according to the following schedule:

Years of Service	Vested %
Less than 1 year	0%
At least 1 year, but less than 2	20%
At least 2 years, but less than 3	40%
At least 3 years, but less than 4	60%
At least 4 years, but less than 5	80%
5 years or more	100%

Upon termination of employment, the non-vested portion, if any, of a participant's company matching contribution account shall be forfeited as the employee takes distribution of the vested portion. At December 31, 2007 and 2006 there were $690,787 and $345,680, respectively of forfeitures available to reduce future employer contributions.

Payment of Benefits

Benefits may be paid upon death, disability, termination, normal retirement or attainment of age 65 to the participants or their beneficiaries. These benefits are generally paid in lump-sum amounts equal to the value of the participant's vested interest in his or her account. The Plan also permits installment distributions. Benefits are recorded when paid.

Loans to Plan Participants

Participants may borrow from their account a minimum of $1,000 up to a maximum of $50,000 or 50% of their vested account balance, whichever is less. The term of the loans ranges from one to five years. However, if the loan is used to acquire a principal residence, the payment term can exceed five years. The loans are secured by the balance in the participant's account and bear interest at the prevailing market interest rates. Principal and interest are paid through payroll deductions.

1. Description of Plan (continued)

Administrative Expenses

All administrative expenses of the Plan are paid by the Company to the extent they are not paid by the Plan.

2. Summary of Significant Accounting Policies

Basis of Presentation

The accompanying financial statements of the Plan have been prepared on the accrual basis of accounting.

Recent Accounting Pronouncement

In September 2006, the Financial Accounting Standards Board issued Statement of Financial Accounting Standards No. 157 (FAS 157), *Fair Value Measurements*. This standard clarifies the definition of fair value for financial reporting, establishes a framework for measuring fair value and requires additional disclosures about the use of fair value measurements. FAS 157 is effective for financial statements issued for fiscal years beginning after November 15, 2007. Plan management is currently evaluating the effect that the provisions of FAS 157 will have on the Plan's financial statements.

Investment Valuation and Income

Investments in the fixed income fund and mutual funds are recorded at quoted market prices which represent the net asset value of shares held by the Plan. Participant loans are valued at the unpaid principal amount of the loan, which approximates fair value.

Income from investments is recorded as earned on the accrual basis.

Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States requires management to make estimates that affect the amounts reported in the financial statements and accompanying notes. Actual results could differ from those estimates.

3. Investments

The fair values of individual investments that represent 5% or more of the Plan's net assets as of December 31, 2007 and 2006 are identified below. The investments held by Citistreet LLC at December 31, 2007 are compared with comparable investments held by Fidelity at December 31, 2006:

Citistreet	December 31 2007	Fidelity	December 31 2006
Julius Baer Total Return	**$ 12,582,101**	PIMCO Total Return Fund	$ 10,592,351
Columbia Acorn	**8,088,257**	Janus Adv Balanced Fund	16,082,338
Fidelity Balanced Fund	**15,992,465**	Franklin Small-Mid Cap Growth Fund	7,426,907
American Funds Growth Fund	**26,934,269**	Fidelity Growth Company Fund	28,274,847
Davis New York Venture	**22,626,759**	Fidelity Growth & Income Fund	26,505,731
SSgA International Stock Sel	**15,852,140**	Fidelity Divers International Fund	16,019,910
SSgA Stable Value	**15,788,713**	Fidelity Retirement Money Market Fund	13,919,825

All investment information disclosed in the accompanying financial statements and schedule, including investments held at December 31, 2007 and 2006, and net appreciation in fair value of investments in mutual funds, interest, and administrative expenses for the years ended December 31, 2007 and 2006 were obtained or derived from information supplied to the plan administrator and certified as complete and accurate by the trustees.

4. Plan Termination

Although it has not expressed any intent to do so, the Company has the right to terminate the Plan at any time subject to the provisions of ERISA. In the event of Plan termination, each affected participant's account balance shall be 100% vested, and the account balances will be distributed to the participants by the Plan trustee.

5. Income Tax Status

The Plan has received a determination letter from the Internal Revenue Service dated March 18, 2003, stating that the Plan is qualified under Section 401(a) of the Code and, therefore, the related trust is exempt from taxation. Once qualified, the Plan is required to operate in conformity with the Code to maintain its qualification. The Plan administrator has indicated that it will take the necessary steps, if any, to bring the plan's operations into compliance with the Code.

6. Risks and Uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

7. Subsequent Events

Subsequent to December 31, 2007, the financial markets in which the Plan invests experienced significant declines in value resulting in investment losses for the Plan. The investment results for individual participants are dependent upon the investment allocation of their accounts.
