Independent Auditors' Report

Vita Living, Inc. 403(b) Plan and Participants
Houston, Texas

We have audited the accompanying statement of net assets available for benefits of Vita Living, Inc. 403(b) Plan, as of December 31, 2009 and the related statement of changes in net assets available for benefits for the year ended December 31, 2009. These financial statements are the responsibility of the Plan's management. Our responsibility is to express an opinion on these financial statements based on our audit.

We conducted our audit in accordance with auditing standards generally accepted in the United States. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement. An audit includes consideration of internal control over financial reporting as a basis for designing audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control over financial reporting. Accordingly, we do not express such opinion. An audit also includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements, assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. We believe that our audit provides a reasonable basis for our opinion.

In our opinion, the financial statements referred to above present fairly, in all material respects, the net assets available for benefits of the Plan as of December 31, 2009 and the changes in net assets available for benefits for the period ended December 31, 2009 in conformity with accounting principles generally accepted in the United States.

Our audit was performed for the purpose of forming an opinion on the basic financial statements taken as a whole. The supplemental schedules, as listed in the index, are presented for additional analysis and are not a required part of the basic financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosures under the Employee Retirement Income Security Act of 1974. These supplemental schedules are the responsibility of the Plan's management. The supplemental schedules have been subjected to the auditing procedures applied in the audits of the basic financial statements and, in our opinion, are fairly stated in all material respects in relation to the basic financial statements taken as a whole.

We have compiled the accompanying statement of assets available for benefits of Vita Living, Inc. 403(b) Plan as of December 31, 2008, in accordance with the Statements on Standards for Accounting and Review Services issued by the American Institute of Certified Public Accountants.

A compilation is limited to presenting in the form of financial statements information that is the representation of management. We have not audited or reviewed the accompanying statement of net assets available for benefits and, accordingly, do not express an opinion or any form of assurance on it.

VITA LIVING, INC. 403(b) PLAN

NOTES TO FINANCIAL STATEMENTS

NOTE A - DESCRIPTION OF PLAN

The following description of the Vita Living, Inc. 403(b) Plan ("the Plan") provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

General - The Plan is a defined contribution plan covering all full-time employees of Vita Living, Inc. The Plan became effective January 1, 1998. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA). Benefits under the Plan are provided by a trust fund. All assets in the Plan are subject to participant investment directions.

Contributions - Each year, participants may contribute up to the maximum percentage allowable of their pretax annual income, subject to the limits set by the Internal Revenue Code. There are no employer matching contributions.

Participant Accounts - Each participant's account is credited with the allocations of (a) their contribution, (b) Plan earnings, and (c) amounts charged from an allocation of administrative expenses. Allocations are based on participant earnings or account balances, as defined in the Plan. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting - The participants contributions are 100% vested.

Payment of Benefits - On termination of service, participants may elect to have his or her vested account distributed in one lump sum or as specified in the Plan.

NOTE B - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting - The financial statements of the Plan are prepared under the accrual method of accounting.

Use of Estimates - The preparation of financial statements in conformity with accounting principles generally accepted in the United States requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

Investment Valuation and Income Recognition - The Plan's investments are stated at fair value. Shares of mutual funds with RiverSource Life Insurance Company (RVS) and other mutual funds are valued at quoted market prices which represent the net asset value held by the Plan at the end of its fiscal year. Purchases and sales of securities are recorded on a trade-date basis. Dividends are recorded on the accrual basis as recognized by the different portfolios managed by RiverSource.

SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (continued)

Participant loans - These loans are considered to be fully collectible; accordingly, an allowance for doubtful amounts has not been established.

Payment of Benefits - Benefits are recorded when paid.

NOTE C - FAIR VALUE MEASUREMENTS

The Plan's investments are reported at fair value in the accompanying statement of net assets available for benefit. The methods used to measure fair value may produce an amount that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The financial statements reflect the adoption of the fair value measurements established by the Accounting Standards Codification (ASC) Section 820. ASC Sec 820 establishes a single authoritative definition of fair value, sets a framework for measuring fair value and requires additional disclosures about fair value measurement. In accordance with ASC Sec 820, the Plan classifies its investments into Level 1, which refers to securities traded in an active market; Level 2, which refers to securities not traded on an active market but for which observable market inputs are readily available or Level 1 securities where there is a contractual restriction; and Level 3, which refers to securities not traded in an active market and for which no significant observable market inputs are available. The Plan's portfolio investments based on fair values at December 31, 2009 of $139,167 were entirely classified as Level 1. The fair value of participant loans at December 31, 2009 of $11,724 approximates the amortized cost of the loans because the loans are secured by each respective participant's account balance and were classified as Level 3.

NOTE D - INVESTMENTS

The following presents investments that represent 5% or more of the Plan's net assets.

	2009	Unaudited 2008
Fid VIP MidCap Cl 2	$ 8,878	$ 868
RVS VP Balanced Fd	29,118	29,697
RVS VP Div Bond Fd	22,280	19,134
RVS VP Div Eq Inc Fd	9,246	1,695
RVS Dynam Equity	6,699	-
Wagner USA	7,078	4,951
WFAdv VT Opportunity	6,503	4,435
Total	$ 89,802	$ 60,780

The above investments are participant directed.

During 2009, the Plan's investments (including gains and losses on investments bought and sold, as well as investments held at year end) appreciated in value by $28,107.

NOTE E - RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits.

NOTE F - TAX STATUS

The Plan is based on The Allocation Company, Inc. Basic Plan Document E04-403B. The Internal Revenue Service determined and informed the sponsor that the master plan is acceptable and in accordance with section 403B of the Internal Revenue Code.

NOTE G - RECONCILIATION OF FINANCIAL STATEMENTS TO FORM 5500

The following is a reconciliation of net assets available for benefits per financial statements to the Form 5500:

Net assets available for benefits per financial statements	$ 150,891

Independent Auditors' Report on Supplemental Schedules

Vita Living, Inc. 403(b) Plan and Participants
Houston, Texas

Our audit was performed for the purpose of forming an opinion on the basic financial statements taken as a whole. The supplemental schedule of assets held for investment purposes and reportable transactions is presented for the purpose of additional analysis and is not a required part of the basic financial statements but is supplemental information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974. The supplemental schedule has been subjected to the auditing procedures applied in the audit of the basic financial statements, and, in our opinion, is fairly stated in all material respects in relation to the basic financial statements taken as a whole.
