INDEPENDENT AUDITOR'S REPORT

To the Administrative Committee of
F. Radich Motors Inc., 401(K) Plan

We have been engaged to audit the accompanying statements of net assets available for benefits of F. Radich Motors Inc., 401(K) Plan, as of March 31, 2010 and 2009 and the related statement of changes in net assets available for benefits for the years ended March 31, 2010 and 2009. These financial statements are the responsibility of the Plan's management. Our responsibility is to express an opinion on these financial statements based on our audits.

As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974, the plan administrator instructed me not to perform, and we did not perform, any auditing procedures with respect to the information summarized in notes to the financial statements, which was certified by MFS Retirement Services, Inc., except for comparing the information with the related information included in the financial statements and supplemental schedules. I have been informed by the plan administrator that the trustee holds the Plan's investment assets and executes investment transactions. The plan administrator has obtained a certification from the trustee as of and for the year ended March 31, 2010 and 2009 that the information provided to the plan administrator by the trustee is complete and accurate.

Because of the significance of the information that we did not audit, we are unable to, and do not express and opinion on the accompanying financial statements and the schedules taken as a whole. The form and content of the information included in the financial statements and schedules, other than that derived from the information certified by the trustee, have been audited by us in accordance with generally accepted auditing standards and, in my opinion, are presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974.

In my opinion, except for the effects of such adjustments, if any, as might have been determined to be necessary had we performed procedures with respect to the information summarized in the Notes to the financial statements, the financial statement referred to above present fairly, in all material respects, the financial status of F. Radich Motors Inc., 401K Plan as of March 31, 2010 and 2009, and the changes in its financial status for the years ended March 31, 2010 and 2009 in conformity with U.S. generally accepted accounting principles.

F. RADICH MOTORS, INC., 401(K) PLAN

NOTES TO FINANCIAL STATEMENTS

MARCH 31, 2010 and 2009

NOTE 1 – DESCRIPTION OF THE PLAN

The following description of the F. Radich Motors, Inc., 401(k) Plan provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

General – The Plan is a defined contribution plan covering all full-time employees of the Company not covered by collective bargaining and meeting certain service requirements. It is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

Contributions – Each employee is entitled to contribute up to $16,500 (for calendar year 2010 and 2009) of his or her before tax wages. The Company has the option of providing a discretionary match or profit sharing contribution. The trustees have adopted a policy of fully funding the plan on a current basis. Minimum funding requirements have been met for the current year.

Participant Accounts – Each participant's account is credited with his or her contributions, the Company's discretionary contribution, if any, Plan earnings, and forfeitures of non-vested accounts of terminated participants. Allocations are based on participant's contributions or account balances as defined in the plan document. The benefit to which a participant is entitled is the benefit that can be provided from the participant's account.

Vesting – Participants are immediately vested in their voluntary contributions plus their contribution's earnings. Vesting in the Company's discretionary matching and/or supplemental contribution portion of their accounts plus actual earnings is based on years of continuous service. A participant is 100% vested after six years of credited service.

Retirement – Normal retirement is age sixty-five. Distribution of benefits to participants generally begin no later than sixty days after close of the plan year in which the participant attains age sixty-five, or the participant terminates service with the employer.

Payments and Benefits – Upon Termination of service, a participant may elect to receive payment of his or her account in a lump-sum or Qualified Joint and Survivor Annuity.

Forfeitures - Forfeitures are used to reduce the employer liability for current contributions. The amount of forfeitures available to reduce current contributions was $10,031 as of March 31, 2010.

Administration Fees – The plan sponsor absorbed the administrative costs for the year ended March 31, 2010 and 2009.

NOTE 2 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting:

The Financial statements of the Plan are prepared using the accrual basis of accounting.

Estimates:

The preparation of financial statements in conformity with U.S. generally accepted accounting principles requires the plan administrator to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results may differ from those estimates.

Investments Valuation and Income Recognition:

The Plan's investments are stated at fair value. Shares of mutual funds are valued at quoted market prices, which represent the net asset value of shares held by the Plan at year-end.

Purchases and sales of securities are recorded on a trade-basis. Interest income is recorded on the cash basis. Dividends are recorded when received.

Payments of Benefits:

Benefits are recorded when paid. During the fiscal year ended March 31, 2010 and 2009, some of the highly compensated employees deferred excessive funds. The liability of $0 and $8,152 respectively represents the excess deferrals to be returned to the participants.

NOTE 3 – PLAN ADMINSTRATION AND TRUSTEE ARRANGEMENTS

All Plan investments, administration and trustee duties are with Ascensus.

NOTE 4 – INVESTMENTS

The following presents investments at March 31, 2010, and 2009 that represent 5% or more of the Plan's net assets:
