INDEPENDENT AUDITORS' REPORT

To The Plan Administrator
M.S. Kennedy Corp.
401(K) Savings Plan

We have audited the accompanying statements of net assets available for benefits of M.S. Kennedy Corp. 401(K) Savings Plan for the 6 months period ended June 30, 2010 and the year ended December 31, 2009 and the related statements of changes in net assets available for benefits for the period/year then ended. These financial statements are the responsibility of the Plan's management. Our responsibility is to express an opinion on these financial statements based on our audits.

We conducted our audits in accordance with generally accepted auditing standards. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. We believe that our audits provide a reasonable basis for our opinion.

In our opinion, the financial statements referred to above present fairly, in all material respects, the net assets available for benefits of the Plan for the 6 months period ended June 30, 2010 and the year ended December 31, 2009, and the changes in net assets available for benefits for the period and the year then ended in conformity with accounting principles generally accepted in the United States of America.

As further discussed in Note 7 to the financial statements, the M.S. Kennedy Corp. 401(K) Savings Plan was merged with and into the Anaren, Inc. Employee Savings and Retirement Plan effective June 30, 2010.

Note 1 – Summary of Significant Accounting Policies

Basis of Presentation

The financial statements included herein were prepared on the accrual basis of accounting in accordance with generally accepted accounting principles and were in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure.

Use of Estimates

The preparation of financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

Investments

Investments in the Plan were reported at current value. The Plan's assets were held by the American Funds Group, a family of mutual funds, but were transferred to Fidelity Investments as of June 30, 2010. Current values of the funds held in mutual funds were reported at year end at market value. Consequently, increases or decreases in the value of these funds were reflected in the financial statements as unrealized gains or losses on investments in mutual funds.

Employee Loans

Employees were permitted to borrow against employee – deferred amounts only at prime plus 1%. The plan provided for a maximum of two loans per participant with repayment schedules not to exceed 5 years unless the loans were used for the purchase of a principal residence.

Administrative Expenses

Administrative expenses were paid by M.S. Kennedy Corp.

Recent Accounting Standards

Effective September 1, 2008, the Plan adopted Statement of Financial Accounting Standards (SFAS) No. 157, Fair Value Measurements (SFAS 157), as amended. SFAS 157 defines fair value and establishes a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value.

Fair value is defined as the exchange price that would be received for an asset or paid to transfer a liability (an exit price) in the principal or most advantageous market for the asset or liability in an orderly transaction between market participants on the measurement date. The three levels of the fair value hierarchy are as follows:

Note 1 – Summary of Significant Accounting Policies – (cont'd)

Recent Accounting Standards – (cont'd)

- Level 1 inputs are quoted prices (unadjusted) in active markets for identical assets or liabilities that a reporting entity has the ability to access at the measurement date.
- Level 2 inputs are inputs other than quoted prices included within Level 1 that are observable for the asset or liability, either directly or indirectly.
- Level 3 inputs are unobservable inputs for the asset or liability.

The level in the fair value hierarchy within which a fair measurement falls is based on the lowest level input that is significant to the fair value measurement.

The adoption of SFAS 157 did not have a material impact on the Plan's financial statements.

In May 2009, the FASB issued guidance now incorporated in ASC Topic 855 "Subsequent Events" (formerly SFAS 165). This guidance establishes general standards of accounting for and disclosures of events that occur after the balance sheet date but before the financial statements are issued or are available to be issued. Among other items, the guidance requires the disclosure of the date through which an entity has evaluated subsequent events and the basis for that date. The Association has adopted this guidance in its financial statements for the year ended December 31, 2009. See Note 7 for disclosure.

In June 2009, the FASB issued SFAS No. 168, "The FASB Accounting Standards Codification and the Hierarchy of Generally Accepted Accounting Principles" ("SFAS 168"). SFAS 168, which is incorporated in ASC Topic 105, "Generally Accepted Accounting Principles," identifies the ASC as the authoritative source of generally accepted accounting principles in the United States. The Plan had adopted SFAS No. 168 in 2009 third quarter.

Note 2 – Description of the Plan

General

The Plan was a defined contribution 401(K) savings/profit-sharing plan covering substantially all employees of M.S. Kennedy Corp. The Plan was adopted by M.S. Kennedy Corp. effective September 1, 1992 and was subject to the provisions of the Employees Retirement Income Security Act of 1974 (ERISA), as amended.

The Plan was administered by the Company. While the Company anticipated and believed that the Plan would continue, it reserved the right to discontinue the Plan. In the event of termination, the Plan provided that the net assets be set aside for the benefit of participants in accordance with the terms of the Plan and ERISA. Under no circumstances would any of the Plan's assets revert to the benefit of the Company.

Note 2 – Description of the Plan – (cont'd)

Eligibility

Employees became eligible to participate in the Plan after completing three months of service. There was no minimum age requirement. Employees were eligible for the Company contribution after twelve months of service.

Contributions

Each year, participants contributed up to 15 percent or a maximum of $16,500 of pre-tax annual compensation, as defined in the Plan. The Company made matching contributions of 100%, up to 6% of compensation that a participant contributed to the Plan.

Participants' Account

A participant's account was credited with the participant's deferral and the matching contribution from the Company and Plan earnings. As of each anniversary date (December 31), Plan earnings or losses were credited among the participants' accounts in the proportion that each participant's account balance bears to the total of all account balances based on a simple average for the year.

Vesting

Participants' contributions and the Company's matching contributions are 100% vested at all times.

Payment of Benefits

Upon death, total and permanent disability, retirement or termination, the participant's vested benefits are paid in a lump sum or distributed in the form of an annuity. Payment of a terminated participant's benefits could be deferred until the end of the plan year at which time the participant may have elected to have the benefits paid out in a lump sum or opt to have the benefits rolled over to another qualified plan.

Note 3 – Income Taxes

The Internal Revenue Service had ruled that the Plan qualifies under Section 401(a) of the Internal Revenue Code and was exempt from federal income taxes.

Note 4 – Plan Termination

Although it had not expressed any intent to do so, the Company had the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants would receive the total balance in their individual account.
