INDEPENDENT AUDITOR'S REPORT

To the Trustees of
Dynetics, Inc., 401(k) Plan

We have audited the accompanying Statements of Net Assets Available for Benefits of Dynetics, Inc., 401(k) Plan as of June 30, 2010 and 2009, and the related Statement of Changes in Net Assets Available for Benefits for the year then ended. These financial statements are the responsibility of the Plan's management. Our responsibility is to express an opinion on these financial statements based on our audits.

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audits to obtain reasonable assurance about whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. We believe that our audits provide a reasonable basis for our opinion.

In our opinion, the financial statements referred to above present fairly, in all material respects, the net assets available for benefits of Dynetics, Inc., 401(k) Plan as of June 30, 2010 and 2009, and the changes in its net assets available for benefits for the year ended June 30, 2010, in conformity with accounting principles generally accepted in the United States of America.

Our audits were performed for the purpose of forming an opinion on the basic financial statements taken as a whole. The Supplemental Schedules of Assets Held for Investment as of June 30, 2010, and Reportable Transactions for the fiscal year ended June 30, 2010, are presented for the purpose of additional analysis and are not a required part of the basic financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974. These supplemental schedules are the responsibility of the Plan's management. The supplemental schedules have been subjected to the auditing procedures applied in the audits of the basic financial statements and, in our opinion, are fairly stated in all material respects in relation to the basic financial statements taken as a whole.

The Corporation made discretionary contributions in the amount of 7% of compensation for the fiscal year ended June 30, 2010.
4. *Participant Accounts.* Each participant's account is credited with the participant's contribution and allocations of (a) the Corporation's contribution and (b) Plan earnings. Allocations are based on participant earnings or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.
5. *Vesting.* Participants are vested immediately in their contributions plus actual earnings thereon. Vesting in the Corporation's contribution portion of their accounts is based on years of continuous service. A participant is 100% vested after five years of credited service.
6. *Participant Loans.* Participants may borrow from their fund accounts a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50% of their account balance, whichever is less. The loans are secured by the balance in the participant's account and bear interest at

rates that range from 4.25% to 9.25%, which are commensurate with local prevailing rates as determined quarterly by the Plan administrator. Principal and interest are paid ratably through biweekly payroll deductions.

7. *Payment of Benefits.* On termination of service due to death, disability, or retirement, a participant may elect to receive either a lump-sum amount equal to the value of the participant's vested interest in his or her account or an annuity. For termination of service for other reasons, a participant may receive the value of the vested interest in his or her account as a lump-sum distribution.
8. *Forfeited Accounts.* Forfeited accounts are redistributed to other participants based on covered compensation for the period of reallocation.

B. Summary of Accounting Policies

Basis of Accounting

The financial statements of the Plan are prepared using the accrual method of accounting.

Use of Estimates

The preparation of financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

Investment Valuation and Income Recognition

The Plan's investments are stated at fair value. If available, quoted market prices are used to value investments. Shares of mutual funds are valued at the net asset value of shares held by the Plan at year end. Participant loans are valued at their outstanding balances, which approximate fair value.

Purchases and sales of securities are recorded on a trade-date basis. Dividends are recorded on the ex-dividend date.

Payment of Benefits

Benefits are recorded when paid.

C. Investments

During 2010, the Plan's investments (including gains and losses on investments bought and sold, as well as held during the year) appreciated in value by \$10,636,189. This was all in mutual funds.

D. Plan Termination

Although it has not expressed any intent to do so, the Corporation has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants would become 100% vested in their employer contributions.

E. Tax Status

The Internal Revenue Service has determined and informed the Corporation by a letter dated September 19, 2008, that the Plan and related trust are designed in accordance with applicable sections of the Internal Revenue Code (IRC). Although the Plan has been amended since receiving the determination letter, the Plan administrator and the Plan's tax counsel believe that the Plan is designed and is currently being operated in compliance with the applicable requirements of the IRC.

F. Administration of Plan Assets

The Plan's assets, which consist of participant directed investments, are held by the Trustee of the Plan.

Corporation contributions are held and managed by the Trustee, which invests cash received, interest and dividend income, and makes distributions to participants.

Certain administrative functions are performed by officers or employees of the Corporation or its subsidiaries. No such officer or employee receives compensation from the Plan.

G. Risks and Uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the Statements of Net Assets Available for Benefits.

H. Reconciliation of Financial Statements to Form 5500

There were no amounts allocated to withdrawing participants. Therefore, there were no differences between the financial statements and the Form 5500.

I. Subsequent Events

The plan has evaluated subsequent events through April 8, 2011, the date the financial statements were available to be issued.
