Independent Auditors' Report

To the Plan Administrators of Lifecare Home Services of N.W. Pa Retirement Plan

We were engaged to audit the financial statements of Lifecare Home Services of N.W. Pa Retirement Plan ("the Plan") as of June 30, 2010 and 2009, and for the year ended June 30, 2010, and the supplemental schedules as of and for the year ended June 30, 2010, as listed in the accompanying index. These financial statements and schedules are the responsibility of the Plan's management.

As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974, the plan administrator instructed us not to perform, and we did not perform, any auditing procedures with respect to the information summarized in Note 6, which was certified by Ascensus, acting as agent for Frontier Trust Company, the current trustee of the plan and MG Trust, the previous trustee of the Plan, except for comparing the information with the related information included in the financial statements and supplemental schedule. We have been informed by the plan administrator that Frontier Trust held the Plan's investment assets and executed investment transactions from May 10, 2010 to June 30, 2010, and that MG Trust held the Plan's investment assets and executed investment transactions as of June 30, 2009 and for the period July 1, 2009 to May 9, 2010. The plan administrator has obtained certifications from the trustees (or its agent) as of and for the years June 30, 2010 and 2009, that the information provided to the plan administrator by the trustees is complete and accurate.

Because of the significance of the information that we did not audit, we are unable to, and do not, express an opinion on the accompanying financial statements and schedules taken as whole. The form and content of the information included in the financial statements and schedules, other than that derived from the information certified by trustee, have been audited by us in accordance with auditing standards generally accepted in the United States of America and, in our opinion, are presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under Employee Retirement Income Security Act of 1974.

Lifecare Home Services of N.W. Pa Retirement Plan

Notes to Financial Statements

Note 1 - Description of Plan

The following description of the Lifecare Home Services of N.W. Pa Retirement Plan ("the Plan") provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

General

The Plan is a defined contribution plan covering all eligible employees of Lifecare Home Services of N.W. Pa., d/b/a Great Lakes Home Healthcare Services, (the "Company"). Employees must be 18 years of age to participate in the plan and have completed one year of eligible service. It is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA). Administrative expenses of the Plan are paid by the Company.

Contributions

Participants may contribute up to 100% of eligible compensation, up the amount allowed by applicable law, as defined in the Plan agreement. Participants may also make roll-over contributions to the plan from other qualified defined benefit or contribution plans. Participants direct the investment of their contributions into various investment options offered by the Plan. The Plan offers mutual funds as investment options. The Plan permits the employer to make a discretionary match to each eligible participant's account. The Plan also permits the employer to make a discretionary profit sharing contribution for each plan year as defined in the Plan document. For the year ended June 30, 2010, the employer's discretionary match totaled \$66,499.

Participant's Accounts

A separate record keeping account is maintained for each participant to record contributions, payments, and investment direction. Each contribution is allocated at the time it is received by the trustee.

Participant's Loans

Participants may borrow from their accounts. Generally, participants must repay his or her loan in full within five years. The maximum loan amount is the lesser of one-half of the participant's vested account balance or \$50,000. The minimum amount is \$1,000. Principal and interest are paid through periodic payroll deductions. The interest rate equals the prime rate as printed in the Wall Street Journal at the time of the loan.

Vesting

Participants are immediately vested in their contributions plus actual earnings thereon. Vesting in the Company's contributions is based on years of service, as defined in the Plan document. A participant is 100% vested in the matching contributions after five years of service. A participant is considered fully vested upon death, disability or satisfaction of the conditions for early retirement age.

Payment of Benefits

Benefits are payable to participants upon termination of employment, retirement, death, disability or on account of hardship as defined within the Plan document. Benefits are paid in the form of a lump sum.

Forfeited Accounts

Forfeited balances are available to reduce employer contributions. At June 30, 2010, \$23,729 of accumulated forfeited balances are included in plan assets, of which \$8,207 were forfeitures made in the current year.

Note 2 - Summary of Significant Accounting Policies

Basis of Accounting

The financial statements of the Plan are prepared using the accrual method of accounting.

Lifecare Home Services of N.W. Pa Retirement Plan

Notes to Financial Statements

Estimates

The preparation of financial statements in conformity with generally accepted accounting principles requires the plan administrator to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results may differ from those estimates.

Payment of Benefits

Benefits are recorded when paid.

Subsequent Events

Management has evaluated subsequent events through April 13, 2011, the date the financial statements were available to be issued.

Note 3 - Investments

Investments consist of registered investment companies (e.g. mutual funds). FASB ASC 820, *Fair Value Measurements*, defines fair value as the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. FASB ASC 820 also established a hierarchy for inputs used in measuring fair value that maximizes the use of observable inputs and minimizes the use of unobservable inputs by requiring that observable inputs be used when available. Observable inputs are inputs that market participants would use in pricing the asset or liability developed based on market data obtained from sources independent of the Plan. Unobservable inputs are inputs that reflect the Plan's assumptions about the assumptions market participants would use in pricing the asset or liability developed based on the best information available in the circumstances. The hierarchy is broken down into three levels based on the reliability of inputs as follows:

Level 1- Level 1 inputs are quoted prices (unadjusted) in active markets for identical assets or liabilities that the reporting entity has the ability to access at the measurement date.

Level 2- Level 2 inputs are inputs other than quoted prices included within Level 1 that are observable for the asset or liability, either directly or indirectly.

Level 3- Level 3 inputs are unobservable inputs for the asset or liability.

The Plan's investments are measured at fair value and are classified as Level 1, per above.

Investments representing 5% or more of net assets available for benefits include the following accounts and related balances at June 30, 2010.

Invesco Small Cap Growth Fund R	\$ 180,567
