A. DESCRIPTION OF PLAN

The following description of the Faust Distributing Company, Inc. (The Company) Employee Benefit Plan (the Plan) provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

1. **General.** The Plan provides health and death benefits covering substantially all employees of the Company. It is subject to the Employee Retirement Income Security Act of 1974 (ERISA).

2. **Benefits.** The Plan provides group life insurance, medical benefits, dental benefits, vision benefits, short-term disability, prescription drug benefits, stop loss benefits, accidental death & disbursement benefit and long-term disability benefits covering full-time employees of the Company who have worked for the Company for at least thirty days.

   Eligibility for this benefit begins upon the first month following completion of the first 30 days of continuous employment.

3. **Contributions.** The Plan agreement provides that funding of the Plan will be achieved through contributions made by the employer described in the Trust Agreement (and by participating employees of the employer who elected to require their employees to share the cost of providing benefits) to keep the Plan and the Trust on an actuarially sound basis.

B. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

The following are the significant accounting policies followed by the Plan:

1. **Date of Management's Review.** Subsequent events were evaluated through October, 5, 2010, which is the date the financial statements were available to be issued.

2. **Basis of Accounting.** The accompanying financial statements have been prepared using the accrual method of accounting.

3. **Use of Estimates.** The preparation of financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Estimates included in these financial statements are those for benefit obligations. Actual results could differ from those estimated. Estimates could change prior to December 31, 2010.

4. **Plan Benefits.** Plan benefits are recorded when they are paid.

5. **Benefit Obligations.** The Plan's Benefit Obligations are those for claims payable, claims incurred but not reported, and insurance premiums payable. The benefit obligations for claims payable and claims incurred but not reported are provided by the Plan's consultant. The consultant uses a Group Experience Report which discloses the industry averages for similar plans for the calculation of theses benefit obligations of Faust Distributing Company Employee Benefit Plan.

C. INCOME TAX STATUS

The plan obtained its determination letter on December 21, 1992 in which the Internal Revenue Service stated that the plan, as then designed, was in compliance with the applicable requirements of the Internal Revenue Code. The plan has been amended since receiving the determination letter. However, the plan sponsor believes that the plan is currently designed and being operated in compliance with the applicable requirements of the Internal Revenue Code. Therefore, they believe that the plan was qualified and the related trust was tax-exempt as of the financial statement date. Hence, no provision for income taxes has been included in the Plan's financial statements.

D. FUNDING POLICY

The Plan is funded by employer and employee contributions. The funding policy has not changed since the previous audit report was issued.

E. TERMINATION OF PLAN AND TRUST FUND

Currently there are no intentions to terminate the Plan, but any employer may terminate the Trust with respect to itself by executing and delivering to the Trustee a notice of termination which specifies the date on which the Plan and Trust shall terminate. Likewise, the Trust will automatically terminate with respect to any employer upon the adjudication of that employer as bankrupt, the general assignment by that employer to or for the benefit of its creditors, or the dissolution of that employer without a successor. Upon the termination of the Trust by any employer, the Trustee shall thereupon use and apply the Trust Fund for the payment of all obligations of the Trust, which are incurred on behalf of the terminating employer. Except as otherwise provided herein, remaining funds shall be used and applied by the Trustee, as directed by the Committee, to provide additional benefits of the kind and type described in Article II hereof to the members then participating hereunder or for such other similar or related purposes as shall not adversely affect the Trust's then tax exempt status under state and federal law. Notwithstanding any other provision of the Trust, should any employer terminate its participation in the Trust pursuant to this Section 14.4, because the Internal Revenue Service fails to determine that the Plan and Trust initially qualify as a voluntary employees' beneficiary association under Section 501 (c) (9) of the Internal Revenue Code of 1986, as amended, all contributions of such employer (to the extent not expended hereunder) shall be returned by the Trustee to the employer which contributed the amounts to be returned as certified by the Committee from its records. The Trustee shall be entitled to rely upon such certification in returning such funds and shall not be under any liability or responsibility therefore. The termination of the Trust as to any one or more employers will not constitute a termination of this Trust with respect to the other remaining employers.

Independent Auditors' Report on Operating Expenses
December 31, 2009 and 2008

Our audits were performed for the purpose of forming an opinion on the basic financial statements taken as a whole. The schedules of operating expenses is included for additional analysis. The schedules of operating expenses are the responsibility of the Plan's management. The schedules of operating expenses has been subjected to the auditing procedures applied in the audits of the basic financial statements and, in our opinion, are fairly stated in all material respects in relation to the basic financial statements taken as a whole.
