NOTE 1 DESCRIPTION OF PLAN:

The following description of the UCI Construction, Inc. Profit Sharing and Employee Savings Plan (Plan) provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

General - The Plan is a qualified defined contribution plan subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

Eligibility - The Plan covers all employees who have worked 12 consecutive months during which they completed at least 1,000 hours of service and are 21 years of age.

Contributions - Eligible employees may contribute up to a maximum annual contribution specified by the Internal Revenue Service. The maximum employee contribution was $16,500 ($22,000 for employees age 50 or older) for the years ended December 31, 2010 and 2009.

UCI Construction, Inc. (Company) contributed a match of 1% of the employee's contributions up to the maximum amount allowed by the IRS for the Plan year.

Participant Accounts - All contributions to the Plan are directed by the participants into investments in funds made available through a contract with the custodian. Upon termination of employment, retirement, or death, a participant or his/her beneficiary may elect to have the benefits distributed in one lump sum cash payment or in equal installments over a period of not more than their assumed life expectancy as determined at the time of distribution.

Funding Policy - Employee contributions are remitted within 15 days after the month from which the contributions are withheld. The employer matching contributions are remitted with employee contributions.

Vesting - Participants are immediately vested in their contributions and the employer matched contributions plus actual earnings thereon.

Participant Loans - Participant loans represent amounts borrowed by Plan participants from their individual accounts. Participants may borrow the lesser of $50,000 or 50% of their vested account with a minimum loan of $1,000. Repayments of principal and interest must be made via payroll deductions.

NOTE 1 DESCRIPTION OF PLAN (Continued):

During the year ended December 31, 2010, the annual interest rate applied to outstanding loan balances as of the date of issuance was 4%. A participant may only have one loan outstanding at a time.

Distributions - In the event of retirement, disability or death, the participant's account will be distributed in a single distribution or in an annuity not to exceed the participant's life expectancy. In addition, participants may request hardship withdrawals which are defined as medical, educational and certain other expenses for which the participants have no other available funds. All withdrawals are subject to limits specified in the Plan and by the Internal Revenue Code.

Current Year Amendments - The Plan was restated effective January 1, 2009 to allow participation by UCI Construction Holding Company, a related employer. The change had no effect on benefits or net assets.

NOTE 2 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES:

Basis of Accounting - The financial statements of the Plan are prepared under the accrual method of accounting.

Use of Estimates - The preparation of financial statements in conformity with generally accepted accounting principles requires the Plan's management to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results could differ from those estimates.

Investment Valuation and Income Recognition - Investments are valued at fair value as determined by Great-West Life and Annuity Insurance Company (Great-West) using Unit Values. The investments' Unit Values are affected by the performance of the underlying mutual funds as well as the deductions for separate account charges. See Note 4 for additional fair value measurement information.

Net appreciation or depreciation of investments is determined from fair values as of the previous plan year end or from cost if acquired during the current year.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis and dividends are recorded on the ex-dividend date. Capital gain distributions are included in dividend income.

NOTE 2 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued):

Administrative Expenses - Certain costs of administering the Plan are paid by the Plan and include investment advisory fees. The fees for accountants, trustees and third-party administrators are paid by the Plan or by the Plan sponsor.

Recording of Benefits - Benefits are recorded when paid.

NOTE 3 INVESTMENTS:

The following table presents investments at December 31, 2010 and 2009 that represent 5% or more of the Plan's net assets at year end (omission of number indicates investment balance was less than 5% for the year indicated).
