INDEPENDENT AUDITORS' REPORT

Plan Administrator
Cameron Fabricating Corporation
Employees' Health Benefit Plan

We have audited the accompanying financial statements of Cameron Fabricating Corporation Employees' Health Benefit Plan as of September 30, 2010 and 2009, and for the years then ended. These financial statements are the responsibility of the Plan's management. Our responsibility is to express an opinion on these financial statements based on our audits.

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement. An audit includes consideration of internal control over financial reporting as a basis for designing audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control over financial reporting. Accordingly, we express no such opinion. An audit also includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements, assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. We believe that our audits provide a reasonable basis for our opinion.

As describe in Note A to the financial statements, the Board of Directors of Cameron Fabricating Corporation, the Plan's sponsor, voted to terminate the trust effective September 30, 2010. In accordance with accounting principles generally accepted in the United States of America, the Plan has changed its basis of accounting used to determine the amounts at which accumulated benefit information is stated, from the ongoing plan basis to the liquidation basis as of and for the year ended September 30, 2010.

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial status of Cameron Fabricating Corporation Employees' Health Benefit Plan as of September 30, 2010 and 2009, and the change in its financial status for the years then ended in conformity with accounting principles generally accepted in the United States of America.

INDEPENDENT AUDITORS' REPORT

Plan Administrator
Cameron Fabricating Corporation
Employees' Health Benefit Plan

We have audited the accompanying financial statements of Cameron Fabricating Corporation Employees' Health Benefit Plan as of September 30, 2010 and 2009, and for the years then ended. These financial statements are the responsibility of the Plan's management. Our responsibility is to express an opinion on these financial statements based on our audits.

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement. An audit includes consideration of internal control over financial reporting as a basis for designing audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control over financial reporting. Accordingly, we express no such opinion. An audit also includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements, assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. We believe that our audits provide a reasonable basis for our opinion.

As describe in Note A to the financial statements, the Board of Directors of Cameron Fabricating Corporation, the Plan's sponsor, voted to terminate the trust effective September 30, 2010. In accordance with accounting principles generally accepted in the United States of America, the Plan has changed its basis of accounting used to determine the amounts at which accumulated benefit information is stated, from the ongoing plan basis to the liquidation basis as of and for the year ended September 30, 2010.

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial status of Cameron Fabricating Corporation Employees' Health Benefit Plan as of September 30, 2010 and 2009, and the change in its financial status for the years then ended in conformity with accounting principles generally accepted in the United States of America.

NOTES TO FINANCIAL STATEMENTS

SEPTEMBER 30, 2010 AND 2009

NOTE A: TRUST TERMINATION

The Plan sponsor elected to terminate the trust which holds the Plan assets effective September 30, 2010. The net assets of the trust will be allocated to the Plan sponsor to fund the plan with the general assets of the Company beginning October 1, 2010.

In accordance with accounting principles generally accepted in the United States of America, the Plan has changed its basis of accounting used to value the plan assets from the ongoing basis to the liquidation basis as of and for the year ended September 30, 2010.

NOTE B: DESCRIPTION OF THE PLAN

The following description of the Plan provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

General

The Plan provides health and other benefits covering all full-time employees of Cameron Manufacturing & Design Inc. (the Company). An employee becomes a participant upon making the required contributions and meeting the required waiting period. The Plan and related trust were established on October 1, 1992 and is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA), as amended.

Benefits

The Plan provides health benefits (hospital, surgical, major medical, and dental) for participating employees and their covered dependents. Members become participants upon completing 60 days of employment of at least thirty hours per week.

Participants are allowed to establish and fund Flexible Spending Accounts. Medical expenses not covered by the Plan can be reimbursed to the participant from these accounts. Balances in these accounts amounted to $7,550 and $2,230 at September 30, 2010 and 2009, respectively and are included in Allocated Net Assets Available for Benefits in the accompanying financial statements.

Contributions

Employee – Participants may choose from three plans with varying deductibles, out of pocket maximums and coverage of benefits. Annual employee contributions range from $780 to $2,340 for family coverage and from $520 to $1,092 for single coverage.

Employer – The Company contributes an amount to fund the Plan in excess of employee contributions.

Excess Risk Premium Insurance

An insurance contract with an insurance carrier provides coverage if claims for a specific individual or the Plan exceed a specified amount. Reimbursements from this insurance contract amounted to $183,914 for the year ended September 30, 2010. Premiums paid on this insurance contract amounted to $252,762 for the year ended September 30, 2010.

NOTE C: SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of accounting

The financial statements of the Plan were maintained on the accrual method of accounting as of and for the year ended September 30, 2009 and on the liquidation basis of accounting as of and for the year ended September 30, 2010.

Income recognition

Interest income is recorded on the accrual basis.

Plan benefits

Plan obligations at September 30 for health claims incurred by active participants but not reported at that date are based on actual claims paid at September 30, 2010 and estimated by the Plan's actuary in accordance with accepted actuarial principles at September 30, 2009.

Use of estimates in the preparation of financial statements

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets, liabilities and changes therein, IBNR, claims payable and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

Subsequent events

The Plan has conducted an evaluation of potential subsequent events occurring after the date of the statement of net assets in liquidation available for benefits through July 11, 2011, which is the date the financial statements are available to be issued. No subsequent events requiring disclosure were noted.

NOTE D: BENEFIT OBLIGATIONS

The Plan's deficiency of net assets over benefit obligations at September 30, 2010 and 2009, related to claims incurred but not reported. The deficiency was funded through employer contributions.

NOTE E: TAX STATUS

The Trust established under the Plan to hold the Plan's assets is intended to qualify pursuant to Section 501(c)(9) of the Internal Revenue Code, and accordingly, the Trust's net investment income is exempt from income taxes. The Trust has obtained a favorable tax determination letter from the Internal Revenue Service. The Trust was terminated effective September 30, 2010.

Accounting principles generally accepted in the United States of America require plan management to evaluate tax positions taken by the plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the Internal Revenue Service. The Plan Administrator has analyzed the tax positions taken by the Plan, and has concluded that as of September 30, 2010, there are no uncertain positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements. The Plan is subject to routine audits by tax jurisdictions; however, there are currently no audits for any tax periods in progress. The Plan Administrator believes it is no longer subject to income tax examinations for years prior to September 30, 2007.

NOTE F: RISKS AND UNCERTAINTIES

The actuarial present value of benefit obligations is reported based on certain assumptions pertaining to interest rates, health care inflation rates, and employee demographics, all of which are subject to change. Due to uncertainties inherent in the estimations and assumptions process, it is at least reasonably possible that changes in these estimates and assumptions in the near term would be material to the financial statements.

NOTE G: RECONCILIATION OF FINANCIAL STATEMENTS TO FORM 5500

The following is a reconciliation of net assets available for benefits per the financial statements to the Form 5500:

	September 30, 2010	September 30, 2009
Net assets available for benefits per the financial statements	$ 120,421	$ 101,424
