The plan administrator has obtained a certification from the trustee as of and for the year ended December 31, 2010, that the information provided to the plan administrator by the trustee is complete and accurate.

NOTE 1. DESCRIPTION OF PLAN

The following description of the Darvin Furniture & Appliances of Orland Park, Inc. ("Company") Employees' 401(k) Profit Sharing Plan ("Plan") provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

General

The Plan is a defined contribution plan covering all employees of the Company who have completed 90 days of service, except for union employees. It is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

Contributions

Each year, participants may contribute a percentage of pretax annual compensation, as defined in the Plan document. Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions. Participants may also contribute amounts representing distributions from other qualified defined benefit or contribution plans.

The Company may make a matching contribution on behalf of all active and terminated participants in an amount equal to a discretionary percentage of the deferral contributions made by each participant during a quarterly calculation period. The Company may also make discretionary profit sharing contributions on behalf of participants who have completed more than 1,000 hours of service and who are employed on the last day of the Plan year. For the year ended December 31, 2010, the Company made matching contributions totaling $71,145 and no profit sharing contributions.

The Plan currently offers various mutual funds and a money market fund as investment options for participants. The investment of participant, matching and profit sharing contributions into these investment options is determined by each participant. Contributions are subject to certain limitations.

Participant Accounts

Each participant's account is credited with the participant's contribution and allocations of (a) the Company's contributions, (b) Plan earnings and (c) forfeitures of terminated participants' nonvested accounts, and charged with an allocation of applicable administrative expenses. Allocations are based on participant earnings or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting

Participants are immediately vested in their contributions plus actual earnings thereon. Vesting in the Company's discretionary matching and profit sharing portions of their accounts is based on years of continuous service. A participant is 100% vested after six years of credited service.

As is more completely described in the Plan document, a participant also becomes 100% vested in the Company's discretionary matching and profit sharing portions of their account through attaining their normal retirement date, permanent disability or death.

Participant Loans

Participant loans are not permitted under the Plan.

Payment of Benefits

On termination of service, a participant may elect to receive an amount equal to the value of the participant's vested interest in his or her account in installments, a lump-sum payment, or in the form of a direct rollover of all or a portion of the distribution to another employer plan or individual retirement account.

The Plan provides for hardship withdrawals from a participant's contribution account. Conditions and requirements for hardship withdrawals are governed by federal law and regulations.

The Plan also provides for in-service distributions from participant's accounts in which the participant is 100% vested. The participant must have attained the age of 60.

Forfeited Accounts

Forfeited nonvested account balances are used first to reduce administrative expenses of the Plan and then to reduce future employer contributions. At December 31, 2010, forfeited nonvested accounts totaled $724.

NOTE 2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Date of Management's Review

Subsequent events were evaluated through July 8, 2011, which is the date the financial statements were available to be issued.

Basis of Accounting

The financial statements of the Plan are prepared on the accrual basis of accounting.

Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires the plan administrator to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results could differ from those estimates.

Investment Valuation and Income Recognition

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Payment of Benefits

Benefits are recorded when paid.

Administrative Expenses

The Company shall pay all administrative expenses of the Plan except to the extent such expenses are paid by the Plan or with funds from forfeited nonvested accounts.

NOTE 3. INVESTMENTS

The following table presents investments at December 31, 2010 and 2009. Investments that represent 5 percent or more of the Plan's net assets are separately identified.

There were no changes in the valuation techniques during the current year.

NOTE 5. INFORMATION PREPARED AND CERTIFIED BY TRUSTEE

The following information included in the accompanying 2010 financial statements and supplemental schedule was obtained from data that has been prepared and certified to as complete and accurate by the trustee:

Investments
Investment Income
Schedule of Assets Held for Investment Purposes

NOTE 6. PLAN TERMINATION

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants would become 100 percent vested in their employer contribution accounts.

NOTE 7. TAX STATUS

The Plan as adopted is a Volume Submitter Profit Sharing Plan and is sponsored by HPL&S Inc. The sponsoring organization has received a determination letter, dated March 31, 2008, covering the Volume Submitter Plan. A separate determination letter providing that the Darvin Furniture Employees' 401(k) Profit Sharing Plan, as adopted, and the related trust are designed in accordance with applicable sections of the Internal Revenue Code (IRC) has not been sought from the Internal Revenue Service.

Although the Plan has been amended since receiving the determination letter, the plan administrator and the Plan's tax counsel believe that the Plan is designed and is currently being operated in compliance with the applicable requirements of the IRC.

The Plan's Annual Return/Report of Employee Benefit Plan (Form 5500) is subject to examination by the Internal Revenue Service and Department of Labor, generally for three years after the date it was filed.

NOTE 8. RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits.

NOTE 9. RECLASSIFICATIONS

Certain amounts as previously reported for 2009 have been reclassified to conform to the 2010 presentation.
