## Independent Auditors' Report

To the Administrator
Mission Landscape Services, Inc.
Employee Stock Ownership Plan
Irvine, California

We have audited the financial statements and supplemental schedule of the Mission Landscape Services, Inc. Employee Stock Ownership Plan (the "Plan") as of December 31, 2010 and 2009 and for the year ended December 31, 2010. These financial statements and supplemental schedule are the responsibility of the Plan's management. Our responsibility is to express an opinion on these financial statements based on our audit.

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatements. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. We believe that our audit provides a reasonable basis for our opinion.

In our opinion, the financial statements and supplemental schedule referred to above present fairly, in all material respects, the net assets available for benefits of the Plan as of December 31, 2010 and 2009, and the changes in net assets available for plan benefits for the year ended December 31, 2010, in conformity with accounting principles generally accepted in the United States of America.

Our audit was performed for the purpose of forming an opinion on the basic financial statements and the supplemental schedule taken as a whole. The supplemental schedule of assets held for investment purposes at year end is presented for the purpose of additional analysis and is not a required part of the basic financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974. The supplemental schedule is the responsibility of the Plan's management. The supplemental schedule has been subjected to the auditing procedures applied in the audit of the basic financial statements and, in our opinion, is fairly stated in all material respects in relation to the basic financial statements taken as a whole.

NOTES TO FINANCIAL STATEMENTS

December 31, 2010 and 2009

NOTE 1 - SUMMARY OF THE PLAN

The following description of the Mission Landscape Services, Inc. Employee Stock Ownership Plan (the "Plan"), formed on September 1, 2005, provides general information only. Participants should refer to the Plan Agreement for a more complete description.

General

Mission Landscape Services, Inc. (the Company) established the Mission Landscape Services, Inc. Employee Stock Ownership Plan (the Plan) effective September 1, 2005. The Plan operates as a leveraged employee stock ownership plan (ESOP), and is designed to comply with Section 4975(e)(7) of the Internal Revenue Code and is subject to the applicable provisions of the Employee Retirement Income Security Act of 1974, as amended (ERISA). The Plan is administered by a Plan Committee comprising up to three persons appointed by the Company. The Plan's trustee is the President of Mission Landscape Services, Inc.

Accordingly, the financial statements of the Plan as of December 31, 2010 and 2009 and for the years then ended present the assets and liabilities and changes therein pertaining to (1) the accounts of employees with vested rights in all allocated stock (Allocated) and (2) stock not yet allocated to employees (Unallocated). At December 31, 2010 and 2009, there were no unallocated shares.

Eligibility

Employees of the Plan are generally eligible to participate in the Plan after completing one year of service providing they are eighteen (18) years of age and worked at least 1,000 hours during such plan year.

NOTE 1 - SUMMARY OF THE PLAN (CONTINUED)

Allocations

Allocation of Company contributions, including allocable shares and forfeitures, are made to participants who work at least 1,000 hours in the Plan year and are made in the proportion that the compensation for the Plan year of each participant eligible to share in the allocation bears to the total compensation for the Plan year of all participants eligible to share in the allocation.

Contributions and Vesting

Company contributions may be made in cash, in shares of Company stock, or any combination. The interest of each participant is recorded in individual accounts and is 100% vested after seven years of service, attainment of age 65, death while an eligible employee, or disability while an eligible employee. Employees do not make contributions to the Plan. Participants' accounts which are not 100% vested are forfeited upon employment termination with a five year break in service, and allocated to the remaining participants. In 2010 and 2009, there were allocated forfeitures of $150,478 and $11,822.

Net Appreciation /Depreciation

The Plan presents in the statement of changes in net assets the net appreciation or depreciation in the estimated fair value of its investments which consists of the unrealized appreciation (depreciation) on those investments.

Distributions

Participants or their beneficiaries are eligible for withdrawals upon retirement, permanent disability or death. After ten years of participation at age 55, participants can withdraw a portion of their account. Distributions are in cash and are paid out in a single sum or in installments over no more than five years.

Voting Rights

Each participant is entitled to exercise voting rights attributable to the shares allocated to his or her account and is notified by the Trustee prior to the time that such rights are to be exercised. The Trustee is not permitted to vote any allocated share for which instructions have not been given by a participant. The Trustee is required, however to vote any unallocated shares on behalf of the collective best interest of plan participants and beneficiaries.

NOTE 1 - SUMMARY OF THE PLAN (CONTINUED)

Put Option

Under Federal income tax regulations, the employer stock that is held by the Plan and its participants is not readily tradable on an established market or subject to trading limitations, and includes a put option. The put option is a right to demand that the Company buy any shares of its stock distributed to participants for which there is no market. The put price is representative of the fair market value of the stock. The Company can pay for the purchase with interest over a period beginning no later than thirty days after the exercise date and not exceeding five years. The purpose of the put option is to ensure that the participant has the ability to ultimately obtain cash. For the year ended December 31, 2010, the Company made contributions of $56,017 to repurchase the stock from participants.

NOTE 2 - SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The financial statements of the Plan are prepared using the accrual method of accounting.

Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements, and the reported amounts of revenue and expense during the reporting period. Actual results could differ from these estimates.

Administrative Expenses

All expenses of maintaining the Plan are paid by the Company.

Investment Valuation and Income Recognition

In September 2006, the FASB issued Accounting Standards Codification (ASC) Topic 820, *Fair Value Measurements* (ASC 820), which defines fair value as the exchange price that would be received for an asset or paid to transfer a liability (an exit price) in the principal or most advantageous market for the asset or liability in an orderly transaction value hierarchy which requires an entity to maximize the use of observable inputs when measuring fair value. The Plan adopted ASC 820 in 2008. Adoption of ASC 820 did not have a material impact on the Plan's financial statements.

NOTE 2 - SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Investment Valuation and Income Recognition (Continued)

The following provides a description of the three levels of inputs that may be used to measure fair value under ASC 820, the types of Plan investments that fall under each category, and the valuation methodologies used to measure these investments at fair value.

Level 1 – Inputs to the valuation methodology are quoted prices available in active markets for identical investments as of the reporting date.

Level 2 – Inputs to the valuation methodology are other than quoted prices in active markets, which are either directly or indirectly observable as of the reporting date, and fair value can be determined through the use of models or other valuation methodologies.

Level 3 – Inputs to the valuation methodology are unobservable inputs in situations where there is little or no market activity for the asset or liability and the reporting entity makes estimates and assumptions related to the pricing of the asset or liability including assumptions regarding risk.

*Convertible Preferred Shares:*

The fair value of the convertible preferred shares of the Company was determined by annual independent appraisals.

NOTE 3 - INVESTMENTS

The Plan's investments, at December 31, are presented in the following table:

| | 2010 | |
|---|---|---|
| | Allocated | Unallocated |
| Convertible preferred shares Mission Landscape Services, Inc. | | |
| Number of Shares | 480,000 | - |
| Cost | $ 3,480,000 | $ - |
| Estimated Fair Value | $ 2,049,600 | $ - |

| | 2009 | |
|---|---|---|
| | Allocated | Unallocated |
| Convertible preferred shares Mission Landscape Services, Inc. | | |
| Number of Shares | 480,000 | - |
| Cost | $ 3,480,000 | $ - |
| Estimated Fair Value | $ 1,718,400 | $ - |

NOTE 4 - FAIR VALUE OF FINANCIAL STATEMENTS (ASC 820)

The changes in investments measured at fair value for the Plan's level 3 inputs to determine fair value are as follows:

| | As of December 31, 2010 and 2009 | | | |
|---|---|---|---|---|
| | Quoted Prices In Active Markets for Identical Assets (Level 1) | Significant Observable Inputs (Level 2) | Significant Unobservable Inputs (Level 3) | Total Fair Value |
| Assets: | | | | |
| Convertible preferred shares | | | | |
| Beginning balance, December 31, 2009 | $ - | $ - | $ 1,718,400 | $ 1,718,400 |
| Unrealized appreciation included in earnings | - | - | 331,200 | 331,200 |
| Ending balance, December 31, 2010 | $ - | $ - | $ 2,049,600 | $ 2,049,600 |

The change in the unrealized appreciation related to the convertible preferred shares still held at the end of the year is $331,200 for the year ended December 31, 2010.

NOTE 5 - TAX STATUS

The Internal Revenue Service has determined and informed the Company by a letter dated August 8, 2006, that the Plan is qualified and the trust established under the Plan is tax exempt, under appropriate sections of the Internal Revenue Code ("IRC").

Accounting principles generally accepted in the United States of America require plan management to evaluate tax positions taken by the plan and recognize a tax liability (or asset) if the plan has taken an uncertain position that more likely than not would not be sustained upon examination by the Internal Revenue Service. The plan administrator has analyzed the tax positions taken by the plan, and has concluded that as of December 31, 2010, there are no uncertain positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements. The plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress. The plan administrator believes it is no longer subject to income tax examinations for years prior to 2007.

NOTE 6 - PLAN TERMINATION

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and/or to terminate the Plan, subject to the provisions of ERISA. In the event of Plan termination, each participant would become 100% vested in their account.

NOTE 7 - ADMINISTRATION OF PLAN ASSETS

The Plan's assets, which consist principally of Mission Landscape preferred stock shares, are held by the Trustee of the Plan.

Company contributions are held and managed by the Trustee, who invests cash received, interest, and dividend income and makes distributions to participants. The Trustee also administers the payment of interest and principal on the loan, which is reimbursed to the Trustee through contributions as determined by the Company.

Certain administrative functions are performed by officers or employees of the Company. No such officer or employee receives compensation from the Plan.
