REPORT OF INDEPENDENT AUDITORS

To the Administrative Committee of
RETIREMENT PLUS PLAN
FOREST LAWN MEMORIAL-PARKS & MORTUARIES
Glendale, California

We have audited the accompanying statements of net assets available for benefits of the Retirement Plus Plan, Forest Lawn Memorial-Parks & Mortuaries (the "Plan") as of December 31, 2010 and 2009, and the related statements of changes in net assets available for benefits for the years then ended. These financial statements are the responsibility of the Plan's management. Our responsibility is to express an opinion on these financial statements based on our audits.

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement. An audit includes consideration of internal control over financial reporting as a basis for designing audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control over financial reporting. Accordingly, we express no such opinion. An audit also includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements, assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. We believe that our audits provide a reasonable basis for our opinion.

In our opinion, the financial statements referred to above present fairly, in all material respects, the net assets available for benefits of the Plan as of December 31, 2010 and 2009, and the changes in its net assets available for benefits for the years then ended in conformity with accounting principles generally accepted in the United States of America.

Our audits were performed for the purpose of forming an opinion on the basic financial statements taken as a whole. The accompanying supplemental schedule of assets held (at end of year) and supplemental schedule of delinquent contributions are presented for purpose of additional analysis and are not a required part of the basic financial statements, but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974. These supplemental schedules are the responsibility of the Plan's management. The supplemental schedules have been subjected to the auditing procedures applied in the audit of the basic financial statements and, in our opinion, is fairly stated, in all material respects, in relation to the basic financial statements taken as a whole.

Note 1 - Plan Description

The following description of the Retirement Plus Plan, Forest Lawn Memorial-Parks & Mortuaries (the "Plus Plan") is provided for general information purposes only. More complete information regarding the Plus Plan's provisions may be found in the Plan document. This document is available upon request from the Plus Plan's Administrative Committee.

The Plus Plan is a defined contribution plan for the benefit of eligible employees of Forest Lawn Memorial-Park Association and its wholly-owned subsidiary, Forest Lawn Mortuary (collectively the "Company"). The Plus Plan allows immediate participation for defined classes of employees.

Effective January 1, 2010, the Plus Plan was amended and restated in its entirety. The restated plan eliminated rollovers from the Plus Plan to the Forest Lawn Retirement Plan as a distribution option for new participants entering the Plus Plan on or after February 1, 2010.

Plan Administration - The Plus Plan is administered by the Administrative Committee of the Retirement Plus Plan, Forest Lawn Memorial-Parks & Mortuaries (the "Plan Administrator"), which is appointed by the Company.

Trustee, Custodian, and Registered Investment Advisor - Prudential Bank & Trust, F.S.B. ("Prudential") served as trustee and custodian of the Plus Plan investments until June 2010. T. Rowe Price Retirement Plan Services, Inc. ("Trustee") subsequently became the Plus Plan's successor trustee and custodian. The Trustee is the primary recordkeeper for the Plus Plan and is required to provide on a regular basis an accounting of all receipts, disbursements and transactions of the Plus Plan.

CAPTRUST Financial Advisors are the Plus Plan's registered investment advisor.

Contributions - The Plus Plan provides for contributions from eligible employees and the Company. Employees may contribute up to 50% of their pre-tax annual compensation, limited to a maximum contribution as allowed under the Internal Revenue Code ("IRC").

Contributions by the Company, which are made at the discretion of the Company's Board of Directors, are generally 50% of employee contributions up to 7% of each employee's compensation.

Contributions are subject to regulatory limitations.

Participant Accounts - Each participant's account is credited with the participant's contributions, Company contributions, and investment earnings and losses. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Participants direct the investment of their contributions and the Company's contributions to various investment options offered by the Plus Plan. Participants may choose from a variety of mutual fund options, including life cycle funds. Refer to the Summary Plan Description for more details of the various fund options.

Note 1 - Plan Description (Continued)

Vesting - Company contributions vest immediately and, therefore, are nonforfeitable when made.

Notes Receivable from Participants - Participants may borrow a minimum of $1 up to a maximum equal to the lesser of $50 or one-half of the participant's account balance in the Plus Plan. The loans are secured by the balance in the participant's account and bear interest at rates that range from 3.25% to 9.25%. Loan maturity is not to exceed five years, except in the case where the loan is used to acquire or construct the participant's principal residence, in which case the loan may be at extended terms up to 15 years. As of December 31, 2010, outstanding loans had various maturity dates through 2022. Participant loans are valued at their outstanding loan balances at year end.

Benefit Payments and Withdrawal - Benefits may be distributed to participants at normal retirement age, which is generally age 65, death, or termination of service. Distributions are made either in a lump-sum amount equal to the value of the participant's account, or in equal installments over a term not to exceed ten years. Participants may receive in-service distributions of their entire account balance upon attaining age 59 1/2. The Plus Plan also allows in-service hardship withdrawals for medical, educational, or other severe financial needs for which participants have no other funds available. All withdrawals are subject to the limits specified in the Plan document and by the IRC.

Note 2 - Summary of Significant Accounting Policies

Basis of Accounting - The accompanying financial statements have been prepared in accordance with accounting principles generally accepted in the United States of America, using the accrual basis of accounting.

Investment Valuation and Income Recognition - The Plus Plan's investments are stated at fair value. Quoted market prices are used to value the investments. Mutual funds are valued at the net asset value of shares held by the Plus Plan at year-end.

Purchases and sales of securities are recorded on the trade date basis. Dividends are recorded on the ex-dividend date. Interest is recorded when earned. Net realized and unrealized appreciation (depreciation) is recorded in the accompanying financial statements as net appreciation (depreciation) in fair value of investments.

Use of Estimates - Management uses estimates and assumptions in preparing financial statements. Those estimates and assumptions affect the reported amounts of assets and liabilities, the disclosure of contingent assets and liabilities, and the reported revenues and expenses. Actual results could differ from these estimates.

Payment of Benefits - Benefits are recorded when paid.

Note 2 - Summary of Significant Accounting Policies (Continued)

Risks and Uncertainties - The Plus Plan provides for a number of investment options in mutual funds. Investment securities are exposed to various risks such as interest rate, market, and credit. Due to the level of risk associated with certain investment securities and the level of uncertainty related to changes in the value of investment securities, it is at least reasonably possible that changes in risk in the near term could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits and the statements of changes in net assets available for benefits.

The Plus Plan invests, through the mutual funds, in the securities of foreign companies, which involve special risks and considerations not typically associated with investing in U.S. companies. These risks include devaluation of currencies, less reliable information about issuers, different securities transaction clearance and settlement practices, and possible adverse political and economic developments. Moreover, securities of many foreign companies and their markets may be less liquid and their prices more volatile than those of securities of comparable U.S. companies.

Recent Accounting Pronouncements - In January 2010, the Financial Accounting Standards Board ("FASB") issued Accounting Standards Update No. 2010-06, Fair Value Measurements and Disclosures (Topic 820) – Improving Disclosures about Fair Value Measurements. The new guidance requires additional disclosures about transfers between levels within the fair value hierarchy and clarifies existing disclosure requirements regarding classes of assets and liabilities measured at fair value. The new guidance requires the Plus Plan to: (a) disclose separately the amounts of significant transfers into and out of each level of the fair value hierarchy and describe the reasons for those transfers, (b) disclose the Plus Plan's policy for determining when transfers between levels of the fair value hierarchy are recognized, and (c) present information about purchases, sales, issuances, and settlements on a gross basis in the reconciliation of the beginning and ending balance of Level 3 fair value measurements. The new guidance is effective for reporting periods beginning after December 15, 2009, except for the Level 3 reconciliation disclosures which are effective for reporting periods beginning after December 15, 2010. The Plan adopted this guidance on January 1, 2010. See Note 4.

In September 2010, the FASB issued ASU 2010-25, Plan Accounting-Defined Contribution Pension Plans which amends existing guidance by requiring participant loans to be classified as notes receivable from participants, which are segregated from plan investments and measured at their unpaid principal balance plus any accrued but unpaid interest. The amendments to the Accounting Standards Codification included in ASU 2010-25 are effective for fiscal years ending after December 15, 2010. The Plus Plan has adopted this guidance effective December 31, 2010 and has reclassified participant loans of $1,720 and $1,509 for the years ended December 31, 2010 and 2009, respectively, from investments to notes receivable from participants. The Plus Plan also reclassified related interest income of $79 and $94 for the years ended December 31, 2010 and 2009, respectively, from dividends and interest to interest income on notes receivable from participants.

Reclassification - Certain amounts from the prior year statement of changes in net assets available for benefits have been reclassified, in order to conform to the current year presentation.

Note 3 - Investments

The following table presents investments that are five percent or more of the Plus Plan's net assets available for benefits.

	December 31,

The Plus Plan's investments in mutual funds appreciated by $4,051 and $6,431, including gains and losses on investments bought and sold as well as held, during the years ended December 31, 2010 and 2009, respectively.

Note 4 - Fair Value Investments - FASB Accounting Standards Codification ("ASC") 820, *Fair Value Measurements and Disclosures,* provides the framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements). The three levels of the fair value hierarchy under FASB ASC 820 are described as follows:

- Level 1 - Unadjusted quoted prices in active markets that are accessible at the measurement date for identical, unrestricted assets or liabilities.

- Level 2 - Quoted prices in markets that are not considered to be active or financial instruments for which all the significant inputs are observable, either directly, or indirectly.

- Level 3 - Prices or valuations that require inputs that are both significant to the fair value measurement and unobservable.

Note 4 - Fair Value Measurements (Continued)

The following table sets forth by level, within the fair value hierarchy, the Plus Plan's investment assets measured at fair value as of December 31, 2010:

	Level 1	Level 2	Level 3	Total

The Plan's investments that are measured at fair value on a recurring basis, such as mutual funds are generally classified within Level 1 of the fair value hierarchy.

Note 5 - Administrative Expenses

Certain expenses incurred in connection with the general administration of the Plus Plan are paid from Plus Plan assets. The Company paid for other expenses of the Plus Plan.

Note 6 - Federal Income Tax Status

The Internal Revenue Service issued a determination letter dated November 9, 2010, stating that the Plus Plan was designed in accordance with applicable IRC requirements as of that date.

Note 7 - Plan Termination

Although it has not expressed any intent to do so, the Company has the right under the Plus Plan to amend the Plus Plan or to discontinue its contributions at any time and to terminate the Plus Plan subject to the provisions of the Employee Retirement Income Security Act of 1974 ("ERISA").

Note 8 - Subsequent Events

The Plus Plan's management has evaluated subsequent events through July 21, 2011, the date the financial statements were available for issuance.

Note 9 - Delinquent Contributions

As disclosed in the accompanying schedule, $0.4 of deferrals for two employees were not remitted to the Plus Plan within the timeframe required by the Department of Labor. The Company will determine the amount of related lost earnings and will remit these amounts to participants' accounts subsequent to year end.
