PITTSBURGH CORNING CORPORATION INVESTMENT PLAN FOR NONUNION EMPLOYEES

NOTES TO FINANCIAL STATEMENTS AS OF AND FOR THE YEARS ENDED DECEMBER 31, 2010 AND 2009

1. DESCRIPTION OF PLAN

The following brief description of the Pittsburgh Corning Corporation Investment Plan for Nonunion Employees (the “Plan”) is provided for general information purposes only. Participants should refer to the Plan document for more complete information.

General — The Plan is a profit-sharing plan extended to substantially all nonunion employees of Pittsburgh Corning Corporation (the “Corporation”) who are (a) employed by the Corporation on a salaried basis, (b) paid by the Corporation or by a participating domestic subsidiary or are United States citizens paid by a participating foreign subsidiary, and (c) not in a class of employees covered by a collective bargaining agreement with a union, unless that agreement provides for the application of the Plan to employees in that unit. The Plan is subject to the Employee Retirement Income Security Act of 1974 (ERISA).

The Employee Welfare Administrative Committee of the Corporation is responsible for the administration of the Plan. Vanguard Fiduciary Trust Company (“Vanguard”) serves as the trustee and recordkeeper of the Plan. The investment assets of the Plan are held in Vanguard Mutual Trust Funds and Vanguard Retirement Savings Trust (RST), which are maintained in separate accounts.

Contributions — Contributions under the Plan are made by both the participants and the Corporation. Eligible employees may elect to make after-tax contributions and tax-deferred contributions ranging from 2% to 25% of their eligible monthly salary for the Plan years ended December 31, 2010 and 2009, respectively, as defined by the Plan document, subject to Internal Revenue Code (IRC) limitations. The IRC limitations for the years 2010 and 2009 are \$16,500 for regular contributions and \$5,500 for catch-up contributions. The Corporation makes monthly matching contributions of 50% on the first 6% of the participant’s monthly contribution and supplemental matching contributions. Supplemental matching contributions are based on the Corporation’s return on assets. The maximum contribution rate for matching contributions and supplemental matching contributions is 100% of the first 6% of the participant’s monthly contribution. The Corporation, at its discretion, may also make additional contributions, which are allocated on a per capita basis. No such contributions were made in 2010 or 2009.

As of January 1, 2007, the Corporation enhanced the Plan in conjunction with the termination of the Retirement Plan for Salaried Employees of Pittsburgh Corning Corporation by instituting a 3% safe harbor contribution on behalf of all active nonunion employees. During 2010 and 2009, the Corporation transferred \$0 and \$79,711, respectively, in assets from the terminated Retirement Plan for Salaried Employees of Pittsburgh Corning Corporation to the Plan.

Total employer contributions credited in 2010 and 2009 were \$765,195 and \$777,849, respectively, including \$64,970 and \$694,012, respectively, of the funds transferred into the Plan from the Retirement Plan for Salaried Employees of Pittsburgh Corning Corporation.

Investments — At the option of each participant, employee savings are invested in any of the Vanguard Group Mutual Funds or the Vanguard Retirement Savings Trust. At December 31, 2010, the investment options were the Vanguard 500 Index Fund, the Vanguard International Growth Fund, the Vanguard Mid-Cap Index Fund, the Vanguard Primecap Fund, the Vanguard Prime Money Market Fund, the Vanguard Small-Cap Index Fund, the Vanguard Target Retirement (2005–2055) Funds, the Vanguard Total Bond Market Index Fund, the Vanguard Windsor Fund, the Vanguard Windsor II Fund, and the Vanguard Retirement Savings Trust. During 2010, the Vanguard LifeStrategy Funds were discontinued as an investment option.

A participant may cancel contributions by contacting Vanguard. Participants in all of the funds do not own specific securities or other assets in such funds; rather, participants have an interest therein represented by units.

Participant Accounts — Individual accounts are maintained for each Plan participant. Each participant's account is credited with the participant's contribution and allocations of the Corporation's contributions, as well as Plan earnings, and charged for fund expenses. Allocations are based on participant earnings or account balances, as defined by the Plan document. The benefit to which a participant is entitled is the benefit that can be provided from the participant's account.

Vesting — All contributions vest immediately.

Distributions — A participant may elect to withdraw all or part of his or her deferred salary upon reaching age 59 1/2, termination, or becoming totally and permanently disabled. A participant who has not attained age 59 1/2 may also withdraw all or part of the participant's contributions, not including interest on gains, upon a showing of hardship but will be suspended from the Plan for six months. A participant may also withdraw his or her after-tax employee savings contributions for the current year. A participant can elect to defer his or her distributions upon termination, if total deferred compensation is at least \$5,000, until the end of the year in which age 70 1/2 is attained, at which time the initial withdrawal must occur. Plan participants may elect to receive distributions either in a lump-sum amount or by installment payments not to exceed 15 years.

Loans — Participants may borrow up to 40% of the value of their individual account balance, subject to a maximum of \$50,000. Personal or educational loans are to be repaid over a maximum of five years or on the date of the participant's termination of employment, whichever occurs first, and bear interest based on the prime rate, plus 1%. Residential loans are to be repaid over a maximum of 25 years or on the date of the participant's termination of employment, whichever occurs first, and bear interest at the prime rate. Repayments are made through payroll deductions. Participant loans are valued at the outstanding loan balances.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting — The accompanying financial statements have been prepared in accordance with accounting principles generally accepted in the United States of America ("GAAP") under the accrual method of accounting.

Use of Estimates — The preparation of financial statements in conformity with GAAP requires management to make estimates and assumptions that affect the reported amounts of net assets available for benefits and changes therein. Actual results could differ from those estimates.

Risks and Uncertainties — The Plan utilizes various investment instruments. Investment securities, in general, are exposed to various risks, such as interest rate, credit, and overall market volatility. Due to the level of risk associated with certain investment securities, it is reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect the amounts reported in the financial statements.

Valuation of Investments — Investments in securities traded on securities exchanges are valued at the latest quoted sales price for such securities. Securities traded in the over-the-counter market and listed securities, for which no sale was reported on that day, are valued at bid quotations. The Plan's investment in the RST, which is a common collective trust, is considered fully benefit responsive and is presented at fair value in the statements of net assets available for benefits, as well as an additional line item showing an adjustment of fully benefit-responsive contracts from fair value to contract value. The fair value is calculated by discounting the recorded cash flows of the underlying investments based upon current yields of similar investments with comparable durations. There are no reserves against contract value for credit risk of the contract issuer or otherwise. The statements of changes in net assets available for benefits are presented on a contract value basis for the fully benefit-responsive investment contracts, which is equal to the principal balance, plus accrued interest.

Net appreciation includes recognized gains and losses on the sale of investments and current-year unrealized appreciation or depreciation. Dividends and interest are recorded as earned.

Expenses — Expenses of the Plan are paid directly by either the Plan or the Corporation, as provided by the Plan document.

Subsequent Events — For the year ended December 31, 2010, subsequent events were evaluated through July 26, 2011, the date the financial statements were available to be issued.

New Accounting Standards

ASU No. 2010-06, *Fair Value Measurements and Disclosures* — In January 2010, the Financial Accounting Standards Board (FASB) issued Accounting Standards Update (ASU) No. 2010-06, *Fair Value Measurements and Disclosures*, which amends Accounting Standards Codification (ASC) 820, *Fair Value Measurements and Disclosures*, adding new disclosure requirements for Levels 1 and 2, separate disclosures of purchases, sales, issuances, and settlements relating to Level 3 measurements and clarification of existing fair value disclosures. ASU No. 2010-06 is effective for periods beginning after December 15, 2009, except for the requirement to provide Level 3 activity of purchases, sales, issuances, and settlements on a gross basis, which will be effective for fiscal years beginning after December 15, 2010. The Plan prospectively adopted the new guidance in 2010, except for the Level 3 reconciliation disclosures, which are required in 2011. The adoption in 2010 did not materially affect, and the future adoption is not expected to materially affect, the Plan's financial statements.

ASU No. 2010-25, *Reporting Loans to Participants by Defined Contribution Pension Plans* — In September 2010, the FASB issued ASU No. 2010-25, *Reporting Loans to Participants by Defined Contribution Pension Plans*. The ASU requires that participant loans be classified as notes receivable rather than a plan investment and measured at unpaid principal balance plus accrued but unpaid interest rather than fair value. The Plan retrospectively adopted the new accounting in 2010. The adoption did not have a material effect on the Plan's financial statements.

4. FAIR VALUE MEASUREMENTS

ASC 820, *Fair Value Measurements and Disclosures*, establishes a single authoritative definition of fair value, sets a framework for measuring fair value, and requires additional disclosures about fair value measurements. In accordance with ASC 820, the Plan classifies its investments into Level 1, which refers to securities valued using quoted prices from active markets for identical assets; Level 2, which refers to securities not traded on an active market but for which observable market inputs are readily available; and Level 3, which refers to securities valued based on significant unobservable inputs. Assets and liabilities are classified in their entirety based on the lowest level of input that is significant to the fair value measurement. A summary of the Plan's investments measured at fair value on a recurring basis as of December 31, 2010 and 2009, set forth by level within the fair value hierarchy, is as follows:

5. INFORMATION CERTIFIED BY THE TRUSTEE (UNAUDITED)

The following is a summary of the unaudited information regarding the Plan as of and for the years ended December 31, 2010 and 2009, included in the Plan's financial statements and supplemental schedule, that was prepared by, or derived from, information prepared by Vanguard, the trustee of the Plan, for the years ended December 31, 2010 and 2009, and furnished to the Plan administrator. The Plan administrator has obtained certifications from the trustee that such information is complete and accurate.

	2010	2009
Statements of net assets:		
Investments at fair value as determined by quoted market price — Vanguard Mutual Trust Funds	\$26,294,521	\$23,585,554
Investments at contract value — Vanguard Retirement Savings Trust invested primarily in investment contracts	1,557,330	2,053,892
Notes receivable from participants	513,144	418,102
Statements of changes in net assets:		
Net appreciation in fair value of investments	2,489,339	4,050,580
Interest and dividend income	555,233	513,792

All investment information in Note 3 and in the supplemental schedule has also been certified by the trustee.

6. EXEMPT PARTY-IN-INTEREST TRANSACTIONS

Certain Plan investments are shares of mutual funds managed by Vanguard. Vanguard is the trustee, as defined by the Plan; therefore, these transactions qualify as exempt party-in-interest transactions.

7. PLAN TERMINATION

Although it has not expressed any intention to do so, the Corporation has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. Upon termination, each participant is entitled to all amounts credited to his or her account.

8. FEDERAL INCOME TAX STATUS

The Internal Revenue Service (IRS) has determined and informed the Corporation by a letter dated April 26, 2002, that the Plan and related trust were designed in accordance with the applicable requirements of the IRC. The Plan has been amended since receiving the determination letter; however, the Corporation and the Plan administrator believe that the Plan is currently designed and operated in compliance with the applicable requirements of the IRC, and the Plan and related trust continue to be tax exempt. Therefore, no provision for income taxes has been included in the Plan's financial statements. The Plan has applied for an updated determination letter.

GAAP requires Plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan administrator has analyzed the tax positions taken by the Plan and has concluded that as of December 31, 2010, there are no uncertain positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods. The Plan administrator believes it is no longer subject to income tax examinations for the years prior to 2007.

9. INFORMATION CONCERNING PLAN SPONSOR

The Plan sponsor, the Corporation, filed for protection under Chapter 11 of the U.S. Bankruptcy Code on April 16, 2000, and is currently operating under this protection. The Corporation has drafted a reorganization plan and is currently awaiting confirmation of that plan. The Plan sponsor currently intends to continue making matching contributions to the Plan.

10. VOLUNTARY COMPLIANCE MATTER

During 2008, during a routine in-house audit of the Plan's loan procedures, the Plan manager became suspicious of several purported primary residence loans (loans to be used "solely for the purpose of purchasing a primary residence") because the participants had not requested an address change following the issuance of their primary residence loans. The Plan manager then completed an in-depth audit of the Plan's primary residence loan procedures and determined that from 2001 through 2007, 24 loans failed to meet the requirements necessary to qualify as primary residence loans.

Prior to January 2001, the Plan's loan program was administered in house and participants electing a primary residence loan were required to provide adequate documentation indicating that the proceeds from the loan were to be used for the purchase of a primary residence. Beginning in 2001, Vanguard became the Plan's recordkeeper and trustee and was assigned the responsibility for administering the Plan's loan program. As part of Vanguard's administration, it offered Plan participants the option of

selecting an “Express Loan,” whereby participants could elect a general-purpose loan or a primary residence loan via Vanguard’s participant website and without prior approval. Vanguard’s “Express Loan” procedures did not require participants to provide primary residence loan documentation, but participants were informed of the restrictions relating to primary residence loans through the online loan application process, the loan policy, a legend on the loan check, and the confirmation of loan transaction.

As a result of the discovery of the invalid primary residence loans, the Plan sponsor sought to correct the loan failures through the IRS Voluntary Compliance Program (VCP). As part of the VCP, among other corrective actions, the Plan sponsor altered the loan application process, effective August 4, 2008, to ensure that Plan participants are no longer permitted to apply for primary residence loans through the “Express Loan” application. Instead, the Plan manager will approve such loans only upon receiving acceptable documentation that the loan proceeds will be used for the purchase of a primary residence. On February 5, 2009, the Plan sponsor received an IRS compliance statement with respect to this matter indicating that the IRS, without the imposition of any taxes or penalties or any challenge to the continued tax-favored status of the Plan, accepted the corrective steps taken. On May 1, 2009, the Plan sponsor filed an application under the U.S. Department of Labor’s Voluntary Fiduciary Correction Program, as sponsored by the Employee Benefits Security Administration (EBSA) requesting a no-action letter with respect to the Plan. On March 31, 2010, EBSA issued such no-action letter for the Plan.
