INDEPENDENT AUDITORS' REPORT

To the Trustees of the
Galati Yacht Sales, LLC 401(k) Plan
Anna Maria, Florida

We have audited the accompanying statements of net assets available for benefits of the Galati Yacht Sales, LLC 401(k) Plan as of December 31, 2010 and 2009, and the related statement of changes in net assets available for benefits for the year ended December 31, 2010. These financial statements are the responsibility of the Plan's management. Our responsibility is to express an opinion on these financial statements based on our audits.

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. We believe that our audits provide a reasonable basis for our opinion.

In our opinion, the financial statements referred to above present fairly, in all material respects, the net assets available for benefits of Galati Yacht Sales, LLC 401(k) Plan as of December 31, 2010 and 2009, and the changes in net assets available for benefits for the year ended December 31, 2010, in conformity with accounting principles generally accepted in the United States of America.

Our audits were conducted for the purpose of forming an opinion on the basic financial statements taken as a whole. The supplemental Schedule H, Line 4i - Schedule of Assets (Held at End of Year) as of December 31, 2010 on Page 10 is presented for purposes of additional analysis and is not a required part of the basic financial statements, but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974. The supplemental schedule is the responsibility of the Plan's management. The supplemental schedule has been subjected to the auditing procedures applied in the audits of the basic financial statements and, in our opinion, is fairly stated in all material respects in relation to the basic financial statements taken as a whole.

GALATI YACHT SALES, LLC 401(K) PLAN
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2010 AND 2009

## NOTE 1 - DESCRIPTION OF THE PLAN

The following description of Galati Yacht Sales, LLC 401(k) Plan (the "Plan") provides only general information. Participants should refer to the Plan agreement and amendments for a more complete description of the Plan's provisions.

General – A plan was initially formed by Galati Yacht Sales, LLC on January 1, 2000 and merged into a multiple-employer plan sponsored by Advantec on May 1, 2004. Effective October 1, 2008, the adopting employer, Galati Yacht Sales, LLC, terminated its co-employer relationship with Advantec and spun off their assets to their successor single employer plan.

Eligibility – The Plan covers all employees, as defined in the Plan, who have completed three months of service and attained the age of 18.

Employee Contributions – Participants may elect to contribute from 1% to 80% of their pre-tax compensation, after-tax compensation (Roth contribution), or any combination thereof for the years ended December 31, 2010 and 2009, as defined in the Plan, up to a maximum of $16,500. Participants who have attained age 50 during the Plan year may make an elective deferral contribution of $5,500 during 2010 and 2009. The percentage may be changed as of any subsequent Plan entry date. Any such change will apply only after its effective date, and after it is executed and filed with the Plan Administrator. Fund allocations may be changed by the participants at any time.

Employer Contributions – There were no discretionary and non-discretionary employer-provided matching contributions for the years ended December 31, 2010 and 2009.

The total of employer and employee contributions is limited to the lesser of $49,000 for the year ended December 31, 2010 and 2009, or 100% of the participant's eligible pre-tax compensation for the year.

Participant Accounts – Each participant's account is credited with the participant's contribution and employer-provided matching contributions, Plan earnings, and charged with management or service fees. Allocations are based on participant earnings or account balances, as defined by the Plan. Additional administrative fees are charged by the custodian upon fund withdrawal. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting – Participant contributions and discretionary employer-provided matching contributions are 100% vested. Employers' discretionary non-elective contributions, if any, are 25% vested after one year of service, 50% vested after two years of service, and 100% vested after three years of service. Automatic 100% vesting occurs upon attainment of normal retirement age (65), upon retirement due to disability, upon death, and upon termination of the Plan.

NOTE 1 - DESCRIPTION OF THE PLAN (Continued)

To have a year of service for vesting purposes, employees must complete at least 1,000 hours of service during the 12 months beginning on the day they start to work for their employer. If they do not, they must complete at least 1,000 hours of service in any Plan year. They complete a year of service only upon working for a full 12 months, regardless of when during the applicable 12-month period they complete 1,000 hours of service.

Investment Options – Participants may direct contributions in 1% increments to any of the investment options offered by the Plan. The investment options include money market funds and various stock and bond funds. The fund values are computed daily by the custodians and reflect changes in the unit values of the investments.

Notes Receivable from Participants – Participants can borrow from their fund accounts a minimum of $1,000 up to a maximum equal to the lesser of $50,000, reduced by the excess (if any) of (1) the highest outstanding balance of any other notes from the Plan during the one-year period prior to the date of the new note, over (2) the aggregate outstanding balance of any other notes from the Plan on the date of the new note, or 50% of their vested account balance. Note terms range from one to five years or up to 15 years for the purchase of a principal residence. Participants can only have one note outstanding at any time. The notes are secured by the balance in the participant's account and bear interest at a fixed rate commensurate with local prevailing rates at the time the note is approved by the Plan Administrator. Principal and interest are paid ratably through payroll deductions.

Payment of Benefits – Upon retirement or separation from service with the Employers, the participant may elect to receive a single lump-sum cash payment. Also, upon reaching age 59½, participants may receive a lump-sum cash payment for any portion of their vested accounts on a yearly basis. Until a participant actually retires from the employment of the participant's employer, the participant shall continue to be treated in all respects as a participant.

Hardship Withdrawal – A participant can withdraw from the Plan, part or all of the participant's contributions for a financial hardship. The Trustees shall determine what portion of all of such account balance is necessary to alleviate the hardship. A financial hardship must be one of the reasons specified below:

1. Medical expense incurred by the participant, the participant's spouse, or any dependents of the participant;
2. The purchase (excluding mortgage payments) of a principal residence of a participant;
3. Certain educational expenses for the participant, his or her spouse, or dependents of the participant;

NOTE 1 - DESCRIPTION OF THE PLAN (Continued)

4. The need to prevent the eviction of the participant from his or her principal residence or foreclosure on the mortgage of his or her principal residence; or
5. Other events as may be prescribed by the Internal Revenue Service Commissioner in revenue rulings, notices, and other documents of general applicability.

Forfeited Accounts – As of December 31, 2010 and 2009, forfeited non-vested accounts were $741 and $4,519, respectively. These accounts can be used to reduce future company discretionary and/or matching contributions or to pay for plan expenses. During the year ended December 31, 2010, $6,000 was paid from forfeited non-vested accounts for plan expenses.

NOTE 2 - SIGNIFICANT ACCOUNTING POLICIES AND OTHER MATTERS

Basis of Accounting – The accompanying financial statements have been prepared on the accrual basis of accounting, except that benefits are recorded when paid.

Use of Estimates – The preparation of financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amount of additions and deductions to net assets available for benefits during the reporting period. Actual results could differ from those estimates.

Withdrawals and Exchanges – Withdrawals and exchanges between investment fund options by participants are recorded based upon the specific proceeds and cost of the investment at the date of withdrawal or exchange.

Investments – Investments in mutual funds (registered investment companies) are reflected in the financial statements at fair value, using quoted market prices. Unrealized gains or losses as a result of changes in market value are recorded in income of the current period. Participant notes are stated at historical costs.

Administrative Expenses – Certain administrative expenses are paid by the Plan Administrator. Management fees, asset fees, and account administrative fees are paid by the participants.

Subsequent Events – The Plan has evaluated subsequent events through August 8, 2011, the date the financial statements were available to be issued.

NOTE 3 - INVESTMENTS

The fair market values of individual assets that represent 5% or more of the Plan net assets are as follows:

| | December 31, | |

NOTE 4 - FAIR VALUE MEASUREMENTS

The Plan's investments are reported at fair value in the accompanying statement of net assets available for benefits. The methods used to measure fair value may produce an amount that may not be indicative of net realizable value or reflective future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

Financial Accounting Standards Board (FASB) *Accounting Standards Codification* (ASC) 820, *Fair Value Measurements and Disclosures*, provides a framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1 measurements) and the lowest priority to unobservable inputs (level 3 measurements). The three levels of the fair value hierarchy under FASB ASC 820-10 are described as follows:

- Level 1 inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the plan has the ability to access.

- Level 2 inputs to the valuation methodology include the following:

  - Quoted prices for similar assets or liabilities in active markets.

  - Quoted prices for identical or similar assets or liabilities in inactive markets.

  - Inputs other than quoted prices that are observable for the asset or liability.

  - Inputs that are derived principally from, or corroborated by, observable market data by correlation or other means.

NOTE 4 - FAIR VALUE MEASUREMENTS (Continued)

If the asset or liability has a specified (contractual) term, the level 2 input must be observable for substantially the full term of the asset or liability.

- Level 3 inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2010 and 2009.

*Mutual funds*: Valued at the net asset value (NAV) of shares held by the Plan at year end.

| | | Fair Value Measurements at Reporting Date Using: | | |
|---|---|---|---|---|
| | Fair Value | Quoted Prices In Active Markets for Identical Assets (Level I) | Significant Other Observable Inputs (Level 2) | Significant Unobservable Inputs (Level 3) |

NOTE 5 - TAX STATUS

Although the Plan has not requested determination from the Internal Revenue Service as the Plan's tax-exempt status, the master prototype plan from which the Plan was drafted has received a favorable determination from the Internal Revenue Service. Plan management believes the Plan is designed to operate in accordance with all applicable provisions of the Internal Revenue Service Code. Therefore, management believes that the Plan is qualified and that the related trust is exempt from taxation under the Internal Revenue Code.

NOTE 6 - PLAN TERMINATION

Although they have not expressed any intent to do so, the Employers have the right under the Plan to discontinue their contributions at any time. In addition, although they have not expressed any intent to do so, the Trustees have the right under the Plan to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants will become 100% vested in their accounts.

NOTE 7 - RELATED PARTY TRANSACTIONS

Slavic Mutual Funds Management Corporation (SMF) is the investment advisor to the Plan. Participants, if they elect this service, are charged a quarterly management fee.

Slavic Integrated Administration (SIA), the Plan's Third Party Administrator, receives annual administrative and asset fees per participant.

Slavic Investment Corporation (SIC), an SEC, registered securities broker/dealer, collects from mutual fund companies, any 12b-1 commissions and SubTa and SSF recording fees paid by the funds held in Plan accounts, and credits them on a quarterly basis directly to participant accounts holding those funds. Only participants actually holding the funds at the crediting date receive a proration of this fund revenue; those trading out of the funds before that date are not credited any prorated 12b-1 and SubTa and SSF payments.

The shareholders of SMF, SIC and SIA are the same.

NOTE 8 - RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.
