Audit Results

2checkout.com 401(k) Profit Sharing Plan

December 31, 2010

Matters to be Communicated to Those in Governance

Generally accepted auditing standards (GAAS) require the auditor to ensure that those charged with governance receive information regarding the results of the audit that may assist those charged with governance in overseeing management's financial reporting and disclosure process. Below we summarize these required communications.

The Auditors Responsibility Under Generally Accepted Auditing Standards

We were engaged to conduct an audit of the financial statements as of and for the year ending December 31, 2010 for 2checkout.com 401(k) Profit Sharing Plan. The financial statements are the responsibility of management. Our audit was designed in accordance with GAAS, which provides for reasonable, rather than absolute, assurance that the financial statements are free of material misstatement. We have the responsibility to opine on whether the financial statements are fairly stated in accordance with accounting principles generally accepted in the United States of America.

As part of our audit, we obtained a sufficient understanding of the internal controls to plan our audit, to determine the nature, timing and extent of testing performed and not to provide assurance on internal controls.

We issued a DOL limited scope disclaimed opinion for the year ended December 31, 2010 on the financial statements of the 2checkout.com 401(k) Profit Sharing Plan.

Significant Accounting Policies

The significant accounting policies used by the Plan are described in the notes to the financial statements. During 2010, the Plan adopted Accounting Standard Update (ASU) No. 2010-25, *Reporting Loans to Participants by Defined Contribution Pension Plans*, (Topic 962). The Plan also adopted ASU No. 2010-06, *Improving Disclosures about Fair Value Measurements*, (Topic 820). The accounting policies used are appropriate and are in compliance with generally accepted accounting principles.

Matters to be Communicated to Those in Governance (continued)

Management Judgments and Accounting Estimates

The preparation of financial statements requires the use of accounting estimates. Certain estimates are particularly sensitive due to their significance to the statements and the possibility that future events may differ significantly from management's expectations. The accounting estimates made by management for the preparation of the financial statements for the year ended December 31, 2010 were determined to be appropriate under generally accepted accounting principles.

Financial Statement Disclosures

The overall goal of the disclosures in the financial statements is to provide relevant information to the reader in as neutral, concise, consistent and clear a manner as possible while also complying with the disclosure requirements of generally accepted accounting principles. In addition, the disclosures made also require judgment due to the potential sensitive nature of certain items. The disclosures made in the financial statements for the year ended December 31, 2010 were determined to be appropriate and in compliance with generally accepted accounting principles.

Unrecorded Audit Differences

See Attachment A for unrecorded audit differences identified during the course of the December 31, 2010 audit.

Audit Adjustments

No significant audit adjustments or reclassifications were identified during the course of the December 31, 2010 audit.

Difficulties Encountered in Performing the Audit

We encountered no major difficulties in working with any Plan personnel while performing and completing our audit. Further, we encountered no difficulties of any other nature in completing our audit.

Disagreements with Management

We had no disagreements with management.

Representations the Auditor is Requesting from Management

See the attached copy of the management representation letter.

Consultation with Other Accountants

We are not aware of management consulting with other independent accountants subsequent to our appointment.

Irregularities and Illegal Acts

No such items were noted during the completion of our audit.

Significant Issues Discussed with Management

In planning and performing our audit of the financial statements of 2checkout.com 401(k) Profit Sharing Plan (the Plan) as of and for the year ended December 31, 2010, in accordance with auditing standards generally accepted in the United States of America, we considered the Plan's internal controls over financial reporting (internal controls) as a basis for designing our auditing procedures for the purpose of expressing our opinion on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal controls. Accordingly, we do not express an opinion on the effectiveness of the Plan's internal controls.

Our consideration of internal controls was for the limited purpose described in the preceding paragraph and was not designed to identify all deficiencies in internal controls that might be significant deficiencies or material weaknesses and therefore, there can be no assurance that all deficiencies, significant deficiencies, or material weaknesses have been identified.

A deficiency in internal controls exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent or detect misstatements on a timely basis. A significant deficiency is a control deficiency, or combination of control deficiencies, in internal controls that is less severe than a material weakness, yet important enough to merit attention by those charged with governance. A material weakness is a deficiency, or combination of deficiencies, in internal controls, such that there is a reasonable possibility that a material misstatement of the entity's financial statements will not be prevented, or detected and corrected on a timely basis.

This communication is intended solely for the information and use of those charged with governance and, if appropriate, management, and is not intended to be and should not be used by anyone other than these specified parties.

401(k) Withholdings on Bonus Compensation

Issue:

We noted that the Company paid out bonus wages, but did not withhold 401(k) deductions from the wages. The plan document states all wages are eligible for 401(k) deferral.

Recommendation:

We recommend that the Plan's management seek corrective action for this error through guidance from Automatic Data Processing Retirement Services and the Department of Labor. Going forward this can be corrected by either withholding 401(k) deductions from bonus payrolls or perform a plan amendment to exclude bonus payroll from eligible compensation per the plan document.

Dear Sirs:

We are providing this letter in connection with your audits of the financial statements of 2checkout.com 401(k) Profit Sharing Plan as of December 31, 2010 and 2009 for the years then ended and the supplemental schedule as of December 31, 2010. As permitted by Regulation 2520.103-8 of the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974 (ERISA), we have instructed you not to perform any auditing procedures with respect to information prepared and certified by State Street Bank and Trust Company and JPMorgan Chase Bank N.A., the trustees, in accordance with DOL Regulation 2520.130-5, except for comparing the information with the related information included in the financial statements and supplemental schedule. Because of the significance of the information which you did not audit, we understand that you will not express an opinion on the financial statements and schedules as a whole.

We are responsible for the fair presentation in the Plan's financial statements of net assets available for benefits and changes in net assets available for benefits in conformity with accounting principles generally accepted in the United States of America and for the fair presentation of the accompanying supplemental schedule in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974. We are also responsible for adopting sound accounting policies, establishing and maintaining internal control, and preventing and detecting fraud.

Certain representations in this letter are described as being limited to matters that are material. Items are considered material if they involve an omission or misstatement of accounting information that, in the light of surrounding circumstances, makes it probable that the judgment of a reasonable person relying on the information would be changed or influenced by the omission or misstatement. An omission or misstatement that is monetarily small in amount could be considered material as a result of qualitative factors.

We confirm, to the best of our knowledge and belief, as of August 23, 2011, the following representations made to you during your audits.

1. The financial statements and related footnotes are fairly presented in conformity with U.S. generally accepted accounting principles, and the notes include all disclosures required by laws and regulations to which the Plan is subject, including the DOL Rules and Regulations for Reporting and Disclosure under ERISA.

2. We have made available to you all –
 - a. Financial records and related data.
 - b. All minutes of the meetings of 2checkout.com, Inc. for the period from January 1, 2009 to December 31, 2010 or summaries of actions of recent meetings for which minutes have not yet been prepared.
 - c. Plan instruments, trust agreements, insurance contracts, or investment contracts and amendments to such documents entered into during the year, including amendments to comply with applicable laws.
3. There have been no communications from regulatory agencies concerning noncompliance with, or deficiencies in, financial reporting practices, that could have a material effect on the financial statements in the event of noncompliance.
4. We acknowledge our responsibility for the design and implementation of programs and controls to prevent and detect fraud.
5. We have no knowledge of any fraud or suspected fraud affecting the Plan involving –
 - a. Management,
 - b. Employees who have significant roles in internal control, or
 - c. Others where the fraud could have a material effect on the financial statements.
6. We have no knowledge of any allegations of fraud or suspected fraud affecting the Plan received in communications from employees, former employees, participants, regulators, beneficiaries, service providers, third-party administrators or others.
7. We have no –
 - a. Plans or intentions that may materially affect the carrying value or classification of assets and liabilities.
 - b. Intentions to terminate the Plan.

8. The following have been properly recorded or disclosed in the financial statements –
 - a. Related-party transactions, including transactions with parties-in-interest, as defined in ERISA Section 3(14) and regulations thereunder, including sales, purchases, loans, transfers, leasing arrangements, and guarantees, and amounts receivable from or payable to related parties.
 - b. Guarantees whether written or oral under which the Plan is contingently liable to a bank or other lending institution.
 - c. All significant estimates and material concentrations known to management that are to be disclosed in accordance with AICPA Statement of Position 96-4, *Disclosures of Certain Significant Risks and Uncertainties*. We understand that the significant estimates covered by this disclosure are estimates at the date of the statement of net assets that are reasonably possible of changing materially within the next year. Concentrations refer to the nature and type of investments held by the Plan, or markets for which events could occur which would significantly disrupt normal finances within the next year.
 - d. Amendments to the plan instrument, if any.
9. There are no –
 - a. Violations or possible violations of laws or regulations (including ERISA, DOL, and IRS regulations) whose effects should be considered for disclosure in the financial statements or as a basis for recording a loss contingency.
 - b. Other liabilities or gain or loss contingencies that are required to be accrued or disclosed by FASB Accounting Standards Codification 450, *Contingencies*.
 - c. Material transactions that have not been properly recorded in the accounting records underlying the financial statements.
 - d. Other matters (e.g., breach of fiduciary responsibilities, nonexempt transactions, loans or leases in default, or events that may jeopardize the tax status) that legal counsel have advised us that must be disclosed.

10. We are not aware of any pending or threatened litigation, claims, or assessments or unasserted claims or assessments that are required to be accrued or disclosed in the financial statements in accordance with FASB Accounting Standards Codification 450, *Contingencies*, and the Plan has not consulted a lawyer concerning litigation, claims or assessments.
11. The Plan has complied with all aspects of debt and other contractual agreements that would have a material effect on the financial statements in the event of noncompliance.
12. The Plan's net assets are stated at fair value. The mutual funds are valued at the net asset value of shares held by the Plan at year end. The common collective trust is fair value, by discounting the related cash flows based on current yields of similar instruments with comparable durations considering the credit-worthiness of the issuer. The methods and significant assumptions used result in a measure of fair value appropriate for financial measurement and disclosure purposes.
13. Financial instruments with concentrations of credit risk have been properly recorded or disclosed in the financial statements.
14. All required filings of documents with the appropriate agencies have been made.
15. The Plan is qualified under the appropriate section of the Internal Revenue Code and we intend to continue them as a qualified plan. Required nondiscrimination testing related to Code Section 401(k) and 401(m) arrangements, as applicable, has been completed for the Plan, and any excess deferrals or contributions have been disposed of in accordance with regulations.
16. The Plan has complied with the Department of Labor's regulations concerning the timely remittance of participant contributions to trusts containing assets for the Plan.
17. The Plan has complied with the fidelity bonding requirements of ERISA.
18. The Plan has satisfactory title to all owned assets which are recorded at fair value, and all liens, encumbrances, or security interest requiring disclosure in the financial statements have been properly disclosed.
19. There are no –
 - a. Non-exempt party-in-interest transactions (as defined in ERISA Section 3(14) and regulations under the Section) that were not disclosed in the supplemental schedules or financial statements.

- b. Investments or loans in default or considered to be uncollectible that were not disclosed in the supplemental schedules.
 - c. Reportable transactions (as defined in ERISA Section 103(b)(3)(H) and regulations under that Section) that were not disclosed in the supplemental schedules.
20. We have apprised you of all communications, whether written or oral, with regulatory agencies concerning the operation of the Plan.
21. The Plan's investments have been appropriately classified and disclosed in accordance with the fair value hierarchy established by FASB ASC 820 to the best of our knowledge as of December 31, 2010 and 2009.
22. No events have occurred subsequent to the date of the Plan's financial statements and through the date of this letter that would require adjustment to or disclosure in the aforementioned financial statements.
23. We believe the Schedule H, Line 4i – Schedule of Assets (Held at End of Year), including their form and content, are fairly presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. The methods of measurements and presentation of the Schedule H, Line 4i – Schedule of Assets (Held at End of Year) have not changed from those used in the prior period and we have disclosed to you any significant assumptions or interpretations underlying the measurement and presentation of the supplemental schedules.
24. We believe the effects of the uncorrected financial statement misstatements summarized in the attached schedule are immaterial, both individually and in the aggregate, to the financial statements taken as a whole.
