INDEPENDENT AUDITORS' REPORT

Plan Administrator
Grundfos Pumps Corporation
401(k) Profit Sharing Plan
Fresno, California

We were engaged to audit the accompanying statements of net assets available for benefits of Grundfos Pumps Corporation 401(k) Profit Sharing Plan (the Plan) as of December 31, 2010 and 2009, and the related statement of changes in net assets available for benefits for the year ended December 31, 2010 and the supplemental schedules as of December 31, 2010. These financial statements and schedules are the responsibility of the Plan's management. Our responsibility is to express an opinion on these financial statements based on our audits.

As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974, the plan administrator instructed us not to perform, and we did not perform, any auditing procedures with respect to the information summarized in Note 3 which was certified by Prudential Trust Company, the trustee of the Plan, except for comparing the information with the related information included in the financial statements and the supplemental schedules. We have been informed by the plan administrator that the trustee holds the plan investment assets and executes investment transactions. The plan administrator has obtained a certification from the trustee as of December 31, 2010 and 2009 and for the year ended December 31, 2010, that the information provided to the plan administrator by the trustee is complete and accurate.

Because of the significance of the information that we did not audit, we are unable to, and do not, express an opinion on the accompanying financial statements and supplemental schedules taken as a whole. The form and content of the information included in the financial statements and supplemental schedules, other than that derived from the information certified by the trustee, have been audited by us in accordance with auditing standards generally accepted in the United States of America and, in our opinion, are presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974.

401(k) PROFIT SHARING PLAN

NOTES TO FINANCIAL STATEMENTS

DECEMBER 31, 2010 AND 2009

NOTE 1: **DESCRIPTION OF PLAN**

The following description of the Grundfos Pumps Corporation 401(k) Profit Sharing Plan (the "Plan") provides only general information. Participants should refer to the plan agreement for a more complete description of the Plan's provisions.

General – The Plan was established effective January 1, 1987 by Grundfos Pumps Corporation (the "Company"). The company adopted the EGTRRA restatement plan document on April 9, 2010. The Plan is a defined contribution plan whose purpose is to enable eligible employees to defer a portion of their salary to provide for their retirement. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 ("ERISA").

Plan Merger – Effective April 1, 2002, the Board of Directors of the Company adopted a resolution to merge the Grundfos Employees' Retirement Plan (the "ERP") into the Plan (the "Merger"), and Prudential Trust Company was appointed the trustee, replacing individuals appointed by the Company. Effective July 2, 2007, the Board of Trustees of the Company adopted a resolution to merge the Grundfos CBS, Inc. 401(k) Plan into the Plan (the "CBS Plan Merger"), and Prudential Trust Company was appointed the trustee, replacing Fidelity Management Trust Company. Effective December 12, 2008, the Board of Trustees of the Company adopted a resolution to merge the Peerless Pump Corporation 401(k) Plan into the Plan (the "Peerless Pump Plan Merger"), and Prudential Trust Company was appointed the trustee, replacing Fidelity Management Trust Company. Effective January 4, 2010, the Board of Trustees of the Company adopted a resolution to merge the Yeomans Chicago Corporation Retirement Income Plan into the Plan (the "Yeomans Chicago Plan Merger"), and Prudential Trust Company was appointed the trustee, replacing Principal Insurance Company.

Eligibility – An employee becomes eligible to participate in the Plan when at least 21 years old and employed a minimum of 90 days. At such entry date, employees are eligible to participate in the 401(k) portion of the Plan. A participant may not make withdrawals from their account prior to attaining age 65 except in the event of death, total or permanent disability, retirement, termination of employment, or proven hardship. There were 1,228 participants in the Plan as of December 31, 2010 and 1,049 participants in the Plan as of December 31, 2009.

Administration – The Plan is administered by the Company. The Company has appointed Prudential Trust Company to be the trustee of the Plan. All administrative costs applicable to the Plan, except investment expenses and loan set up fees, are paid by the Company.

Employee Contributions – An employee will be eligible to make a pre-tax salary deferral on the first day of the month following completion of the age and service requirements.

NOTE 1: **DESCRIPTION OF PLAN** (Continued)
Employee Contributions (Continued)

Plan participants may contribute up to 60% of their pre-tax annual compensation subject to certain Internal Revenue Code limitations ($16,500 in 2010 and 2009). Participants who have attained age 50 before the end of the plan year are eligible to make catch-up contributions ($5,500 in 2010 and 2009). Participants may also contribute amounts representing distributions from other qualified plans or IRA's.

Employer Contributions – The Company makes a fixed matching contribution equal to 50% of the amount of the participant's contribution not to exceed 6% of the participant's eligible annual compensation. In addition, the Company may contribute an additional 5% of each eligible participant's eligible annual compensation (previously contributed to the ERP).

Vesting – Each participant is 100% vested in his or her contribution plus earnings thereon. Effective January 1, 2002, employer matching and non-elective contributions by the Company changed from vesting on a seven-year graded vesting schedule to a six-year schedule.

Participant Accounts – Each participant's account is credited with the participant's contribution and an allocation of (a) the Company's contributions and (b) plan earnings. The Company's contributions are allocated among the plan participants in proportion to their compensation. Participants may direct the investment of their contributions, and any employer contributions, into a variety of mutual funds. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Notes Receivable From Participants – Participants may borrow a minimum of $1,000 up to the lesser of $50,000 or 50% of the participant's vested account balance. Participant loans are to be repaid with interest at least quarterly and in a time period not to exceed five years, unless the loan is for the purchase of the participant's principal residence, in which case the loan must be repaid with interest in a time period comparable to the repayment period permitted by commercial lenders for similar loans. Participant loans bear a reasonable interest rate as determined by the plan administrator. Interest rates on outstanding participant loans currently range from 4.25% to 10.25%.

Payment of Benefits – Upon retirement, death or disability, distributions may be made in the form of a lump-sum of the participant's vested account balance, a single lump-sum distribution of a portion of the participant's vested account balance, or installments for required minimum distribution only.

NOTE 1: **DESCRIPTION OF PLAN** (Continued)

Forfeitures – If a participant receives a distribution of their vested account balance, forfeitures (participants' allocated interest in plan assets which are not vested because employment is terminated before the vesting period is complete) are disposed of during the plan year following the plan year in which the distribution occurs. If a participant does not receive a distribution of their vested account balance, the nonvested portion is forfeited at the end of the plan year during which the participant incurs their fifth consecutive one-year break in service. Effective April 1, 2008, forfeitures are used to offset employer contributions. Prior to April 1, 2008, forfeitures were allocated among eligible participants in proportion to their compensation. Forfeited nonvested accounts totaled $145,596 and $131,698 during the years ended December 31, 2010 and 2009, respectively.

NOTE 2: **SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES**

Use of Estimates – The preparation of financial statements, in conformity with generally accepted accounting principles, requires that the plan administrator make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results may differ from those estimates.

Basis of Accounting – The financial statements are prepared using the accrual basis of accounting.

Investment Valuation – Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 4 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Notes Receivable From Participants – Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Delinquent notes receivable from participants are reclassified as distributions based upon the terms of the plan document.

Payment of Benefits – Benefits are recorded when paid.

NOTE 3: **INVESTMENTS**

At December 31, 2010 and 2009, the trustee, Prudential Trust Company, held the Plan's investments. The Plan's financial information that is included in the financial statements is based on information certified by the trustee as complete and accurate in accordance with Section 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974.

Investments that represent 5% or more of net assets of the Plan at December 31, 2010 and 2009 are separately identified.

NOTE 4: FAIR VALUE MEASUREMENTS

The Financial Accounting Standards Board (FASB) Accounting Standards Codification (ASC) 820, Fair Value Measurements and Disclosures, provides the framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1 measurements) and the lowest priority to unobservable inputs (level 3 measurements). The three levels of the fair value hierarchy under FASB ASC 820 are described below:

Level 1 — Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 — Inputs to the valuation methodology include:

- Quoted prices for similar assets or liabilities in active markets;
- Quoted prices for identical or similar assets or liabilities in inactive markets;
- Inputs other than quoted prices that are observable for the asset or liability;
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 — Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of the observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value:

Mutual funds: Valued at the net asset value (NAV) of shares held by the Plan at year end.

NOTE 4: **FAIR VALUE MEASUREMENTS** (Continued)

Guaranteed investment account: Valued at the contract value which is the total cost of the investments at the time of purchase, plus or minus any additional deposits or withdrawals, plus accrued interest. The credited interest rate is the actual guaranteed interest rate paid to the participant's account per the contract. The value does not reflect the actual market value of assets held by the fund.

The methods described above may produce a fair value calculation that may not be indicative of the net realizable value or reflective of future fair values. Furthermore, while the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2010:

NOTE 5: **YEOMANS CHICAGO PLAN MERGER**

Effective January 4, 2010, the Board of Trustees of the Company adopted a resolution to initiate a transfer of assets into the Plan from the Yeomans Chicago Corporation Retirement Income Plan (the "Yeomans Chicago Plan") on behalf of the employees who participated in the Yeomans Chicago Plan. The net effect of this merger was a transfer of cash, a real estate mutual fund, participant loans and contributions receivable. The total transfer consisted of the following:

Cash		$ 3,926,069
Mutual funds:		
Prin Us Prop SEP ACC R6 Fund		98,877
Notes receivable from participants		20,909
Receivables:		
Employee deferrals	$ 12,645	
Employer contribution	21,945	
Total receivables		34,590
		$ 4,080,445

NOTE 6: **FEDERAL INCOME TAX STATUS**

The Plan obtained its latest determination letter on August 11, 1993, in which the Internal Revenue Service ("IRS") stated that the Plan, as then designed, was in compliance with the applicable requirements of the Internal Revenue Code ("IRC"). The EGTRRA restatement adopted on April 9, 2010 is a Prudential prototype plan document that has received an opinion letter from the IRS dated March 31, 2008, stating that the prototype plan was acceptable under section 401 of the IRC. The Plan itself has not received a determination letter from the IRS. However, the Plan's management believes that the Plan is currently designed and being operated in compliance with the applicable requirement of the IRC.

NOTE 6: **FEDERAL INCOME TAX STATUS** (Continued)

Accounting principles generally accepted in the United States of America require plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the U.S Federal jurisdiction. The plan administrator has analyzed the tax positions taken by the Plan, and has concluded that as of December 31, 2010 and 2009, there are no uncertain positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress. The plan administrator believes it is no longer subject to income tax examinations for years prior to 2007.

NOTE 7: **RELATED PARTY TRANSACTIONS**

The plan investments include shares of mutual funds and a guaranteed investment account managed by Prudential Investments. Prudential Investments is the trustee as defined by the Plan and, therefore, those transactions qualify as party-in-interest transactions.

NOTE 8: **RECONCILIATION OF FINANCIAL STATEMENTS TO FORM 5500**

The following is a reconciliation of net assets available for benefits per the financial statements as of December 31, 2010 and 2009, to Form 5500:

	2010	2009
Net assets available for benefits per the financial statements	$ 91,916,167	$ 74,888,884
Deemed distributions reported on prior year's Form 5500 that are still plan assets	(14,957)	(14,957)
Net assets available for benefits per the Form 5500	**$ 91,901,210**	**$ 74,873,927**

For Form 5500 reporting purposes, a loan is a deemed distribution if the loan is treated as a directed investment of the participant's individual account and the participant has completely stopped making payments on the loan as of the end of the plan year. Loans reported as deemed distributions are not included on the Asset and Liability Statement of Form 5500, Schedule H but they remain an asset of the plan until such participant's benefits are distributed.

NOTE 9: PLAN TERMINATION

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants would become 100% vested in their employer contributions.

NOTE 10: RISK AND UNCERTAINTIES

The plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

NOTE 11: SUBSEQUENT EVENTS

Subsequent events have been evaluated through August 15, 2011 (date financial statements available to be issued) noting no matters requiring disclosure in the financial statements for the year ended December 31, 2010.

INDEPENDENT AUDITORS' REPORT

Plan Administrator
Grundfos Pumps Corporation
401(k) Profit Sharing Plan
Fresno, California

We were engaged to audit the accompanying statements of net assets available for benefits of Grundfos Pumps Corporation 401(k) Profit Sharing Plan (the Plan) as of December 31, 2010 and 2009, and the related statement of changes in net assets available for benefits for the year ended December 31, 2010 and the supplemental schedules as of December 31, 2010. These financial statements and schedules are the responsibility of the Plan's management. Our responsibility is to express an opinion on these financial statements based on our audits.

As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974, the plan administrator instructed us not to perform, and we did not perform, any auditing procedures with respect to the information summarized in Note 3 which was certified by Prudential Trust Company, the trustee of the Plan, except for comparing the information with the related information included in the financial statements and the supplemental schedules. We have been informed by the plan administrator that the trustee holds the plan investment assets and executes investment transactions. The plan administrator has obtained a certification from the trustee as of December 31, 2010 and 2009 and for the year ended December 31, 2010, that the information provided to the plan administrator by the trustee is complete and accurate.

Because of the significance of the information that we did not audit, we are unable to, and do not, express an opinion on the accompanying financial statements and supplemental schedules taken as a whole. The form and content of the information included in the financial statements and supplemental schedules, other than that derived from the information certified by the trustee, have been audited by us in accordance with auditing standards generally accepted in the United States of America and, in our opinion, are presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974.

NOTES TO FINANCIAL STATEMENTS

DECEMBER 31, 2010 AND 2009

NOTE 1: **DESCRIPTION OF PLAN**

The following description of the Grundfos Pumps Corporation 401(k) Profit Sharing Plan (the "Plan") provides only general information. Participants should refer to the plan agreement for a more complete description of the Plan's provisions.

General – The Plan was established effective January 1, 1987 by Grundfos Pumps Corporation (the "Company"). The company adopted the EGTRRA restatement plan document on April 9, 2010. The Plan is a defined contribution plan whose purpose is to enable eligible employees to defer a portion of their salary to provide for their retirement. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 ("ERISA").

Plan Merger – Effective April 1, 2002, the Board of Directors of the Company adopted a resolution to merge the Grundfos Employees' Retirement Plan (the "ERP") into the Plan (the "Merger"), and Prudential Trust Company was appointed the trustee, replacing individuals appointed by the Company. Effective July 2, 2007, the Board of Trustees of the Company adopted a resolution to merge the Grundfos CBS, Inc. 401(k) Plan into the Plan (the "CBS Plan Merger"), and Prudential Trust Company was appointed the trustee, replacing Fidelity Management Trust Company. Effective December 12, 2008, the Board of Trustees of the Company adopted a resolution to merge the Peerless Pump Corporation 401(k) Plan into the Plan (the "Peerless Pump Plan Merger"), and Prudential Trust Company was appointed the trustee, replacing Fidelity Management Trust Company. Effective January 4, 2010, the Board of Trustees of the Company adopted a resolution to merge the Yeomans Chicago Corporation Retirement Income Plan into the Plan (the "Yeomans Chicago Plan Merger"), and Prudential Trust Company was appointed the trustee, replacing Principal Insurance Company.

Eligibility – An employee becomes eligible to participate in the Plan when at least 21 years old and employed a minimum of 90 days. At such entry date, employees are eligible to participate in the 401(k) portion of the Plan. A participant may not make withdrawals from their account prior to attaining age 65 except in the event of death, total or permanent disability, retirement, termination of employment, or proven hardship. There were 1,228 participants in the Plan as of December 31, 2010 and 1,049 participants in the Plan as of December 31, 2009.

Administration – The Plan is administered by the Company. The Company has appointed Prudential Trust Company to be the trustee of the Plan. All administrative costs applicable to the Plan, except investment expenses and loan set up fees, are paid by the Company.

Employee Contributions – An employee will be eligible to make a pre-tax salary deferral on the first day of the month following completion of the age and service requirements.

NOTE 1: **DESCRIPTION OF PLAN** (Continued)
Employee Contributions (Continued)

Plan participants may contribute up to 60% of their pre-tax annual compensation subject to certain Internal Revenue Code limitations ($16,500 in 2010 and 2009). Participants who have attained age 50 before the end of the plan year are eligible to make catch-up contributions ($5,500 in 2010 and 2009). Participants may also contribute amounts representing distributions from other qualified plans or IRA's.

Employer Contributions – The Company makes a fixed matching contribution equal to 50% of the amount of the participant's contribution not to exceed 6% of the participant's eligible annual compensation. In addition, the Company may contribute an additional 5% of each eligible participant's eligible annual compensation (previously contributed to the ERP).

Vesting – Each participant is 100% vested in his or her contribution plus earnings thereon. Effective January 1, 2002, employer matching and non-elective contributions by the Company changed from vesting on a seven-year graded vesting schedule to a six-year schedule.

Participant Accounts – Each participant's account is credited with the participant's contribution and an allocation of (a) the Company's contributions and (b) plan earnings. The Company's contributions are allocated among the plan participants in proportion to their compensation. Participants may direct the investment of their contributions, and any employer contributions, into a variety of mutual funds. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Notes Receivable From Participants – Participants may borrow a minimum of $1,000 up to the lesser of $50,000 or 50% of the participant's vested account balance. Participant loans are to be repaid with interest at least quarterly and in a time period not to exceed five years, unless the loan is for the purchase of the participant's principal residence, in which case the loan must be repaid with interest in a time period comparable to the repayment period permitted by commercial lenders for similar loans. Participant loans bear a reasonable interest rate as determined by the plan administrator. Interest rates on outstanding participant loans currently range from 4.25% to 10.25%.

Payment of Benefits – Upon retirement, death or disability, distributions may be made in the form of a lump-sum of the participant's vested account balance, a single lump-sum distribution of a portion of the participant's vested account balance, or installments for required minimum distribution only.

NOTE 1: **DESCRIPTION OF PLAN** (Continued)

Forfeitures – If a participant receives a distribution of their vested account balance, forfeitures (participants' allocated interest in plan assets which are not vested because employment is terminated before the vesting period is complete) are disposed of during the plan year following the plan year in which the distribution occurs. If a participant does not receive a distribution of their vested account balance, the nonvested portion is forfeited at the end of the plan year during which the participant incurs their fifth consecutive one-year break in service. Effective April 1, 2008, forfeitures are used to offset employer contributions. Prior to April 1, 2008, forfeitures were allocated among eligible participants in proportion to their compensation. Forfeited nonvested accounts totaled $145,596 and $131,698 during the years ended December 31, 2010 and 2009, respectively.

NOTE 2: **SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES**

Use of Estimates – The preparation of financial statements, in conformity with generally accepted accounting principles, requires that the plan administrator make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results may differ from those estimates.

Basis of Accounting – The financial statements are prepared using the accrual basis of accounting.

Investment Valuation – Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 4 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Notes Receivable From Participants – Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Delinquent notes receivable from participants are reclassified as distributions based upon the terms of the plan document.

Payment of Benefits – Benefits are recorded when paid.

NOTE 3: **INVESTMENTS**

At December 31, 2010 and 2009, the trustee, Prudential Trust Company, held the Plan's investments. The Plan's financial information that is included in the financial statements is based on information certified by the trustee as complete and accurate in accordance with Section 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974.

Investments that represent 5% or more of net assets of the Plan at December 31, 2010 and 2009 are separately identified.

NOTE 4: FAIR VALUE MEASUREMENTS

The Financial Accounting Standards Board (FASB) Accounting Standards Codification (ASC) 820, Fair Value Measurements and Disclosures, provides the framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1 measurements) and the lowest priority to unobservable inputs (level 3 measurements). The three levels of the fair value hierarchy under FASB ASC 820 are described below:

Level 1 — Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 — Inputs to the valuation methodology include:

- Quoted prices for similar assets or liabilities in active markets;
- Quoted prices for identical or similar assets or liabilities in inactive markets;
- Inputs other than quoted prices that are observable for the asset or liability;
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 — Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of the observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value:

Mutual funds: Valued at the net asset value (NAV) of shares held by the Plan at year end.

NOTE 4: **FAIR VALUE MEASUREMENTS** (Continued)

Guaranteed investment account: Valued at the contract value which is the total cost of the investments at the time of purchase, plus or minus any additional deposits or withdrawals, plus accrued interest. The credited interest rate is the actual guaranteed interest rate paid to the participant's account per the contract. The value does not reflect the actual market value of assets held by the fund.

The methods described above may produce a fair value calculation that may not be indicative of the net realizable value or reflective of future fair values. Furthermore, while the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2010:

	Assets at Fair Value as of December 31, 2010

NOTE 5: **YEOMANS CHICAGO PLAN MERGER**

Effective January 4, 2010, the Board of Trustees of the Company adopted a resolution to initiate a transfer of assets into the Plan from the Yeomans Chicago Corporation Retirement Income Plan (the "Yeomans Chicago Plan") on behalf of the employees who participated in the Yeomans Chicago Plan. The net effect of this merger was a transfer of cash, a real estate mutual fund, participant loans and contributions receivable. The total transfer consisted of the following:

Cash		$ 3,926,069
Mutual funds:		
Prin Us Prop SEP ACC R6 Fund		98,877
Notes receivable from participants		20,909
Receivables:		
Employee deferrals	$ 12,645	
Employer contribution	21,945	
Total receivables		34,590
		$ 4,080,445

NOTE 6: **FEDERAL INCOME TAX STATUS**

The Plan obtained its latest determination letter on August 11, 1993, in which the Internal Revenue Service ("IRS") stated that the Plan, as then designed, was in compliance with the applicable requirements of the Internal Revenue Code ("IRC"). The EGTRRA restatement adopted on April 9, 2010 is a Prudential prototype plan document that has received an opinion letter from the IRS dated March 31, 2008, stating that the prototype plan was acceptable under section 401 of the IRC. The Plan itself has not received a determination letter from the IRS. However, the Plan's management believes that the Plan is currently designed and being operated in compliance with the applicable requirement of the IRC.

NOTE 6: **FEDERAL INCOME TAX STATUS** (Continued)

Accounting principles generally accepted in the United States of America require plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the U.S Federal jurisdiction. The plan administrator has analyzed the tax positions taken by the Plan, and has concluded that as of December 31, 2010 and 2009, there are no uncertain positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress. The plan administrator believes it is no longer subject to income tax examinations for years prior to 2007.

NOTE 7: **RELATED PARTY TRANSACTIONS**

The plan investments include shares of mutual funds and a guaranteed investment account managed by Prudential Investments. Prudential Investments is the trustee as defined by the Plan and, therefore, those transactions qualify as party-in-interest transactions.

NOTE 8: **RECONCILIATION OF FINANCIAL STATEMENTS TO FORM 5500**

The following is a reconciliation of net assets available for benefits per the financial statements as of December 31, 2010 and 2009, to Form 5500:

	2010	2009
Net assets available for benefits per the financial statements	$ 91,916,167	$ 74,888,884
Deemed distributions reported on prior year's Form 5500 that are still plan assets	(14,957)	(14,957)
Net assets available for benefits per the Form 5500	**$ 91,901,210**	**$ 74,873,927**

For Form 5500 reporting purposes, a loan is a deemed distribution if the loan is treated as a directed investment of the participant's individual account and the participant has completely stopped making payments on the loan as of the end of the plan year. Loans reported as deemed distributions are not included on the Asset and Liability Statement of Form 5500, Schedule H but they remain an asset of the plan until such participant's benefits are distributed.

NOTE 9: PLAN TERMINATION

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants would become 100% vested in their employer contributions.

NOTE 10: RISK AND UNCERTAINTIES

The plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

NOTE 11: SUBSEQUENT EVENTS

Subsequent events have been evaluated through August 15, 2011 (date financial statements available to be issued) noting no matters requiring disclosure in the financial statements for the year ended December 31, 2010.
