To the Trustees and Participants of the
Auld and White Constructors, LLC 401(k) Profit Sharing Plan

We were engaged to audit the statements of net assets available for plan benefits of Auld and White Constructors, LLC 401(k) Profit Sharing Plan at December 31, 2010 and 2009, and the related statements of changes in net assets available for plan benefits for the years then ended and the supplemental schedule as of and for the 2010 year then ended as listed in the accompanying index. These financial statements and schedules are the responsibility of the Plan's management.

As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974, the plan administrator instructed us not to perform, and we did not perform, any auditing procedures with respect to the information summarized in Note 4, which was certified by SunTrust Bank, the custodian of the Plan, except for comparing the information with the related information included in the financial statements and supplemental schedules. The plan administrator has informed us that SunTrust Bank holds the Plan's investment assets and executes investment transactions. The plan administrator has obtained certifications from the existing trustee as of and for the years ended December 31, 2010 and 2009 that the information provided to the plan administrator by the respective trustees is complete and accurate.

Because of the significance of the information that we did not audit, we are unable to, and do not, express an opinion on the accompanying financial statements and schedule taken as a whole. The form and content of the information included in the financial statements and schedule, other than that derived from the information certified by the trustee, have been audited by us in accordance with auditing standards generally accepted in the United States of America and, in our opinion, are presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974.

Auld and White Constructors, LLC 401(k) Profit Sharing Plan
Notes to Financial Statements
December 31, 2010 and 2009

NOTE 1: DESCRIPTION OF PLAN

The following description of the Auld and White Constructors, LLC 401(k) Profit Sharing Plan (the Plan) provides only general information. Interested parties should refer to the Plan agreement for a more complete description of the Plan's provisions.

General

Auld and White Constructors, LLC (the Company) established the Plan effective as of January 1, 1992. The Plan operates as a defined contribution plan. It is subject to the applicable provisions of the Employee Retirement Income Security Act of 1974, (ERISA), as amended. Employees of Auld and White Constructors, LLC (the Company) and Auld & White Management, Inc. (a Related Employer as defined within the Plan agreement) are generally eligible to participate in the Plan after one year of service and attainment of age twenty-one. SunTrust Bank is the Plan's Trustee.

The Custodian of the Plan is SunTrust Bank (the Custodian). As of December 31, 2010 and 2009, the assets of the Plan are held by the Custodian in individual accounts directed by individual participants. The Custodian has been given the authority and power to, among other things, make investment decisions, borrow funds and take any other action it believes to be beneficial to the Plan so long as its authority does not exceed or restrict the primary authority of the individual participants/investors.

Each year the participants may contribute up to the federally mandated limits to their individual investment accounts within the Plan. Participants may also contribute amounts representing distributions from other qualified defined benefit or contribution plans. Participants direct their contributions into various investment options offered by the Plan. The Plan currently offers twenty-one options for participants. The Company makes discretionary matching contributions in a percentage defined by the Plan. The Company may also make discretionary profit sharing contributions to individual accounts. The employee must be eligible to be a Plan member in order to receive a discretionary profit sharing contribution.

NOTE 2: SUMMARY OF ACCOUNTING POLICIES

Basis of Accounting

The accompanying financial statements are prepared on the accrual basis of accounting, whereas the IRS Form 5500 is prepared on the cash basis of accounting.

Participant Loans

The Plan does not allow for participant loans as of December 31, 2010. The Plan was amended by the Company to allow for participant loans beginning January 1, 2011. See Note 11 for further description of this plan amendment.

Investment Valuation and Income Recognition

Investments are recorded at fair value as determined by quoted market prices of the securities held in the funds. Investments consisting of mutual funds are classified as level one input and investments consisting of trust funds are classified as level two inputs for fair value measurement purposes as required by FASB Codification 820-10.

Mutual fund investments are considered level one inputs for purposes of FASB Codification 820-10. These prices are readily available on an open market and can be quoted on an ongoing basis. Trust fund investments are considered level two inputs. Share trends are observed consistently throughout the day from multiple sources, with analysts making professional judgments based on the appreciation or depreciation of the fund on that given day. The change in share value is then entered into the Custodian's records each day, which then updates investment values on a daily basis.

The unrealized appreciation or decline of the investments, based upon the quoted market values at December 31, 2010 and 2009 are recorded as an increase or decrease in net assets available for plan benefits.

Purchases and sales of investments are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the accrual basis.

Contributions and Allocations

Contributions are recorded when received. Employee contributions (elective portion) are transferred to the Plan by the Company as part of their bi-weekly payroll processing routine.

Participants are limited to annual elective contributions in the amount of $ 16,500 for 2010 and 2009 except, these limits are increased for any participants who are age 50 or older by the end of the respective Plan Year and wish to make a "catch up" contribution. The limits are increased by $ 5,500 for 2010 and 2009 for such "catch up contributions".

Participant Accounts

Each participant's account is credited with an allocation of (a) participant contributions; (b) the Company's matching contributions; (c) the Company's profit sharing contributions; (d) plan earnings; and (e) forfeitures of terminated participants' non-vested accounts. Allocations are based on participant earnings or account balances, as defined.

The benefit to which a participant is entitled is the benefit that can be provided from the participant's account balance. Participants are always vested 100% in their elective contributions and the related account earnings on these elective contributions. Non-elective contributions and any related earnings are vested over 6 years, starting after year 2 with 20% and increasing in 20% increments until fully vested after 6 years.

Payment of Benefits

Benefits are recorded when paid. Benefits are payable after leaving the Company due to retirement, termination, disability or death. Payment options include lump sum settlement, rollover to another qualified plan or deferral until attainment of retirement age.

Benefits are payable prior to leaving the Company if the participant is over 59½ or in event of specific financial hardship. Benefit payments are subject to administrative requirements and tax withholdings, depending upon the participant's account balance, marital status and other circumstances.

Investment Options

Upon enrollment in the Plan, a participant may direct employer contributions into twenty-two separate accounts, which include stock and mutual fund accounts. These accounts are held by the Custodian. Contributions are directed by each individual participant and may be changed at his or her discretion daily. Participants assume risks associated with the respective investments which they hold in their individual investment accounts.

Forfeitures

At December 31, 2010 and 2009, forfeited non-vested accounts totaled approximately $ 49,444 and $ 91,501, respectively. These forfeitures can be used to reduce future employer contributions, pay Plan expenditures, or be allocated to the remaining participants based upon the value of each remaining participant's vested account balance. The choice of these three options is at the discretion of Plan management. In 2010, these accumulated funds were initially used to pay Plan expenses and the balance then redistributed to participants.

Expenses of the Plan

The Plan's administrative expenses can be paid by either the Plan or the Company as provided by the Plan document. Presently, the Company is paying these expenses.

Income Taxes

The Plan has received a favorable determination from the Internal Revenue Service and is therefore exempt from federal income tax under Internal Revenue Code Section 401. The plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires the Plan administrator to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results may differ from those estimates.

Risks and Uncertainties

The Plan provides for various investment options. Investment securities are exposed to various risks, such as interest rate, market and credit. Due to the level of risk associated with certain investment securities and the level of uncertainty related to changes in the value of these investment securities, it is at least reasonably possible that changes in risks in the near term would materially affect participants' account balances and the amounts reported in the statement of net assets available for plan benefits and the statement of changes in net assets available for plan benefits.

Vesting

Vesting in the participants' accounts is based on whole years of continuous service using the following schedule:

(Years) Vesting Service	Vesting Percentage
Less than 2	0%
2	20%
3	40%
4	60%
5	80%
6 or more	100%

In the event of death or total and permanent disability while under the Company's employment, all amounts credited to the participants as of the subsequent Plan anniversary date are considered fully vested.

Changes in Presentation

The Plan may change the presentation of selected assets or additions to or deductions from net assets to facilitate comparability between years. This change is simply for ease of comparison and does not result in any change or adjustment to net assets available for plan benefits.

Subsequent Events

Items for subsequent events have been considered through the date of the independent auditors' report.

NOTE 3: FINANCIAL INSTRUMENTS

Certain financial instruments potentially subject the Plan to concentrations of credit risk. These financial instruments consist of mutual funds. The Plan limits its credit risk by monitoring its accounts with what management believes to be high quality financial institutions.

NOTE 4: INFORMATION CERTIFIED BY TRUSTEES OF THE PLAN

The investments included in the statements of net assets available for plan benefits as of December 31, 2010 and 2009 and the individual line item amounts identified as net appreciation (depreciation) in the fair value of investments, dividends and earnings, and benefits paid to beneficiaries, which are included in the statements of changes in net assets available for plan benefits for the years ended December 31, 2010 and 2009, have been derived from information certified as complete and accurate by the Custodian in accordance with ERISA requirements.

NOTE 5: DEFERRED PAYMENTS

As of December 31, 2010 and 2009, there are 12 and 8 participants, respectively, that have separated from service and are not presently active Plan participants. These former participants have vested account balances totaling approximately $ 781,165 and $ 121,172, respectively, as of December 31, 2010 and 2009. The Plan will pay out these amounts at the direction of the former participants.

NOTE 6: TAX STATUS

The Internal Revenue Service has determined and informed the Company by a letter dated August 26, 2002, that the Plan is qualified and the Trust established under the Plan is tax exempt under Section 401 of the Internal Revenue Service Code. The Plan administrator and its qualified tax counsel do not anticipate that changes in the Plan after the date of the amendments covered by the Internal Revenue Service determination letter will affect the qualified and tax exempt status of the Plan.

NOTE 7: PLAN TERMINATION

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event the Plan is terminated, participants will become fully vested in their accounts.

During the years ended December 31, 2010 and 2009, certain Plan investment funds utilized by the Plan were managed by SunTrust Bank. As SunTrust Bank is the Custodian of the Plan, transactions involving the aforementioned funds, by definition, were party-in-interest transactions.

The new loan policy allows for participants to obtain one loan for a maximum of the lesser of $ 50,000 or one-half the participant's vested balance, with a minimum loan of $ 1,000. Interest will be accrued at prime rate (as quoted in the *Wall Street Journal*) plus 1% (4.25% at January 1, 2011) and will be credited to the borrower's account. The loan repayment term will vary between three and five years on most loans. If the loan is used the purchase of a principal residence, it can be repaid over 15 years.
