NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2010 AND 2009**

1. DESCRIPTION OF PLAN

The following description of Associated Medical Professionals of NY, PLLC Employees' 401(k) Profit Sharing Plan and Trust (the "Plan") provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

General

The Plan is a defined contribution plan covering all employees of Associated Medical Professionals of NY, PLLC (the "Company") who have completed one year of service and are twenty-one years of age or older. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 ("ERISA").

Contributions

Each year participants may contribute a percentage of their pre-tax annual compensation, as defined by the Plan, subject to maximum limitations established by the Internal Revenue Code. In addition, participants who have attained the age of 50 before the close of the Plan year may contribute an additional catch-up contribution. Participants may also contribute amounts representing distributions from other tax-qualified retirement plans.

The Company will contribute an amount equal to 3% of a participant's compensation. This contribution is intended to meet certain safe harbor requirements under the Internal Revenue Code.

Profit sharing contributions may be made at the option of the Company's management. Contributions are subject to certain limitations. The Company elected to make discretionary contributions of \$640,447 and \$595,699 for 2010 and 2009, respectively.

Participant Accounts

Each participant's account is credited with the participant's contribution, Company safe harbor contributions, allocations of the Company's profit sharing contributions, Plan earnings, and charged with an allocation of administrative expenses. Allocations are based on participant compensation, as defined by the Plan agreement. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2010 AND 2009**

1. DESCRIPTION OF PLAN (CONT'D)

Vesting

Participants are immediately vested in their contributions and Company safe harbor contributions plus actual earnings thereon. Vesting in the Company's profit sharing contribution portion of their accounts plus actual earnings thereon is based on years of continuous service. A participant is 100% vested after six years of credited service.

Payment of Benefits

Upon termination of service due to death, disability or retirement, a participant or beneficiary may elect to receive an amount equal to the value of the participant's vested interest in his or her account as either a lump-sum amount or installment payments.

Hardship withdrawals or in-service withdrawals are not allowed under the Plan.

Note Receivable from Participant

Participant borrowings from their fund accounts are not granted under the Plan. The outstanding note receivable from participant represents amounts that were transferred from a previously merged Plan. Receivable is secured by the balance in the participant's account. The interest rate on the outstanding receivable was 9.25% at December 31, 2010.

Investment Options

Investments are held within various investment options maintained by Merrill Lynch & Company, a subsidiary of Bank of America, N.A. Contributions are invested, at the discretion of the participant, in one or a combination of available investment options.

The Plan also allows participants to invest in a self-directed brokerage account. In this account, participants are provided with a wider range of investments including stocks, bonds and mutual funds.

Administrative Expenses

The Company absorbs reasonable expenses incurred in the administration of the Plan. Expenses relating to certain participant transactions, such as fees related to distributions, are deducted from the participant's account as the transactions occur.

EMPLOYEES' 401(k) PROFIT SHARING PLAN AND TRUST
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2010 AND 2009**

1. DESCRIPTION OF PLAN (CONT'D)

Forfeited Accounts

At December 31, 2010 and 2009, forfeited non-vested accounts totaled \$16,459 and \$13,317, respectively. These amounts are used to reduce future Company contributions. In 2010, Company contributions were reduced by \$8,645 through the application of forfeitures.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The financial statements of the Plan have been prepared on the accrual basis of accounting.

Payment of Benefits

Benefits are recorded when paid.

Note Receivable from Participant

Note receivable from participant is measured at its unpaid principal balance plus any accrued but unpaid interest.

Recently Issued Accounting Pronouncement

In 2010, the Financial Accounting Standards Board (FASB) issued FASB *Accounting Standards Update (ASU) 2010-25, Reporting Loans to Participants by Defined Contribution Plans*, which states that for reporting purposes, participant loans should be classified as notes receivable from participants instead of Plan investments as previously required. FASB ASU 2010-25 is effective for fiscal years ending after December 15, 2010 and was applied retrospectively to 2009 as required. The Plan's adoption of FASB ASU 2010-25 did not have a material impact on the statement of net assets available for benefits or statement of changes in net assets available for benefits.

Investment Valuation and Income Recognition

The Plan investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation in fair value of investments includes the Plan's gains and losses on investments bought and sold as well as held during the year.

NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2010 AND 2009**

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONT'D)

Use of Estimates

The preparation of the financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets, liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results may differ from these estimates.

Subsequent Events

Subsequent events have been evaluated through September 2, 2011, the date the financial statements were available to be issued.

3. FAIR VALUE MEASUREMENTS

Financial Accounting Standards Board (FASB) *Accounting Standards Codification (ASC) 820, Fair Value Measurements and Disclosures*, provides the framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1 measurement) and the lowest priority to unobservable inputs (level 3 measurement). The three levels of the fair value hierarchy under FASB ASC 820 are described as follows:

Level 1: Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2: Inputs to the valuation methodology include:

- quoted prices for similar assets or liabilities in active markets;
- quoted prices for identical or similar assets or liabilities in inactive markets;
- inputs other than quoted prices that are observable for the asset or liability;
- inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the level 2 input must be observable for substantially the full term of the asset or liability.

Level 3: Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

**ASSOCIATED MEDICAL PROFESSIONALS OF NY, PLLC
EMPLOYEES' 401(k) PROFIT SHARING PLAN AND TRUST
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2010 AND 2009**

3. FAIR VALUE MEASUREMENTS (CONT'D)

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

The following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2010 and 2009.

- *Money market account*: valued at cost plus accrued interest.
- *Mutual funds*: valued at the net asset value of shares held by the Plan at year end.
- *Pooled separate account*: valued at net asset value of units held by the Plan, based on quoted market prices of the underlying investments.
- *Self-directed brokerage accounts*: valued at the aggregate value of the investments held. Common stock, preferred stock, corporate bonds, U.S. government securities, and other assets are valued at closing price reported on the active market on which the individual securities are traded. Mutual funds are valued at the net asset value of shares held by the Plan at year end. Money market accounts are valued at cost plus accrued interest.

The preceding methods described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following tables set forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2010 and 2009.

* These investments are included in self-directed brokerage accounts.

During 2010, the Plan's investments (including gains and losses on investments bought and sold, as well as held during the year) appreciated in value by \$1,405,746 as follows:

Mutual funds	\$ 1,199,254
Pooled separate account	3,446
Self-directed brokerage accounts	203,046
Total	<u>\$ 1,405,746</u>

5. INFORMATION PREPARED AND CERTIFIED BY TRUSTEE

The Plan administrator has received a certification from Bank of America, N.A., the trustee of the Plan that states that the following information is complete and accurate as of December 31, 2010 and 2009, and for the year ended December 31, 2010.

- Statements of Net Assets Available for Benefits - Total investments, at fair value (except for pooled separate account) and note receivable from participant
- Statement of Changes in Net Assets Available for Benefits - Interest and dividend income, net appreciation in fair value of investments (except for pooled separate account), and interest income on note receivable from participant
- Note 4 - Investment balances and net appreciation in fair value of investments (except for pooled separate account)
- Schedule H, Line 4i - Schedule of Assets (Held at End of Year) - All items and amounts (except for pooled separate account)

**ASSOCIATED MEDICAL PROFESSIONALS OF NY, PLLC
EMPLOYEES' 401(k) PROFIT SHARING PLAN AND TRUST
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2010 AND 2009**

6. RELATED PARTY TRANSACTIONS

Plan investments include investment funds managed by Merrill Lynch & Company, a subsidiary of Bank of America, N.A. who acts as trustee as defined by the Plan and, therefore, transactions qualify as party-in-interest transactions. Fees paid to Merrill Lynch & Company by the Plan for administrative services amounted to \$4,278 for the year ended December 31, 2010.

7. INCOME TAX STATUS

The Plan obtained its latest determination letter on June 2, 2010, in which the Internal Revenue Service stated that the Plan, as then designed, was in compliance with the applicable requirements of the Internal Revenue Code. The Plan has been amended since receiving the determination letter. However, the Plan administrator believes that the Plan is currently designed and being operated in compliance with the applicable requirements of the Internal Revenue Code. Therefore, no provision for income taxes has been included in the Plan's financial statements.

Accounting principles generally accepted in the United States of America require Plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the Internal Revenue Service. The Plan administrator has analyzed the tax positions taken by the Plan, and has concluded that as of December 31, 2010, there are no uncertain positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress. The Plan administrator believes the Plan is no longer subject to income tax examinations for years prior to 2007.

8. RISKS AND UNCERTAINTIES

Investment securities are exposed to various risks, such as interest rate, market and credit risk. Due to the level of risk associated with certain investment securities and the level of uncertainty related to changes in the fair value of investment securities, it is at least reasonably possible that changes in risks in the near-term would materially affect participant account balances and amounts reported in the statement of net assets available for benefits.

9. PLAN TERMINATION

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants will become 100% vested in their accounts.
